

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

MEMORIAL

OF THE

AMERICAN PHILOSOPHICAL SOCIETY, AND OF THE HISTORICAL
SOCIETY OF PHILADELPHIA.

RECOMMENDING THE PUBLICATION OF CERTAIN ANCIENT RECORDS.

*To the Honorable the Senate and House of Representatives of the
Commonwealth of Pennsylvania.*

The memorial of the American Philosophical Society held at Philadelphia, for promoting useful knowledge, and of the Historical Society of Pennsylvania, by their committees for this purpose specially appointed, most respectfully sheweth :

That it is the misfortune of the Nations of the old Continent, that their early history is lost in the night of time. Excepting the Holy Scriptures, no records have been preserved of the first settlements of mankind. All else beyond a period not very remote is veiled in obscurity. Recourse has been had to fabulous traditions made up of fabled Heroes and Demi-gods in abundance, the offsprings of vanity and of ignorance. Of our British ancestors, nothing is known before the invasion of their island by Julius Cæsar, of our German forefathers, the noble defence made by the immortal Herman against the legions of Varus, whom he defeated and conquered, is the first authentic account, after which follows a long period of darkness to the time of their great emperor Charlemagne. The ancient history of Asia, (the cradle of mankind) engages at this moment the attention of the learned of Europe. For that purpose, Asiatic societies have been formed under royal patronage, both in England and in France. The study of Egyptian antiquities is every where patronized, encouraged and promoted. Scientific travellers are sent to that country at royal expense, obelisks and other monuments are imported at an immense cost, and grace the public squares, the museums, and other repositories of the great capitals. England boasts of the rosetta monumental stone. France of her Egyptian obelisk, which once adorned ancient Thebes, and is now erected in the midst of her capital, where it is the most attractive object to the admiration of travellers. Unable to penetrate into the future, man loves to inquire into the past, to interrogate his most remote ancestors, and to learn from their experience how to pursue good and eschew evil. He is disappointed and mortified, when instead of historical facts, he finds

fabulous records and incredible tales, more calculated for the amusement of children than the instruction of mankind.

It is the good fortune of the people of these United States, that their early history is not involved in obscurity and doubt. Although of recent origin, it already engages the attention of the learned in this country and elsewhere. Historical and antiquarian societies are established in almost every state in the Union, and their labours are eagerly sought after and read by our citizens with patriotic pleasure, and by foreigners with ardent curiosity.

The history of Pennsylvania deserves and obtains a particular attention. She alone can boast of a founder, whose name will go down to posterity, with those of the most celebrated Legislators. Her citizens are descended from two illustrious nations, alike renowned for science, and for the glory acquired by arms. The mixture of German and of British blood, has implanted in our commonwealth those solid virtues which lead nations to prosperity; and the warmth of the Irish heart, has not contributed a little to the character which she has acquired for generous hospitality. In every respect, her history is full of interest and will become so more and more. It is therefore of the highest importance, that the authentic records from which that history is to be deduced should not be lost to posterity. The facts posterior to our revolution are in no danger of being so lost, the press since that time has been active in perpetuating them, in the shape of journals, newspapers and printed records of every description. But it is not so with the materials of our colonial history. In single manuscript copies, they are deposited in the office of the Secretary of State, where fire or some other accident may in a moment destroy them, so that those interesting memorials, unless effectual measures are taken to preserve them, will be lost to us and to our posterity forever.

Among those documents the most important is undoubtedly the minutes of the Provincial Council from the organization of the Colonial government under William Penn down to the revolution. This invaluable record was fortunately preserved amidst the horrors of war and the troubles attending our revolution. If it should be lost, a link will be wanting in the chain of events which constitute the history of our state. Your honors well know that the council were not only possessed of the executive power, but were also a branch of the legislature, as they had a negative upon all the laws proposed by the assembly. If the records of their proceedings should by some accident be lost, many important parts of our colonial history will be left in obscurity, and false notions will at length be established in their stead by the ingenuity or perhaps design of future chroniclers.

More than eighty years ago, in the year 1752, when Pennsylvania was yet a poor infant colony, and her means and resources were not in the least degree to be compared to those of this rich and powerful state, a patriotic legislature caused to be printed at their expense, the votes and proceedings of their predecessors from the time of the landing of the founder, and his first assembly held at Chester, in 1682,

and the work was continued in six large folio volumes, down to the time of our revolution. The cost of this publication must have been to them and to the people whom they represented comparatively immense, while on the contrary, your memorialists have reason to believe that that of publishing the minutes of council will be but trifling, particularly if we consider it in comparison with their importance. They hope that your honors will not show themselves in this respect, less patriotic than their noble and virtuous predecessors.

Next to the minutes of Council, your memorialists consider the treaties made with the Indians under the colonial government, to be the most important. They will be of the utmost interest to our descendants, and it will be highly honorable to this great state, to show to the world that in all the relations of Pennsylvania with the Indian tribes, no recourse has been had to war or to the shedding of human blood, except when we were obliged to combat them as the allies of another nation, who employed them for the purpose of subduing our country.

What other public ante-revolutionary documents there are in the Secretary's office that may be thought worthy of publication, your memorialists do not know; but they would humbly suggest the propriety of having a correct list of them made and published for future consideration; and also, that those who are engaged in the study of the history of our country, may know what materials exist in the possession of the government, which may be consulted by them in the prosecution of their labors.

Your memorialists therefore respectfully pray that your Honors will be pleased to take the above suggestions into their serious consideration, and adopt such measures as their wisdom shall dictate in favor of the objects of this memorial.

And they shall ever pray, &c.

REPORT

OF THE

COMMITTEE OF THE HOUSE OF REPRESENTATIVES.

J. WASHINGTON TYSON, *Chairman.*

The Committee to whom was referred the joint memorial of the American Philosophical Society held at Philadelphia, for promoting useful knowledge, and of the Historical Society of Pennsylvania, recommending the publication of certain public records, report :

That they have examined the subject with that attention which its importance and the character of the memorialists demand. These two societies whose memorial is before the committee, include a large portion of the intellect, literature and science of Philadelphia. One of them, the Historical Society of Pennsylvania, has for its objects, the collection and preservation of the materials of our domestic history. All know how much it has already contributed to these purposes and to the correction of historical errors. Its published memoirs, attest the intelligence, industry, and public spirit of its members. About twenty years ago, the Philosophical Society, added to its standing committees, a committee of history. Since that period, it has embraced within the wide circle of its investigations, every thing connected with our state and federal annals. The volume published by the committee, comprising a learned correspondence between Du Ponceau and Heckewelder, and an excellent account of the Moravian Indians, by the latter, as well as the collections which, it is understood, have since been made, constitute some of the Historical claims of the society. As chairman of each of the two committees who drafted the memorial before us, it is gratifying to find the name of the distinguished and venerable Du Ponceau, himself—a name of which the state, nay, the whole country, has so much reason to be proud for his great talents, deep erudition and fervent patriotism.—The memorial is therefore commended to the respectful consideration of this body, by the character of the memorialists who speak in it upon their own subject, upon one with which they may be presumed to be intimately acquainted; and upon one of high and commanding importance to the state.

In regard to the prayer of the memorialists, your committee cannot but heartily concur in the opinion, that it is important to preserve from eventual destruction and all detriment, the records of this com-

monwealth while under a colonial government, and that the safest means of effecting such preservation, is to cause them to be published and widely distributed through the state. These valuable records are at present in a state of great insecurity, and liable to many accidents, any one of which may occasion their loss and total destruction. To guard against such events, is therefore of the highest importance.

The history of a country, is all in the acts of its government. The public records are the only safe materials on which the historian can rely. Before the invention of printing, those documents could with difficulty be preserved; they were liable to be, and immense numbers of them were in fact destroyed by fire, by foreign and civil wars, by the perishable quality of their materials, and by the carelessness of those in whose custody they were placed. After the art of printing became known, the jealousy of government, prevented for a long period the publication of most important records, and the proprietary government of Pennsylvania, participated in that feeling, so that the proceedings of the colonial councils, were in a great measure considered as state secrets, and accessible but to few. Before the revolution, their publication could not have been permitted.

In the infancy of the Colony, when printing presses were few, and the expense of printing too great to be borne by our small and dispersed population, even the daily proceedings of the legislative body remained in manuscript for the space of seventy years. It was not until the year 1752, that the legislature determined on publishing their journals; beginning with those of the first assembly, which met at Upland, now Chester, Delaware county, in the year 1682. It was a bold and an expensive project for that time, it was nevertheless undertaken; the old journals were printed, and the publication continued until the period of the revolution. The whole, consisting of seven large folio volumes, is in our library at this place, and in many of the public and private libraries throughout the state, a monument of the zeal and patriotism of our ancestors.

Since the revolution, all important public documents, have been regularly published under the authority of the legislature, and the copies have been multiplied through a great number of newspapers, so that the facts which are to be the materials of our future history, are beyond the reach of any accident, above contingency, and secure from the danger of being lost to posterity.

But those of the preceding period, are still exposed to the dangers of decay, removal, mutilation and destruction. If they should happen to be lost, through the neglect of the present generation, a stigma will rest upon us, which no lapse of time can efface. The nations of Europe are at this moment strongly impressed with the necessity of preserving their ancient records, by means of the press. The government of Great Britain have, at an immense expense, commenced the publication of theirs, beginning with Dooms-day book, a record of the time of William the Conqueror, and thence proceeding through the series of past ages. Thirty-two volumes of this collection have already been published; sixteen of which are large thick folios, and

no cost has been spared to ensure the accuracy of the text, and the beauty of the impression. With a commendable liberality, they have distributed numerous sets of this valuable collection, in America and Europe, in donations to public libraries, and learned societies, and amongst others, the American Philosophical Society, and the Library Company of Philadelphia, have shared in that bounty. The latter institution has received the whole collection; and the former only part of it, the remainder in England having been accidentally consumed by fire, so that it is to be begun anew. Other nations are following that example aided by Antiquarian societies, which are established in almost every large city of Europe.

The general government of the United States have not been behind hand, in adopting this mode of preserving the ancient records of our Union. They have re-published the journals of Congress under the confederation, and many other important documents; and they have permitted individuals to have access to their records, and to take copies of such papers, as, being of interest, may afford a profit to the editor who devotes his time and his labor to their publication.

Some of the individual states, and the state of Maryland in particular, have lately taken similar measures for discovering and publishing important documents, in which process they have found that a great number are irrecoverably lost. To avoid a like misfortune, your committee think it their duty to recommend the publication of the Colonial records of Pennsylvania, which are in the custody of the Secretary of the Commonwealth. Of the importance and necessity of multiplying the copies of those valuable and curious papers, we are impressively admonished by the late fire at Washington—documents of inestimable price, both in a pecuniary and historical point of view, were, no doubt, by that event, entirely destroyed. The absence of duplicates by means of the press, renders the loss altogether irreparable.

The memorialists have very properly pointed out the minutes of the proprietary councils as those that deserve to be first attended to. Your committee, therefore recommend, that they be immediately printed, under the direction of the Secretary of the Commonwealth. The publication of other documents may be postponed until it shall be known of what they principally consist.

The memorialists have mentioned the Indian treaties as next in importance. What are called "Indian treaties," are conferences between Indian chiefs, deputed by their respective tribes, and the governors of the colony of Pennsylvania, in which their mutual interests are discussed and settled. Several of those are contained in the minutes of council, and need not be printed twice. Under the name of "Indian treaties" are also designated the deeds and conveyances of lands made by Indian chiefs or land owners, to the proprietors. Of these, the late Judge Smith has given a full abstract in the second volume of his edition of the laws of Pennsylvania. It will nevertheless be desirable that they should be published at large, as many titles to lands are derived from them, and they are moreover interesting in an historical point of view. But as the minutes of council are

most important among our ancient records, your committee would recommend their publication in the first instance.

Your committee have not had time to inspect the public documents in the Secretary's office, with that care which they desired to bestow upon them, and which would have enabled them to give to the House a clear view of their contents.

It is their opinion that the Secretary should be directed to prepare a report on their contents, to be laid before the legislature at their next session, by means of which they will be best able to determine which of them deserve to be published, and to act thereon as their wisdom shall direct.

In accordance with these views, the committee beg leave to report the accompanying bill.

And to the End the said William Penn, or heires, or other, the Planters, Owners or Inhabitants of said Province, may not att any time hereafter, by misconstrucon of the powers aforesaid, through inadvertencie or designe, depart from that faith and due allegiance which by the Lawes of this our Realme of England, they and all our subjects, in our Dominions and Territories, always owe vnto vs, our heires and successors, by colour of any extent or largenesse of powers hereby given, or pretended to bee given, or by force or colour of any lawes hereafter to bee made in the said Province, by virtue of any such powers. Our further will and pleasure is, that a transcript or Duplicate of all lawes which shall bee soe as aforesaid, made and published within the said province, shall within five yeares after

the makeing thereof, be transmitted and delivered to the privy Councell, for the time being, of vs, our heires and successors; and if any of the said Lawes within the space of six months, after that they shall be soe transmitted and delivered, bee declared by vs, our heires and successors, in our or their privy Councill, inconsistent with the sovereignty or lawfull prerogative of vs, our heires or successors, or contrary to the faith and allegiance due by the legall Government of this realme, from the said William Penn, or his heires, or of the Planters and Inhabitants of the said province; and that therevpon any of the said Lawes shall bee adiudged and declared to bee void by vs, our heires or successors, vnder our or their Privy Seale, that then, and from henceforth such Lawes concerning which such Judgement and declaracon shall be made, shall become voyd, otherwise the said lawes soe transmitted, shall remaine and stand in full force according to the true intent and meaning thereof. Furthermore, that this new Colony may the more happily increase, by the multitude of people resorting thither; THEREFORE, WEE, for vs, our heires and successors, do give and grant by these presents, power, licence and libertie vnto all the liege people and subjects, both present and future of vs, our heires and successors, excepting those who shall bee especially forbidden, to transport themselves and families vnto the said Countrey, with such convenient shipping, as by the lawes of this, our kingdomes of England, they ought to vse with fitting provisions paying only the customs therefore due, and there to settle themselves, dwell and inhabitt and plant for the public and their own private advantage; AND FURTHERMORE, that our subjects may bee the rather encouraged to undertake this expedicon with ready and cheerful mindes. KNOW YEE, that wee of our especial grace, certaine knowledge and meere mocon, Doe give and grant by vertue of these presents, as well vnto the said William Penn and his heires, as to all others who shall from time to time repaire vnto the said Countrey, with a purpose to inhabitt there, or to trade with the natives of the said Countrey, full license to lade and freight in any Ports, whatsoever of vs, our heires and successors, according to the lawes, made, or to be made within our kingdomes of England, and into the said Countrey, by them, their servants or assignes, to transport all and singular their wares, goods and merchandizes, as likewise, all sorts of graine whatsoever, and all other things whatsoever necessary for food or cloathing, not phibited by the lawes and Statutes of our kingdomes and Dominions, to be carryed out of the said kingdomes without any lett or molestacon of vs, our heires and successors, or of any the officers of vs, our heires and successors, saveing alwayes to vs, our heires and successors, the legall imposicions, customes, and other duties and payments for the said wares and merchandize, by any law or statute due or to be due to vs, our heires and successors. AND WEE DOE further for vs, our heires and Successors give and grant vnto the said William Penn, his heires and assignes, free and absolute power to Divide the said Countrey, and Islands, into Townes, Hundreds and Counties, and to erect and incorporate Townes into Borroughs, and Borroughs into Citties, and to

WE WILL ALSOE, and by these presents for vs, our heires and successors, WEE doe give and grant licence by this our charter, vnto the said William Penn, his heires and assignes, and to all inhabitants and dwellers in pvince aforesaid, both present, and to come to import or vnlade by themselves or their Servants, factors or assignes, all merchandizes and goods whatsoever, that shall arise of the fruites and comodities of the said province, either by Land or Sea, into any of the Ports of vs, our heires and successors, in our kingdome of England, and not into any other country whatsoever. And WEE give him full power to dispose of the said goods in the said ports, and if need bee, within one yeare next after the unladeing of the same, to lade the said merchandizes and goods again into the same or other shippes, and to export the same into any other Countreys, either of our Dominions or florreigne, according to lawe: PROVIDED alwayes, that they pay such customes and imposicons, subsidies and duties for the same to vs, our heires and successors, as the rest of our subjects of our kingdome of England, for the time being shall be bound to pay, and doe observe the acts of Navigation and other lawes in that behalfe made. AND FURTHERMORE, of our more ample and especiall grace, certaine knowledge and meere motion, WEE DOE, for vs, our heires and successors, Grant vnto the said William Penn, his heires and assignes, full and absolute power and authoritie, to make, erect and constitute within the said province, and the Isles and Isletts aforesaid, such and soe many Seaports, harbours, Creeks, Havens, Keyes and other places, for discharge and vnlading of goods, & merchandize out of the shippes, boates and other vessells, and Ladeing them in such and soe many places, and with such rights, Jurisdiccions, liberties and privileges unto the said ports, belonging as to him or them, shall seeme most expedient, and that all and singuler the shippes, boates and other vessells, which shall come for merchandize and trade, vnto the said pvince, or out of the same shall depart, shall be laden or vnladen onely att such ports as shall be erected and constituted by the said William Penn, his heires and assignes, any vse, custome or other thing to the contrary notwithstanding: PROVIDED, that the said William Penn and his heires, and the Lieutenants and Governors for the time being, shall admitt and receive in and about all such ports, havens, Creeks and Keyes, all officers and their Deputies, who shall from time to time be appointed for that purpose, by the farmers or Commissioners of our customes, for the time being. By Writt of privy Seale.

JOHN SHALER, chv^r.

xxvij die Janry, 1682, Fir.

CERTAIN CONDITIONS OR CONCESSIONS,

Agreed upon by William Penn, Proprietary and Governor of the Province of Pennsylvania and those who are the adventurers and purchasers in the same province the Eleventh of July, one thousand six hundred and eighty-one.

First. That so soon as it pleaseth God that the above said persons arrive there, a quantity of land or Ground plat shall be laid out for a large Town or City in the most convenient place upon the River for health and navigation; and every purchaser and adventurer shall by lot have so much land therein as will answer to the proportion which he hath bought or taken up upon rent. But it is to be noted that the surveyors shall consider what Roads or Highways will be necessary to the Cities, Towns, or through the lands. Great roads from City to City not to contain less than forty feet in breadth shall be first laid out and declared to be for highways before the Dividend of acres be laid out for the purchaser, and the like observation to be had for the streets in the Towns and Cities, that there may be convenient roads and streets preserved not to be encroached upon by any planter or builder that none may build irregularly to the damage of another. In this custom governs.

Secondly. That the land in the Town be laid out together after the proportion of ten thousand acres of the whole country, that is two hundred acres, if the place will bear it: However that the proportion be by lot and entire so as those that desire to be together, especially those that are by the catalogue laid together, may be so laid together both in the Town & Country.

Thirdly. That when the Country lots are laid out, every purchaser from one thousand to Ten thousand acres or more, not to have above One thousand acres together, unless in three years they plant

a family upon every thousand acres ; but that all such as purchase together, lie together ; and if as many as comply with this Condition, that the whole be laid out together.'

Fourthly. That where any number of purchasers, more or less, whose number of acres amounts to Five or ten thousand acres, desire to sit together in a lot or Township, they shall have their lot or Township cast together, in such places as have convenient Harbours or navigable rivers attending it, if such can be found, and in case any one or more Purchasers plant not according to agreement, in this concession to the prejudice of others of the same Township upon complaint thereof, made to the Governor or his deputy, with assistance they may award (if they see cause) that the complaining purchaser may, paying the survey money, and purchase money, and Interest thereof, be entitled, inrolled, and lawfully invested in the lands so not seated.

Fifthly. That the proportion of lands that shall be laid out in the first great Town or City, for every purchaser, shall be, after the proportion of Ten acres, for every Five hundred acres purchased, if the place will allow it.

Sixthly. That notwithstanding there be no mention made in the several Deeds made to the purchasers, yet the said William Penn, does accord and declare, that all Rivers, Rivulets, Woods and Underwoods, Waters, Watercourses, Quarries, Mines and Minerals, (except mines Royal,) shall be freely and fully enjoyed and wholly by the purchasers into whose lot they fall.

Seventhly. That for every Fifty acres that shall be allotted to a servant, at the end of his service, his Quitrent shall be two shillings per annum, and the master or owner of the Servant, when he shall take up the other Fifty acres, his Quitrent shall be Four shillings by the year, or if the master of the servant, (by reason of the Indentures he is so obliged to do,) allot out to the Servant Fifty acres in his own Division, the said master shall have on demand allotted him from the Governor, the One hundred acres, at the chief rent of Six shillings per annum.

Eighthly. And for the encouragement of such as are ingenious, and willing to search out Gold and silver mines in this province, it is hereby agreed that they have liberty to bore and dig in any man's property, fully paying the damage done, and in case a Discovery should be made, that the discoverer have One Fifth, the owner of the soil (if not the Discoverer) a Tenth part, the Governor Two Fifths, and the rest to the public Treasury, saving to the king the share reserved by patent.

Ninthly. In every hundred thousand acres, the Governor and Proprietary by lot reserveth Ten to himself, which shall lie but in one place.

Tenthly. That every man shall be bound to plant or man so much of his share of Land as shall be set out and surveyed within three years after it is so set out and surveyed, or else it shall be lawful for new comers to be settled thereupon, paying to them their survey money, and they go up higher for their shares.

Eleventhly. There shall be no buying and selling, be it with an Indian, or one among another of any Goods to be exported but what shall be performed in public market, when such place shall be set apart or erected, where they shall pass the public Stamp or Mark. If bad ware and prized as good, or deceitful in proportion or weight, to forfeit the value as if good, and full weight and proportion to the public Treasury of the Province, whether it be the merchandize of the Indian or that of the Planters.

Twelfthly. And forasmuch as it is usual with the planters to overreach the poor natives of the Country in Trade, by Goods not being good of the kind, or debased with mixtures, with which they are sensibly aggrieved, it is agreed, whatever is sold to the Indians, in consideration of their furs, shall be sold in the market place, and there suffer the test, whether good or bad; if good to pass; if not good, not to be sold for good, that the natives may not be abused nor provoked.

Thirteenthly. That no man shall by any ways or means, in word or deed, affront or wrong any Indian, but he shall incur the same penalty of the Law, as if he had committed it against his fellow planters; and if any Indian shall abuse, in Word or Deed, any planter of this province, that he shall not be his own Judge upon the Indian, but he shall make his complaint to the Governor of the province, or his Lieutenant or Deputy, or some inferior magistrate near him, who shall, to the utmost of his power, take care with the king of the said Indian, that all reasonable Satisfaction be made to the said injured planter.

Fourteenthly. That all differences between the Planters and the natives shall also be ended by Twelve men, that is, by Six planters and Six natives, that so we may live friendly together as much as in us lieth, preventing all occasions of Heart burnings and mischief.

Fifteenthly. That the Indians shall have liberty to do all things relating to improvement of their Ground, and providing sustenance for the families, that any of the planters shall enjoy.

Sixteenthly. That the laws as to Slanders, Drunkenness, Swearing, Cursing, Pride in apparel, Trespasses, Distresses, Replevins, Weights and measures, shall be the same as in England, till altered by law in this province.

THE FRAME OF THE GOVERNMENT

Of the Province of Pennsylvania, in America: together with certain laws in England, by the Governor and divers freemen of the aforesaid Province. To be further explained and confirmed there by the first Provincial Council that shall be held, if they see meet.

THE PREFACE.

When the great and wise God had made the world, of all his creatures it pleased him to choose man his deputy to rule it; and to fit him for so great a charge and trust, he did not only qualify him with skill and power, but with integrity to use them justly. This native goodness was equally his honour and his happiness; and whilst he stood here, all went well; there was no need of coercive or compulsive means; the precept of divine love and truth in his bosom was the guide and keeper of his innocency. But lust prevailing against duty, made a lamentable breach upon it; and the law, that before had no power over him, took place upon him and his disobedient posterity, that such as would not live conformable to the holy law within, should fall under the reproof and correction, of the just law without, in a judicial administration.

This the apostle teaches us in divers of his epistles. The law (says he) was added because of transgression: In another place, knowing that the law was not made for the righteous man; but for the disobedient and ungodly, for sinners, for unholy and profane, for murderers, for whoremongers, for them that defile themselves with mankind, and for menstealers, for liars, for perjured persons, &c. But this is not all, he opens and carries the matter of government a little further: Let every soul be subject to the higher powers, for there is no power but of God. The powers that be are ordained of God: whosoever therefore resisteth the power, resisteth the ordinance of God. For rulers are not a terror to good works, but to Evil: wilt thou then not be afraid of the power? Do that which is good, and thou shalt have praise of the same.—He is the minister of God to thee for good.—Wherefore ye must needs be subject, not only for wrath, but for conscience sake.

This settles the divine right of government beyond exception, and that for two ends; first, to terrify evil-doers; secondly, to cherish those that do well; which gives government a life beyond corruption, and makes it as durable in the world, as good men shall be. So that government seems to me a part of religion itself, a thing sacred in its institution and end. For if it does not directly remove the cause, it crushes the effects of evil, and is as such (tho' a lower yet) an emanation of the same Divine Power, that is both author and object of pure religion; the difference lying here, that the one is more free and mental, the other more corporal and compulsive in its operations: but that is only to evil-doers; government itself being otherwise as capable of kindness, goodness and charity, as a more private society. They weekly err, that think there is no other use of government than correction, which is the coarsest part of it: daily experience tells us, that the care and regulation of many other affairs more soft and daily necessary, make up much the greatest part of government; and which must have followed the peopling of the world, had Adam never fell, and will continue among men on earth under the highest attainments they may arrive at, by the coming of the blessed second Adam, the Lord from Heaven. Thus much of government in general, as to its rise and end.

For particular frames and models, it will become me to say little; and comparatively I will say nothing. My reasons are: first, that the age is too nice and difficult for it; there being nothing the wits of men are more busy and divided upon. 'Tis true, they seem to agree in the end, to wit, happiness; but in the means they differ, as to divine, so to this human felicity; and the cause is much the same, not always want of light and knowledge, but want of using them rightly. Men side with their passions against their reason, and their sinister interests have so strong a bias upon their minds, that they lean to them against the good of the things they know.

Secondly, I do not find a model in the world, that time, place, and some singular emergences have not necessarily altered; nor is it easy to frame a civil government, that shall serve all places alike.

Thirdly, I know what is said by the several admirers of mon-

archy, aristocracy and democracy, which are the rule of one, a few, and many, and are the three common ideas of government, when men discourse on that subject. But I choose to solve the controversy with this small distinction, and it belongs to all three; any government is free to the people under it (whatever be the frame) where the laws rule, and the people are a party to those laws, and more than this is tyranny, oligarchy, and confusion.

But lastly, when all is said, there is hardly one frame of government in the world so ill designed by its first founders, that in good hands would not do well enough; and story tells us, the best in ill ones can do nothing that is great or good; witness the Jewish and Roman states. Governments, like clocks, go from the motion men give them, and as governments are made and moved by men, so by them they are ruined too. Wherefore governments rather depend upon men, than men upon governments. Let men be good, and the government cannot be bad; if it be ill, they will cure it. But if men be bad, let the government be never so good, they will endeavour to warp and spoil to their turn.

I know some say, let us have good laws, and no matter for the men that execute them: but let them consider, that though good laws do well, good men do better; for good laws may want good men, and be abolished or invaded by ill men; but good men will never want good laws, nor suffer ill ones. 'Tis true, good laws have some awe upon ill ministers, but that is where they have not power to escape or abolish them, and the people are generally wise and good: but a loose and depraved people (which is to the question) love laws and an administration like themselves. That therefore, which makes a good constitution, must keep it, viz: men of wisdom and virtue, qualities that because they descend not with worldly inheritances, must be carefully propagated by a virtuous education of youth, for which after ages will owe more to the care and prudence of founders, and the successive magistracy, than to their parents for their private patrimonies.

These considerations of the weight of government, and the nice and various opinions about it, made it uneasy to me to think of publishing the ensuing frame and conditional laws, foreseeing both the censures they will meet with from men of differing humours and engagements, and the occasion they may give of discourse beyond my design.

But next to the power of necessity (which is a solicitor that will take no denial) this induced me to a compliance, that we have (with reverence to God, and good conscience to men) to the best of our skill, contrived and composed the FRAME and LAWS of this government, to the great end of all government, viz: to support power in reverence with the people, and to secure the people from the abuse of power; that they may be free by their just obedience, and the magistrates honourable for their just administration: for liberty without obedience is confusion, and obedience without liberty is slavery. To carry this evenness is partly owing to the constitution, and partly to the magistracy; where either of these fail, govern-

ment will be subject to convulsions; but where both are wanting, it must be totally subverted: then where both meet, the government is like to endure. Which I humbly pray and hope God will please to make the lot of this of Pennsylvania. Amen.

WILLIAM PENN.

THE FRAME.

TO ALL PEOPLE, to whom these presents shall come. WHEREAS king Charles the second, by his letters patent, under the great seal of England; for the consideration therein mentioned, hath been graciously pleased to give and grant unto me William Penn (by the name of William Penn, Esq. son and heir of Sir William Penn, deceased) and to my heirs and assigns forever, all that tract of land or province, called Pennsylvania, in America, with divers great powers, preheminences, royalties, jurisdictions, and authorities, necessary for the well-being and government thereof: NOW KNOW YE, that for the well-being and government of the said province, and for the encouragement of all the freemen and planters that may be therein concerned, in pursuance of the powers aforementioned, I the said William Penn have declared, granted, and confirmed, and by these presents, for me, my heirs and assigns, do declare, grant and confirm unto all the freemen, planters and adventurers, of, in and to the said province, these liberties, franchises, and properties, to be held, enjoyed and kept by the freemen, planters and inhabitants of the said province of Pennsylvania for ever.

Imprimis. That the government of this province shall, according to the powers of the patent, consist of the Governor and freemen of the said province, in form of a Provincial Council and General Assembly, by whom all laws shall be made, officers chosen, and publick affairs transacted, as is hereafter respectively declared. That is to say,

Second. That the freemen of the said province shall, on the twentieth day of the twelfth month, which shall be in this present year, one thousand six hundred eighty and two, meet and assemble in some fit place, of which timely notice shall be before hand given, by the governor or his deputy, and then and there shall choose out of themselves seventy-two persons of most note for their wisdom, virtue and ability, who shall meet on the tenth day of the first month next ensuing, and always be called and act as the Provincial Council of the said province.

Third. That at the first choice of such Provincial Council, one third part of the said Provincial Council shall be chosen to serve for three years next ensuing; one-third part for two years then next ensuing, and one-third part for one year then next following such election, and no longer; and that the said third part shall go out accordingly. And on the twentieth day of the twelfth month as aforesaid, yearly for ever afterward, the freemen of the said province shall in like manner meet and assemble together, and then

choose twenty four persons, being one third of the said number, to serve in Provincial Council for three years. It being intended, that one third part of the whole Provincial Council (always consisting and to consist of seventy two persons, as aforesaid) falling off yearly, it shall be yearly supplied by such new yearly elections, as aforesaid; and that no one person shall continue therein longer than three years: and in case any member shall decease before the last election during his time, that then at the next election ensuing his decease, another shall be chosen to supply his place for the remaining time he was to have served, and no longer.

Fourth. That after the first seven years, every one of the said third parts that goeth yearly off, shall be incapable of being chosen again for one whole year following: that so all may be fitted for government, and have experience of the care and burden of it.

Fifth. That the Provincial Council in all cases of matters of moment, as their arguing upon bills to be passed into laws, erecting courts of justice, giving judgment upon criminals impeached, and choice of officers, in such manner as is herein after mentioned; not less than two thirds of the whole Provincial Council shall make a quorum; and that the consent and approbation of two thirds of such quorum shall be had in all such cases and matters of moment. And moreover, that in all cases and matters of lesser moment, twenty-four members of the said Provincial Council shall make a quorum, the majority of which twenty four shall and may always determine in such cases and causes of lesser moment.

Sixth. That in this Provincial Council, the governor or his deputy shall or may always preside, and have a treble voice; and the said Provincial Council shall always continue, and sit upon its own adjournments and committees.

Seventh. That the governor and Provincial Council shall prepare and propose to the General Assembly hereafter mentioned, all bills, which they shall at any time think fit to be passed into laws within the said province; which bills shall be published and affixed to the most noted places in the inhabited parts thereof thirty days before the meeting of the General Assembly, in order to the passing them into laws or rejecting of them, as the General Assembly shall see meet.

Eighth. That the governor and Provincial Council shall take care that all laws, statutes and ordinances, which shall at any time be made within the said province, be duly and diligently executed.

Ninth. That the governor and Provincial Council shall at all times have the care of the peace and safety of the province, and that nothing be by any person attempted to the subversion of this frame of government.

Tenth. That the governor and Provincial Council shall at all times settle and order the situation of all cities, ports and market towns in every county, modelling therein all public buildings, streets, and market places, and shall appoint all necessary roads and highways in the province.

Eleventh. That the governor and Provincial Council shall at all times have power to inspect the management of the publick tree-

sury, and punish those who shall convert any part thereof to any other use, than what hath been agreed upon by the governor, Provincial Council and General Assembly.

Twelfth. That the governor and Provincial Council shall erect and order all publick schools, and encourage and reward the authors of useful sciences and laudable inventions in the said province.

Thirteenth. That for the better management of the powers and trust aforesaid, the Provincial Council shall from time to time divide itself into four distinct and proper committees, for the more easy administration of the affairs of the province, which divides the seventy-two into four eighteens, every one of which eighteens shall consist of six out of each of the three orders or yearly elections, each of which shall have a distinct portion of business, as followeth: first, a committee of plantations, to situate and settle cities, ports, market-towns and high-ways, and to hear and decide all suits and controversies relating to plantations. Secondly, a committee of justice and safety, to secure the peace of the province, and punish the male-administration of those who subvert justice to the prejudice of the publick or private interest. Thirdly, a committee of trade and treasury, who shall regulate all trade and commerce according to law, encourage manufacture and country growth, and defray the publick charge of the province. And fourthly, a committee of manners, education, and arts, that all wicked and scandalous living may be prevented, and that youth may be successively trained up in virtue and useful knowledge and arts: the quorum of each of which committees being six, that is, two out of each of the three orders or yearly elections as aforesaid, making a constant and standing council of twenty-four, which will have the power of the Provincial Council, being the quorum of it, in all cases not excepted in the fifth article; and in the said committees and standing Council of the province, the governor or his deputy shall or may preside as aforesaid; and in the absence of the governor or his deputy, if no one is by either of them appointed, the said committees or Council, shall appoint a president for that time, and not otherwise; and what shall be resolved at such committees, shall be reported to the said Council of the province, and shall be by them resolved and confirmed before the same shall be put in execution; and that these respective committees shall not sit at one and the same time, except in cases of necessity.

Fourteenth. And to the end that all laws prepared by the governor and provincial Council aforesaid, may yet have the more full concurrence of the freemen of the province, it is declared, granted, and confirmed, that at the time and place or places for the choice of a Provincial Council as aforesaid, the said freemen shall yearly choose members to serve in General Assembly as their representatives, not exceeding two hundred persons, who shall yearly meet on the twentieth day of the second month, which shall be in the year one thousand six hundred eighty and three following, in the capital, town, or city of the said province, where during eight days the several members may freely confer with one another; and, if any of them see meet, with a committee of the Provincial Council (consisting of

Three out of each of the four committees aforesaid, being twelve in all) which shall be at that time purposely appointed to receive from any of them proposals for the alteration or amendment of any of the said proposed and promulgated bills; and on the ninth day from their so meeting, the said General Assembly, after reading over the proposed bills by the clerk of the Provincial Council, and the occasion and motives for them being opened by the governor or his deputy, shall give their affirmative or negative, which to them seemeth best, in such manner as hereinafter is expressed. But not less than two thirds shall make a quorum in the passing of laws, and choice of such officers as are by them to be chosen.

Fifteenth. That the laws so prepared and proposed as aforesaid, that are assented to by the General Assembly, shall be enrolled as laws of the province, with this stile: *By the Governor, with the assent and approbation of the freemen in Provincial Council and General Assembly.*

Sixteenth. That for the better establishment of the Government and laws of this province, and to the end there may be an universal satisfaction in the laying of the fundamentals thereof; the General Assembly shall or may for the first year consist of all the freemen of and in said province, and ever after it shall be yearly chosen, as aforesaid; which number of two hundred shall be enlarged as the country shall increase in people, so as it do not exceed five hundred at any time: the appointment and proportioning of which, as also the laying and methodising of the choice of the Provincial Council and General Assembly in future times, most equally to the divisions of the hundreds and counties, which the country shall hereafter be divided into; shall be in the power of the Provincial Council to propose, and the General Assembly to resolve.

Seventeenth. That the governor and the Provincial Council shall erect, from time to time, standing courts of justice in such places and number as they shall judge convenient for the good government of the said province. And that the Provincial Council shall, on the thirteenth day of the first month yearly, elect and present to the governor or his deputy, a double number of persons to serve for judges, treasurers, master of rolls, within the said province for the year next ensuing; and the freemen of the said province in the county courts, when they shall be erected, and till then in the General Assembly shall, on the three and twentieth day of the second month yearly, elect and present to the governor or his deputy, a double number of persons to serve for sheriffs, justices of the peace, and coroners, for the year next ensuing; out of which respective elections and presentments, the governor or his deputy shall nominate and commissionate the proper number for each office the third day after the said presentments; or else the first named in such presentment for each office, shall stand and serve for that office the year ensuing.

Eighteenth. But forasmuch as the present condition of the province requires some immediate settlement, and admits not of so quick a revolution of officers; and to the end the said province may, with

all convenient speed, be well ordered and settled, I, William Penn, do therefore think fit, to nominate and appoint such persons for judges, treasurers, masters of the rolls, sheriffs, justices of the peace, and coroners, as are most fitly qualified for those employments; to whom I shall make and grant commissions for the said offices respectively, to hold to them to whom the same shall be granted, for so long time as every such person shall well behave himself in the office or place to him respectively granted, and no longer. And upon the decease or displacing of any of the said officers, the succeeding officer or officers shall be chosen as aforesaid.

Nineteenth. That the General Assembly shall continue so long as may be needful to impeach criminals fit to be there impeached; to pass bills into laws, that they shall think fit to pass into laws, and till such time as the governor and Provincial Council shall declare, that they have nothing further to propose unto them for their assent and approbation; and that declaration shall be a dismiss to the General Assembly for that time, which General Assembly shall be notwithstanding capable of assembling together, upon the summons of the Provincial Council, at any time during that year, if the said Provincial Council shall see occasion for their so assembling.

Twentieth. That all the elections of members or representatives of the people, to serve in Provincial Council and General Assembly, and all questions to be determinated by both or either of them, that relate to passing of bills into laws, to the choice of officers, to impeachments made by the General Assembly, and judgment of criminals upon such impeachments by the Provincial Council, and to all other cases by them respectively judged of importance, shall be resolved and determined by the ballot; and, unless on sudden and indispensable occasions, no business in Provincial Council, or its respective committees, shall be finally determined the same day that it is moved.

Twenty-first. That at all times, when and so often as it shall happen, that the Governor shall or may be an infant, under the age of one and twenty years, and no guardians or commissioners are appointed in writing by the father of the said infant, or that such guardians or commissioners shall be deceased; that during such minority, the Provincial Council shall, from time to time, as they shall see meet, constitute and appoint guardians or commissioners, not exceeding three; one of which three shall preside as deputy and chief guardian, during such minority, and shall have and execute, with the consent of the other two, all the power of a governor, in all the public affairs and concerns of the said province.

Twenty-second. That as often as any day of the month, mentioned in any article of this charter, shall fall upon the first day of the week, commonly called the Lord's day, the business appointed for that day, shall be deferred till next day, unless in case of emergency.

Twenty-third. That no act, law or ordinance whatsoever, shall at any time hereafter be made or done, by the governor of this province, his heirs or assigns, or by the freemen in the Provincial Council or

the General Assembly, to alter, change or diminish the form or effect of this charter, or any part or clause thereof, without the consent of the governor, his heirs or assigns, and six parts of seven of the said freemen in Provincial Council, and General Assembly.

And lastly. That I the said William Penn, for myself, my heirs, and assigns, have solemnly declared, granted and confirmed, and do hereby solemnly declare, grant and confirm, that neither I, my heirs nor assigns, shall procure or do any thing or things, whereby the liberties in this charter contained and expressed, shall be infringed or broken; and if any thing be procured by any person or persons contrary to these premises, it shall be held of no force or effect. In Witness whereof, I the said William Penn have unto this present charter of liberties, set my hand and broad seal, this five and twentieth day of the second month, vulgarly called April, in the year of our Lord, one thousand six hundred and eighty-two.

WILLIAM PENN.

LAWS AGREED UPON IN ENGLAND.

First. That the charter of liberties, declared, granted and confirmed, the five and twentieth day of the second month, called April, 1682, before divers witnesses by William Penn, governor and chief proprietary of Pennsylvania, to all the freemen and planters of the said province, is hereby declared and approved, and shall be for ever held for fundamental, in the government thereof, according to the limitations mentioned in the said charter.

And all deeds, grants, and conveyances of land (except as aforesaid) within the said province, and made out of the said province, shall be inrolled or registered as aforesaid, within six months next after the making thereof, and settling and constituting an enrolment office or registry within the said province, else to be void in law against all persons whatsoever.

And in case any person so called to evidence, shall be convicted of wilful falsehood, such person shall suffer and undergo such damage or penalty, as the person or persons against whom he or she bore false witness, did or should undergo; and shall also make satisfaction to the party wronged, and be publicly exposed as a false witness, never to be credited in any court, or before any magistrate, in the said province.

Twenty-seventh. And to the end that all officers chosen to serve within this province, may with more care and diligence answer the trust reposed in them, it is agreed, that no such person shall enjoy more than one publick office at one time.

Thirty-fourth. That all treasurers, judges, masters of the rolls, sheriffs, justices of the peace, and other officers and persons whatsoever, relating to courts or trials of causes, or any other service in the government; and all members elected to serve in Provincial Council and General Assembly, and all that have right to elect such members, shall be such as profess faith in Jesus Christ, and that are not convicted of ill fame, or unsober and dishonest conversation, and that are of one and twenty years of age at least; and that all such

That all persons living in this province, who confess and acknowledge the one almighty and eternal God, to be the creator, upholder and ruler of the world, and that hold themselves obliged in conscience to live peaceably and justly in civil society, shall in no ways be molested or prejudiced for their religious persuasion or practice in matters of faith and worship, nor shall they be compelled at any time to frequent or maintain any religious worship, place or ministry whatever.

Thirty-sixth. That according to the good example of the primitive christians, and for the ease of the creation, every first day of the week, called the Lord's day, people shall abstain from their common daily labour, that they may the better dispose themselves to worship God according to their understandings.

Thirty-seventh. That as careless and corrupt administration of justice draws the wrath of God upon magistrates, so the wildness and looseness of the people provoke the indignation of God against a country; therefore, that all such offences against God, as swearing, cursing, lying, prophane talking, drunkenness, drinking of healths, obscene words, incest, sodomy, rapes, whoredom, fornication, and other uncleanness (not to be repeated.) All treasons, misprisons, murders, duels, felonies, seditions, maims, forcible entries, and other violences, to the persons and estates of the inhabitants within this province: all prizes, stage plays, cards, dice, may-games, masques, revels, bull-baitings, cock-fightings, bear-baitings and the like, which excite the people to rudeness, cruelty, looseness and irreligion, shall be respectively discouraged, and severely punished, according to the appointment of the governor and freemen in Provincial Council and General Assembly, as also all proceedings contrary to these laws, that are not here made expressly penal.

Thirty-eight. That a copy of these laws shall be hung up in the Provincial Council, and in public courts of justice, and that they shall be read yearly, at the opening of every Provincial Council and General Assembly, and courts of justice, and their assent shall be testified by their standing up, after the reading thereof.

Thirty-ninth. That there shall be at no time any alteration of any of these laws, without the consent of the governor, his heirs or assigns, and six parts of seven of the freemen, met in Provincial Council and General Assembly.

Fortieth. That all other matters and things not herein provided for, which shall and may concern the publick justice, peace or safety of the said province; and the raising and imposing taxes, customs, duties, or other charges whatsoever, shall be, and are hereby referred to the order, prudence and determination of the governor and freemen in Provincial Council and General Assembly, to be held from time to time in the said province.

Signed and sealed by the Governor and freemen aforesaid, the

fifth day of the third month, called May, one thousand six hundred and eighty-two.

No. IX.

THE FRAME OF THE GOVERNMENT

Of the Province of Pennsylvania and the territories thereunto belonging, passed by Governor Markham, November 7, 1696.

Whereas, the late King Charles the Second, in the three and thirtieth year of his reign, by letters patent under the great seal of England, did for the considerations therein mentioned, grant unto William Penn, his heirs and assigns for ever, this colony, or tract of land, thereby erecting the same into a province called Pennsylvania, and constituting him the said William Penn, absolute proprietary thereof, vesting him, his deputies and lieutenants, with divers great powers, pre-eminencies, royalties, jurisdictions and authorities, necessary for the well-being and good government of the said province. And whereas, the late Duke of York and Albany, &c., for valuable considerations, did grant unto the said William Penn, his heirs and assigns, all that tract of land, which hath been cast or divided into three counties, now called Newcastle, Kent and Sussex, together with all royalties, franchises, duties, jurisdictions, liberties and privileges thereunto belonging ; which last mentioned tract being intended as a beneficial and requisite addition to the territory of the said pro-

prietary and Governor, at the request of the freemen of the said three counties, by their deputies in Assembly mett, with the representatives of the freemen of the said province at Chester, alias Upland, on the sixth day of the tenth month, 1682, did (with the advice and consent of the members of the said Assembly) enact, that the said three counties should be annexed to the province of Pennsylvania, as the proper territories thereof: and whereas, king William and the late Queen Mary, over England, &c., by their letters patent and commission under the great seal of England, dated the twenty-first day of October, in the fourth year of their reign, having (for the reasons therein mentioned) taken the government of this said province and territories into their hands, and under their care and protection, did think fit to constitute Benjamin Fletcher, Governor of New York, to be their Captain General and Governor in Chief over this province and country. And whereas, also the said king and queen, afterwards by their letters patent, under the great seal of England, dated the twentieth day of August, in the sixth year of their reign, have thought fit upon the humble application of the said William Penn, to restore them to the administration of the government of the said province and territories, and that so much of their said commission, as did constitute the said Benjamin Fletcher, their Captain General and Governor in Chief of the said province of Pennsylvania, country of Newcastle, and the territories and tracts of land depending thereupon, in America, together with all the powers and authorities thereby granted, for the ruling and governing their said province and country, should from the publication of the said last recited letters patent cease, determine, and become void, and accordingly the same are hereby declared void; whereupon, the said William Penn did commissionate his kinsman William Markham, Governor under him, with directions to act according to the known laws and usages of this government.

Now, forasmuch as the former frame of government, modelled by act of settlement and charter of liberties, is not deemed in all respects suitably accommodated to our present circumstances; therefore it is unanimously desired, that it may be enacted, And be it enacted by the Governor aforesaid, with the advice and consent of the representatives of the freemen of the said province and territories in Assembly met, and by the authority of the same, that this government shall, from time to time, consist of the Governor or his deputy or deputies, and the freemen of the said province and territories thereof, in form of a Council and Assembly; which Council and Assembly shall be men of most note for virtue, wisdom and ability; and shall from and after the tenth day of the first month next, consist of two persons out of each of the counties of this government, to serve as the people's representatives in Council; and of four persons out of each of the said counties, to serve as their representatives in Assembly; for the electing of which representatives, it shall and may be lawful to, and for all the freemen of this province and territories aforesaid, to meet together on the tenth day of the first month yearly hereafter, in the most convenient and usual

place for election, within the respective counties, then and there to choose their said representatives as aforesaid, who shall meet on the tenth day of the third month, yearly, in the capital town of the said province; unless the Governor and Council shall think fit to appoint another place.

And to the end, it may be known who those are in this province and territories, who ought to have right of or to be deemed freemen, to choose or be chosen to serve in Council and Assembly as aforesaid; Be it enacted by the authority aforesaid, That no inhabitant of this province or territories, shall have right of electing or being elected as aforesaid, unless they be free denizens of this government, and are of the age of twenty-one years or upwards, and have fifty acres of land, ten acres whereof being seated and cleared, or be otherwise worth fifty pounds lawful money, of this government clear estate, and have been resident within this government for the space of two years next before such election

And whereas, divers persons within this government, cannot for conscience sake, take an oath upon any account whatsoever; Be it therefore enacted, by the authority aforesaid, That all and every such person and persons, being at any time hereafter required upon any lawful occasion to give evidence, or take an oath, in any case whatsoever, shall, instead of swearing, be permitted to make his or their solemn affirmation, attest or declaration, which shall be adjudged, and is hereby enacted and declared to be of the same force and effect to all intents and purposes whatsoever, as if they had taken an oath, and in case any such person or persons shall be lawfully convicted of having wilfully and corruptly affirmed or declared, any matter or thing, upon such solemn affirmation or attest, shall incur the same penalties and forfeiture; as by the laws and statutes of England are provided against persons convicted of wilful and corrupt perjury.

And be it further enacted by the authority aforesaid, That all persons who shall be hereafter, either elected to serve in Council and Assembly, or commissioned or appointed to be Judges, Justices, Master of the Rolls, Sheriffs, Coroners, and all other officers of state and trust, within this government, who shall conscientiously scruple to take an oath, but when lawfully required, will make and subscribe the declaration and profession of their Christian belief, according to the late act of parliament, made in the first year of King William, and the late Queen Mary, entitled, An act for exempting their majesties Protestant subjects, dissenting from the Church of England, from the penalty of certain laws, shall be adjudged, and are hereby declared to be qualified to act in their said respective offices and places, and thereupon, the several officers herein mentioned, shall instead of an oath, make their solemn affirmation or declaration, in manner and form following, that is to say:

And bee it enacted by the Authority afores^d that y^e days of y^e week & y^e months of y^e year, Shall be called as in Scripture, & not by Heathen names, (as are vulgarly used,) as y^e first, Second & Third daies of y^e week, and first Second & Third months of y^e year, beginning with y^e day called Sunday, & y^e month called March.

VOL. I.—3.

The Returns of the Sherifs being read, wth the Petieons and Addresses of the ffreemen to the Governer, and finding therein that the People have amply vested their 12 Deligates out of each county wth power to act as the Provinciall Councelours & Generall Assembly, and it being proposed to the elected members aforesaid if they were chosen to serve in both those capacities, they answered they were: That is to say, three of each Twelve for the Provinciall Council, and the remaining Nine of each Twelve to constitute the Generall Assembly, according to the returnes.

After the reading of the Returnes & Petieons, the Charter of Liberties was read.

W^{ch} requiring a greater number than was chose to serve in Provinciall Council & Generall Assembly, yet left to be explained and confirmed by the Governer, his heirs and assigns, and the Freemen of this Province and Territories in Provinciall Council and Assembly mett, the Deputies of the ffreemen in Prov^d Councell and Assembly do think the reason alladged in the Sherifs Returnes and Petieons of the ffreemen for not Chuseing more than 12 to serve in Prov^d Council and Generall Assembly, are sufficient, and that the seventy two now chosen & returned have in them the Power of the whole Freemen of this Province and Territories thereunto belonging, and so capable of serving as a provincial council & Genrall Assembly. A member moving that the Govern^r may be desired that this alteration may not hinder y^e people from the benefit of this Charter, because it seems thereby to be returned to him again by not being accepted as largely as Granted. The Govern^r answered, they might amend, alter, or add for the Publick good, and that he was ready to Settle such Foundations as might be for their happiness and the good of their Posterities, according to y^e powers vested in him. The Numbers to be increased by the Govern^r & Council, Freemen in Prov^d Council and Assembly mett.

Vpon the whole matter the Assembly went to chuse a Speaker.

The Gov^r Informed y^e board, that it was Convenient Warrant should be sent from this board to apprehend some persons upon suspicion of putting away of bad money.

A Question put whether there be not some psons to vent such money here.

Rob^t Felton being attested, The Question was put to him whether or no he rec^d any Silver of Charles Pickerin, to Quine for him; he answered yes, 24 pounds of Bard Silver; he also made the Seales, & Charles Pickering & Samⁿ Bukley helped him to make the Bitts. Quest: what did they add to the allay of y^e 15 lb. 2^o; about 4^o of

Copper; and what to y^e 9lb. 3 or 4th of Copper, being the alloy; he cannot be Exact how much the alloy was, for they did sometimes put in more than he knew of.

A Warrant was Issued forth from this board, to bring Charles Pickering & Sam^l Buckley before them. Tho: Clifford appointed Messing^r for this Sessions.

Robert Felton also saith he had noe Silver brought to him, but by the psons above named, and he Scroopling to do it, the Silver having been already allayed, and if they did not put more Copper into it they would Loose by it; they said they would Bare him out in what he did for them.

The Gov^r telleth Ch: Pickering & Sam^l Buckley of their abuse to y^e Governm^t, in Quining of Spanish Bitts and Boston money, to the Great Damage and abuse to y^e Subjects therof. The Gov^r asked them whether or no they are Guilty of y^e fact. They confess they have put of some of those new bitts, but they say that all their money was as good Silver as any Spanish money, and also deny that they had any hand in this matter. Charles Pickering saith he will Stand by it and be Tryed; he declareth that he heard Jno. Rush Swere that he Spent halfe his time in making of Bitts.

The Gov^r asketh Sam^l Buckley whether he did not help to melt money, or to put in y^e Copper alloy into y^e Silver more then Should be, and to have been at y^e Stamping of new Bitts, and Strikeing on the Stamp.

He Confesseth he hath been guilty of somewhat of that; also, was there not to y^e knowledge any brass or Copper put into the Silver that was melted? he Sayeth yes.

Also, whether or no thou didst not help Charl. Pickering's man to melt, and also to strike the hamer and See y^e Seals, and disperse some of the Bitts, more or Less? he Sayeth yes.

Was there not more alloy put into the Silver then Ordinary, and y^e Person tould that Stamp it, that There was too much? he sayeth yes.

John Rush being sent for & Examined, Positively denyeth what Char. Pickering affermd.

The Gov^r Demands of Charl. Pickering and Sam^l Buckley to give Security, weh accordingly was done.

Tho. Philips & Sam^l Bucley, Enter into a Recognizance of five hundred pounds for Sam^l Buckley's appearance before this board when demanded, and not to goe out of towne without Leave.

Richd Wall and Char. Pickering binde themselves and Enter into a Recognizance of five hundred pounds for Char. Pickering's appearance before this board, and not to goe out of towne without Leave.

Ordered yt y^e Sherriff take Rob felton into Custody, & him safe to keep until further order.

POST MERIDIEM.

The Gov^r moved that at y^e beginning and Ending of the Siting of the Assembly, the People of y^e Citty and Countrey may if they please, come in and hear what shall be spoken unto them.

The Assembly being admitted, the Govr opened the house, and Caused to be delivered to the Speaker fiftene Lawes Concerning severall things for them to debate of.

A Petition of y^e County of Kent was Cognizable before this board, and it is referred to a Committee of some of this board and some of the house of Assembly to that part of y^e Petition Relateing to pattents.

The Govr telleth them that the fault of not having Pattents is not y^e Govr but their owne, for they ought always to attend the Govr for them, and that their Default is so far from giving them pretence not to pay Quitrents, that with an Other Govr it might Weaken their Tittles or Pinch their Pocketts, and that y^e Ordr of Sr Edmond Andros for three Years to Seat in Expired in '78, and that divers Orders were sent to them to take out their Pattents, and further more there was an Other Order that those that had not or should not settle in 6 months should forfeit their Lands; also thousands of acres in the Lower Countys which y^e Govr might have taken from them, being forfeited; therefore they ought to be Content.

A Warrt was Issued Out from this Board to Benjam. Chambers, High Sheriffs, to Sumons a Grand & Petty Jury for the Tryall of Char. Pickering & Samll Buckley.

The Assembly's Declaration against Nich. Moore, presented May 15th, 1685, to y^e President and Provll Councill in y^e Councill Chamber, by the Speaker & Members of the Assembly :

For the Speedy redress of divers Evils & Mischiefs wch this Province and Territories now Labour under, & for y^e preventing the farther growth and Increase of y^e same, & to the honour and Safety of the Govr and Governmt of this Province & Territoris, and by good & Welfare of y^e People thereof, the freemen in Assembly now mett, doe by this their bill, shew & Declare against Nich. Moore, Pryor Judg and member of Assembly of y^e Province of Pennsylvania, &c. The Misdemeanors, Offences & Crimes, and Other Matters Comprized in the Articles following; and him, y^e said Nich Moore, doe accuse of the said Misdemeanors, Offences & Crimes.

1st. The said Nich. Moore Assumeing to himselfe an unlimited & Arbitrary Power beyond the Prescription or Laws of this Governmt, hath presumed of his owne Authority, to Send Unlawfull Writts to the Sherriffs, and to ascertain and appoint the Time of y^e Provll Circuits without the Direction & Concurrence of y^e Provll Councill, whereby the time of their Sessions hath been Antisipated, the Seveall Countys being Surprized by the Shortness of their Warning, and thereby being Impossible to give due Sumons according to Law, Either of Jurys, Wittnesses, or Persons Concerned, whereby some Persons have been forced to Irregular Tryalls, and Others absolutely denied Justice.

2dly. The said Nich. Moore, Judge, having that high Trust Lodged in him for the Equall Distribution of Justice, without respect of Persons, the said Judge Sitting in Judgmt at New Castle, hath presumed to cast out a person from being of a Jury, after y^e said Person was Lawfully attested to y^e True Tryall of y^e Cause, thereby rending an Innocent & Lawful Person Infamous in the face of the County, by rejecting his attestation after Lawfully Taken, and Depriving the plantif of his Just Right.

3dly. The said Nich. Moore, Sitting in Judgmt, did in y^e towne of New Castle, refuse a Verdict brought in by a Lawfull Jury, and by Divers threats & Menaces, and Threatning y^e Jury with y^e same* of Perjury and crim of their Estates, forced y^e said Jury to goe out so often, until they had brought a Direct Contrary Verdict to the first, Thereby preventing Justice, and wounding the Libertyes of y^e free people of this Province and Territories in the Tenderest point of their Privelege, and Violently Usurping over y^e Consciences of the Jury.

4thly. The said Nich. Moore, although there was noe Lawfull summons according to Law for Partys Concerned to make preparation, did Arbitrarily reject and Cast out the Complaint of Jno. Wooters, in New Castle Court, hereby not only Delaying but denying Justice to him, coming in a Lawfull way to Demand it.

5thly. The said Nich. Moore assuming to himselfe an Unlimited and unlawful Power, did, Sitting in Judgmt at y^e aforesaid Towne of New Castle, wherin two persons stood Charged in a Civil action, it being in its own Nature only Trover & Conversion, and y^e pretended Indictmt raised it no higher, notwithstanding the said Moore did give the Judgmt of felony, Comending the Defendent to be Publickly Whipt, & Each to be fined to pay three fould, thereby Tyranizeing over the persons, Estates and reputations of the people of this Province and Territories, Contrary to Law and Reason.

6thly. The said Nich Moore Commanding a Witness to be Examined, did by overawing & greatly Perverting y^e Sence of y^e Wittnesses, Charge and Condamne the said Wittness to be guilty of Perjury, and to suffer the paines in that Case provided, & by proclamation to be for Ever rendered incapable of being rectus in Curia in this Governmt, and also fined him, Contrary to Law.

7thly. And Wheras, the Wisdom of the Generall Assembly did Conceive the Circular Courts would be their best Expedient for Ending all kind of Differences whatsoever, the said Nich. Moore, at y^e Said Towne of New Castle, Commanding the records of y^e former Circular Courts to be produced, wch y^e said Moore reading, he did in the Open Court, Censure the Judgmt of y^e preceeding Judges, by Saying their Judgmt was not right, thereby Distracting y^e People betwixt divers and Contrary Judgmts, and perpetuating Endless & Vexatious Suits.

8thly. The said Nich. Moore, Sitting in Judgmt at Chester, did in a most Ambitious, Insulting, & Arbitrary way, reverse and Impeach

* Fame or name.

the Judgmt of y^e Justices of y^e said County Court, and Publickly affronting the members thereof, although the matter came not regularly before the said Circular Court, thereby drawing the Magistrates into the Contempt of y^e people, and Weakening their hands in the administration of Justice.

9thly The said Nich. Moore being Chosen as abovesaid, to be Judg of y^e Circular Court according to law, wch obliges y^e said Judges both spring and fall, to goe their Cirquits ; and y^e said Nich. Moore assuming to himselfe the power of appointing the Times, as he is the pretended Chief Judg in The Province and the Territories thereof, hath notwithstanding, Declined the two Lower Circuits, to y^e great delay of Justice and Breach of his Trust, & Mischief and Inconvenience of y^e free people of y^e said Lower Countys.

10thly. The said Judg Moore resolving to put no Bounds to his Violence, Ambition and Oppression, hath, to y^e Dishonour of the Govr, and Contempt of y^e Governmt, Declared that neither he nor his Actions are accountable to y^e Presidt and Provll Council, by Despiseing and Containing their Orders & precepts, and Questionning and Denying their Authority, thereby Shrowding & Protecting himselfe in all the aforesaid Violences, to the rendring the Misserys of the Opressed Intollerable & perpetual, to the Subversion of the most Excellent frame of this Governmt, and the raising himselfe above the reach of Justice.

11thly. For all wch, and divers other High Crimes and Misdemeanors, the freemen in Assembly Mett, saving to themselves by protestation, the Liberty of Exhibiting now and any time hereafter any further Charge and Accusation against the said Nich. Moore, doe now Impeach the said Nich. Moore of all the foregoing Crimes and misdemeanrs, and humbly request the Presidt & Provll Council that he, the said Nich. Moore, may be removed from his great Offices & Trust, and answer to the said Objected Crimes and misdemeanors.

Then he was attested thus:

Thou dost Solemnly declare in y^e Presents of God, and before this board, that thou wilt truly and Justly performe y^e office of y^e King's Collectr of his Customs in y^e Province of Pennsylvania, according to y^e Instructions he Received from y^e Commissrs of his Majesty's Customes.

John White being asked what he had to say against the Servts of Wm. Dearing, Said that they were noe Defendts, for yt they were well satisfyed wth y^e Judgmt the Court had given against them, and therefore, they expected a Charge from them; and that if Hanse Peterson should give a Charge against y^e Servts, he was not prepared with his Evidences, not knowing that it would be tryed over againe. And Hans Peterson himself said, that notwithstanding he endeavoured to bring his Witnesses but they refused to Come, and he knew not how to force them, being Ignorant of y^e Way, since a Justices Summons was not a Sufficient Warrt for appearance before y^e Councill.

Then Charles Pickering did alleadg yt y^e Servts were Trappand by Hans Peterson, who some dayes before y^e Court, bidd them not appear there, promising them not to appear to prosecute them, by wch deceit they were unprovided for a defence.

John White made answer that that could not be, for yt Hans Peterson was bound in bonds not to prosecute them.

To prove Charles Pickerin's allegations:

Robt White was called for and attested to declare what he knew of y^e matter; who said yt in his hearing Hanse Peterson tould Wm. The Councill ordered them to withdraw, and then debated whether y^e Mr being Concerned, should be attested as an Evidence.

They gave their opinions he should be attested, wch was accordingly don; and then declared yt Hans Peterson seeing him look angerly bid him not be angry, for that he would bring his Servts off, and yt he was sorry for what he had done, & yt it was don in his Passion.

Edwd Green was attested to Declare what he knew of y^e Matter, declared:

That some Time last Winter y^e Mr Invited him on board, and goeing both together there, they found Hans Peterson's Wife with some other women: a Short time after Came Hans Peterson on board, wth a Complaint that some persons belonging to y^e Shipp had Killed his Hogs: That Hans's Wife did then declare yt y^e person

that killed the hogg had before acquainted her with his purpose of doeing it, and after y^e hogg was Killed, did give her notice thereof, that his Master might be Charged with it, the Master having before agreed with Hans for pork for his men, and yt she tould him he might Carry it on board ; and further saith yt y^e sd Hans did at y^e same time owne yt y^e sd Mr had spoak to him to lett him have some fresh pork for his people, and yt he had promised they should : and further, that y^e sd Hans said that provided he was payd for his Hogg he Would be contented, & yt y^e Master agreed to doe it.

Cornelius Empson Was attested to declare what he knew of y^e buisness, who said that when he had blamed Hans Peterson for Indicting y^e Servants of Wm. Dearing, when they had tould him before they would kill one of his Hoggs, he made answer that he was too hasty in it, but should bring them off well enough.

Then they were ordered to withdraw, whilst y^e Councill should debate y^e matter, but Immediately Stepd in Abraham Man & John Blunstone. Abraham Man began thus : Wee are come in y^e name of y^e free people, to know whether you have not forgott yourselves in not bringing Judg Moore to a Tryall.

The Secretary asked him for his Petition.

Abraham Man made answer, that they did not look upon themselves obliged to come by way of Petition, considering whom they Represent : after some Sharpe repremands, from y^e Councill, they withdrew, and then y^e Councill

The Committee Reports to y^e Council y^e Message they Received this morning from y^e Assembly.

Wherupon y^e Council debated upon y^e method of Reading y^e bills in order to secure and prevent y^e overthrow of y^e Laws of this Province, wch in Case more then one bill had been Read and yt of Continuance had been Rejected, would Inevitably have followed.

The Council seriously weighing & Considering y^e great trust wherewith they are in Vested, & unto wch they are Solemly obliged by y^e Express provisoes of y^e Great Charter of this Province & Territories, by y^e Act of Settlement, and by y^e Govrs and Propors Comission, granted unto them under y^e Great Seale whereby they are Impowred, more Especially as to y^e Executive Capacity in Relation to y^e Justice, Peace and Security of our present Constitution, and yt nothing be Continuanced nor allowed of that may Interferr, Hazard, or seem to Introduce a Subversion of this frame of Governmt; and upon y^e Debate in Council Concerning y^e Reading y^e proposed bills to y^e Assembly, it was by y^e President putt to y^e Membrs of y^e board, particularly whether if y^e first bill being a bill of Continuation of y^e former Laws, & an Expressive of y^e Duration of such bills which are to pass into Laws this Genall Assembly, whether, if y^e said bill should not pass in y^e Assembly, any more bills should be Read by y^e Clark of y^e Council unto them, & so y^e Assembly, by refusing y^e first & passing two or more other bills, The Inhabitants of this Province should be Stript & Left Destitute of such Laws of whose service they have had good Experience, By y^e uncertain compensation of such few ones wose use wee are upon Tryall off, & wch Cannot be supposed of yt Extent to Supply y^e Loss of such wch will Inevitably be Discontinued therby.

The Council Unanimously & Successively gave their Thoughts and Expressed themselves that upon refusall of y^e Assembly's passing of y^e bill for y^e Continuance of former Laws, that it would not be only advisable but Requisite for this juncture & Present time, That y^e Provll Clark forbear Reading of y^e Promulgated bills in ord to propose them to their assent or Dissent. The Preservation of ye Governmt in y^e forme wherein it is at present, being more Expressly our Respective Duties, then Exposing y^e same by Dubious and Insecure methods to unavoydable mischeiff.

Wm. Byles & Cornelius Empson Came to acquaint y^e Council yt y^e Assembly were ready to wayte on them in ord to finish y^e Legislation, it being y^e Last day.

Whereupon y^e Assembly Took Leave of y^e Council and departed.

The Council Considering y^e Debate they had with y^e Assembly, did unanimously agree and Ordered that this following Concurrence should be Entered, (Viz :)

Upon a Conferance had at this board with y^e Assembly, more Especially upon some amendments and alteration of them offered to y^e first bill for Continuance of former Laws, y^e Council Expressly understanding from some of their Cheifest members that they would not pass y^e said bill Unless wth such Exceptions and amendments, wch if granted, would in our judgments be Insecure & Inconsistent with y^e allowed methods in such a Case, and y^e present frame of Govrnt, and lead to y^e Introducing an unsafe and hetherto unpractised way in procedure upon Repeales, as first proposing y^e same in this time of y^e Genall Assembly, and so Lapsing or neelecting the previous Notice of y^e Legislative Council.

Upon y^e Serious Consideration of y^e Premises, it was deemed Expedient by y^e Geneall Assembly that y^e Reading of y^e promulgated bills should be Waved for this present Session, Least a misunderstanding, or a greater Inconvenience might thereupon Ensue.

The Petition of John Redwood for Releef against an Execution Surreptitiously obtained against him at y^e Sute of Richd Hogbean at y^e County Court of Philadelphia, (formerly Read at this board,) and now Read againe.

Answered. It is y^e Sense of y^e Council that the offers John Redwood made before y^e Members of this board for y^e Satisfacon of the Debt he Oweth to Richd Hogbean, are Sufficient, Viz. to give Security to pay y^e Debt in Sussex County, where the Creditor lives. Secondly he offered a Warrant of Atturney to Confess Judgment for y^e same in y^e next Court to be held in y^e County of Sussex, if not payd before. And Lastly the Creditors refusing to take Wm. Clark security for y^e payment of y^e Debt within six weeks time, notwithstanding the Credr first proposed it, & Wm. Clark willing thereto. Therefore this board's Opinion is, that y^e Creditor, Richd Hoggbean's, behaviour in this is Litigious and Vexatious.

The Petition of James Browne was Read, desiring the paymt of money due to him from Chr. Taylor, Deceased.

Answered, that at the time appointed, Arnoldus de la Grange, it shall have its answer.

The Petition of Thomas Woolaston was Read, Complaining that y^e County Court of New Castle had Denyed him an appeal to have his Cause heard in Equity, notwithstanding he gave his reasons for Requesting his appeal, and his Security then ready in Court; he produced to this board y^e Coppy of y^e proceeding in y^e County Court, wch was signed by y^e Clark thereof, upon y^e Reading off which y^e Council approved of y^e reasons therein given to be sufficient for y^e granting him an appeal; & thereupon orded yt y^e Secretary take Security of y^e sd Tho. Woolaston, for the Prossecuting y^e said appeal at

y^e next Provll Court, and then send a Coppy of this minute, with orders from this board under y^e Secretary's hand, and, to y^e majestates of New Castle County, or a Quorum thereof, willing & requiring them to stopp all further proceeding relating to this Cause in yt County, and yt the appeal be granted him to y^e next Provll Court.

As to y^e Delivery of y^e Originall Letters or Instructions, or part of Letters that Concern publick Instruction for y^e Government, y^e Keeper Desired some time to have Conference first wth y^e Rest of y^e Commissrs of State, and other members of the Provinciaall Councill to whome they were respectively Directed, to have their Sense about it, and would Returne their answer as Soon as he Could.

The Petition of Martha Moon was Read, wth y^e Coppy of her Deceased husband's Will, wch was Referred to y^e Common Law.

It being put to y^e Vote, it was Resolved in y^e affirmative. Butt John Symcock, a member of this board, Declareing his opinion yt y^e Keeper ought not to absent himselfe from being in a Readyness to Discharge his great Office & trust of y^e Great Seale, & moveing and desiring for his and others Satisfaction, that a question might be putt whether y^e Keeper Should be permitted to depart out of This Province during the time he is Keeper of y^e broad seale; It was Resolved in y^e affirmative, that he might be permitted, he leaveing y^e Seale with this board, and that y^e Secretary acquaint him with these Resolves.

The Secretary reported to this board yt according to their Order of y^e first Inst, he had wayted on y^e Keeper of y^e broad Seale, and acquainted him with y^e Two Resolves then past upon y^e Goverrs being informed by y^e Keeper of his Intentions touching his going to New York, and gave him a transcript of the Same Resolves, and that thereupon y^e Keeper Replyed that he would Returne his answer y^e next Time y^e Councill satt, Desireing the Secretary to give him notice when that Should be, that he might attend them. Wherevpon the board Ordered that notice Should be given him forthwith, of Their being mett in a full Councill.

The Keeper being come, was desired to sitt downe by y^e Govern, who acquainted him that y^e Secretary having Informed the board that it was his desire to Know of their meeting, in Order to his giving his answer to y^e Resolves touching y^e Great Seal's Disposall in his absence, & desireing to Know what his Intentions were in that matter, he said he had prepared a Paper to have left behinde him in case y^e Councill had not Satt before his going, &c., which paper he offered to their Consideration, haveing that opportunity for it; and y^e Govern desireing y^e Secretary might read it. The Keeper Insinuating that there might be some mistakes in y^e writing of it, wch he had not had time to Correct, it was proposed by y^e Govern that he might have further time, if he pleased, to satisfy himselfe therein before it was Read; to which he answered he would read it himselfe to y^e board, and accordingly read the same;* Wherevpon y^e Govern directed, if that were his answer, that he would signe it & deliver it to y^e Secretary, to be Considered in his absence, withall giving his opinion that it was in his apprehension a high Reflecting vpon and arraigning y^e board, or Some of them, & in a Libellovs manner Chargeing them with unwarrantable practices in their proceedings in that matter, Yett makeing a Distinction, as if it had been the act of a prevailing party, wch being debated and Considered amongst themselves, it was at last agreed that he should be acquainted that if he had anything else to give in as his answer, he had liberty, and might take his owne time to give it in. He desired that might be Entered by y^e Secretary in y^e Same Book where those Resolves were wch had been sent to him, wch was Directed by y^e board to be don accordingly, and that y^e Secretary Should deliver him a Copy of it, as he also desired, wch the Govern told Him he would trans-

Vpon y^e Petition of Thomas Woolaston to y^e Govern^r & Council, praying relief against a forceable Entry & Detainer in y^e County of New Castle, It was Resolved that a warrant be drawne, directed to such Justice or Justices of y^e peace ffor that County Dwelling nearest to y^e place where y^e fforce is alleaged, as he should apply to and Request in that behalfe forthwith to repaire to the house and Lands in his Petition mentioned, to View The said fforce, and finding any, to Remove the same; and if they ffound none vpon their View, to require the Sheriff of y^e Said County to Returne a jury to Enquire thereof whether any was, and by whome made or Continued, & to fine and Imprison the Offenders, & Therevpon to restore y^e quiett possession to y^e Petitioner, and to make a Returne of the same to y^e Clark of the County Court, to be Entered in the Records of the said County.

The Petition of Robt. Turner, John Tissick, Thom. Budd, Robt Ewer, Samll Carpenter, & John Ffuller, was read, setting forth their designe in setting up a bank ffor money, &c., requesting Incouragement ffrom the Govern^r & Council ffor their proceeding therein. The said Robert Turner & Samll Carpenter, two of the said Petirs, being present, & constituting y^e present Council, and besides whom there were but Four more present, the Govern^r Acquainted them that some things of that Nature had been proposed and Dedicated to y^e proprietor, by himself, some months since, out of New England, to which he believed he should receive his answer by y^e first Shipping hether out of England: Yett withall acquainted them that he did Know no reason why they might not give their personall bills to such as would take them as money to pass, as merchants vsually did bills of Exchange, but that it might be suspected that such as vsually Clipp'd or Coynd money, would be apt to Counterfitt their bills, vnless more than Ordinary Care were taken to Prevent it, which might be their Ruine, as well as y^e People's that should Deale with them.

 TO THE PRESENT GOVERNOR AND MEMBERS OF THE PROVINCIAL COUNCILL.

THOMAS LLOYD, Keeper of the broad Seal, with due Regard presenteth these following lines:

Vpon the perversall of two Resolves passed by you in Council y^e 1th Inst, & Delivered me by ord^r this morning, (being the ffourth day Since,) I am much Concerned that such an Entry, so destructive of Right, and inconsistent with property, should be ffound vpon your book. You have, as much as in you Lay, introduced an ill precedent of disposing Arbitrarily the most Eminent Estate for life as yett declared in this Governmt, and this was done the Cause vnheard; Whereas, no ffreeman here ought to be Condemned or Concluded to his wrong without his answer, provided he doth not wilfully absent himselfe; and further, it is apparent by y^e Conclu-

sion of your Order, that it was not Intended by y^e wording of the same, that I should be admitted to my Defence, but to be made only acquainted with your Determination therein, and so to abide by it as an Irrevocable Sanction, I might with a great Deal of reason, vnder the generous Constitution of this Province, Sooner Expected a Confirmation of y^e Liberties of Estates ffrom you then Such a procedure, in no wise to be Countenanced.

Your Seat is a high jurisdiction, and the higher it is the more just and honourable ought its proceedings to be, and so give Examples of Justice to Inferiour Courts. Violent Courses, and hasty, precipitate Councells, will Slowly and meanly Commend y^e policy of their Authors: I wish for the ffuture, that no Sinister designe, passion, or male conduct may so Influence or hurry any of the Sincere minded of you as to act unbecoming y^e wisdom and dignity of the place. You have dealt vnkindly by me; and not only so, but you have digged Deepe, tho' vnawares, I am perswaded, to Severall of you, to lay a foundation whereby to ground a misdemeanour against me vpon a Conjectured non compliance with your Resolves, and this being a personall matter, and of great moment, you have done by y^e Lesser number, and that by Vote, being vnwarrantable by Law & Charter.

The duty of my place is to advise, and with you to Endeavour that nothing be attempted by any person or persons here, to y^e Subversion of y^e frame of Governmt; had you well understood & Considered the matter before you, the Tenure of y^e Custody and y^e Station of The Officer, I should not have been thus treated by you. My Request is before I make my particular answer to two or Three positions wch might Lead into this act, That you Order Either the aforesaid Resolves to be Razd out or Cross'd, in y^e Councill book, as being such which are not to be drawne into Imitation, you disposing y^e Custody of y^e Seal without discoursing or giving Notice to y^e Keeper to appear, who hath affixed Estate therein; Otherwise, that this writing may be Entred with you as a soft, Tho' sound memoriall, against such an undue proceeding. I may say as vpon a former harsh and hardly warrantable attainder of a person vnsought and vnsent ffor, Auferat Oblivio Si potest si non ut cunque Silentiam togat. Lett such methods be covered with Silence or buried in Oblivion. My love to y^e Govr, people, and their Sincerity, hath made me Serve them Chearfully Sometime. I have Endeavoured their good, tho' I might ffayle in effecting of it. I may have witness in Some breasts, that I have more injured myselfe and family then any persons just Intrest vnder my notice. I have been a great Drudge In my Sphere, but not so abused an one afore. Be pleased to be tender of Right, and lett not y^e Royall Law be fogotten, of doing vnto others as you would have (Such) others doe vnto you.

The Governr acquainted y^e Councill that he had Severall things to propose wch he judged worthy Consideration, & that he had used means to have a due representative of y^e people attending there, according to y^e Charter, &c., but finding a ffaylor, desired y^e advice of y^e board Concerning that matter, for Remedy ffor y^e ffuture, & proposed in order thereunto, that the question might be put whether it was not incumbent vpon y^e members of y^e Provll Councill Serving for y^e Respective Countys, that one out of Each County doe Constantly attend y^e Governor in y^e affayrs of y^e Governmt.

This question was debated, in y^e debate whereof most members present Exprest themselves Satisfyed that there ought to be attendance given wherein necessity required, but some desireing time to Consider & advise about it, and others that y^e further Consideration thereof might be deferred till y^e Coming of y^e members vpon y^e next Election, wch would be about 6 weeks hence, the season being Cold, the Govr adjorned to y^e next 5th day, being y^e 14th Inst.

The minutes of y^e Last Councill were Read over.

A paper from y^e Keeper, Directed to y^e secretary, bearing date y^e 12th Inst., was Read at this board, it being an answer to y^e Resolves and Order of Councill Dated y^e 1st Inst.

Ordered that y^e said paper be Entred, wch is as followeth, viz : Secretary Markham.

The originall Letters sent ffrom our Governr relating to this Governmt, have been Diligently perused and Considered by y^e Comissrs, and wee Know of none which may be off Service ffor present Instruction, that are to be further Communicated. Such of Them which Containe matter of Information or Direction, have been Delivered to View and are transcribed allready; most of Them remaine

in my Custody by the assent and approbation of Those to whome they were primarily Directed.

THO. LLOYD.

Philadelphia, 12th 12th Mo., 1688-9.

The Governr acquainted y^e Council that in as much as they were not pleased to give him their advice vpon his motion at the Last Council's meeting, he would not trouble them further therein, but proposed the Council would give him their advice whether they did not judg it fitt for him to Expect y^e attendance of y^e Respective members of Each County, as y^e Law and Charter Requires: after much debate Vpon that proposall, Divers of y^e members haveing Express their dissatisfaction to give their advice to the Governr therein, Arth Cook moved for that the poverty of y^e people was so great as they were not able to bear y^e Charge of Constant attendance, as the Law and Charter Required, Yett that the Governr be desired yt y^e Execution of it might be suspended for y^e present, and y^e question being put, vizt: whether the Governr Should be desired to Suspend the Execution for y^e present? It passed in y^e affirmative, y^e Secretary only Dessenting.

At a Council in y^e Council Roome in Philadelphia y^e 18th of y^e 12th Mo., 1688-9.

The Governr Directed the Minutes of y^e Last Council Should be Read, wch were Read.

The Governr then directed that y^e Keepers Originall papers to y^e Secretary Should be Read, vpon wch y^e Governr asked John Symcock & Arthr Cook, two of y^e Commissrs of State, whether they did owne that paper as their answer; they replied doubtffvly, referreing to y^e paper it selfe, wch named none. Robert Turner, an Other of the said Comrs, coming in, declared he Knew nothing of y^e paper, and disowned it: wherevpon y^e Governr Ordered his Commission to be Read for the Satisfaction of y^e board, that he was Referred to y^e Instructions Sent by y^e Proprietor & Chief Governr, as well to y^e Presidt & Council as to y^e ffive Comrs of State, which were to be his guide, and Declared he thought it was necessary that he Should have either the Originalls or true Coppys thereof attested for his Guidance in y^e Governmt, and Directed also, that y^e orders of y^e board formerly made in that behalfe might be Read. And vpon y^e Debate finding some persons at y^e board who were Concerned in those Instructions did not think fitt that y^e Originalls Should be deposited with the Secretary, as was directed, The Governr Condescended yt in Stead of Delivering in y^e Originalls, there might be true Coppys transcribed & Signed, vizt.: Such as were directed to y^e Presidt & Council to be signed by y^e Presidt., and such as were directed to y^e Comrs of state to be signed by any Threc of them that were Concerned with him in

Those Commissions, and y^e same to be done for so much of other Letters (wherein Private matters are Intermixed) as Containe any publick matter of Instruction, and that y^e said Coppys so attested, be delivered in to y^e Governr and Council as Soone as may be: vpon debate it was putt to y^e question and Resolved in y^e affirmative, N. C. D.

The Governr then acquainted y^e Council that he ffound there was a duty required of him by y^e acts for encouragemt of trade & navigation, touching y^e transporting of y^e Commoditys of y^e Country to England, or his Majts other plantations, which he had at his first Entrance, vpon y^e Governmt Solemnly declared & promised to see duly Executed according to y^e tenor of y^e said acts, and desired y^e minutes of that day's proceeding might be Read; wch being read, it appeared that no notice was taken therein of his haveing so ingaged, but severall of y^e members present remembring yt y^e Govr had soe Solemnly Ingaged, it was agreed y^e same should be added to y^e minutes of that day's proceedings, wch was the 18th* day of y^e 10 Mo., 1688.

The Governr also then offered that if The Council thought fitt he, would Solemnly Swear to doe his vtmost for y^e punctuall observing y^e said Acts, wch was not thought necessary.

The Time drawing near for y^e Annuall Election of members for y^e Provll Council & Genell Assembly, the Governr desired to be informed by y^e Council whether it were vsuall or needfull that any writts or warrants should be Issued for Summoning the ffreemen for yt purpose, or whether they Should meet of Course: it was Resolved there was no need of writt. or warrants, but their day would be observed of Course.

Wm. Clarke, a member of the Provll Council for y^e County of Sussex, acquainting the Council that inasmuch as there were two Elections to be made for that County, viz: one for y^e person that was to goe off, and another ffor one that was Elected formerly, but now in England, he Confeived it necessary that an order should be Issued for y^e Choosing one in his Roome who was absent. It was agreed an Order Should be Issued to y^e Sheriff accordingly. The Governr demanding who was to Issue that Order, it was answered in y^e words of y^e Law in that behalfe, The Proprietor and Governr was to Issue it.

Two Petitions were proposed to be Read, but it being late, y^e Governr adjourned till to morrow, 9 of y^e Clock in y^e fforenoon.

At a Council in y^e Council Roome in Philadelphia y^e 19th of y^e 12 Mo., 1688-9,

John Symcock,

* Should be the 21st of the 11th Mo.

The Govern desired y^e Entrys vpon y^e Last Councill's minutes should be Read : they were read accordingly.

The Govern Directed y^e Reading y^e Petitions presented at y^e rising of the last Councill, wherevpon the Petition of Adam Johnson was Read ; the Petitioner was Called, who Informing y^e Councill of y^e danger he was in of his life from y^e threatenings of Peter Ludgar, and that y^e same danger was Continued through y^e said parties being at Liberty, Contrary to y^e Judgment of y^e Court, The Sheriff of y^e County of Sussex, where y^e Robbery was Committed, viz : ffancis Cornewell being informed to be in Towne was sent ffor, and demanded by y^e Govern by what aūthority he permitted y^e said Petr Ludgar to be at Liberty. He said he was directed only to have the person ready at y^e Court to answer, and that being don, he requested y^e Justices to Declare what Should be don with him ; some of them Expressed themselves desirous to be rid of him, but gave him no Order to Keepe him under Commitment, so he thought himselfe vnder no obligation to detaine him. The Govern ordered him to withdraw.

Vpon debate of y^e ffact, and y^e Sheriff's Suffering him to be at Liberty, it was vnanimously agreed that y^e Sheriff deserved a Sharp reproof for his neglect, but it being y^e ffirst Complaint of this nature against him, out of Their Indulgence they Thought fitt not to fine him for it, But ordered that the sheriff doe forthwith apprehend The Prisoner at his Owne Charge, and that he Keepe him in y^e Common Goale or Work house of y^e County where the Judgment passed, there to be held to Hard Labour, or otherwise, till y^e party agrieved be satisfied, and that he Cause him to be Corrected with so many stripes as by y^e Judgment of y^e said Court was ordered, and that he see they be well laid on. Wherewith the Sheriff was acquainted by y^e Govern, vpon Calling him in for yt purpose.

The Petition of ffancis and Wm. Smith was Read, wch being vnintelligibly Expressed, but in y^e Generall Complained of wrong don by y^e County Court, & Desireing Liberty to appeale, it was orded that y^e Goaler of the County of Philadelphia doe bring y^e Petitioner in Custody before this board at their next sitting, and that Charles Pickering, y^e Prosecutor, be orded to attend at that time, to Informe y^e board of y^e Case of the Petr, (who seems not able to sett forth y^e same,) to y^e End the board may give Reliefe, if the Case will admitt.

The Govern acquainted y^e Councill that he thought it necessary something should be speedily done about settling a Provinciaall Court, and that he ffound some things difficult therein by reason of y^e severall Laws passed Concerning y^e same, and therefore moved them for their advice vpon y^e said Laws, and that they should be Read, viz : y^e 157 Law, and y^e 181 Law, y^e ffirst whereof was made during y^e Governrs abode in this Province, the other since his departure for England. The ffirst referring it to y^e Proprietor and Govern to Commission five persons vnder y^e broad seal. The Latter directed that Court should be impowered by y^e Govern and Provinciaall Councill ; which Latter seemed to be an incroachment vpon y^e power of y^e

Goverr reserved by y^e Charter of Privileges, and being by a Law made in y^e Proprietor's absence; (Contrary to his Intrest;) and for as much as the Proprietor had by his Commission to y^e Presidt & Councill, Limited their power as to y^e passing of Laws of yt nature, and by his Instructions since, bearing date y^e first of y^e Twelfth month, 1686, directed that at the next Assembly Genell the Commissioners of state Should declare his abrogation of all that had been done since his absence, and So of all y^e Laws but y^e ffundamentalls, which was said to have been declared. It being also Considered that y^e first Law required y^e passing such Commission vnder y^e Great Seale, and in Case y^e Keeper should not think fitt to affix the same by y^e Goverrs Warrant, (on the allegations expressed in his refusall to sett the said seal to y^e Commissions ffor Justices of y^e peace,) The Provinciall Judges might possibly refuse to act vpon y^e Lesser Seal, and soe y^e Country would be destitute of yt Court for y^e administration of Justice in highest Causes, and divers other Difficultyes arriseing vpon y^e debate thereof, The Governour desired y^e members of y^e Councill would seriously Consider y^e matter, so as to be Ready to resolve him therein at y^e next proposall of y^e same to their Consideration; wch being approved, The Governor adjourned y^e Councill till y^e next fifth day, at the vsuall Hour of meeting, being y^e 21 Inst.

The proceedings of y^e board at last Councill was read by y^e Govrs Direction.

The Goverr Inquired whether y^e Sheriff of y^e County of Sussex had seized the person who had been so long at Liberty.

Arthr Cook said y^e person had offered himselfe and promised he would Yield himselfe rather then y^e Sheriff Should suffer, but was not in Custody.

Vpon wch the Goverr moved the Sherife might be sent ffor and ffyned for his neglect of doing his duty, being acquainted how dangerous the person was, and that Adam Johnson, the person Complayning, had declared he was in fear of his life. The Goverr also vpon what was said y^e last day of y^e Councill's Sitting, Declared he neither looked vpon himselfe nor any member of the Councill to be safe from mischief whilst so great a Villiane as he was sett fforth to be had his Liberty.

It was alleged that some new Information had been received touching y^e former tryall had against the prisoner, which tending to the ravelling into y^e Resolutions of y^e Last day's proceedings, when there was a fuller Councill, y^e Govrr declared he was not satisfied that it

was seasonable or proper to their present Consideration, or Reasonable that he should admitt thereof till he vnderstood that he was in Custody, and that he look'd vpon the things that were offered as y^e result of Councill's taken abroad, to wch he should give no Countenance. The Secretary acquainted the Govrr that y^e said Prisoner had delivred him a Petition, and desired to Know whether he should Read it. The Govrr said he would Receive none till he were in Custody, and then he would receive any, and againe declared the Sheriff ought to be ffyned for letting him have his Liberty.

The Govrr therevpon Called for y^e other business appoynted ffor y^e day, but that not being ready, nor y^e persons present, he Caused y^e act of settlement to be read, in order to the minding the board of y^e Great Grace & ffavour of the Proprietor, &c. in y^e Grant of the Charter of Privileges, and how gratefully they had received the same, and how solemnly they had Ingaged to observe what was on their parts to be done, inviolably, &c., and withall observed to the board, that since then some laws had been passed in his prejudice, & Contrary to the trust he had reposed in y^e Presidt and Councill, &c., which he sould take an other fitting occasion to offer to their Consideration.

ffrancis and Wm. Smith being brought in Custody by the Sheriff, & Charles Pickering present, the Govrr ordered the Prisoners Petition to be read; and all yt y^e prisoners had to say against y^e Judgment ffor his Committment being that he had paid Interest for y^e money for longer time than was yett Expired, it was made apeare that what he had paid was by y^e Court deducted out of y^e principall money adjudged against him; and Charles Pickering offering on y^e behalf of his Clyent to sett him at Liberty vpon giving him Security for paying the debt, or making over y^e Land ffor wch he was indebted to that purpose; he refusing to doe Either, the board remanded him back to y^e Goale: he Complayned he had no bed to lye on. The Sheriff acquainted the board he might bring in his bedds to y^e prison if he pleased, and Should have them out with him upon his discharge. The board adjudged they saw no just Cause of Complaint.

Adjorned till y^e 2d day of y^e next week, 9 in y^e fforenoon, being y^e 25th Inst.

The Govrr Directed y^e Reading y^e Entrys of y^e last Councill's proceedings: they were accordingly read.

The Petition of Peter Ludagar presented to y^e board, was proposd to be read.

The Governor Declared he was not satisfied to receive any till he understood Ludgar was in the Sheriff's Custody, according to former order, Especially for that his business had been Determined at a former Councill. Some debate was touching y^e former proceedings of y^e County Court, and some reflecting Expressions vpon y^e Resolve of y^e Councill in that behalfe, which (though passed nemine contradicente) were of so high a nature, by Samll Richardson, a member of the Councill, as y^e Goverr took exception against as vnbecoming any member against y^e Whole, the Governor telling him he ought not to Suffer it, and Reproveing him as haveing taken too great liberty to Carry it vnbeseeingly & very provokeinly, Particularly Instancing in y^e said Samll Richardson's former declareing at severall times, yt he did not owne y^e Goverr to be Goverr, &c. ; to which he peremptorily replied he did not nor would, saying to him he was not Goverr, and he would Stand by it and make it good; that Wm. Penn could not make a Goverr. Arthur Cook, in milder Expressions, Saying that Wm. Penn can make a Goverr is a Scruple to me. All others declaring against that opinion. Samll Richardson still persisted in denying y^e Goverr; wherevpon y^e Goverr mooved, since he was so peremtory in repeating it, with such heat, that he might be ordered to withdraw till y^e Councill should debate it. He replied I will not withdraw, I was not brought hether by Thee, & I will not goe out by thy order; I was sent by y^e people, and thou hast no power to put me out. The Goverr said he Could not sitt there to Suffer y^e Chief Govrs power to be so arraigned and questioned, & himselfe so Contemned, & Desired the members would severally declare themselves whether they Judged it their duty to one him by the stile of Goverr or not. All the rest of y^e members declared themselves offended with his words and Carriage, only Arthur Cook againe said he did believe that Govrr Penn Cannot make a Goverr, but a Deputy Goverr, but desired he might Explaine himselfe, & said He so judged in his Conscience & would be vnderstood to think & speak modestly, disapproving & Censuring Samll Richardson's Carriage. Wherevpon y^e members at y^e board declared severally that they judged it meet, ye said Samll Richardson Should withdraw till they further debated y^e matter, Wherevpon he went forth, declaring he Cared not whether ever he sat there more againe, &c.

The Goverr moved they would give their Opinion whether y^e words Spoaken & Carriage of y^e said Sa. Richardson were not vn-worthy and vnbecoming a Member of Councill to y^e Goverr; wch was Carryed in y^e Affirmative, and that he ought to Acknowledg his Offence, and promise more respect and heed for y^e ffuture, before he be allowed to Sitt againe in Councill. He then moved y^e Councill would Give their Opinion whether he Should be Called in and acquainted therewith, which was agreed, but he was gon away.

The Sheriff of y^e County of Sussex being come, was Called in and demanded whether Peter Ludgar were in his custody, according to y^e former Order; he answered he was. He was then charged with y^e custody of him, to be answerable for him.

The said Ludgar's Petition was then read.

It was moved yt there might be a hearing of y^e Case, & particularly whether y^e judgment passed against him by y^e County Court were Reversed, and vpon what grounds, by y^e Provinciaall Court. Two coppys of y^e Record of y^e Provll Court were produced for prooffe of its being reversed, but they differed much from Each other, and in one of them 'twas alleaged to have been Reversed vpon Information of one person (only); that y^e jury that past vpon y^e tryall did not all agree, which was not Judged a Sufficient ground for reversall against matter of Record as y^e verdict was: it was alleaged that it was also Referred back to y^e County Court for a Rehearing; that y^e County Court adhered to their fformer judgment, haveing so ffar honoured y^e Provll Court's order as to Examine all those who had been of y^e jury, who all owned they had agreed their verdict. But the Copys of the Record of the Provll Court's Proceedings differing, it was moved by Arthur Cook yt y^e originall Record & Entry should be forthwith brought before y^e Govern and Council, ffor y^e clearing that doubt.

One of The Members of The Council was desired to go to David Lloyd, y^e Clark of y^e Provll Court, who was also a Deputy or Clark to y^e Mastr of y^e Rolls, and Clark of y^e County Court of Philadelphia, to Require him fforthwith to attend y^e Council, and to bring with him y^e Original Records of y^e Proceedings of y^e Provll Court.

He came to y^e Council, and being acquainted by y^e Govern that there was occasion to see y^e said Originall Records, he asked in what Case: y^e Govern told him all that happened since his haveing that Imployment of Clark of y^e Provll Court: he answered, they were not recorded otherwise then in a quire of paper. He was required to bring them as They were. He Refused it, saying you may command the Judges, and y^e Judges might Order him, & other slight and Scornfull Expressions he vsed. He was therevpon ordered to withdraw.

This was adjudged a high Contempt in y^e said Da. Lloyd, and ffor that and other vnseemly and Slighting Expressions of his to y^e Govern and Council, It was Resolved that y^e said David Lloyd is vnfitt to be allowed for a Clark or public Officer off Record in any Court vnder this Governmt, and that he stand discharged therefrom till vpon acknowledgment of his offence, and giveing the Council satisfaction, The Govern shall think fitt to Commission him againe; this was declared to him by y^e Govern.

The Sheriff of Sussex County was called in & acquainted that y^e board saw no Cause to give any relief vpon Ludgar's Petition, and was Required to Keepe y^e said Ludgar safe prisoner, and to perform y^e order of y^e fformer Court vpon y^e judgment given against him by y^e County Court.

The Govern adjourned till to-morrow morning.

Samll Richardson,

The Govr haveing notice of severall Rumours spread abroad in this towne, &c., touching an Invasion made in England by y^e Prince of Orange, and Battelle fought there, wch were occasioned by y^e Report of Zach. Whitpain, who came lately from England, and arrived here in this towne about midle night last, Directed that all y^e members of the Councill, present in towne should be forthwith assembled, in order to y^e Examination of y^e said Zach. Whitpain; who having givin a Genal narrative thereof, The Gover Caused the same to be Committed to writing, & him, the said Zach. to be deposed to the truth thereof, wch is as followeth, vizt. :

That he Came out of London the 10th or 12th of x bre last in a Shipp Called y^e Mary, John Harris Master, but before he Came thence y^e Prince of Orange appeared with a fleet of Shippes on y^e Northern part of England, and Coasted there about 3 or 4 days, during wch time y^e King Issued out his Order for his Army to draw that way.

That on y^e 5th of 9ber y^e Prince of Orange Landed with an army of about thirty Thousand foot and about six thousand horse, in Turbay, Transported by a fleet of 75 shippes of War, tenn fyre Shippes, 500 flyboates, 60 pinks: That the army remained about Exeter about three Weeks, in wch time y^e King remanded his army from y^e north towards Salisbury, and the King went to them there and stayed about a week, then y^e King returned to London and Ordered his army to march thither: That they had an Ingagement with the Prince of Orange's forces. Divers of y^e King's party deserted him and went over to the Prince of Orange. The fight was about Redding, where the King Lost about 2500 men and the Prince about 1500, about y^e 13th of xber: about the 17th the King Endeavouring to goe for france with Sir Edwd Hales, was taken at feversham in a fishing Shallope, who had put there to take in Ballast, y^e King disguised as Sr Edwd Hales's man. After y^e King was taken he was Carried to my Lord Huntinton's house, and y^e next day to Canterbury, whither y^e Examinant went from deal to have seen him, but the King was gon thence yt morning Early, before y^e Examinant gott thither, the King being Conducted in his owne Coaches, and with his owne and y^e Prince of Orange's Guard to London (they being sent on purpose for yt service,) but whether y^e King was at London or no the Examinant Could not say, but that when y^e Examt sayled out of the Downes, wch was y^e 23 of x ber. the King was at Rochester, under Guard. That the King before his goeing away from London, went to y^e Tower, and sent for his Secretarys and the Lord Mayr, and there delivered up the Tower into the hands of y^e City: the City upon that appointed the Lord Dumbarton to be Leift thereof till further order, and y^e Hamletts to Guard it. That y^e Public affayres at the Examt. Coming from England, were manniged by seven Spirituall & seven Temporal Lords, and they had set forth a Proclamation for the Disbanding of the King's

forces, and Disarming them, paying them for their armes. The Examint further says, that he heard that y^e Castle & City of Dublin, in Ireland, was Delivered to the Protestant Party, under the Command of the Lord Enchiqueen, who seised the King's Leift. while he satt in Councill: And further, that he saw in a Lettr from Ireland that there had been a massacre made by the Papists upon the Protestants, and that two Thousand, or two hundred, were murdered; the figures being blotted, he Could not Justly tell which number it were.

PRESENT:

JOHN BLACKWELL, Esqr., Govern.

Wm. Clark

Griff. Jones,

Robt Turner,

Arth. Cook,

Barth. Coppock,

Wm. Markham, Secry.

Wm. Dervall,

The Govern ordered y^e Entrys of y^e last days proceedings might be read.

Being read, Arthur Cook excepted against y^e Entry of what he had Spoken about y^e Governors not haveing power to make a Gover, and affirmed he added the words [he believed so,] wch words were allowed to be added.

Griff. Jones Declared he thought David Lloyd's miscarriage was not fully expressed, for that it was omitted to Enter yt he was twice sent ffor; wch was allowed to be so, and that it should be amended, and that y^e said David Lloyd declared he questioned whether this board had power to Command y^e Records to be brought before them. Robt Turner also declared he remembered that he did question their authority. The Secretary also, that he remembered the same. Vpon wch, it was allowed those Expressions Should be added in y^e Entrys, as y^e farther Evidence of his Contemning their Authority.

Mr. Clark moved, on y^e behalf of the Sheriff of Sussex County, yt he might have assistance ffor y^e Carrying his prisoner. The Govern said it was proper ffor himselfe to Petition it if he wanted it. The order being that he Should Carry him at his owne Charge.

The Govern mooved that y^e Debate touching y^e setting a Provll Court, wch he had proposed the 19 Inst, might be Reassumed, and told them that there seemed to him to be some difficulty therein, wch he hoped they having had so long Time of Consideration, were ready to resolve; And therevpon Directed y^e Entryes of y^e said day's proceedings & Debates might be read, and proposed yt every one would Speak his mind about it, (y^e members Declareing they Judged there was an absolute necessity of it, it being informed by Wm. Clark that there were severall appeals ffrom ether Courts.) It was Resolved upon the question yt a commission should be issued for y^e authorizing & Appoynting a Provinciaall Court according to Law. It passed in y^e Affirmative, Nemine Contradicente. It was then debated vpon wch

Law it should be grounded, Some inclining to have it vpon y^e 157 Law, Some vpon 181.

Vpon diligent peruseing both y^e said Laws, Mr. Clark observed that he Conceived it Could not be vpon y^e Latter Law, (though he had been before of that opinion,) ffor that by y^e Said Law it's said y^e Judges Should hold Courts at Philadelphia, y^e 24th of y^e next Seventh month, and y^e tenth of y^e Second month ffollowing, and not Yearley, but as if it were only intended ffor those two days in that year, whereas y^e 157 Law Directed y^e said Court Should Sitt twice every year, and Every ffall and Spring yearly.

And for that y^e Latter Law was in Detriment of The Proprietor's Right by his Pattent ffrom y^e King, to appoynt and Commissionate all Officers, and Could not have his Consent given by those whom he Intrusted with his power, by reason of y^e limitation of y^e Power of y^e Commission; And also, that it would be an Invading his prerogative granted by y^e King & Reserved by his Charter of Privileges to y^e freemen (at least) during his life, and bring y^e Charter itselfe in question.

As also for yt by y^e former law, wch was passed whilst y^e Proprietor was present in the Country, It was Enacted that there Should be five Provll Judges appoynted by the Goveerr, under y^e Great Seale, &c., y^e wch act is verbatim as followeth:

That there shall be five Provll Judges appoynted by the Goveerr, vnder y^e great seale of this Province, wch Judges, or any three of them, Shall be a Provll Court, and Sitt twice every year, in y^e Towne of Philadelphia, and any two of them at least, shall Every ffall and Spring Yearly, go their Circutes into Every respective County of this Province & Territorys, and there hold a Provll Court, which Court, whether fixed or Circular, Shall have the hearing and determining of all appeals ffrom Inferiour Courts; also, all tryalls of tytles of Lands, and all Causes, as well Criminall as Civill, both in Law and Equity, not Determinable by y^e Respective County Courts, any thing in this or any other act or Law of This Province or Territorys to y^e Contrary, in any wise notwithstanding.

It was proposed y^e members would give their Opinions whether this question Should be put, viz: Whether they were of opinion that there should be five persons named in y^e Commission to be a Provll Court, according to y^e 157 Law? After some debate thereoff, Arth. Cook proposed that y^e Late president might be sent for to give his advice: that was not judged needful, The Law being so plaine. Arth. Cook then Departed out of Councill, desireing his motion might be Entred as his dissent.

This question was then putt, vitz: as many as are of opinion that there be five persons named in y^e Commission ffor Provll Judges, according to y^e 157 law, declare your assent by standing up: it was Carried in y^e Affirmative, Nemine Contradicente.

The Goveerr then tendred for their advice a forme of Commission wch he had prepared ffor that purpose, wch was Read once through-out, and afterwards in parts; Some alterations were proposed & agreed to, and y^e Question putt, viz: As many as are of opinion that

the forme of Commission now read, with y^e amendmts & alterations made vpon y^e debate, Shall be y^e forme to be Issued ffor y^e Authoriseing of y^e Judges ffor y^e Provll Court, lett them declare themselves by Standing up: it was agreed in y^e Affirmative, Nemine Contradicente; and therevpon, Resolved that y^e same be sent to y^e Keeper of y^e broad seale, with warrt of y^e Goverr to putt the great seal thereto.

The Goverr not satisfied with y^e behaviour of y^e high Sheriffe of y^e County of Sussex, proposed some other might be named by some of y^e members present, ffor as much as himselfe was wholly a stranger there.

Wherevpon Wm. Rodeney was nominated by Wm. Clark, and Recommended by Griff. Jones & Wm. Darvall, as the fittest person they Could think off ffor y^e present.

The Goverr desired the members would not ffayle to Keep their next day of meeting of y^e Councill, viz: the 28th Inst, at nine in y^e fflorenoon, acquainting them that he thought then to allow some time of Recesse, ffor y^e members repaying into their severall Countys, in order to y^e takeing Care of Elections, &c.

At a Councill in y^e Councill Roome at Philadelphia y^e 28th 12 Mo., 1688-9.

PRESENT :

JOHN BLACKWELL, Esqr. Goverr.

Wm. Clark,
Robt Turner,
Wm. Darvall,

Griff. Jones,
Barth. Coppock,

Arth. Cook,
Wm. Markham, Secry.

The Goverr ordered y^e Reading over y^e Entrys of y^e last Councill's Proceedings.

Vpon reading whereof he observed there was a blank leafe of y^e book of Entrys, and enquired y^e reason thereof. The Secretary answered it was left ffor y^e Entry of y^e proceedings of y^e Councill vpon y^e first day of that week, being y^e day wherein y^e Tydings of affayres in England was brought by Zachary Whitpain. The Goverr directed They should be Entred.

The Secretary acquainted y^e board that he had Carried y^e Draught of Commission past by y^e advice of the Councill for appoynting Provinciaall Judges to y^e Keeper of the broad Seal that night, and had acquainted y^e Keeper yt he was desired to have it ready at y^e Councill at their next Sitting: he was orded to goe to y^e Keeper to ffetch it to y^e Goverr.

Vppon his Returne he acquainted the board that he had Spoken with y^e Keeper, who told him he was going forth to a Sick person, but that his answer was Conteyned in a Lettr to him, (y^e said secretary,) which he Intended to have sent. The Goverr Directed y^e Superscription might be read, wch was as followeth: (ffor my respected friend Secretary Markham, in Councill, These :) afterwards y^e Letter it selfe, wch was as followeth, viz: Secretary, The warrt wch I received ffrom thee y^e 26th Inst. in order to y^e passing lettrs Pattents

vnder y^e broad seal, for Constituting of 5 Provinll Judges, haveing duly Considered the same, I doe apprehend y^e Instrument d^r * vnto me, to be in no wise proper for y^e said seale; and as to y^e Draught of y^e Commission it selfe, it seems to be more moulded by ffancy, then ffirmed by law: The Style insecure, y^e powers vnwar-rantable, and y^e Duration not Consonant to y^e Continuance of y^e Laws vpon wch it Should be Grounded; ffor wch Reasons, and other manifestations, I Cannot without Violation of y^e trust reposed in me, lett the same pass vnder y^e seale in my Custody.

THO. LLOYD, Keeper.

Philadelphia, fridie Calend. 1m 1688—m', 9.

The Goverr Excepted agt y^e same, as very vnbecoming any person without doors to vse such Expressions Concerning the Goverr as that of ffancy, &c., it haveing also past in Councill; also, so ffar to ques-tion their authority as to deny to doe his duty in a case of that Imergency. The Goverr Desired Every Member of y^e board would deliver his minde, and give him advice therein. Divers Spake to it, as judging it a Contempt of that Court's authority, and of the Proprs Authority ffrom y^e King's Charter to y^e Goverr; others that it was not an answer, to wch y^e secretary affirmed he gave it as his answer.

After long debate about it, and Every one haveing Spoaken his minde, y^e Goverr desireing an Issue might be putt thereto, proposed this question, viz: whether the board did Judge that Letter, or any thing therein Conteyned to be a Sufficient ground ffor y^e Keeper's refusall to sett The broad Seale to y^e said Commission? wch being Spoaken to, It was Resolved in y^e negative, by five of y^e seven mem-bers present, viz: all but Arth. Cook & Barth. Coppock.

Resolved that this board doth Judge y^e Keeper's Letter to y^e Sec-retary, or any thing therein Conteyned, was not a sufficient ground for y^e Keeper's refusall to sett y^e broad Seale to y^e Commission sent to him for yt purpose by y^e Goverr.

The Goverr then proposed ffor advice by way of Expedient, and to y^e end y^e publick service and Justice might not be neglected, whether it may be fitt to Require y^e Keeper to bring y^e said Com-mission and broad seale to the board & ffor y^e Goverr to sett the same to y^e Commission, in his and their presence, and then to returne the same to him, there appearing no other way whereby y^e appeales to that Court Could be heard, and y^e whole Country would then be disappoynted and putt to great Charges.

The opinion of y^e members agreeing that it was not advisable ffor y^e Goverr to doe what appertayned to y^e Keeper, and Arth. Cook's reason being that that were as if a man should borrow a sword of an other to Kill a man. The Goverr told him that was uncomely to Compare the board's orders to a murderers action: in Conclu-sion, it was Judged & Resolved fitt rather to lett the thing alone ffor him to answer his refusall, and that if the Keeper refuse to doe his duty, it was fitt he should be Called to accot ffor it, to which only two persons Dissented, viz: Arth Cook, & Barth. Coppock, which was y^e Issue of that debate for that time.

* delivered.

The Governr acquainted y^e board that David Lloyd, then County Clark of Philadelphia, haveing not made any submission or acknowledgment of his offence, and was ordered, there was a necessity some other person should be Commissioned, the County Court being to sitt in a few dayes, and that it was not fitt to Suffer such Contempts of authority as began too ffrequentt, through y^e Continuance of a Councill without doors, &c., And that therefore he Should grant a Commission to Some other fitt person, and desired that y^e members at y^e booard would advise him who was y^e fittest person to Succeed him therein. James Claypoole was named by y^e Secretary, seconded by Griff. Jones, Robt Turner & Wm. Darvall, and it was said he had been some time a Clark of y^e Assembly: the Governr moved for their advice about y^e County Seal and Records, and that they would be necessary to be in a Readyness at y^e Sitting of y^e Court and that Therefore, what had been done formerly for The disposing y^e said seal and Records when y^e said David Lloyd was made Clark, might be Read: vpon y^e question, It was Resolved that y^e like order as had formerly past for y^e Disposeing y^e said seale & Records, when y^e said David Lloyd was made Clark, (*mutatis mutandis*,) Should be in this Case sent for the Delivering the same vp to y^e secretary, or y^e said James Claypoole; Arth Cook and Barth. Coppock only dissenting.

Vpon Robt Turner's motion about y^e setting out the way from the falls to Philadelphia, and Declaring y^e Dammage to the Country received by persons Carrying their Corne to Burlington, &c., by reason of y^e badness of y^e way to Come to Philadelphia marktett, occasioned by many persons Turning the vsuall Road out through their Inclosures, Contrary to a fformer order of y^e board, and that it ought to be don by the Surveyr Genll, or his Deputy, with y^e assistance of some of y^e Justices of y^e County of Philadelphia and Bucks; It was agreed that the Surveyr Genll, or his deputy, attend this board, to shew Cause why y^e same was not done, and to give his opinion Concerning it, what he Conceives is fitt to be don therein.

Woollaston attending to Complaine the order of this board Concerning y^e fforceable Detaynure was not Executed; but y^e board being also Informed that y^e justices, or some of Them, were Expected here, that matter was deferred for next Councill, on y^e 2 day of y^e next week.

The Governr Declared that from hencefforward vntill the time of y^e meeting of y^e whole number of Provll Councill, he should dispenge with Each other weekly day of Keeping Councill, and that y^e ordinary day of meeting should be on the 2d day of Each week, y^e mean while, vnless he judged there were an Extraordinary occasion requiring other days of meeting besides that.

The County Court of New Castle being by adjournment appoynted to be on y^e next day after y^e Election of members for Provll Councill and Assembly, and severall Causes being to be heard there, wherein persons of other Countyes were Concerned, whose Duty it was to attende their owne County Elections, wch might Continue two or Three days, it was therefore thought meet yt y^e said County Court of New Castle be Directed to Adjorne the Causes of Such

persons for a Convenient time, not vnder two days; wch Being putt to y^e Question, it was Resolved in the affirmative, Nemine Contradicente.

At a Meeting in y^e Councill Roome In Philadelphia the first of The first month, 1688-9.

The Goverr haveing Recd Instruction from The Chief Proprietor and Goverr, Caused notice to be given to all y^e members in Towne to Convene in y^e Councill room at y^e tenth hour, in order to Cummunicate such parts of y^e said instructions as were requisite.

The Goverr Came, Stayed about Two hours, yett had not a Suffi-
cient number ffor a Councill, notwithstanding The Secretary person-
ally gave notice thereof to Arth. Cook and John Symcock, who told
him they did not Intend to be there.

At a Meeting of The Councill in The Councill Roome at Philadel-
phia y^e 4th of y^e first month, 1688-9.

PRESENT :

JON BLACKWELL, Esqr. Govr.

Robt Turner, Wm. Clark,

Griff. Jones, Samll Carpenter,

Wm. Darvall,

Arthur Cook,

Wm. Markham, Secry.

The Goverr orderd the Entrys of The last day's proceedings in
Councill Should be read : they were read accordingly.

The Goverr acquainted y^e Councill that since their last meeting he
had Received Instructions from y^e Chief Goverr, dated y^e 24th of 7ber,
1688, wherein, amongst other things, he was pleased to direct that
y^e murtherous woman's sentence should proceed, y^e Case being noto-
rious & barbarous.

In odr to y^e Councill's proceeding therein, y^e Goverr Directed y^e
Secretary to turne to y^e place in his book wherein the minutes touch-
ing y^e reprieve granted was Entred, to y^e End they might know
whence it arose.

It appeared to be granted vpon the Petition of John Richardson,
brother to y^e murtherer, wch Petition was Read. It appeared also that
a sentence of Death had passed vpon her in a Provinell Court held in
y^e County of Kent, where y^e fact was Committed, and that the sd
Provl Court was Duly Authorised by y^e Then Presidt and Councill,
by Commission vnder the Lesser seale, dated y^e 2d of y^e 2d month,
1687.

Vppon Consideration of The Petition, &c., It was ordered by the
Presidt & Councill y^e 19th of y^e 3d Mo., 1688, that y^e Sheriff Should
suspend y^e Execution till further order vpon the whole matter : it was
ordered by y^e Goverr and Councill, The secretary only Dissenting,

that y^e said order of Suspension be of no further force, and yt y^e Sheriff of y^e said County of Kent doe Cause Execution to be done according to y^e tenor of y^e Judgment past by y^e Provinciaall Court, and that y^e day ffor doing thereof be on y^e fifteenth day of This present first month, commonly Called March, and that Mr. Clark be desired to take Care that y^e ordr ffor Execution be delivered to y^e Sheriff ffor yt purpose.

The Secretary read a letter ffrom John White, Clark of y^e County Court of New Castle, wth y^e Coppy of a paper sent by him ffrom Edwd Blake, Jon fforalt, and Charles Rumsey, Justices of y^e peace of y^e said County, Certifieing some proceedings by them had vpon a fformer order of y^e Goverr & Councill, about Viewing and removeing y^e fforceable Entry and Detainer made on the house and land of Tho. Woollaston, in y^e said County, y^e possession whereof had been formerly given to y^e said Woollaston, persuant to a Decretall order of y^e Provinll Judges, by y^e Sheriff of y^e said County, and since againe taken ffrom him, as by his Petition to the Goverr and Councill and their said order reference being therevnto had may appeare.

The said paper being read, it appeared that in Stead of Executing y^e said order, the Jury was by y^e Justices affirmed to have given in ffor their virdiot that Wee Jurers of Enquirie doe finde that there was a fforceable Entry Committed by Edwd Gibbs, high Sheriff of New Castle, and Richard Reynolds, his Deputy, vpon the house of John Gramton, about y^e Latter End of y^e Last Eight month, Called October, 1688.

HUGH MARSHLAND, fforeman.

This was judged by y^e board to be a great affront and Contempt of their authority; but what remedy might be given did not occurre to y^e board, it being properly remidable by y^e Provll Court, wch the Keeper had refused to authorise vnder y^e great seale, as he had been ordered to doe.

Many things were Spoken by way of Grievance that y^e Govr and Councill should be so obstructed in their remedying such Complaynts and y^e further debate of y^e matter taken vp.

Some declareing y^e Keeper's refusal was a misbehavior in his office, and tending very much to y^e hurt & Dammage of y^e people of y^e Province; yt it was dishonourable to y^e Government, and gives occasion to others to slight Governmt and authority. That they thought it was to no purpose ffor them to give their attendance in Councill if they Should be by such means hindred of doing Justice to y^e people, and that they were weary of such attendances vpon such obstructions, &c.

Wm. Clark moved y^e Keeper might be spoken with, to see if he would give any other answer, wch was Seconded & Thirded.

The Goverr named Wm. Clark, the Secretary, & Samll Carpenter, to attend y^e Keeper to see if any Expedient can be found for preventing further heats arriseing vpon such occasions, who were to report their proceedings to y^e Goverr and Councill to morrow morning, by seven of the Clock, all y^e members of Councill now present promising to meet at that Time to receive thé same.

adorned accordingly.

At a Council in the Council Roome at Philadelphia, y^e 5th day of the 1st month, 1688-9.

PRESENT :

JOHN BLACKWELL, Esq., Govern.

Wm. Clark,

Samll Carpenter,

Robt Turner,

Wm Darvall,

Griff. Jones,

Wm. Markham, Secre.

The Govern ordered y^e Secrety to read y^e entrie of last Council's proceedings. They were read.

The Govern took Exceptions at y^e Entering y^e Secretary's dissent in y^e body of y^e order touching y^e Execution of the Murtherer, wch was struck out with a pen, & the Secrety allowed to enter his dissent thereto in the entry of this day's proceeding, if he thought it needfull.

The Govern also tooke Exceptions to the brief Entry of Mr. White's Letter, & y^e Justices returne from New Castle, & by directions of y^e board they were ordered to be entered verbatim, at large, which were as followeth :

To the Honble. the Govern & Provll Council of y^e Province of Pensilvania & Territories, Gent.

I received a certain Paper from Edward Blake, John Forat, and Charles Rumsey, Justices for the County of New Castle, wch I was commanded to Record, and to send a Coppy thereof to the Govern and Council. In obedience to their commands, I have here inclosed a true Coppy of the Originall, wch is all I have in charge at this time.

from, Gent., your humble servant,

JOHN WHITE.

NEW-CASTLE, vltimo, february 1688-9.

The Govern directed that the Committee Ordered yesterday to attend the Presidt, to see if there were anything could be done by way of Expedient for preventing further strifes & heats, would Report the issue of their proceeding therein with him.

Wm. Clark reported, That pursuant to the said Order, they went to y^e Keeper & let him to understand that it was the Order of the Govern & Council that they should go to him to ask if he would give any further answer to y^e Refusall of putting the broad Seale to the Commission for Provinciall Judges; to which the Keeper answered, That he thought that wch he had given in answer in writing was sufficient; And that if y^e Govern & Council did not look upon it to be so, if they did not approve of it, if they pleased to signify their mindes in writing wherein it was insufficient, he would give his answer to them againe in writing. This was agreed by the Committee sent to be the substance of the Keeper's answer in words, as near as they could remember.

The Govern declared he did not think it was their work, to dialogize wth any man without dores, and desired the severall members of Council would give their opinions upon it, whether the Keeper's dealing with the board herin in that matter did not argue contempt of their authority.

Griffith Jones was troubled that the Govern and whole Province should be so wholly obstructed from doing Justice: That y^e Keeper by these dealings is the Ruler, & not the Govern & Council: That he would have been glad the Keeper had complied with that which tended to the doing Justice in the Countrey, But that by this he perceives if the Keeper lay his hand and say Thus farr you shall go, & no further, to the obstructing all Justice, we must Sitt still, &c. This is the way to Create Animosityes & making Parties; this ought not to be suffered; It is not well, &c.: That he Judged the Keeper is answerable to the Govern and Countrey for this misdemeanor, and offered to be one of them that should charge him to make answer for it; and said, if the Keeper be thus suffered, 'tis to no purpose for us to spend our time in sitting & giving Council here, &c.

Wm. Clark. Some things were difficult to us in the former debates concerning the Commission, Vizt: I was doubtfull upon which Law the Commission should be grounded: much was to be said on both sides. He could be willing there might be a right understanding that we might not be put to y^e Extremity & severity.

The Govern minded him of the issue the former debates had brought that matter to already: That it was fully agreed That the latter law was fulfilled; that it did infringe the Governrs Authority; (wch he had reserved out of their power by his Commission to them;) That therefore it fell of it selfe. That the former Law was cleare, viz: directing the Court to be settled yearly. That the Govern had in his Charter Reserved the sole power of nominating and Comissioning officers to himselfe during his life, and appealed to Mr. Clark, &c., whether all those things had not been largely debated & resolved.

Wm. Clark Owned that the Latter Law did Infringe upon the Governrs Prerogatives; He acknowledged what the Govern said, & sayd, I see there is a Necessity to make use of the Authority of this board.

Griff. Jones. It is the King's authority that is opposed, & looks to me as if it were a raising a force to Rebell.

Robert Turner said he never saw such shuffling in matters of moment in his dayes: as to hearing the Keeper farther, if he had any thing that scrupled him in matter of Law, he should have answer'd those things upon the application of the Committee to him, And he should have given his advice to them. But it appears we have two Governrs & two Councils: One within and another Without. Our words & doings are carried abroad, & come to be debated by some (among ourselves) with another Govern, & thereby the mindes of some persons are altered from what they have declared & moved here, (before they were influenced by those Councells,) so that we cannot proceed, which is neither for the quiet of the people nor honour of the Governor.

Severall members moved the Question might be put upon the whole, which was thus proposed by the Govern, Viz:

Whether upon the debate of the Keepers answer & other passages

of Contempt offering themselves upon this debate, they did not judge the Keeper to have highly misdemeaned himselfe in his office of Keeper of the board Seale, in refusing to perfect the Commission sent him for Provinciaill Judges, under the broad seal, (it was Resolved in the affirmative, Samll Carpenter only dessenting,) Viz: that they did Judge he had highly misdemeaned himselfe in his said office thereby, &c.

After passing this vote Arthur Cook came into the Councill.

A paper was delivered in to the Govrr & Councill by Ja. Claypoole, appoynted Clerk of the County of Philadelphia, informing the Board that David Lloyd refused to delivre up the books, &c. of y^e said County Court, wch y^e Govrr & Councill had ordered, Expressing that Tho. Lloyd had ordered him not to delivre the same. The tenor of which is as followeth, Viz:

To the Honble John Blackwell, Esqr., Governr., &c., & Councill.

Whereas, by a precept from the Govrr & Councill, I was comanded to Receive of David Lloyd the Records, papers & Seal relating to the Clark's office, and belonging to the Court of the County of Philadelphia, in obedience whereunto, upon y^e Reception thereof, I informed the said David Lloyd, & delivered it to him, who promised from time to time to deliver up the same into my hands, and this morning deneyed to perform his promise, but gave me in answer that Thomas Lloyd had ordered the contrary, without whose leave he would deliver up nothing.

JA: CLAYPOOLE.

PHILADELPHIA, 5th 1st Mo., 1688-9.

The said Da. Lloyd was sent for to come to y^e Governr & Councill, then sitting. Being come, the Governr demanded of him if he had read the Order of that board for delivring up the papers, Records, Seale, &c. belonging to the County Court, in his Custody, to James Claypoole, appoynted to succeed him in that imployment.

He answered, yes, he had received a Coppy of such an order.

The Govrr asked him by whom yt said order was signed.

He answered he did not remember.

The Governr asked if he had not a seale set to it.

He answered yes.

The Govrr asked if his (viz: the Goverrs) hand was not sett to it.

He answered yes.

The Governr asked whether he had delivered the same accordingly.

He answered no.

And then produced a paper Commission, under the hand & private seale of Thomas Lloyd, dated the 1st of y^e 1st Mo., 1689, of the tenor following, which the Governr ordered to be read:

PHILADELPHIA,

By authority of Letters Pattent, under the Broad seal of this Province, Granted unto me by the Propriatarie & Governr, I doe hereby Constitute & appoint thee my Deputy in the office of the Rolls & Publique Records for the County of Philadelphia, & for the Entring of all Judgments of Courts, publique Proceedings of Justice, Legal

Cases & of all other Instruments wch are by Law to be inrolled & Recorded, and to take such Fees therefore as are Provided : And for y^e Better Enabling thee to discharge the saide Place, I doe Jure Office as Keeper & Mr. of the Rolls, nominate the Clarke of the Peace, & also Clerke to the Justices For y^e said Cvnty, & to act therein according to Law & uncontroled usage. Given at Philadelphia, the 1st day of the 1st mo., A. D. 1689.

THO: LLOYD, Keeper, & Mr. of the Rolls.

To my Trusty Friend, David Lloyd.

The Govern demanded whether he would observe the order of the Board.

He answered he would deliver up what was in his Custody either to the Secretary or to the said Ja : Claypool that day.

The Govern ordered him to withdraw ; and desired the board would give their opinion touching his answer.

The Board resolved that they were satisfied in his answer, That he would deliver them up according to their former order.

The Govern then again ordered y^e said Commission under the hand & seale of the Keeper should be read, Which was read accordingly.

The Govern desired their advise and opinion whether that act of his were not a high presumption and usurpation upon the Govers authority, Declaring he did not doubt but that he might make a Deputy as Master of the Roles, for doing what appertayned to that office ; but to make a Clerk of the peace to y^e Justices, & Clerk to y^e County Court, he Excepted against as having no President. The Disposing of all offices being by the Chief Govrr reserved to himselfe for his life.

This was some time debated, with great trouble that the Keeper should so misdeemean himselfe, divers attesting they had not knowne such a thing done before ; After which this Question was put :

As many as are of opinion that this Commission produced by D. Lloyd, signed by Tho. Lloyd, & sealed with his owne private seale, (as farr as appeared to them,) dated y^e 1st of y^e 1st mo., 1689, naming & Commissioning David Lloyd to be Clerk to the Justices & County Court, as therin is Exprest, is a high usurpation upon the Govers authority, declare yourselves in the affirmative by rising up from your seates. All the members present (Except Arth. Cook & Samll Carpenter) rose upon the affirmative. Mr. Carpenter declaring he did not understand it, yet sayd he did not justify Tho. Lloyd.

The Govern proposed to the board to give him their advice concerning the disposall of the said Commission, or returning to D. Lloyd.

The Question being put, viz :

As many as are of opinion That this Commission remayne with the Secretary, to be used as the Govern & Councill shall think fitt, Declare yourselves in the affirmative by rising up from your seates. All the members present arose. (Except the said Arth. Cook & Samll Carpenter.)

Adjorned till 4 of the Clock in the afternoone.

AFTERNOONE OF THE SAME DAY.

The same persons present.

The Reason of the adjournment being to be informed whether David Lloyd should that day deliver up the Records, papers, & Seale of the County Court, according as he had promised, It was Reported that he made no scruple to do it, & had done it in part; Whereupon the Governr adjourned till the next second day of y^e weeke, Viz: to y^e 11th of y^e 1st month, according to former order.

At a Councill held at New Castle (one of y^e Countyes annexed to y^e Province of Pensilvania) the 13 and 14th days of y^e first month, commonly called March, 1688-9.

PRESENT :

JOHN BLACKWELL, Esqr., Governr.

Peter Alrichs,	John Symcock,	Robt Turner,
John Cann,	John Bristow,	Griff. Jones,
John Dehayes,	Barth. Coppock,	Wm. Markham, Secre.

The Governr acquainted the Councill that he was come thither on purpose to indeavor a settleing of those differences that had been occasioned in yt County by the proceedings had in the case betweene John Grantham & Thomas Wollaston; which had already caused a great deale of trouble to that board sitting at Philadelphia, And as previous and in order to their better proceeding therin, The Governr Enquired whether the order past in the Provinciall Councill for restoring Wollaston to his possession had been observed by the Justices, Mr. Cann answered it had, & was Recorded.

The Governr Ordered it should be read. It was read accordingly.

Wollaston was called in and demanded whether he had possession delivered to him according to y^e Councill's order. He owned he had the possession delivered to him, And sayd he did not question but he had the possession still, and moved That Consideration might be had of the Charges he had been at, &c.

The Question was putt whether the Returne made by the Justices was sufficient, which was carryed in the affirmative, Nemine contradicete.

The Governr being informed That Grantham's Wife was attending with a Petition; she was called in & delivered her petition, wch was as followeth, Vizt:

To the Honbls John Blackwell, Esqr., Governr, & Councill of the Province of Pensilvania and Countys annexed, in America.

The humble Petition of John Grantum sheweth:

Wheras, your Petitioner for near three years past hath been excluded and kept out of his Just right and priveledges, by the force of certain decrees and Orders surreptitiously obtained by Thomas Wollaston, and forcibly executed on your said Petitioner, his land and Plantation, contrary to the fundamentall laws of this Government, all which your Petitioner is greivously oppressed in, almost to the impoverishment of himselfe & family, therefore earnestly intreats

your honours will be pleased to have a rehearing of the matter, that Justice may flow in its due channell, whereby the oppression your Petitioner lyeth under will not only be removed, but your Petitioner restored to his former absolute right and estate ; and your Petitioner as in duty bound, shall ever pray, &c.

In behalfe of my husband,

ELLENAR GRINTEN.

Which being read in the hearing of Wollaston, the Governr asked him whether he had any thing to say against what was desired by the Petitioner.

Wollaston tendered a Copy of the proceedings by the Provinciaall Judges, signed Da : Lloyd, & Cur. pr. dict.

Granthum also produced the Copy of the proceedings by the County Court, in which the Judgment was first given, signed John Witte, Clark.

Both wch contayning the whole matter of fact, with an account of the proceedings had therupon.

The Secretary produced the following addresse and desire of the freemen of the Province and Terrytorys in Assembly mett, That the Governr & Provll Councill would be pleased to Command That the Decree and actions in that case, with all y^e Causes & matters thereupon depending, might be heard before them, as the supream Judges of this Governmt which is as followeth :

The freemen of the Province and Terrytorys in Assembly mett, being duly informed of a certain decree past by Arth. Cook and John Symcock, Provinciaall Judges, at their Sessions held at Philadelphia on y^e tenth day of the second month, 1688, betweene Thomas Wollaston and John Grantum, wch appear to this Assembly to be not only very severe, but the cause alsoe seems usherd in the said Provinciaall Court, contrary to any known law, or without consent of one of the Partys, and the sayd John Grantum complaining of great wrong & Injustice Sustained, the freemen in Assembly mett, in behalfe of themselves and all the freemen of this Province and Terrytorys, doe humbly desire that the Governr and Provinciaall Councill would be pleased to comand the said Decree and action, with all the causes and matters thereupon depending, may be heard before them as the supream Judges of this Governmt, whereby right may be done, to the honour of God, and the peace and prosperity of this Province & Terrytorys.

JOHN WHITE, Speaker.

Which being read and particularly considered by the board, Each of y^e parties concerned being admitted to cleare matters as they could, & declaring themselves on both parts willing yt the Governr & Councill should put an end to the differences between them ; The Justices also of that County, & John Symcock, one of the Provinciaall Judges (then present) desiring the same.

It appeared to the Board that the said To. Wollaston acknowledged a judgment in the County Court for the sum of 26lb. 15sh. good & lawfull money, justly due & owing by him upon a bond to y^e sayd

John Gramton, with Cost of suit, to be paid in current money, or wheat at money price current.

That the County Court Ordered Judgment to be entered thereupon, and granted Execution accordingly; That the Sheriffe, pursuant thereunto, seized the uppermost halfe of the said Wollaston's lands, & had them apprayed & delivered upon sale by an Out crye, to y^e said Grinham, for 30lb. & 10sh. & gave him possession thereof; That neither y^e said money, nor wheat in lieu thereof, was paid.

That what the Provinciaall Judges did decree & order in this matter was not done virtute officii, but as reserves upon bonds entered into by both parties.

And that the non-payment of the debt, with Costs, was y^e occasion of all that great expence that y^e said Gramton had been put unto, wch arose through the said Wollaston default, and many other things being controverted between them, wherein they could not agree, they were caused to withdraw; and upon the Question put, It was Resolved & agreed, (nemine contradicente,) Vizt:

1st. That the debt due to Grinham, was not satisfied by the said Wollaston before the Sheriff's sale of the Land to Grantham.

2. That there was no just ground of Exceptions to be taken against y^e proceedings of the County Court in their judgment.

3. That the Order made by the Provinciaall Judges for giving or restoring possession of y^e Land to Wollaston, was not intended to be Executed till the debt & damages were satisfied; which y^e said John Symcock declared upon this hearing.

Whereupon, both parties being called in, & indeavours used with both of them to agree the matter between themselves, & some proposals made for that purpose, Wollaston declared he had better be without the land than pay 30lb. 10sh. for it, and that he could not pay or give security to Grantham to pay the money to his satisfaction.

On the other hand, Grantham refusing to take the negro for his money, (wch was the cause of the debt,) & refusing to Grant longer time & complayning of their being undone by the vast Expenses Wollaston had put them to, (which occurred to the Govern^r & Council to be the said Wollaston's faylor,) and that the said Wollaston had Recd severall years use & benefit of the Negro; wheras, Gramton was out of his money all that while.

It was upon the whole matter Resolved, Ordered & adjudged,

That Gramton be confirmed in y^e sale of y^e Lands made to him by the Sheriffe, as aforesayd, at y^e rate of 30lb. 10sh., and that he be also allowed the sum of 10lb., at which a certaine parcell of corne growing on the said Land, & taken off by Grantham Whilst he had possession, had been valued, and that this should be in full of all demands of him, the said Grantham, from him, the said Wollaston, both debt, damages & Charges:

And that the Sheriffe of the said County of New Castle, (at the request of the said Grantham,) should be required to restore & give unto him the said Gramton, the quiet and peaceable possession of the said Lands, to hold to him, y^e said Gramton, his heys & assigns for

ever; Any thing in any former order of this board conteyned to y^e Contrary notwithstanding :

That this be the finall conclusion & judgment of this board in that case ; And that this Order shall be to the sayd Sheriffe a sufficient warrant in that behalfe.

John White, Clerk of the sayd County of New Castle, being complained of by some of the Justices of the sayd County, as one who had greatly misbehaved himselfe in his carriage towards the Justices, and so provoked them as that divers of them were discouraged in their serving the Governmt in that Station, & for that cause had resolved against acting therein ; and having likewise recorded a returne made by three of them to y^e Govern and Councill, which he acknowledged he knew to be fundamentally erroneous for want of a date, and boasted that he knew it to be so before he entered it, & yt he did not acquaint the Justices thereof, & yet did it with intent that he might be even with them for finding fault with a defective transcrip he had made, intimating (as appeared by attestation of James Claypoole) that all advantages against an enemy were fayre, which in effect he acknowledged, saying he would not Lye, he had not acted as a Christian therein, but rather blamed others for taking offence therat than himself for giving it.

The Question being put, it was resolved :

That that carriage of his in recording the sayd Returne with that intent declared by him, was a misdemeanor in his office, & argued him unfitt to be trusted with the Custody of Records any longer.

He being called in, was acquainted therewith & his Commission declared voyd.

Consideration being had of the Erroniousnesse of the sayd Returne so entred, It was Resolved :

That y^e said Record, so entred by him should be cancelled in the County book, & was accordingly cancelled at the board, in presence of y^e Justices.

Resolved that the Entry of the same erroneous returne made in the book of the Provll Councill's orders & proceedings, should also be cancelled, & and was accordingly cancelled at y^e board by the Seore.

The Govern produced a Letter delivered to his servant by Tho. Lloyd, the 8th of March, 1688-9, directed for GOVERNOR BLACKWELL, signed Tho. Lloyd, Arthur Cook, for Jon Simcocks, dated Philad. 7th 1st Mo., 1689, which he shewed to y^e said John Simcock in the presence of the Councill, & asked whether he owned that to be his hand.

He answered, No : & Being askd whether he were on y^e said 7th of y^e said month in y^e said towne of Philadelphia ;

He answered he was not in Philadelphia since y^e 2d day of the sayd month.

He sayd also, he knew nothing of it, nor had he given Tho. Lloyd any allowance to sett his hand to any thing in his absence.

The Govern Enquired of John Simcock, John Bristow, & Barth. Coppock, whether they had not read a Commission for Justices, &

holding a County Court for the County of Chester. John Symcock answered they had. He then told them that he understood upon the Road as he came through Chester, that they, with other persons named for Justices in the said Commission of the peace, had not published their Commission, nor subscribed & engaged fidelity as by Law was required before they Executed their sayd Office. Also, neither had the Sheriffe of the County either published or owned his Commission or authority, whereby they had brought in Question all their actings & proceedings in their County Court, and that the Sheriffe had rendred himselfe incapable of making returnes of the Elections of Provinciaall Councillors and Assembly members, and proposed it to their Consideration that some thing might be done to prevent the Inconveniences that might arise by such irregular actings, which had brought them into a premunire.

Upon debate therof, it was thought advisable and agreed that a Generall Sessions should be called; that the Comissions should be published, & and the actions done since the vacating their former Commission, be confirmed by renewed orders made in the County Court, where & when the freeholders shall be for that purpose sumond & assembled, and that the same be grounded on an unwilling faylor & error in their proceedings.

Which they promised should be done accordingly. The Governr declaring that should be satisfactory to him, he being willing to believe that what was done was not in contempt of authority, as he had feared.

Philadelphia y^e 25th of y^e first month, 1689, in y^e Councill Roome.

PRESENT:

JOHN BLACKWELL, Esqr., Governr.

John Symcock,

Barth. Coppock,

John Bristow,

Robt Turner,

Samll Carpenter,

Wm. Markham, Secre.

Grif. Jones,

The Governr Directed y^e Secry to read y^e Entry of The proceeding of y^e Councill at New Castle.

The said proceedings being read, Barth. Coppock remembered yt it had been affirmed that y^e Justices of Chester had Subscribed y^e ingagement of ffeidelity to y^e Proprietor, required by Law, wch was also remembered by John Bristow, Robt Turner & Grif. Jones; and y^e said subscription being produced, dated y^e 5th day of y^e first month, (wch was y^e first day of y^e County Court's Sitting,) y^e same was ordered to be amended accordingly, &c.

Thomas Lloyd Came into y^e Councill Roome, and y^e Governr asking him if he had any thing to say to the board, He answered that he was Come to present himselfe as y^e Law required, within twenty days after Election.

The Governr told him he knew nothing of it: There was no returne made thereof by y^e Sheriff.

Tho. Lloyd replied there was no need of his returne, as y^e Governr would finde if he look'd into y^e Charter, &c.

The Govern told him he Could take no notice of any Election till due returne be made, and therefore if he had nothing Else to offer to y^e board, desired him not to Interrupt their proceedings; they were Entred vpon a matter of another Consideration. Thomas Lloyd said He vnderstood some thing had been moved about y^e adding y^e Welsh towns or tracts to the County of Chester, and if any Such thing were proposed desired they might be heard.

The Govern told him no such thing was yet brought before Them; But that if any such thing were wherein it should be found requisite to hear them, they Should have notice thereof.

adjourned till 3 in y^e afternoon.

POST MERIDIAN.

Present as in y^e forenoon.

The Secretary produced a Petition ffrom severall Justices and Inhabitants of y^e County of Chester, directed to y^e Govern and Council. The Govern asked by whome Subscribed: 'twas answered by none. He replied He should not receive it without a Subscription: it was delivered to y^e persons who attended about it. They Subscribed it.

The Govern then directed it to be read: it was read; y^e Coppy Thereoff ffolloweth. (viz:)

To JOHN BLACKWELL, Esqr., Govern, and the Provinell Council of Pennsylvania, &c.

The Humble Petition of y^e Justices of Chester County, in the behalfe of themselves and Inhabitants of y^e said County, Sheweth:

That whereas, y^e said County is but of a Small tract of Land, not above 9 miles Square, & but Thinly seated, whereby y^e said County is not able to Support the Charge thereof; Vppon our humble Request to The Proprietor & Govern, and his Serious Consideration of our weak Condition, was pleased out of Compassion to vs, to grant an Enlargement of y^e same, in manner ffollowing, viz: to runn vp ffrom Delaware River, along darby mill Creek, y^e severall Courses thereof, vntill they took in Radnor and Herford Townships; Then downe to y^e Skoolkill; Then vpwards along the severall Courses thereof, without Limmitt.

Therefore, wee humbly pray you will be pleased to Confirme y^e said bounds, whereby the County of Chester may be in some measure able to defray their necessary Charge, and wee Shall, as in duty bound, &c.

It was signed by Jon Blunston, Tho. Brassie, Randll Vernon, Caleb Peusey, Tho. Vsher.

The Govern Demanded of y^e Petitioners how they would make out their alligations.

They began to relate some passages wch had passed ffrom y^e Proprietor about settling the bounds of y^e County of Chester.

The Govern Directed them to withdraw, and putt what they had to say and Could depose into writeing: they went forth and brought in their severall attestations ffollowing, wch were read, viz:

I, John Blunstone, as in relation to y^e Devision of Chester County

ffrom Philadelphia, doe thus testifie, that a few days before Goverr Penn left this Province, that vpon y^e bank, by John Simcock's house; I moved him to Deside this matter that had been so long Discoursed, who then, before me and Others, did Declare that y^e bounds Should thus runn ffrom the mouth of Bow Creek to Mill Creek, wch should be y^e bounds vntil it come to y^e Land of Herford, and then to take in the Townds of Herford & Rudnor; from thence to the Skoolkill, and take in his mannour of Springtowne, by wch our Pattents Holds: then I asked him if he would be pleased to give it vnder his hand, to avoyde ffurther Trouble, who answered he would, if any of vs would Come the next day to Philadelphia in order therevnto: one was sent, but what then obstructed I am not certaine, but yt y^e Goverr Departed about two days after: was signed

JOHN BLUNSTON.

Randall Vernon sayeth, that some time since Wm. Howell of Harford, Signified vnto me, and gave it vnder his owne hand, yt some time after they there Settled that he asked y^e Goverr to what County they Should be joyned or belong vnto, & The Goverr was pleased to answer him that they must belong to Chester County: was signed R., the mark of Randll Vernon.

Our Proprietor and Gover being pleased to grant to me a Commission to be Sheriff of The County of Chester, was pleased some time after to Express himselfe to me to this purpose: Thomas, I perceive that the Skoolkill Creek Comes or runs so vpon the back of Philadelphia, that it makes y^e City almost an Island, so that a Robbery or the like may be there Committed and y^e offender gitt over y^e Creek and so Escape for want of due persute, &c., therefore, I intend that y^e bounds of Philadelphia County Shall Come about 3 or four miles on this side of the Skoolkill, and I would not have thee to take notice or to oppose that Sheriff in y^e Execution of his office, about Kinges, or the like, but I intend to enlarge this County downewards to Brandywine: ascertained by me,

THOMAS VSHER.

Some of the members of the Provll Councill asserted the Substance thereof, and that y^e same was agreeable with the mapp of the Province.

The Surveyr Genells Deputy was sent for, who showed the bounds of the County ffrom the mapp, and being asked by y^e Goverr by what order it was sett out, answered it was so ordered by y^e Goverr & Provinciaall Councill, as would appear by y^e Coppy of y^e minutes of their proceedings, wch he produced.

The Goverr Directed that the minutes themselves might be serched, & Compareing the same Coppy with the Entry, ffound them agree in Substance.

'Twas observed by y^e Goverr and Councill that y^e mapp of The Province was the work of Thomas Holme, Surveyr Genell; that it was dedicated to y^e Proprietor by y^e Publisher; that many Coppys had been published in England and here in this Province, by wch y^e same was made notorious to all men's observations & Knowledg, without Controll or Question, and that 'twas likely many Conveyances

of Lands might have been passed, Expressing the Situations to lye in the Respective Countys; as they were therein Expressed, and that to Disallow thereof, for y^e Boundary's might be of ill Consequence on that acct. 'Twas asserted that the Welsh Inhabitants had Denied themselves to be any part of The County of Philadelphia, by refusing to bear any share of Charges, or serve in office or Jurys, and the like, as to y^e County of Chester.

That the pretence thereof was they were a distinct Barony, wch tho' they might be, yet that severall Baronys might be in one and y^e same County.

The Govern and most of The present members of Councill Declaring themselves satisfied Concerning their being a part of Chester County vpon y^e grounds alliged and proved as aforesaid, Yet,

ffor as much as Thomas Lloyd had desired they might be heard before it were determined, Samll Carpenter was desired to acquaint him that if he, the said Thomas Lloyd, should think fitt so ffar to Concerne himselfe therein as to appear in their behalfe, or any other, to shew cause why they should not be Declared to be of the County of Chester, (as the Proprietor had promised,) they might have liberty so to do before the Govern and Councill to morrow, between 9 & 10 in the forenoon, otherwise the Evidence seemed so full as that they should proceed to Declare their judgment therein.

James Claypoole, Clark of The County Court of Philadelphia, by an address to y^e Govern & Councill, Complayned that David Lloyd refused to Deliver vp the Records and proceedings of the County Court in the time of his being County Clark, and some of the justices also informed the board thereof, and that many prejudices had hapned by y^e Clark's not haveing them. David Lloyd being sent for, said he had not had time to doe it, haveing been ingaged in a removall of his goods, &c., but said he would doe it as soon as he Could: the Govern Declared to him there being a County Court to sitt this week, where they would be needed, that if it were not don in two days he Should take a Course with him to Compell him, wch he advised him to prevent, and Caused him to withdraw.

Wm. Cloud his Petition was read, setting forth his being taxed for y^e Levies of one and y^e same tract of Land in both y^e County of New Castle and y^e County of Chester, the wch tract of Land was Laid out as in the County of Chester, and was part of ffive hundred acres He bought in England of the Proprietor.

Ordered that the Secretary write a Letter in the name of the Govern and Councill, to y^e justices of The County of New Castle, to Inquire into that matter, and to Certifie to y^e Govern and Councill the grounds of their haveing interrupted him, as is therein Expressed, if it so proved, wth what Convenient Speed they Could, and in the meantime to Suspend the Levying y^e payment Complayned of till further Order.

At a Councill in y^e Councill Roome at Philadelphia y^e 26th of y^e first Mo., 1689.

PRESENT :

JOHN BLACKWELL, Esqr., Governor.

John Bristow,	Wm. Yardley,	Griff. Jones.
Samll Carpenter,	Robt Turner,	Wm. Markham, Secrety.

The Govern directed the Entryes of yesterday proceedings in Councill should be read.

They were read. As also y^e minute of y^e Councill touching the ascertayning the dividing lyne betweene the Countyes of Philadelphia & Chester, dated y^e 1st of 2. Mo., 1685.

The same were reviewed & observed by Mr. Yardly. In so much as he Express himselfe he Could not see what was to be sayd against it.

Samll Carpenter declared he thought the Welsh people & inhabitants of Philadelphia County should have longer time. Also Mr. Yardly was of the same minde. The Govern thought there was no need of them, the matter being so playne, But directed, if any were attending they should be called in.

The Secretary went out to see if any persons appeared on their behalfe, according to the Liberty Granted & directed to be intimated to Tho. Lloyd, at his motion yesterday.

Tho. Lloyd & John Eckley appeared, and the Govern asked them if they had anything to object (on the behalfe of y^e Welsh people) against the Running of the lyne as appeared by the map, which added them to y^e County of Chester.

Tho. Lloyd said the Proprietor had given them grounds to Expect they they should be made a County Palatine. The Govern ask'd if any such thing had been past : nothing appeared.

Tho. Lloyd asked the Govern by what authority these dividing Lynes were drawne.

It was answered by the forementioned Order of the Councill, (as farre as concerned this matter,) which agreed with the severall depositions of what had been promised by the Proprietor, and also with the map-lynes, &c. Some other discourses past, but nothing materiall offerd against the thing; only Tho. Lloyd declared his opinion, That some more time should have been allowed for their appearing to make their Exceptions. He also demanded of the Govern whether the Proprietor had power of himselfe to divide the Countyes, or whether the Proprietor & Councill. The Govern answered that by y^e said Depositions, minutes & map, it appeared to be done by both in this case.

John Eckley declared he had nothing to say, but that he thought further time might be allowed in the matter. The Govern told him he did not think that the Govern & Councill could doe nothing about limits, but with the popular allowances.

They both being with-drawne, The Question was put, vizt : as many as are of opinion that the bounds of the County of Chester, Express by the dividing line marked in the large map of the Province, dedicated to y^e Proprietor, and being according to the Order of the Provinciaall Councill dated y^e 1st of y^e 2d month, 1685, are and shall be hereafter, held and esteemed the bounds & dividing lyne

between y^e Countyes of Philadelphia & Chester, declare yourselves by rising up from your seats.

It was carried in the affirmative, by Robt Turner, Griff. Jones, John Bristow & Wm. Markham (agreeing with the Governrs sense.)

Samll Carpenter declaring the ground of his being in the negative was not that he was against the thing, & thought it would be & was best so ; only because that he thought the Welsh people & People of Philadelphia should have had longer time for making their defence. Mr. Yardley of the same minde.

Mr. Bristow brought in the Sheriff's Returne of Ellections for members to serve in the Provll Councill and Assembly for the County of Chester. The Secretary offered the like Returne, made for the County of New Castle : both were read & referred to further Consideration.

A Petition was presented to the Govern & Councill by Humphrey Morrey, Phill. Richards, phillip James, Will. Lee, for leave to build a wharfe on the side of Delaware River, against y^e End of y^e Chest-nutt street, which was read and some things spoken to it ; But

The further Consideration thereof Referred to the next Sixth day of this week.

Adjourned to y^e 6th day, being y^e 29th instant, at 9 of the Clock in the forenoone.

At a Meeting of the Councill in the Councill Room at Philadelphia the first of The second month, 1689.

The Govern orded the Entrys of y^e Last daye's proceedings in Councill should be read : they were Read accordingly.

The Govern directed y^e Returne made by y^e sheriff of y^e County of Sussex of members to serve in Provincial Councill & assembly should be Read.

Wm. Clark & Jno. Hill, members returned to serve in Provinciaall Councill, were directed to withdraw.

Consideration was first had of Wm. Clark's Election, who had served Six years before, wherevpon Samll Carpenter moved to have that part of y^e Charter read wch directs that after y^e first seven years the persons going off should be vncapable of being Chosen againe ffor one year following, &c.

The same was read :

And vpon the debate it was resolved, Nemine Contradicente, that y^e Returne of Wm. Clark was good, and that there was no Excep-tions to be taken against Him, but that he subscribing y^e Obliga-tion of a Provll-Councillor, Should be Admitted to take his place : which he subscribed, and was admitted accordingly to Sitt in Coun-cill.

Consideration was also had of Jno. Hill. Jos. Growdon desired y^e writt Issued for his Election might be read: The same was read, and vpon debate it was resolved that y^e Returne of Jno Hill was good, and that there was no Exceptions to be taken against him. Jos. Growdon, Barth. Coppock & Wm. Yardley desenting. He was called in, & subscribeing, took his place in Councill.

Wm. Stockdale being returned to serve ffor y^e County of New Castle, vpon the debate it was resolved, Nemine Contradicente, that y^e Returne was good, & that there was no Exception to be taken against him: he was called in, and vpon his subscription was admitted to take his place in y^e Councill.

He was called in, & upon his subscription was admitted to take his place in the Councill.

John Curtis being returned to serve as a member of Councill ffor y^e County of Kent, and y^e Returne also read, Griff Jones acquainted y^e board yt y^e said Curtis had been formerly accused by some desolute persons of treasonable words. Wm. Clark, one of y^e Judges, appoynted on yt occasion, said y^e words were not Treasonable, and yt y^e Grand Jury did Returne y^e Bill Ignoramus, &c., and so said Griff. Jones. Js. Growdon said that Curtis was well reputed in his County, &c.: vpon debate it was resolved (Nemine Contradicente,) that there was no ground of Exception against him. He was Called in, and vpon his subscription admitted to take his place in y^e Councill.

John Eckley was Returned by y^e Sheriff to serve as a member of Provll Councill ffor y^e County of Philadelphia, but with submission to y^e board ffor that fifty or sixty Welch men who were not of that County had joined themselves in y^e Vote, y^e Goverr desired y^e Councill's Serious Consideration touching that Returne, and ffor their fuller information, directed yt y^e Entrys of y^e Councill's Proceedings in their debate touching y^e bounds and lines between y^e County of Philadelphia & Chester, vizt.: on y^e 25th & 26th days of y^e Last month, should be read. They were Read; And upon debate it was Resolved yt y^e Election of Jno. Eckley to be a Member of Provll Councill for Philadelphia County, ffor y^e Reasons advertised in y^e Returns thereof, given by y^e Sheriff, was not a good Election, according to y^e Charter and Rules therein in that behalfe, Samll Carpenter, Jos. Growdon, Wm. Yardley, & Wm. Stockdale only dis-senting.

The Goverr therevpon declared he would Speedily Issue out a new Writt ffor Chuseing not only ffor Jon Eckley, but for Samll Richardson, to Supply his place for y^e Remainder of his time, he haveing misdeameaned himselfe in Councill. Joseph Growdon moved that y^e Returne of Thomas Lloyd ffor to serve as a member of Provll Councill ffor y^e County of Bucks might be Considered; ye Goverr said it was late, and yt he had something to say agt it, wch he would declare to them at next sitting, wch was appoynted y^e next day,

The Govern directed that y^e Entrys of yesterday's proceedings of y^e Councill should be Read: they were Read: y^e Govern acquainted y^e board he should begin with y^e matter wch was Last mentioned; wch was to acquaint them wth what he had to say against y^e admitting y^e Returne of Thomas Lloyd to set as a member of Provll Councill ffor y^e County of Bucks, and made a large discourse of y^e powers granted him by y^e Propriors commission formerly granted to the Provll Councill and Commrs of State, to wch there was Reference made by his said Commission.

And particularly setting forth how the said Thomas Lloyd had by his miscarriage in sundry Respects, obstructed his, y^e said Govern proceedings in y^e Discharge of his Trust. And haveing delivered in a paper conteyning the heads of Several articles of high misdemeanors, Crimes and offences, Where with he Charged y^e said Thomas Lloyd, in y^e name of y^e Proprietor & Chieff Governr, (wch he directed Should be Read, and was Read accordingly,) He proposed a Committee might be appoynted ffor Considering y^e same, &c., ffor preparing and makeing ready in Due forme, articles to be prosecuted and proved against y^e said Thomas Lloyd, and that therevpon he might be brought to a tryall, to be managed in y^e Proprietor's name. Joseph Growdon moved that Samll Richardson might be admitted to sitt and act as a member of Councill ffor y^e County of Philadelphia.

The Govern told him his misbehaviour had been such as had Excluded him, & that he had given Directions for a writt ffor a new Election of one in his Stead: he, y^e said Joseph Growdon, moved also yt y^e vote that had passed yesterday touching y^e Returne of y^e Election made by y^e Sheriff of y^e County of Philadelphia, might be past by y^e Ballott. The Govern told him it Could not be admitted; it was yesterday past by y^e vote as had been vsuall, & 'twas affirmed y^e balloting box had never been made vse off on any such occasion, and that he saw no reason to make vse of it in that Case.

Adjorned till To morrow morning, 9 of y^e Clock.

Wm. Clark,		

The Gover directed the last Entry should be Read; they were Read accordingly.

The Governr was entering upon a discourse touching the heads of the articles of charges exhibited against Tho. Lloyd, But whilst he was speaking Samll Richardson, a late member of Council, came into y^e Council roome and sate downe at y^e table.

The Governr askd him if he had any thing to say to y^e Council.

He sayd He came to discharge his duty as a member of that board.

The Gover told him he had beene dismist for his misdemeanors in Council, and that a writt was ordered to be issued for Electing another in his Roome. He demanded for what. He knew nothing he had done, but that he had sayd thou wert a Deputy Governr, and that he was ready to make good; and added, He was never heard; He was never heard; and had asked for a Copy of the minute & could not have it.

The Secretary sayd: He spake to him thereof in the Street, but never came to him for it.

The Governr told him It was Enterd, and that his behaviour was with so great contempt of the authority of the Proprietor & that board, as could not be borne; And therefore, Required him to withdraw, which he Refused: thereupon The Governr declared that if the Council did think fitt to suffer such interruptions to his & their proceedings, and so high affronts to be given him sitting there, & there was no way to prevent the Coming of persons, He would adjourne the Council to another time, and provide for his being kept out by some officer he would appoint to keepe the doore.

The sayd Richardson continuing there, and there being a Silence, The Governr adjourned till two of the Clock in the afternoone.

POST MERIDIEM.

The same persons present.

The Governr acquainted the board That he thought fitt That the heads of the charge he had exhibited against Tho. Lloyd should be prepared: and that as he had when he delivered in the same, propounded A Committee might be appoynted for that purpose.

Joseph Growdon sayd: He thought it was fit That the business of Samll Riceardson should be considered, that the board might be filled with their members, and that he questioned whether the Council had power to Exclude a member chosen by the people, for then they might all be Excluded at pleasure, &c.

The Governor told him He doubted not to Exclude him or any member whatsoever, that should misbehave himselfe as he had done; and sayd, It is the undoubted privilege of all Courts and Corporations.

to judge the misbehaviours of their owne members sitting amongst them, and that his misbehaviour had been insufferably great in their opinions, and was committed in their view, & consequently, That none could be so proper judges thereof, and they had so adjudged it. He also Added, that many facts done in the view of one justice of the peace, Was sufficient for conviction, & Recording it.

It was moved, The proceedings might be read; they were Read. It was objected that y^e Exclusion was but conditionall, and moved That he might be allowed to acknowledge his offence, or Fined, &c.

The Governr sayd He knew not that they could fine him. That it was to late to admitt his acknowledgement if he should tender it now, for that a writt was ordered to be issued for a new Election, which had beene notified by the Sheriffe. Besides, that there seemed to be little probabillity of his Submission, for It might be observed how that when he appeared in the morning, as he offered no such thing, so he stood upon his owne innocency & vindication; saying He Knew nothing he had done; and when he had been ordered by the Governr to withdraw, he had refused so to do, and had inforced him to adjourne the Councill whilst he was present.

In fine, That the affront was insufferable. That it had been already adjudged; and that he should not sitt there to suffer such abuses & affronts, nor would he bear them from any member sitting at that board; and that he would advertise the Proprietor accordingly, and abide his Censure.

Many intemperate Speeches and passages happend, fitt to be had in oblivion.

The Governr desired therefore, They would forbear all provoking heats & animosities in their further proceedings, and proposed againe, That a Committee might be appoynted to prepare & forme the charge against Tho. Lloyd, for that before they entered upon preparing Bills, It was fit they should be in a Capacity to make them & Execute them when made Laws, which could not be till those things were considered, and due remedies applyed, and that depended thereon, The sayd Tho. Lloyd assuming to himselfe to render all their attempts insignificant whilst he refused to set the Great Seale in cases Requisite.

Here againe arose some warme debates, divers of the members expressing their in-ordinate affections for the sayd Tho. Lloyd; and saying they could not (& one of them he would not) believe him to be such a person, & so guilty as was mentioned in the Charge.

The Governr tould them the things would be proved.

Some moved that he might be sent for and heard what he had to say for himselfe, before there were any further proceedings, saying it may be he could give the board satisfaction.

The Governr Replyed The articles were not finished, and It was against all the Rules of judicall proceedings to Require a man to answer till his charge was ready. He added, That he had in the name of his master charged him with crimes, offences & misdemeanors, which were well known to himselfe, the Governr, and to divers other members of that board present to have been committed by him. That when the charge was ready He should be sent for. It should

then be Read to him and his answer required, and a Coppy therof & time given him for making his defence. But that divers of the things were so well known to be true, and were of so high a nature, and so mischievous & obstructive to his and their proceedings in the Governmt, as by the Charter and Laws was required, that without application of due remedies it was in vayne for him & them to sitt there, (wch was likewise declared to be the opinion of divers of the members present; but was of little esteeme with others, on the account of their tendernesse towards him,) and the sayd motions rejected in such warme Expressions as are not fitt to be Recorded.

It was objected by some that such proceedings against such a person would be of ill consequence to the Contrey at this time, in that it would discourage persons from coming over amongst them, &c.

It was answered That on the contrary, if partiality were used, that would more discourage persons; Especially where justice required their detestation of such things comitted by friends, if they should not Testify against it, &c.

The Governor tould them It was needfull to lay aside affection, & to do justice on the behalfe of the Proprietor & people, and tould them, if they should not think fitt to direct a further proceeding, he would himself appoynt some persons to do what he had moved, in order to the perfecting the charge, and preparing, methodizing & mannaigeing the evidence.

It was answered by some, He might if he would; they were not satisfied in it.

Wherupon the Governr thought fitt to give them a dayes respite to consider what they would do.

It was moved They might sitt in a grand Committee amongst themselves.

The Governr, (being aware of what was indeavored abroad,) &c., Replied, He saw how hard a matter it was for them to keep within y^e bounds of due respect to each other: That he did not therefore think fitt to allow therof unlesse himselfe were present, as he conceived it was his duty to be at all their meetings & transactions in public affayres.

It was answered that would not do, &c.

Thereupon the Governor adjourned the Councill untill the 5th day of the month, at nine of the clock in the forenoone.

The Governor & Councill being assembled & Sate, were entring

upon business, But were interrupted by Tho. Lloyd's coming in, in manner following, vizt :

The Govern asked him if he had any thing to say to the Councill.

He answered that he came to take his place & do his duty as a member of that board.

The Govern told him, There was nothing Expected of him untill he should have given satisfaction to y^e board touching severall high crimes, offences & misdemeanors, wherewith he stood charged. And therefore desired him to withdraw & not to hinder their proceedings. He Replyed, (amongst other things,) He had as good Right to sitt there & give his advice as the Govern had to be Govern. That he had a double Right, &c. The Govern told him It was not so judged, &c., and in as much as he would not withdraw the Govern adjourned to his owne Lodging in Philadelphia, and arose ; Requireing the members of the Board to attend him there forthwith.

Most of the members stayed some time, during which there were so sharpe & unsavoury Expressions used by him, the sayd Tho. Lloyd, to the provoking divers of y^e sayd members, some of which were heard by the Governor himselfe, whilst he stayed without the doore, & others of wch was acquainted by the Secretary, who came out to him & told him they were in such heats & quarrellings as he believed would not Easily End If the Govern did not returne & comand their departure. The Governor Returned and Required of him, y^e sayd Tho. Lloyd, that he should depart ; and likewise the members of y^e Councill, that they forthwith attend him to y^e place to wch he had adjourned them. Some of them, to the number of 6 or 7, went away with the Governor, and the Rest came all of them in a short space afterwards.

Being sate, The Governor directed the Entryes of y^e last daye's proceedings might be Read : they were read.

Some Exceptions were taken against some parts of it by Samll Carpenter : the Govern thereupon directed they should be read over, in parts, That notice might be taken of the particulars.

Joseph Growdon declared himself against the whole, but in reading that part wherein it was exprest That he questioned whether the Councill had power to exclude a member chosen by the people, for then they might be Excluded at pleasure : he sayd he did not remember that he used the words at pleasure. Also, y^e words [they were Read therevpon] Excepted agt agreed to be put out.

Samll Carpenter sayd, He did not know That any intemperate speeches had been used, and moved That part might be omitted in the Entryes.

The Govern Replyed he judged them to be so. John Symcock Exprest his desire that y^e word [in-ordinate] where it is sayd divers of the memrs expressing their in ordinate affections for y^e sayd Tho. Lloyd. The Govern Replyed that was his sence of it, for that he could not prevayle with them to put the charge into a way of procedure, &c.

This being over, The Governor desired they would severally declare their opinions, whether That interruption & disturbance to their

peaceable sitting in the Councill Roome, made & given by Tho. Lloyd, were not a misbehaviour in him: divers of them particularly & expressly declared they so adjudged it, and that it could not be judged otherwise: Others were of a contrary opinion: and some would not speak as to y^e behavior or misbehavior, but declared obliquely, viz: One that it was not his opinion That Tho. Lloyd came there with intention or designe to misbehave himself; some That his coming to demand his right was not a misbehaviour; others yt they were not present at y^e beginning & did not see any misbehaviour; others that there was not any likelihood of their going together by the ears, as had beene affirmed.

Wm. Clark said no member of Councill ought to challenge a place till his qualification be judged by the Councill; he doubted not but Tho. Lloyd was duely Elected; but there was a high charge against him, and in such cases It had beene the usuall method of the proceedings of that board not to admitt members returned till they had cleared themselves, for that till then he is to be look'd upon as a person that may be guilty, at least by some persons, and that till he be cleared he ought not to attempt to take the seate of a member at the board. John Hill said that was his case: he was not admitted after long attendance, and that though he had not spoken or acted as Tho. Lloyd had done, yet Tho. Lloyd said he ought to be bound to the good behaviour, &c. Joseph Growdon moved for y^e Ballot. The Govr answered He had not heard that ever it was used in Councill before he came. But now that he had heard their severall opinions, He would take it upon himselfe to Exercise his authority, as he was directed by the Honble Propor & Chief Governor, for suppressing all factions, Seditions & animosities, and so past off from that debate.

The Govr moved to know their mindes whether they would enter upon the consideration of preparing bills to be past into Laws, & tould them he would put the businesse of the charge against Tho. Lloyd, into a way of preparation for their proceedings thereon: after many things sayd in debate. The Governor proposed this Question, Viz:

As many as are of opinion That this Councill shall proceed upon the businesse of preparing bills to be past into Laws, and that there is a sufficient number to proceed thereon, declare yourselves by standing up from yr seates. It was carryed in the affirmative by Eleaven of 15 voyes of y^e members present. The 4 dissenters were Samll Carpenter, Jos. Growdon, Wm. Yardly and Jno Bristow.

And in order to their better proceedings therein, it was Resolved and ordered,

1. That the Rolls of all the Laws and ingrost lawyes of this Province & Countyes annexed, appoynted by the King's Letters pattents, to be published under the seale, shall be brought before this board by the Keeper & master of the Rolls, or his Deputy, in order to the consideration of them, whethert hey have that Sanction which the Patent and Charter requires.

2. That the time for bringing them in shall be at y^e next sitting of the Councill.

3. That Wm. Clark, John Symcock, & Jno Bristow, do attend the Keeper with these Resolves.

Adjourned till nine of y^e Clock to morrow morning.

The Governr directed y^e Entry of the proceedings of the last Councill should be Read. They were Read.

Wm. Clark (in presence of John Symcock & Jno Bristow) Reported to y^e Councill That In obedience to y^e Resolves & order of y^e board past at the last sitting, they did go to the Keeper & Master of the Rolls to acquaint him with those Resolves, & did acquaint him therewith; upon which he ask'd whether or no that they were to deliver as a message was by word of mouth or in writing. That they answered, That they had not any distinct comand about that, but that he had a Coppy of the sayd Resolves, which he delivered to him; and that after he had perused it, the Keeper returned this answer: That he would prepare his answer for it. That he asked the Keeper when it might be expected, & told him it was desired the board might have it this morning. The Keeper answer'd He should take care of it.

The Keeper presented himselfe in the Councill roome.

The Governr acquainted him with the substance of the Resolves, and that the Committee appoynted had Reported. That he sayd he would give in his answer.

The Keeper tendered his answer in writting, wch was read by y^e Secre. and is as followeth, Vizt :

To the present Govr & and members of Prov: Council.

I received y^e Resolves this Evening late, of my bringing to your next Council the Rolls of all the Laws and Ingrossed Laws of this Prov. & Territories, appointed by the King's Letter's Patents to be published under the Seal: Truely I know nt any such Laws, either in Rolls or ingrossemnt, so appointed to be published, neither can I understand by your Order what Seal is meant, whether the Greater or Lesser: neither have I declined my Duty in inrolling or legally recording any Laws wch the Govr & Council, or General Assembly, have Recommended or directed to my Office; The Truest ingrossed Copy of the Laws wch I know of is that which belongeth to & was used at the Board by the Proprietarie & Governr, & as I suppose, may Conteyn all the Laws made Since, & which Copy was generally perused upon Legislation. A fuller answer I cannot well give in so

short a Time, but shall endeavour personally to returne you further satisfaction to what Questions you may propose herein.

THO. LLOYD, Mr. of the Rolls.

PHILADELPH. the 5t sec. Mo., 1689.

The Governr asked the Keeper whether any Laws of this Contrey had been passed or published under y^e Great Seale: He answered The Originall Charter (which now remayns in his custody,) was past under the Great Seale, but no other Lowes that he knowes of, Except y^e act of union, were, which in y^e close therof is sayd to be past under the Great Seale, but he knows not where that is, or whether it were past under the Great Seale or not.

The Governor asked the Master of the Rolls whether the Laws were enrolled in parchmt Rolls, as by the Charter & his Comission of Master of the Rolls is required. He answered, None but y^e first 60 Laws past at Chester had been inrolled; That their inrollment was before his time; and he could not say that those Rolls were authentic Coppyes: and that he did not know any better Coppy of the Laws than that wch the Councill hath.

Some Question arose whether the Laws were to be published under the Great or the Lesser Seale. The Governr declared That by y^e Letters patents from the King, they were to be published under y^e Seale of Wm. Penn or his heirs, and that by the Proprietor's Commission to the Keeper of y^e Great Seale, He was appoynted to passe them under the Great Seale.

Griff. Jones proposed that the Inrolled Coppyes of the first 60 Lawes might be compared with the Coppy used at the Councill, and that the Councill's book of Laws might be sett right for so farre. Approved thereof: & in order thereunto, The Governr proposed, That those Rolls should be brought to y^e Councill & compared, for that purpose. The Keeper promised The Rolls should be delivered to y^e Secretary, or whom the board should direct, & left with them for the space of a week, or such time as they should think fit, in order therunto.

The Governr Proposed That the Committee sent yesterday to the Keeper might be desired to attend the Keeper for the Receiving the sayd Rolls.

The Committee went, and after a short space returned with three parchmt Rolls, conteyning the Enrollment of 69 Lawes, according to the numbring of them with figures.

The Board Referred them to the Secretary, to be examined by comparing them with the Councill's book of Laws, and directed That if he found any variations in the numbring or Copying of them, such variations should be Reported to y^e board at next sitting.

Adjourned to the 2d day next week, at 10 of y^e clock in the forenoone.

At a Councill in the Councill Roome at Philadelpeia y^e 8th of y^e 2d Mo., 1689.

Jno Hill,	Barth. Coypock,	Wm. Markham, Secre.

The Govern directed y^e Secretary to Read the entryes of y^e last Councill's proceedings. They were read.

The Govern caused two Letters to be read, directed to him from y^e Justices and Sheriffe of y^e County of Sussex, touching a Rumor of an invasion made on Maryland by 9000 Sennekers & firench, &c. But y^e board having received advertiseemt That it was groundlesse, It was thought fitt That y^e Governr should returne thanks to y^e Gent. for their care, but withall to caution them that they do not hereafter presume to rayse the Contrey without more manifest cause; and directions for that purpose.

The Secretary Reported his having Examined & compared the Rolls of y^e first 60 Lawes with y^e Councill's book of Laws. He found little agreemt, and that y^e sayd Rolls, as y^e Keeper sayd last sitting of y^e Councill, were not authentique; So that there was no depending on them.

The Govern proposed their procedure upon the consideration of y^e fundamentall Lawes, & agreed wch were the fundamentall. Viz: the act of Naturalization or union, y^e first 36o, 37o, 38o, 43d, 51th, 56th, 57th, 58th, 62d, 64th, 67th, and 132d.

The Govern proposed they would be Serious in y^e Consideration whether y^e sayd fundamentall laws were sufficiently confirmed or Established, having not been published under y^e Seale, as by y^e King's patents was directed, and that they would come prepared to Resolve it to morrow morning, 9 of y^e Clock.

Ordered yt y^e parchmt Rolls recd saturday of y^e Keeper, should be Returned by y^e Comitee that brought them.

Adjourned till tomorrow morning, 9 of y^e clock.

At a meeting of the Provinciaill Council in the Council Roomes at Philadelphia the 9th day of y^e 2d Mo., 1689.

PRESENT :

JOHN BLACKWELL, Esqr., Govr.

Wm. Clark,	Peter Alrichs,	Barth Coppock,
Luke Watson,	John D'Haes,	Jos. Growden,
Jno Hill,	Wm. Stockdale,	Wm. Yardly,
Griff. Jones,	Jno Symcock,	Wm. Markham Sec.
Jno Curtis,	Jno Bristow,	

The Govr directed y^e Secre to read the Entryes of the last day's proceedings. They were read.

The Governor acquainted the board that he hoped they were come prepared for the Consideration & further debate about preparing Bills adjourned to this time; But withall, that he thought meet to acquaint

them That he had this morning received a printed paper, (called the frame of the Governmt. of this Province, &c.,) brought unto him by the Secretary who said he had it from Wm. Clark, a member of this board, and that he had it from Jos. Growdon; who being present, the Governr desired to know of him how he came by it.

Jos. Growdon answered, Wm. Clark had a little book of me.

The Governr asked him again how he came by it, & tould him, It was a high presumption in any man, especially a member of that board, to promote the publishing of any paper of such concerne without direction, Especially for that it was false in so fundamentall a poynt as that was, and that unlesse he could cleare himselfe he was liable to Censure.

Growdon answered, If there were any error it was in the printing of it.

The Governr asked Wm. Clark whether he had Received it from Jos. Growdon. He answered he had, & that he askd him 6d for it, & tould him it cost him 2sh for printing, & that he offered him 6 more for 18d.

The Governr asked Growdon who printed it. He answered he did not know. The Governor askd him whether he had ordered the printing of it.

He answered: He was not bound to accuse himselfe.

Being asked when he gave it out to be printed. He answered He supposed that what was printed Was printed before yesterday, and he did not think he was bound to answer any further about it. He did not intend any hurt in what he had done in giving out some of the papers.

The Governr having askd him if he had any thing more to say, He was silent. He then directed him to withdraw, whilst y^e Councill should consider what to do in it.

He sayd, He did not think fitt to withdraw.

The Governr proposed it to y^e Councill to declare their opinions whether he ought not to withdraw whilst it was debated. They being silent,

The Governr adjourned the Councill till 2. of y^e Clock in the after-noone.

POST MERIDIEM.

The same members present, & Samll Carpenter.

The Governr sayd He should take up the businesse of Jos. Growdon publishing the printed paper produced in the morning, For that he looked upon it as being of a dangerous nature (in the present Condition of our affayrs, and distractions the Countrey were in) to have such a paper published; not only for that was it false, But for that the Proprietor had declared himselfe against the using of the printing presse; and Especially for that there seemed to him to be severall things therein conteyned which though they might be fit for the people of this Province to know, (and that they might do by having Resort to the Keeper's where it was lodged,) but would be of ill consequence to be Known to others, and possibly might bring the Pro-

prietor's title in question, &c., and therefore declared He Expected That Jos. Growdon should withdraw, whilst they gave their sense about it.

Jno Symcock declared he was not satisfied that it was any prejudice to y^e Contrey, for that y^e Govern had sayd He would have the Children taught it.

The Governor Replyed : are you not satisfied That Growdon should withdraw till it be debated.

Growdon himselfe sayd. He did not think fit to withdraw to be judged behinde his back.

John Eckley came in the Councill Roome, and sayd he was come to offer himselfe to y^e board to do his duty. The Govern tould him they were at present on another consideration, & desired him to withdraw till that was over.

Jos. Growdon demanded That all the members of the Councill might be admitted before they proceeded any further.

The Govern tould them they were all present Except Tho. Lloyd, who stood charged with so high Crimes, offences & misdemeanors, as he could not think fitt to admitt him till he had answered to them, wch he found them unwilling to bring him to a tryall upon, and Samll Richardson, who was Excluded for great contempt of the Proprietor's & Governrs authority : Only John Eckley, whose Elections they had voted illegall.

Whereupon Wm. Yardley declared, Except we may have our members wch were duly & according to charter Elected, & intrusted by y^e people for the service of y^e Contrey, admitted to sitt with us for the service that is Expected by them that chose them, desired we may be dismist rather than to sitt here.

The Govern sayd he knew of none kept out That are duly Elected, unlesse (as he had sayd before) such as are under a charge & Sentence of this board of misdemeanor.

Jno Hill said : That he observed since he had been at Councill, there had been many obstructions in our debates for making Laws; that we could not proceed. I desire we may be dismist, & think it best the Govern chose his owne Councill : we cannot agree.

Jno D'Haes sayd : For my part I was chosen by the Contrey, and I see no business cane be done but by quarrelling at every thing : So that we are all hindered from doing any thing : I desire we may be dismist & not required to stay longer : we can do no good.

Samll Carpenter sayd : As to that man that appeared last, (viz : Jno Eckley,) I hope thou hast nothing against him nor his Election. If thou hast, I desire to know what thou hast. I desire he may be admitted to take his place.

Joseph Growdon sayd the Ballot was to decide doubtfull questions.

Griff Jones sayd there were such disorders at the Election as he never saw before. We desired the Poll and Ballot, and appealed whether there were not many persons present that were inhabitants of Chester Countey, and that came out of Jarsey, which by the Poll or Ballot we should have known whether they had right or not to elect, & could not otherwise be determined.

I did as much as in me lay to have it done by the Ballot, as the Charter directed, &c. But I am sure we spent our owne time & money, & the Country's, in hopes of having laws, but we cannot hitt it; we are hindred from doing any thing; therefore, I think it is best for every one of us to go about our businesse. We do but Exasperate & provoke one another, and beget heats & animosities, to the hurt of the Governmt.

Jno Symcock said: as to the writ that went out for the Election of John Eckley, If I mistake not there were some things in it as that They should either make a new Election or stand to their firste hoyse; and if so, thou mayest be satisfied.

The Govrr Replied he did not remember any such thing; But should be as glad as any man to finde there were a doore open to admitt him, for he looked upon him as a very worthy person. But he thought it was otherwise.

The Goverr desired the Entry of the writt might be read.

Whilst that was sent for in order to the Reading of it, Wm. Stockdale said He wondered that the Ballotting box should in some Cases be so much cryed up & at other times denyed, wherein our priviledges & libertyes are much concerned.

The Goverr said: I will answer for my denyall thereof in such cases wherein I have not thought it necessary to use it. But (added) I see there is such a ffaction made amongst you of this board, That I cannot answer it to trust the affayrs of the Governmt comitted to me, unto such a Clandestine decision; For I see how you are influenced, many of you, &c. But besides, I am assured It has not been used in like cases before my coming at this board.

The Secretary produced the Entry of the writt of Election of Jno Eckley, &c., wch was Read; which is as followeth, vitz:

JOHN BLACKWELL, Esqr., Governr of the Province of Pennsylvania & Countyes annexed, Under the Honble William Penn, Lord Proprietor and Chief Governor of the same, & His Heirs.

To John Claypoole, High Sheriff of the County of Philadelphia, sendeth Greeting:—

Wheras, it has appeared to y^e Provinciall Councill, by your return of Elections made the Eleventh day of the first month, commonly called March, bearing date the 29th day of the first month, 1689, That a great number of Persons having mett in Philadelphia for the Election of one person for a member of Provinciall Councill, and six for assembly, amongst which were about 50 or 60 persons of the Township of Haverford & Radnor, &c., who were supposed not to belong to the County of Philadelphia; Yett they then gave their Vote by Ballott, with y^e Freeman of the sayd County; Whereupon the sayd Election was by the sayd Councill resolved not to be a good Election, according to the Charter and rules in that behalfe, although they could not but approve of the sayd Jno Eckley as a worthy and fitt person: And whereas, Samll Richardson, a late member of the sayd Provll Councill, through his great misdemeanor, as well towards the Honble Proprietor, in contemning & denying his authority, as towards the present Goverr under him and his Heirs, Insolently denying him

to be Governr, and that the Proprietor could not make a Governr and other wrath full and outrageous words, deportmt & carriage of his, in view of the Councill sitting for mannagmt of the affayrs of the Governmt, wch occasioned the Vote and resolve following to be past against him on the 25th day of the last 12th month, vizt: that the words & Carriage of the sayd Samll Richardson were unworthy and unbecoming a member of y^e Councill to the Governr, and that he ought to acknowledge his offence and promise more respect and heed for the future, before he be allowed to sitt againe in Councill: and wheras, he, the sayd Samll Richardson, persisting in his obstinacy, hath not to this day either acknowledged his sayd offences, or promised more respect or heed for the future, but declared himself, he cared not whether ever he satt there more again: And wheras there is a present need of the full number of members to serve for provinll Councill, as by Charter is required for preparing bills to be past into Laws, and other Weighty matters:

These are therefore by his Majtys authority, and in the name of the Honble Lord Proprietor and Cheif Governor, to will and require you to give as Speedy and timely notice as may be to the Freemen Inhabitants within your County capable of Electing, That they meet at the usuall place of meeting for such purposes, on the eighth day of this instant month, comonly Called Aprill, between the hours of nine & Eleven, then and there to Elect and Choose from amongst themselves Two persons, of whom they have had experience for their approved fidelity, Virtue, Wisdom, Ability and Peaceable demeanor, to serve in the sayd Provll Councill, Vizt.: either by confirming the sayd Jno Eckley, or choosing some other whom they shall think fitt in his stead, for the terme of Three years; and whom else they shall think fittest to serve in the stead of y^e sayd Samll Richardson, for the remaining Space of two years of the three for which he was Chosen; and that you make due returne thereof to the Govrr & Provll Councill, for which this shall be your Warrant. Given at Philadelphia, the 2d day of the Second month, in the 5th year of the Reign of King James the Second of England, &c., and ninth of the Proprietor's Governmt in and over this Province, &c., anno Dom. 1689.

The Governr Declared He was sorry It did not answer Jno Symcock's Expectation, for he did not finde, That they were directed to confirme Jno Eckley otherwise than in the usuall way directed by the Charter for Election by the Ballot, which had been demanded, but the disorder of the people would not permit it.

Wm Clark sayd: He did not see that necessity of the Ballot for Jno. Eckley, but to have a free vote for his confirming, and thought he might be admitted for any thing that he did understand.

John Bristow desired to know whether the Sheriffe had made any Returne of it or no, & desired the Returne might be read if it were made.

The Sheriffe's Returne was read by the Secretary, wch is as followeth, vizt.:

To the Honble JOHN BLACKWELL, Esqr., Governr of the Pro-

vince of Pennsylvania and Countyes annexed, and Provinceall Council, &c.

According to a Warrant from y^e sayd Honble Goveerr, to me directed, the Ffreemen of this County mett at y^e time and place therein Specified, and a method being proposed, they did declare that at that time they were not willing to vote by ballott, and then nominating Jno. Eckley, they did by Majr Vote confirm him to be their representative in Council for the term of Three years; and afterwards putting up Samll Richardson, they did by Majr Vote Elect him for the remaining time he was to have served, and likewise declared their willingness to Confirm the former Choice of members for Assembly. In Witness wherof, I have hereunto sett my hand and Seal, the Eighth day of the Second month, in the fifth year of the King's Reign, & ninth of the Lord Proprietor's Governmt., Anno Dom. 1689.

JOHN CLAYPOOLE, Sheriff.

John Bristow observed upon it, That the writt was satisfied by that returne; For it was a confirming John Eckley, as was directed by the writt.

Wm. Yardly said: My opinion is, That the Returne of the Sheriffe is that the people have confirmrd that Election that was before, and so has answered the writt, and that he has right to come & take his place.

Bath. Coppock declared: He was of the same opinion with the member that spake last.

Wm Stockdale said: I do also agree with what the last member sayd. Samll Carpenter said: The use of the Ballot is where there is doubt. Here it was apparent, & therefore I think it is as well every whitt in this case.

The Goveerr said: The former Election has been allready determined not to be a good Election, and therefore that cannot be insisted upon.

John Curtis said: I think it was a very fayre Election. In other places we are generally chosen by the Vote: and I think where they are unanimous, there needs no controvercy.

The Ballotting box is not used in any other place but this County. We are Electd by Vote.

Griff. Jones answered That was a mistake, for it is used at upland & in all the Lower Countyes, by black & white beanes put into a hatt, wch is a ballotting in his sense, & cannot be denyed by the Charter, where it is demanded.

The Goveerr said I take it to be so agreed by the Charter that the Election shall be by y^e ballot, and am sorry it was not so done in this County upon this occasion, where they had alwayes heretofore insisted upon it as their Right. But I do not yett see how it can be allowed that Jno. Eckley should sitt.

Samll Carpenter said: I look upon it that we are judges of Our members, otherwise we may be Refused or turned out at pleasure. We are abused.

The Govern desired him to Explaine himselfe by whom they were abused. His answer was as dark as his former Expression ; and so was past over.

Wm. Clark sayd : a great deale of time hath been spent & little or nothing done. We mett as a legislative Councill in order to preparing lawes, But we are not yet gotten to the begining of that ; and I do not see we are like to make any progresse in it. One thing or other does happen amongst ourselves to put a Stop to our procedure, and now the time is so farr spent that I think we shall not have time to go on with it if there were no objections in the way. We have sate already longer than we used to do on this occasion, and for as much as we are not like to do any thing, I desire we may be dismiss to our private Concernes.

Griff. Jones sayd : I have once already, & I doe againe desire, if we cannot go on to make Laws for the Province & Countyes annexed, & people therof, & that without interruption, That we may have liberty to go about our businesse.

Peter Alrich sayd : I desire we may be dismiss & go about our businesse ; things standing as they do, that we cannot be suffered to proceed.

Wm. Stockdale sayd : I desire we may have our members for carrying on what lyes before us, as we ought to do, &c.

Wm. Markham sayd : He thought it was necessary the Councill should be dismiss ; he saw no service they like to do, & that it was too late now to begin to prepare lawes seasonably.

Jno Symcock sayd : A dismissee might be acceptable enough to most or all of us, but we are obliged to do some service for wch we came, and to that end we have mostly all along desired to have our members. I desire that what of our time remayns we may endeavor to spend it to the purpose intended.

The Gover sayd : I am sorry we have beene renderd thus indisposed thereto by Councils from abroad. I have frequently given you the grounds of my not agreeing with you, as to the bringing in the three members you would have. I have a Conscience to be Exercised, & a duty incumbent in discharge of my trust, as well as any of you, and I conceive it lyes with more weight upon me if I suffer a miscarriage in these Councils. But I have sayd what was on my thought to say as there has been occasion ; and since it appears to me, That we are hinderd on that pretence from proceeding any further, I think fitt (according to the advices of many of you) to adjourne this meeting of Councill on the Legislative account, till further occasion ; Expecting you do agree amongst yourselves who shall attend the ordinary meetings of this board, on each 2d & 5th days of Every week, as was formerly agreed ; and that you fayle not of your attendance accordingly.

The Govern Adjourned till the 2d day of the next week.

Entry of the names of the members of Provll Councill who were attending in the towne of Philadelphia, on the severall dayes appoynted for holding Councils by the Governor, Vizt :

There wanting two members to make up a full Legislative Council, The Council fell into a free discourse amongst themselves about y^e Expediency of Letting the Laws drop or fall, and some things touching the administration of y^e Governmt untill other Laws should be made, or directions should come from y^e Proprietor, &c., out of England. But nothing was concluded, Only To adjourne till 5 of y^e Clock in y^e evening.

At a Council at the Governor's Lodging In Philadelphia, y^e 11th of y^e 3d Mo., 1689.

PRESENT :

JOHN BLACKWELL, Esqr., Govr.

John Symcock,	Wm. Stockdale,	Jno. Hill,
Wm. Clark,	Jos. Growdon,	Wm. Yardly,
Samll Carpenter,	Luke Watson,	Wm. Markham, Secre.
Barth. Coppock,	Jno. Curtis,	

The Govr acquainted the Council That yesterday, towards evening, two of y^e members of y^e Assembly had signified to him That y^e assembly was mett, and that they had sent them to acquaint y^e Govr and Council therewith, and that they had something to say to them. The Govr proposed that y^e Council would Consider whether they could appoint a Comittee, or do any thing as a Genall assembly untill the Council were at least 12.

The opinion was they could not; and it was thereupon ordered.

That John Bristow should be written to by the Secretary to appeare to give his Attendance in Council by 9 of y^e Clock y^e 13th instant.

Likewise ordered, That y^e members of New Castle be written to, to give their attendance in Council at y^e same time.

The Govr proposed to y^e Council, That if he thought The freeholders of y^e County of Philadelphia were yet disposed unto a more peaceable frame than at their last meeting, he should be glad to issue a writt for Election of two persons, as had formerly been done; but none gave any advice therein.

Nich. Walne & Edmd Bennet came from y^e assembly, & said they were sent to acquaint the Govr & Council That they were mett, & desired to know whether y^e Govr & Council were mett, & were ready to heare what they had to say.

The Govr desired them to withdraw till they could Consider what answer to give.

It haveing been considered, They were called in, and Desired to let the Assembly know That they wanted one of y^e number of ye Council to make a Genll Assembly; But had sent & would use what endeavors they could to have a full Council against y^e second day of y^e next week, at 9 of y^e Clock in y^e forenoon, wch was agreed, Nimine Contradicente, upon y^e Question put.

The petition of James Walliams was read, & all ye papers by him presented touching y^e proceedings had at y^e County Court of New Castle, upon y^e Seizure made by y^e Said Walliams of severall goods Imported into this Province by Peter Godefroy & Aliens, contrary to y^e Law of England, for the better incouragement of Navigation, &c. And upon y^e Reading & Consideration thereof by the Govr & Council, It was Ordered that a Speell Comission should be issued by the Govr to 3 persons, or any two of them, for the hearing & determining that matter, both as to the Seizure, forfeiture & qualification, of y^e Persons importing the goods in question.

That the Comrs doe sitt in Philadelphia y^e 21th of this month :

And that y^e Secretary give notice to y^e Playntiff, Deft, & all persons concerned who shall be named by either of them, that they be in readiness to attend y^e said hearing & for giving evidence therein as the Case shall require; all wch was agreed, Nemine Contradicente. The Govr nominated Wm. Markham, John Symcock & Wm. Clark, or any two of them: some of them desireing to be Excused, the Govr sayd he woud settle that as he should think fitt, when ye Comission was ready.

Adjourned till y^e next Second day of y^e Week, at ten of the Clock to this place.

At a meeting of the Councill at y^e Govers Lodging at Philadelphia y^e 14th of y^e 3d month, 1689.

PRESENT:

JOHN BLACKWELL, Esq., Govr.

Jno. Symcock,	Barth. Coppock,	Jno. Curtis,
Wm. Clark,	Wm. Stockdale,	Jno. Hill,
Jos. Growdon,	Wm. Yardley,	Luke Watson,
Jno. Bristow,	Samll Carpenter,	Wm. Markham, Secre.

The Govr caused y^e Entryes of y^e two last dayes proceedings in Councill to be reade.

The Govr acquainted y^e Councill, That the Assembly haveing sent, desireing they might have notice of y^e Councill's meeting, they haveing some things to impart to them; and That he, y^e Govr, had some thing also to say to y^e Assembly touching the Lapse or falling of the Laws, desired they might be sent unto.

John Symcock & Joseph Growdon were sent for that purpose. They returned & brought word they had been with y^e Assembly, and that they said they would be with y^e Govr & Councill within half an hower.

In y^e meantime, Peter Gronendik's petition was Read: And it was agreed a New Commission for the Peace and County Court of Kent should be issued. The Govr also took y^e Names of divers persons recommended to him by y^e members of Councill to be Coroners for y^e Respective Countyes, & directed Comissions should be prepared.

The Assembly came; and after some pawse y^e Govr spake to them according to y^e tenor of y^e words following, viz:

PHILADELPHIA, 14th of y^e 3d month, 1689.

Worthy Friends and Gent.—

This being y^e first opportunity of your appearing together in this Assembly since my arrivall, I hold it necessary in a few words to inform you of my errand amongst you.

Having received a Commission from the Honble William Penn (the true and absolute Proprietary & Chief Govr) for y^e Governmt of this Province & Counteyes annexed, under him & his heirs, I undertook y^e journey from Boston in New England, hither, about the latter end of y^e last ninth month, and upon my arrivall presented myselfe to those whom I found in authority, giving them a view of my Comis-

sion; (who voted their acquiescing therewith,) and being thereby referred (for my instructions & guidance) to their Comissions, & such instructions as y^e Proprietor had formerly given them, and y^e Laws of this Province which he had past, I requested a view of them; and thenceforth made it my study to become instructed in my duty by them, and have accordingly acted to y^e best of my understanding. But, It has been my great unhappiness to meet with unexpected opposition therin.

Gent., I shall not apologize for myself further than by telling you :

1. That I Sought not to Rule over you ; It was from y^e meere good will & pleasure of y^e Honble Proprietor, (my worthy friend,) and I hoped it would have ended before this time.

2. That Being Resolved of undertaking it for a time, I also designed to do it with all imaginable respect to him & yourselves.

3. That I have endeavored so to demean myself therin as I doubt not (when my master shall receive the acct of what has past since my arrivall) it will be sufficiently evidenced, That I have acted according to my Commission & instructions from him.

4. That in Expectation of his arrivall, (wch God grant suddainly, if it be his will,) I shall wayt for my vindication against y^e malevolencye of my opposers.

I suppose you have been formerly acquainted with y^e reasons & necessity of y^e Proprietor's absenting himself so long from you, as till the late Revolutions in England. He hath frequently evidenced his strong desire above all things to be restored to you.

What hath hinderd of late we have from divers Reports of things transacted in England, wch require we should wayt for their being renderd more certaine; and in the mean time strive in our prayers, That the Lord who Govrs this universe will do it in wisdom and Good will towards all his suffering people, and ourselves in pticular.

I suppose, Gent., You expected some bills should have been sent downe to you from y^e Provll Councill, for y^e Consideration before your coming up & passing them into Laws at this meeting.

Divers reasons may be given why none were. I shall acquaint you with some of them, Vizt :

1. The Honble Proprietor (for reasons known to himself) hath given possitive directions for letting all the Laws drop or fall, Except the fundamentalls. And afterwards, for calling together the Legislative authority to passe such of them, or others, as they should think fitt, for the future: (wch is my full intention to do.)

2. The Honble Proprietor being by his patent from the King, authorized by himselfe & his heirs, &c., (with consent of y^e freemen,) to make, and (under his seale) to publish necessary Laws for y^e good of the people; (wch had never been done, with all requisit circumstances, whilst himself was here, and without wch I much doubt whether what were past, or should hereafter be past, have that due sanction or establishmt wch Laws require;) and finding the Great Seale, under which they should passe, was not to be had, (the Keeper therof refusing to allow the use of it in any cases, by my

direction,) I therefore looked upon it as labour in vayne now to attempt it.

3. The present posture & alteration of affayres in Engld, The uncertainty touching y^e Condition of y^e Proprietor himself and his power; and y^e fears of what danger might ensue, as well to him as to our selves, in passing & confirming laws of such a nature as would have been approved of in this conjuncture of affayres, forbad it.

4. The animosities and dis-sentions wch were here amongst you before I came, and have been lately Revived amongst the members of y^e Provll Councill, by y^e indeavor of some; as to their proceedings in yt service hindred their agreemt in Councill as to doing any thing, In so much as I was constrayned for Love & peace sake, upon that and y^e other foregoing considerations, to dismissee them from further attendance on yt account.

5. An expedient occur'd to me of Lesse danger to us all, Vitz: That I being by my Comission as aforesd, Referd for my Rule & instruction to y^e Laws then in being, & wch had been (as well by the Proprietor as y^e people,) approved & owned as such whilst he was amongst you here, and observing yt he had Reserved y^e Confirmation & disannulling of what Laws should be made in his absence to himself, so that if any were or should be proposed, they could not take effect among us as laws till his pleasure should be therin declared, I came to a Resolution within myself, of observing them in y^e Course of my Governmt as so many Rules & instructions given me by my Master, (as farr as I should finde or judge them not contrary to y^e Laws of Engld,) and of supplying y^e defect or want in yr Laws by y^e Laws of England, wch I believe will be most gratefull to Our Superiors in England, Especially at this time; and will be as usefull amongst ourselves; there being no other way (occurring to my understanding) whereby you may receive y^e benefit of them. And in this purpose I remayne Steady, (Unless you shall otherwise advise, (untill by better information out of Engld we shall be led out of these State-meanders.

Gent., I assure you that I will (as farr as I judge I may wth a good conscience) manage myself in Governing you agreeably to yr Charter from y^e Proprietor, & the Rules & instructions of your Laws; (if I may be suffered to do;) and where they are defective, according to y^e Kings Letters Pattents, having a due regard to your Principles, (as I am instructed by my Master,) till God shall be pleased otherwise to direct & cleare our way to us all; whose duty it is (as becomes Christians) in all things to attend & readily comply with his will. I say I will (as farr as I judge I may with a good conscience) so manage mysef in Governing you, &c.

Then Gent. Let reason & not passion or prejudice, (through any mis informations,) influence you. I pray God direct us all therin; That we may in this our day, know the things that make for our peace; Least they be hidden from our eyes and wee (too late) Repent & say, we were advised but understood it not.

I assure you nothing shall be wanting on my part, wherein I may justify a compliance with any thing you shall reasonably desire.

But I expect y^e same Liberty & exercise of my judgmt & conscience as you do. I am sure you will Expect no more from me, for I take it for granted, this is a fundamentall Rule with every one of you, To do to others as you would they should do to you. When I sayle to walk according to this Rule, My Master will not let me be any longer yr Governor.

Gent. I will only adde this, That as soon as we have certayne intelligence from Engld I will advertize you; and (if the Councill shall so advise) will call you together, in order to your being as early in bespeaking the Countenance of y^e Authority over us, to indulge us in our differences from others, as may be expedient, and will cordially joyn with you therin, if you shall desire it, That you may have as large privileges & exemptions as shall be judged reasonable to desire.

Now if these things I have sayd will not please you, I can say no more; but Go on and prosper in your owne Sentiments, and if you suffer by so doing, I shall be sorry your breach fell out in the time of my Government over you. But The will of God be done, with which I end at this time.

Arthur Cook, in y^e name of y^e Assembly, desired a copy of y^e Govrs Speech. He granted it them.

Arthur Cooke made a Speech, and afterwards offerd a paper, directed to y^e Govr & Provll Councill, sitting at Philadelphia y^e 14th of the 8d month, 1689, which was Read, but nothing Resolved on about it; it conteyning some of the heads of things discoursed between y^e Govr & him before.

The Govr desired a Copy of y^e sayd Arth. Cook's Speech might be given to him in writing; which was Promised by y^e sayd Arth. Cook.

Arth Cook moved a Committee of y^e Councill might be appoynted to conferre with. The Govr answered he found no cause for it from the Charter, there being no laws to be conferrd about. But sayd himselfe would be alwayes ready with the Councill, (if he could get the Councill to attend,) wch he declared would be as well.

The Govr proposed an adjournmt of y^e Councill till to morrow morning, 9 of y^e Clock. Severall of y^e members desired it might be held at y^e place called y^e Councill Roome. The Govr answered it was to strayte & close for him this hott weather, That it was not large enough to receive y^e Assembly. That therefore, he should continue his resolution of adjourning to y^e same place. Some intemperate Speeches past from some about it, intimating as if they had a joynt power in appoynting the place. One asked him by what authority he took it upon himselfe. He replyed by virtue of his Comission from y^e Proprietor & the Charter & lawes, wch required the members of y^e Councill should attend him & not he them. Another affirming the Govr dealt not fayrly with them, &c. wch he reprovved, saying he was sorry he understood no better; and adjourned accordingly to y^e same place to morrow morning, the 15th of this 3d month, 1689.

At a meeting of y^e Councill at the Govrs Lodging at Philadelphia the 17th of the 3d Mo., 1689.

PRESENT :

JOHN BLACKWELL, Esqr., Govr.

Luke Watson,	John Hill,	Wm. Stockdale,
Samll Carpenter,	Jos. Growdon,	Jno Curtis,
John Symcock,	Wm. Clark,	John Bristow,
Barth Coppock,	Wm. Yardley,	Wm. Markham, Secre.

The Entry of the Last Councill's proceedings were Read.

The Goverr acquainted the Councill That y^e end proposed for meeting at this time was, That if that wch he had formerly mentioned to them touching the issuing of some Declaration for y^e Continuing y^e Laws formerly past by the Propor to be of y^e same force as now they are, & for acting accordingly in all administrations & Courts of Justice, untill we should hear from England, might be allowed for an Expedient as touching y^e dropping or falling of y^e Laws, he should be willing, upon their advice, to concur therein.

Mr Markham declared his readinesse to give his hand to it.

John Symcock said, while y^e Laws are in power there is no neede for that.

Wm. Clark. It is a Question with some, & also with mysele, that it may not be safe for y^e Justices to act by these Lawes after the Assembly is broke up & y^e 20 days expired ; So that if this method should be taken, there may not be magistrates found to keep the peace of y^e Governmt. It would seeme to be a scruple to me to act after y^e 20 days are expired, after y^e Assembly is broken up, for if after there came an alteration of y^e Governmt, those persons yt finde themselves agrieved may bring us into Question for our actions when we had noe Lawes for it, or but pretended Lawes.

John Symcock. The Question may be whether y^e way of a Declaration propounded by y^e Govr can make it safe to act upon y^e Laws.

Govr. Such actings, though not in all poynts justifiable, yet being necessary untill Laws can be duly past : (wch cannot be without the Propors confirmation :) an act of indemnity & confirmation of all judiciall proceedings in Courts need not be doubted ; Governmt bein necessary.

Jos. Growdon. It is supposed that y^e Laws formerly made were good before y^e Govr had confirmed them : and we suppose the Laws are in force as they are, if we will consent to y^e adjournmt of y^e Assembly ; therefore, 'tis my opinion, That y^e Govr & Councill consent to y^e Assemblies adjournmt. If we go in any other way we had as good do nothing ; possibly we may never be indemnified. Concerning y^e Dropping of them we should be ready to acquiesce in any thing y^e Govr Comends ; But if he do put any thing yt we cannot concur in, we hope we shall be Excused.

John Hill : If a bill or declaration were prepared for allowing all y^e Laws past by Mr. Penn till further order, it may be as sufficient.

Wm. Clark : nothing we can do till Govr Penn shall approve them can give life to them.

Wm. Markham. I cannot conceive why we are so fond of these laws. If they be not confirmed we must be governed by y^e Laws of England, wch are agreeable to y^e Common law & are but Explanations of that; & what are our Laws more than declarative of that.

Wm. Stockdale. The Assembly may adjourne themselves. It is my Judgmt y^e Laws may thereby be preserved as they are, & that so we may act safelyer by them than if they were Lett drop & confirmed by a declaration.

Samll Carpenter was of y^e same minde.

The Govr sayd, That y^e adjourning of y^e Assembly by their owne act does not seem to him to be any way countenanced, either by y^e Charter or his Comission or instructions, or y^e Laws of this Province. But for as much as by his Comission & instructions y^e Laws were appoynted to be his rule of his Governmt, he was satisfied to Joyne in a declaration for the administering justice according to them & their being of like force as now they are till they should heare further from England, as he had declared in his Speech to y^e Assembly; and doubted not but y^e Proprietor would approve therof, & that if it were an Error, he would passe an act of Indemnity, as was usuall in such imergencies; and that therfore, if they could not consent thereto, or finde some other way, he must end that debate: he judged y^e continued sitting or adjourning of y^e Assembly to be of dangerous president & consequence.

John Bristow. My opinion is, that for as much as y^e Laws have been all along uncertaine of y^e assurance & strength requisit, yet all along have been practiced & the people governd by them; in as much as it falls out that after 20 dayes they are voyd, I think it necessary & convenient yt y^e Govr & Councill & assembly Joyne together to issue a declaration to y^e Magistrates, that those Laws that have been made & confirmed from y^e begining, & practiced, shall still continue & be in force till there be further order from y^e Proprietor.

The Gover sayd: He has spoaken my minde, & I am ready to do it, or any thing else that I can be advised, wherin I can pursue my instructions.

Luke Watson. These Laws, after 20 dayes, are no laws, & we can give them no force, but they must of necessity fall, & we must be governd by y^e Laws of England at present.

John Curtis. The Continuance of y^e Assembly gives life & keeps life to them, wheras after y^e rising of y^e Assembly they must of necessity drop, & all y^e Laws & ordinances that can be made will signify nothing, but we must flye to y^e Laws of England, & it will come upon us to be sure.

Barth. Coppock. I cannot understand That we can act safely under any things but under y^e Law; not under any ordinance or declaration, if they drop or fall, because they have not that publication which the Laws by y^e Charter ought to have.

Jno. Hill. I do not think y^e Assembly can be adjourned, but yt we may have recourse to the Laws of England in matters to prserve y^e Peace.

Jno. Bristow. This time 2 years, upon a neare like occasion,

Orders were sent to y^e Justices, &c., & I conceive we may do y^e same now.

Wm. Clark, By way of accomodation, proposed That we might agree upon some Instrumt or declaraon to impower y^e Magistrates to act by y^e Laws that are now in being, & that it be left to y^e discretion of y^e ministers of Justice where they see cause to act by y^e Laws of England, & not to be tyed up wholly to the one or y^e other.

The Governr & severall of the Members declared, that would leave things at great uncertainty, so that neither the people nor y^e Magistrates would know what to do.

The Petition of y^e Inhabitants on Brandiwine River or Creek, against y^e damn made upon y^e Creek, wch hinder y^e fish passing up, to y^e great damage of y^e inhabitants, was read; and upon debate, it was thought fitt a time should be sett for giving notice to them yt were concerned on both parts, that they should make good y^e Petition & they should be heard; but y^e time was not agreed.

Adjourned till y^e 2d day next week, between 9 & ten of y^e clock at y^e same place.

At a Councill at the Governrs Lodging at Philadelphia y^e 20th 3d Mo., 1689.

Wm. Stockdale,

The Secretary not being present, y^e Entry of y^e Last Councill's proceedings were not read.

Joseph Growdon acquainted y^e Govr That there were some members of y^e Assembly attending from them.

They being called in, acquainted y^e Govr & Councill That they were sent from y^e Assembly wth y^e paper wch they had formerly presented unsigned, wch was now signed by y^e Speaker.

The Govr asked them when they were sent with it.

One of them answered : It was signed presently after it was returned to them, and that they had attended to have delivered it, but y^e Councill was not sitting.

The Govr told him That was not an answer to his Question, for he sayd he heard there was no Assembly sitting these two or three dayes past, and if So, he knew no use could be made of it, at this board. Wherupon they presented another paper, touching John White's being imprisoned, being a member of the Assembly, & took upon them to desire their griveances might be Redressed, one of them saying, They were abused in that the members of Provll Councill were not sufferd to sitt.

The Governor told him, That none were hindred who had been duly Returned as duly Elected, save one who was charged with very

high Crimes & misdemeanors, wch renderd him uncapable, and tould him That Expression was unfitt to be used before him. Also, that they were not judges of y^e Councill's proceedings or members, nor could they receive any informacons. Himselfe & the Councill together were the Sole judges.

He Replyed, Then they must flee to their old Charter, &c., for this was not according to what was promised them by y^e Governor in England; and they would maintayne their libertyes as English men, &c.

Upon wch y^e Goverr bade them take their papers back to them who sent them, for it was not fit for him to Countenance such proceedings as would probably subvert y^e Governmt & turne all things into Confusion. He was appointed to Governe them by y^e Charter, & Laws made therupon, & was resolved to Execute his office accordingly.

Joseph Growdon, a member of y^e Councill, bade them not to take y^e papers back. Upon which,

The Goverr took them & put them into his pocket, till he could be more certainly advertised whether the Assembly were in being or not, and dismiss them. They being gone, Joseph Growdon, (whispering of Wm. Yardley, and takeing that Liberty in Councill to go from one to another, out of his place, for that purpose,) Wm. Yardley stood up in his place, & sayd: It appears to me there was an Assembly; and for as much as we are a people that are of meane education, sometimes our Speech appears to be very Rude, & memory weake, & therefore, We desire to present some things before thee; and tendered a paper folded up.

The Govr (apprehending there might be something in it of like tendency to what Expressions had past in Councill since y^e coming back of Tho. Lloyd, who he heard had, with some of y^e members of y^e board, beene that forenoone very busy in consultation wth y^e remaining members of y^e Assembly, & had renewed the former dissensions and animosities amonst y^e members of y^e Councill,) was not hasty to receive, nor did think fitt to open that paper at presnt, and whilst they were debating whether to read it or not, the whole designe was made manifest By y^e coming in of Tho. Lloyd, John Eckley & Samll Richardson, (without giving notice of their businesse.)

The Gover therupon stood up and desired to know what their pleasure was.

Tho. Lloyd answered they came to pay y^e Govr their respects & to sitt in Councill, and inlargeing on y^e Subject,

The Govr tould them, He had formerly at severall times declared himself touching yt matter: that they could not be admitted to sitt there till himselfe & y^e Councill were satisfied and had agreed it: and therefore desired they would withdraw & not interrupt y^e present businesse & debates by their Staying in y^e Roome, for he could not admitt a proceeding therin whilst they were present.

Tho. Lloyd persisting in his demand of sitting there, saying he had the Goverrs Letters making him a Councillor, wch was as good as y^e Govrs Comission.

The Govr told him he had never seen any such Letter, nor did he ever think fitt to give him any attested Coppy of it. (if there were any such.) He replied he would let him have it: and pursuing his demands of sitting, & some of y^e members of y^e Councill severally and tumultuously crying out I am for it: & I am for it, &c.,

The Gover declared y^e Councill to be adjourned till y^e next council day, vizt: to y^e fifth day of y^e same week, at nine of y^e Clock, at y^e same place; and Rose up out of his place to depart accordingly; upon wch severall of y^e members of y^e Councill departed. But divers remayned, and a great deal of confused noyse & clamor was Expressed at & without the doore of y^e Govrs roome, where y^e Councill had sate, wch occasioned persons (passing by in the Streets) to Stand still to heare, which y^e Govr observing, desired y^e sayd^r Tho. Lloyd would forbear such Lowd talking, telling him he must not suffer such doings, but would take a course to Suppresse it, & shutt y^e Doore. So he went away, attended wth severall of y^e members of y^e Councill, others staying behinde wth y^e Governor.

At a Meeting of the Councill at the Govrs Lodgeings in Philadelphia y^e 23th of 3d Mo., 1689.

PRESENT:

JOHN BLACKWELL, Esqr., Govr.

Wm. Clark,

Pet. Alrichs,

Barth. Coppock,

Jo. D'Haes,

Griffith Jones,

Wm. Yardley,

John Hill,

Samll Carpenter,

Wm. Markham, Sec.

Luke Watson,

The Govr directed That the Entryes of the proceedings in Councill y^e two Last dayes of their meeting should be read by the Secretary. They were read.

The Govr proposed, That for as much as the Assembly had discontinued their sitting, & were gone, they would take into Consideration the preparing & issuing of some Declaration in the name of the Govr & Councill, as he had severall times moved during their Sitting, for continuing the Laws past by the Propor before his going for England, to be of the same force as now they are, untill we should heare further from thence.

Wm. Clark sayd: What y^e Govr has proposed is very necessary, for it will be of very ill consequence to Lett the Laws wholly fall, & have no laws of our owne to be governed by. Most are Strangers to other Laws; These we are acquainted with. It would therefore be of great service, since we cannot have y^e Assembly's concurrence, that they be passed as the Govr proposes, by a Declaration issued in the name of y^e Govr & Councill.

Wm. Markham. Had we not mett With such interruption as we did, We might have had a body of Laws fitted for us when we first came together as a Legislative Councill for preparing them: But now we have been put into such distractions, as our Laws must continue in the same distracted forme or not at all. But since it is the desire of y^e People yt the Laws should so continue, though the

Propor have directed the Letting of them fall for the p^{re}sent, & afterwards preparing new Laws, I have requested the Govr yt they may be continued with as strong force as may be; and you See the Govr is ready, & only wants yr Consent.

Govr. I have often proposed it, and will proceed in my Governmt according to y^e Rules of y^e Charter, and all the Laws made before the Propor going for England, whether you shall think fitt to passe a Declaration or not, being by my master directed so to do; Save only wheras one of those Laws requires that Comissions for constituting of Provll Courts & Judges should be past under y^e Great Seale, (wch y^e Keeper will not allow,) I shall reserve a Liberty to passe such commissions under y^e Propors Lesser Seale.

John Hill. I agree to what y^e Govr proposes, for acting by the Charter & Laws made, and think it is fit, since the Keeper will not permitt y^e use of y^e great Seale, that they should be past under y^e Lesser Seale, for its necessary yt Provll Judges be appoynted for appeales, &c.

Wm. Yardley. I desire time for further consideration. Though it has beene before us, We have not had yt due consideration, & we have not a full Councill.

Governor. I can not helpe it that y^e members will not give their attendance; they all know of this dayes meeting & yt the Councill was adjourned to this time & place. I know by too sad Experience, what's meant by desireing further time for consideration: 'Tis nothing but time to consult without doores with those yt have allways obstructed our proceedings, as to doing any thing that's good for y^e people. It has been already debated, & every man been suffered to speak his minde at large, & we might have brought it to an issue at last meeting had we not been interrupted as then we were, by y^e coming in of others, &c.

Wm. Clark. We had been heard; and I desire we may not be detain'd any longer. I desire y^e thing may be put into y^e speediest way to give satisfaction to y^e people yt sent us hither.

Samll Carpenter Proposed to Receive a paper.

The Govr Refused it, saying, he would not admitt of any interruption to this debate, till it were over: telling him he had heard it was unduly hatch'd by y^e late President & some of y^e members, with y^e remayning part of y^e Assembly, wch was a course not to be countenanced; It behoved the members of yt board had been present & declared their mindes, & given their assistance in this weighty matter under consideration; and that he had adjourned for that occasion to this time on purpose.

Wm. Markham. I am against making protests one against another. Let us have a friendly debate at y^e board of what's before us for our Consideration.

Wm. Yardley. I am very much for y^e preservation of y^e Laws: and rather than this opportunity shall passe, I am for it.

Samll Carpenter. I think y^e Assembly might be had.

Govr. They have dissolved themselves, wch though it were not Legally done in all usuall circumstances, yet they are thereby become

felones de se, as to their power of present sitting, and y^e G^ov^r declared he did not see any reason to contrive their Sitting on this occasion: they were soe divided amongst themselves as that a very great part of them had protested against their proceedings, & withdrawn as being ashamed of their doings.

Clark, Yardley & Coppock. Leave the thing as it is.

Wm. Markham. I did Scruple y^e thing of confirming y^e Laws by a declaration when first proposed. But some reasons that have since come to my minde, & specially considering we are not making new Laws by it, and for as much as we were disturbed when we were about that, & could not proceed, I am now of another minde. The Assembly could not but have sayed I or no, &c.

The Question about it being called for, was thus Stated and agreed, Vizt: As many as are of opinion That a declaration be prepared agreeable to y^e debates at this board, to be issued in the name of y^e Govr & Provll Councill, for continuing y^e Laws formerly past by the Proprietor, in y^e same force as now they are, untill we shall receive orders out of England about yt matter; & that in y^e meantime, All Officers, (Vizt: Justices, Sheriffes,) &c., be required to act in their Severall Stations & Capacities in all their proceedings & doings, according to y^e Charter & those Laws, wth this Proviso, That y^e Govr may issue Comissions for Provll Judges under y^e Propors Lesser Scale, declare yr consent by standing up in yr severall places. Whereupon all y^e members prsent stood up, Except Samll Carpenter.

The Question being put in y^e negative, The sd Samll Carpenter stood up allone.

The Govr proposed a Committee might be named for drawing up such declaracon, Which was agreed: & That Wm. Markham, Wm. Clark & Wm. Yardley, or any two of them, should be the Committee, and should withdraw: the Councill were Sitting till their returne.

After about an hower's space, the Committee brought in and Reported their draft of a Declaration, signed by all three of them.

The sayd Declaration was three times read, debated & spoken to: some alterations were in the debate proposed & agreed on. And upon y^e Question put, Vizt: As many as are of opinion That this forme of Declaracon brought in by y^e Committee, as now it stands altered, shall be issued, according to the intent of y^e foregoing Resolve, and sent into each County, to be there published as y^e Act of the Govr & Councill, at there respective County Courts or meetings, Declare your assent by standing up in your places. Whereupon they all stood up Except Samll Carpenter.

The Question being put in the negative, The sd Samll Carpenter stood up allone.

Afterwards, The Governor & all y^e members of y^e Councill present (Except Samll Carpenter) signed y^e Sayd Declaration, being about two of y^e Clock afternoone, which is as followeth, Vizt:

A DECLARATION:

By the Governor and Provinciall Councill of the Province of Pennsylvania and Counties thereunto annexed.

Whereas, We have just cause to suspect that some persons have indeavored to suggest and insence y^e minds of the good people of this Government, That the Governor and some of the members of Provinciaall Council have had a designe or intent to subvert and over-terne this frame of Government, and to make voyd the Charter of Liberties and Privileges which the Chief Governor and Proprietor hath been pleased to Grant unto Us and our Successors; and that they have also designed and intended to make voyd y^e Laws of this Government, which have been (at so great trouble, charges and expences of the Proprietor and People) made for the preserving of the King's peace, and y^e mantaining of our Properties and privileges, and so to Rule by an Arbitrary Power; We do therefore think fit to declare, and we do hereby Declare, That We never had any-such thought or intent, But were allways fully Resolved to Keep and preserve the same, as much as in Us Lyes; and should have been very ready to have joyned with the Assembly in the confirming of a Law for that purpose.

And for as much as that hath been obstructed or omitted, We have thought fit to Declare, and We do hereby Declare, That all the Laws past and agreed on by the Proprietor and Chief Governor and Freemen in Provinciaall Council and Assembly, made before the Proprietor's going for England, shall be, Continue, and Remayn in the Same force as now they are, until We shall Receive Orders out of England about or Concerning that matter; With this Proviso: That the Governor may issue out Commissions for Provinciaall Judges, under the Proprietor's Lesser Seale: and That in the meantime, We do hereby Require and Command all Officers of this Province and Countyes annexed, that they, in their severall Stations and places, do Act in all their proceedings and doings according to the Charter and Laws made by the Proprietor and People, as aforesaid, until further Order. Whereupon y^e Governor acquainted the Council he had nothing further to propose to them at pesent; and that, (although he might not dispenche with their Charter-attendance, not knowing what might fall out on a suddaine,) Yet he saw no incuragement to call them together oftener than necessity required, they being grown into such factions as he could Expect little assistance from them: That he

would therefore governe them in all points according to the Charter & Laws, as they had declared, so farre as he might act as Governor without them, until he should heare further from England; and if any urgent occasion required it, he would give them notice thereof. In the meantime adjourned them till further Order.

The Govr having on y^e 16th day of y^e 6th Mo., 1689, recd a letter from Joshua Barkestead, dated Talbut County in Maryland, the 8th of August, 1689, directed y^e Secrety forthwith to issue Orders to the respective Sheriffs to Summon all the Members of y^e Provll Councill to appeare in Councill in Philadelphia y^e 28th day of y^e sd 6th month, 1689, which was done accordingly.

The Petition of Tho. Clifford was againe Read.

The before named members of Chester, vizt: John Symcock, John Bristow, & Barth. Coppock, promised to pay 20s. in part of 6lb. Wm. Clark & John Hill y^e like 20s. for y^e County of Sussex. And upon debate, Ordered yt a Letter be written to y^e Gent. of y^e County of Bucks as from y^e Govr & Councill, desiring them to do as all y^e other Countyes have done, in advanceing each County 20s. on this occasion.

Orded That besides y^e sayd six pounds formerly directed and advanced as afore sayd, there be 40s more, vizt: 3lbs in all, layd on each County at their next Levyes, to be payd to y^e sd Thomas Clifford, in full satisfaction of all his claymes & demands whatsoever, to be returned by y^e respective Sheriff's, & that it be recommended to y^e respective Justices to order and forward the same accordingly.

Agreed nemine Contradicente.

Adjourned till 3 of y^e Clock in y^e afternoone, pr cize.

POST MERIDIEM.

Present the same pesons as in y^e forenoone.

The Govr acquainted y^e Councill, That y^e reason of his calling them together at this time was to minde them that there had been formerly severall Rumours of danger from y^e french & Indians, in conjunction with y^e Papists, for y^e Ruine of the Protestants in these parts, and of y^e alarme formerly given, as if 9 thousand french & Indians were then neare approaching for yt purpose, upon wch y^e Justices & Sheriff's of y^e two Lower Countyes, with y^e people therof, had betaken themselves to arms for their defence; wherof he then gave y^e Councill an account, from y^e Letters he reed out of y^e sd Countyes: as also, of a Letter he had reed from one Capt Le Tort, (a frenchman, living up in the Countrey,) agreeing therewith; which they did not see any reason to give heed unto: And further, to acquaint them yt had lately reed a letter from Mr. Joshua Barkstead, out of Maryland, advertising there was sufficient proof that y^e Papists in Maryland had been tampering with y^e french & Northern Indians, to assist them to cutt off y^e Protestants, or at least to reduce them to y^e See of Rome, &c., which Letter was read in Councill; adding an account thereto of y^e Cruelties and barbarous usage of y^e french Indians upon y^e people of New England; murdering about 100 persons, burning houses, & plundering y^e people of their goods & Cattell, &c., and (using y^e Proverb) that there was no smoak without some fyre. That these things might be Expected to come suddenly upon us, as well as our neighbours. That his Office was to be their watchman, & he durst not conceale the Knowledge of these things. Without acquainting them & receiving their opinions & advices what was fitt to be done therein for their security, and settling the mindes of y^e People, who in some places (pticularly in New Castle,) upon the apprehension of feare from these things, had been very much disquieted & taken themselves to arms, but were quieted by the Justices of that County residing amongst them. He also acquainted them, That divers of the inhabitants of New Castle had declared themselves unsatisfyed That King Wm. had not been proclaymed as in other Countyes, & that y^e same had been signified to him by Mr. John Cann, By whom y^e Govr sayd he had sent them word; he had not reed any orders for y^e doing it, nor did he know in what manner or tearmes it was to be done, having never seen any proclamation for that purpose; and that he feared he might either Exceed or fall short of the titles ought to be given him, which would

(he thought) be treason in either case; That he Expected y^e first ship out of England would bring orders about it, and yt upon receipt therof, he would do as he should be directed. That having called y^e Councill to advise him in these cases, he had nothing else to trouble them about at this time; but if any damage should happen to them for want of what informacord he had recd he knew he was responsible to y^e King & state of England, (to y^e hazard of his life,) if ye Province should be invaded & lost out of his Majtyes Dominions: & Therefore, prayed they would be very Serious & Solemne in giving him their opinions & advices what they thought of these informations, and what they would have him do therin, for that he knew he could do nothing without their assistance, but suffer with them, which he feared was neare at hand, &c.

Wherupon Peter Alrichs gave an historicall accot of y^e proceedings of y^e Mohawks in the yeare 1665, Concluding he did not think they were any great number, or that there was cause to be affrayd of them, &c.

Wm. Clark sayd: he believed some thing might have beene heretofore intended of such a nature as was suggested, but that being frustrated, he believed that designe is wholly dead; neverthelesse, that he thought they were obliged to y^e Govr for signifying these things to them.

John Symcock sayd: he did not see but that we are as Safe, Keeping peaceable, as those that had made all this strive.

Griffith Jones sayd: he saw no cause of danger if we can but Keepe quiet among ourselves.

John Bristow sayd: he saw no need of raysing forces, for he saw no danger; But that he looked upon it as the privilege of the people to have their members psent if there be, (so also sayd John Symcock.) To wch y^e Govr replied he had given order to have all such as were allowed members of y^e Councill to be Summoned; but if they refused to come he could not help it. He must & would be satisfied with y^e opinion & advice of such as were psent.

John Hill sayd: He had spoken with very eminent knowing men, & saw no liklyhood of danger.

Samll Carpenter sayd: he had spoken with two psons that came from Maryland, who did not believe what was talked; that he did not feare any thing from any news we had thence, and yt he was of opinion wth John Bristow, for having all their members present.

Barth. Coppock sayd: the news was new to him, & it did not appeare to him that we are in any danger [at psent] by the Indians, or papists either; and was of the same opinion about having all their members psent.

John Curtis sayd: he had heard a great while of these things, But they signify nothing but a Rumor: as for y^e Indians, they are quiet, & for his owne perticular he had no feare upon him, & that he was of the same opinion about having all their members psent.

Wm. Markham sayd: he apprehended That to speak of danger from y^e Indians would but skare y^e women & children; and that our Constitution will not admitt us to defend ourselves. The only way

is to forbear all thoughts or seeming fears of the knowledge of it; for that will represent us as people frighted, &c., unless we were under such a Constitution of Governmt as to take to armes, to be ready upon occasion if any thing should come. And as touching the businesse of proclaiming the King, it was unanimously agreed that it was not at psent advisable, unlesse we had orders for doing it.

Wherupon y^e Governr gave them thanks for so particularly & freely advising him, & told him he had nothnig further to occasion their stay at psent, unlesse they, or any of them, had any thing to impart from the respective Countyes fitt for psent Consideration. It being Replied by divers that they had not, he adjourned the Councill to meet at New Castle y^e thenth day of y^e next month, about some particulars relating to that County & the adjacent neighborhood.

MEMORANDA. The Governor upon a necessary occasion afterwards, appoynted the meeting of the Councill at New Castle to be on the 17th of September, and accordingly went thither: And by the way, took a view of the Mill & Mill race Erected by Cornelius Empson. (Wherof Complaynd had been made by Petition from several of the inhabitants of Chester County.) But their appearing but five of the members of the Councill, viz:

John Simcock,
John Bristow.

Peter Alrich,
John Deheas,

Wm. Markham, Secretrry,

nothing was done therin.

On the first of October following, Samuell Gillham, master of the Ketch Crane, of Dartmouth, in the Kingdom of England, delivered to y^e Govr a paquet, wth this subscription following, vist:

For his Ma'ties special Service. To William Penn, Esq., Proprietor of their Ma'ties Province of Pennsylvania in America: And in his absence, To the Govr or Comander in Chief of that Province, for the time being in Pensilvania.

4. Wherin was conteyned a Letter bearing date, Whitehall, 13^o April, 1689, signed Shrewsbury. Upon the Receipt & reading wherof, The Govr askd the sayd Gillham If that were all he had, and observed perticularly to him, that there was no Proclamation or Instructions about proclayming their Majestyes; and ordered the same to be publicly read by the Secretary for the satisfaction of the People, who had heard there was such Orders come.

The same day the Govr directed that sumons could be issued for all the members of the Provinciaall Council to appeare at Philadelphia on the first day of Novembr following, in ordr to the imparting the same to them.

The next day the Govr gave the sayd Gillham a Certificate, under his hand, & the Provincial Seale annexed, signifying that he had received the sayd Letter, & should observe the contents therof, and of his proceedings therein give accot to their Ma'ties Principall Secretary of State by the first opportunity of Conveyance.

At a Council held at the Govers Lodgeings in Philadelphia the first day of the ninth month, 1689.

John Hill,		

The Governor caused the Entryes of the Proceedings of the last Councill to be Read.

And acquainted the Councill That the most of what he judged needfull for him to say to them at this time was to the purpose of what he spake then. To which he Referred, the same having been Read ; only Added, That he had Recd from the Principal Secretary of State, by his Ma'ties Comands, a letter, which he caused to be read over, which is of y^e tenor following, vizt :

WHITEHALL, 13 April, 1689.

DUPLICATE.

Sr :—I am by his Ma'ties Comands, to acquaint you that his Maty. being sensible of the great & frequent injuries his subject ayly receive from the french, in apparent violation of the treatyes between the two Crowns and particularly by the assistance that King has lately given, and continues to give his Enemyes in Ireland ; and by the invating his Ma'ties Territoryes in America, and disturbing the trade of his subjects in those parts for severall years last past : His Maty has therefor, directed all necessary Preparations to be made for a speedy warr with the french king, which has occasioned the giving you this notice of it, That you may with all possible diligence take effectual care for the opposing & resisting any attempt of the french upon his Ma'ties Province of Pensilvania ; And that all ships coming from thence, do not sayle hereafter otherwise than in fleets : And you are also to Assure his Maties Subjects in that Province of his Maties Protection, by sending forthwith a considerable squadron of ships into the West Indyes, and other Succours that shall be requisite, not only securing his Maties Plantations in America, but obliging the french to make Reparation for the many unjust & violent proceedings & attempts against his Maties Subjects in those parts.

I am, Sr., yor very humble servant,
SHREWSBURY.

Upon the Reading herof in Councill, The Govr desired their advice, both as to what they thought fit to be done thereupon, and what answer returned to the Secretary of State about it. And that they would be very serious in it, for that the danger was not only now as formerly, suggested by private uncertaine hands, but from the Secretary of state, by his Maties Comands, &c. Mr. Alrichs declared He thought it necessary some thing should be done.

Mr. D'Haes, Desired the Govr would not take ill that he said He would not Act either as a Magistrate in New Castle or here, untill he knows who is King : which he Repeated severall times, adding, It is not safe to act without Proclayming the King.

The Govr told him, He believed that King William & Queen Mary,

The Prince & Princess of Orange, were King & Queen of England, &c. But he had not seen the Proclamation, and so knew not how to Proclayme them, &c.

Mr. D'Haes his opinion (that it was not safe to act without proclayming the King,) occasioned severall others to declare their minds about it, and that the people were earnestly sett upon doing it themselves in some of the Countyes, &c.

The Govr Declared He was as ready and desirous to do it as any body, if he had y^e Proclamation and orders for doing it; but having not, Proposed for their satisfaction who were impatient about it, that a middle way might be considered of, Which he thought might be done by a Declaration of the Govr & Councill, owning their authority, and declaring their readinesse Solemnly to Proclayme them as soon as we should receive orders, or an authentique copy of the Proclamation, which he Expected by the next vessel that should come out of England.

Mr. Symcock said: If a forme of Declaration had been sent to us to have Proclaymed them I think we must have observed it: But in as much as there is no comand sent us by the King of England (who so ever he be, nor from the Secretary, to Proclayme any King here, I think we have no reason to do it. But I would submit my self to better understanding. The case is doubtfull. We are not to believe but to be certain in such matters, &c.

The Govr told them, They had Proclaymed King James without Order.

John Symcock replied: King James was by an Act of Parliamt voted the heir to his brother and so he came in: Now who ever comes in to put him out, Pray let us consider how he comes in: We have an act of Parliament for the one, but not for the other. It my be dangerous for us to do it without an Order.

Mr. Markham said: How the King came in, We are not to dispute: There is nobody here to question How King William came to the Crowne. No man doubts but that he hath it: The Govr himself does not question it. If so, why may it not be safe for us to yield all due obedience to him. We believe King William and Queen Mary are the King and Queen of England, and so of these dominions; and since we believe it, where is the prejudice in obligeing of those who would have them declared to be so, as the Govr hath propounded. We suppose this Letter is come from the Secretary of State to King William.

John Symcock replied: How do we know that.

Wm. Markham. The letter says their Majesties, and it can be meant of no other. I believe it's meant of them.

John Symcock said: We are not to Act by fayth in this matter, but with certaynty.

Mr. Markham said: Since we believe it, where is the prejudice. The Govr proposed a methodicall way for Our declaring our Obedience to King William and Queen Mary, and that we are wayting for the forme and manner of proclayming them. To do this will give satisfaction to all.

Griffith Jones. I know not why we should be more forward than our Neighbours. There are two Provinces that have not. It is sufficient for us to Proclayme him when we have Orders for the doing it. But if we should do it before, certainly We may Run ourselves into danger ; And for my part I think, That if any thing be done about Declaring it, It is no less to me than Proclaymeing him. It is our part, and enough, for us to obey the King's authority when we have it.

John Symcock. It is a trivial thing for us to declare the King till we are Comanded.

The Govr said : I think for peace sake with our Neighbours and amongst ourselves, we should do it, and moved a Committee might be appoynted for drawing a Declaration in the name of the Govr and Councill, and as their joynt agreement, that all Proces, warrants, & orders that usually past in the King's name, be hereafter issued in the name of their Maties, King William and Queen Mary. And al Commissions of officers to continue till further orders ; And named Wm. Markham, John Simcock and Jo. D'Haes a Committee for drawing such a Declaration, and presenting it to the Councill to-morrow morning, allowing any other members of the Councill to be present at the drawing it, that should think fitt ; And thereupon adjourned till to-morrow morning at Seaven of the Clock.

The Committee named last night, brought in the draught of a declaration, which was read ; but severall things therein objected against were proposed to be allowed, wch were agreed unto, and the same being fairly transcribed, was read over severall times ; and upon the Question put, vizt : Whether this Declaration be agreed on as now amended ? It was resolved in the affirmative, by all the members declaring themselves by standing up in their places, nemine contradicente, and accordingly signed by the Govr & Councill, Which is as followeth, vizt :

By the Governor & Councill of the Province of Pennsilvania and Countyes annexed.

Upon sundry and Credible Informations from England and many other places, more especcially upon perusall of a Printed Paper signed John Brown, Clark of the Parliament, instituted, The Declaration of The Lords, Spirituall and Temporall, and Comons, Assembled at Westminster, bearing date the 12th off february, 1688-9, Wherein is this Clause following, vizt : The said Lords Spirituall and Temporall, and Comons, assembled at Westminster, Do Resolve :

That William & Mary, Prince & Princess of Orange, be and be declared King and Queen of England, France & Ireland, and the Dominions thereunto belonging, To hold the Crowne and Royall Dignity of the sayd Kingdoms & Dominions To them, the sayd Prince & Princess, during their lives, and the life of the Survivors of them :

And that the sole & full Exercise of the Royall power be only in and Executed by the sayd Prince of Orange, in the names of the sayd Prince & Princess, during their joynt lives ; and after their decease, The sayd Crown & Royall dignity of the sayd Kingdoms & Dominions to be To y^e heirs of the body of the sayd Princess, and for default of such issue, To the Princess Ann, of Denmark, and the heirs of her body ; And for default of such issue, to the heirs of the body of the sayd Prince of Orange.

And the sayd Lords spirituall & temporall, and Comons do pray the sayd Prince and Princess of Orange to accept the same accordingly.

And wheras, We have understood That the sayd Prince & Princess of Orange have been since proclaymed, Crowned, and do now Reigne accordingly : But having not hitherto Received the Proclamation to be how published, We have therefore thought fitt by this publike instrument, to make manifest to the world Our Loyalty & true affections To the sayd Prince & Princess of Orange, by acknowledging them to be Our King & Queen accordingly ; And do therefore, strictly charge & Comand all the people & inhabitants within this Government, to yield all due & lawfull obedience unto William & Mary, King & Queen of England, &c., as their Lawfull King and Queen.

And it is hereby farther comanded, That all Justices of the peace, Sheriffs, Clerks, Coroners, and all other officers whatsoever, now in Comission under this Government, or by the authority thereof, do from hence forward act & do all things relating to their offices, in their names ; And that all process be issued out in their names. And it is hereby further declared, That all officers Comissionated or impowred by this Governmt, do stand, abide & remayne in the same stations, offices and imployments, as they were before the date herof, & so remayn & continue untill further Order. (Roman Catholiques only Excepted :) And That all process issued out before publication herof, do remayn & continue in full force and virtue. Dated at Philadelphia, the second day of the ninth month, 1689.

JOHN BLACKWELL, Govr. .

William Markham,	John Bristow,
John Simcock,	Peter Alrichs,
Samll Carpenter,	J. D'Haes,
John Hill,	Griffith Jones,
Luke Watson,	Barth Coppock,

Ordered, That copies of the sayd declaration be transcribed & sent to the severall sheriffs of the respective Counties, with orders to cause the same to be forthwith published, & at the furthest by the next respective Court. This being over, The Governor then desired

they would have consideration of the Letter before Recited, and desired they would give him their advice upon it.

Griffith Jones said : He thought we might suspend the Execution of it for the present, being in expectation of hearing from England : Perhaps there will be no need of putting the Contrey to so great a charge. We are not able to bear it unlesse there were a necessity that required it. Let us wayte a little longer.

Jo. d'Haes. What if any hurt come in the mean time if we delay it, before we are prepared. I think notice should be given to all the people to get powder & shott, and their armes in a readiness against there be occasion. That will do no hurt.

John Simcock. I see no danger but from the Bears & wolves. We are well, & in peace & quiet : Let us Keep ourselves so. I know not but a peaceable spirit, & that will do well. For my part I am against it clearly : and, Governor, If we refuse to do it, Thou wilt be Excused.

John Hill. He thought if we should put ourselves into Armes, The Indians would rise against us, suspecting we intended harm to them. I desire, therefore, we may forbear till we heare out of England.

Luke Watson. You having (Governor) received such orders from the King, If the thing be not done, & any hurt come the Contrey, for my part I think he may require our Lives and Estates at our hands. Twenty men, as things are now, may come & do what they will. I look upon it, That you should settle a Militia to defend his Maties Subjects, according to his directions from Whitehall.

Griffith Jones, Besides repeating what he sayd before, sayd : He desired the Countrey might not be put to those charges. It will be looked upon as very grievous & burthensome.

Here the Governor read the clauses of Power given to the Proprietor by the King's Grant to him, &c.

John Simcock sayd : He was against it ; Expressing that what was granted by the King to the Proprietor was but a lease to him that he might do it ; and sayd, I will have no hand in it.

Luke Watson. The people in the contrey look upon themselves to be in danger, and desire they may be put into a condition to defend themselves, &c.

John Hill answered : I will ingage they will not appeare one in five upon traynings.

Wm. Markham. My opinion is That we ought to have our armes as well fixed & prepared in time of peace as warr, for we know not how soon warr may come upon us, especially in this country, where we have such sort of people amongst us. And whether it be come or not, &c., I allways keep my owne armes prepared.

Griffith Jones. Every one that will may provide his armes. My opinion is that it be left to the discretion of the Governor to do what he shall judge necessary.

Sam. Carpenter. I am not against those that will put themselves into defence, but it being contrary to the judgmt of a great part of the people, & my owne to, I cannot advise to the thing, nor Express my liking it. The King of England Knows the judgmt of quakers

in this case before Governor Penn had his patent. But if we must be forced to it, I suppose we shall rather choose to suffer than to do it, as we have done formerly.

Barth. Coppock. I am of the same opinion with Sam. Carpenter in what he spake last.

Gr. Jones Proposed againe, that they would referr it to the Govrs discretion to do what is fit & necessary in the case; to which some others seemed to agree. Whereupon, the Governor spake to the Secretary to draw a Question to be put for that purpose.

John Simcock & Samll Carpenter declared against that, conceiving it might be prejudicial to them to be otherwise than passive in the matter; so no Question could be agreed upon.

The Governor therefore adjourned the debate to the 2d day of next week.

At a Councill held at the Govrs Lodgings in Philadelphia the fourth day of the ninth month, 1689.

PRESENT:

JOHN BLACKWELL, Esqr., Govrnr.

Sam Carpenter,

John Simcock,

Griffith Jones,

Peter Alrichs,

John Bristow,

Luke Watson,

John D'Haes,

Barth. Coppock,

John Hill.

The Govr acquainted them, that having adjourned the debate of the last meeting upon the Letter till this morning, He hoped they would now come to a resolution upon it. And in order to their better apprehending the true sense of the 7th Article or paragraph of the Charter of Libertyes, formerly read to them upon this Debate, (wherin it is sayd, That the Governor and Provinciall Councill shall at all times have the care of the peace and safety of the Province,) He Read unto them the Preamble of the two Acts of Parliamt passed in Engld, touching the King's sole & supream Right & power in & about the ordering of the Militia within all his Maties Realms & Dominions, the one past in the 13th year of the late King Charles the 2d, cap. 6, intituled, The Militia Declared to be in the King. The other in the 14th year of the same King, cap. 30, Intituled, For Ordering the Forces in the severall Countyes of this Kingdom. Wherin, amongst other things, It is Exprest That both or either of the houses of Parliamt can not nor ought to pretend to the same, &c. And observed and Argued thereupon, that if both the houses of Parliamt of England could not, much lesse could the Provinciall Councill of this Province claime any Interest in ordering the militia when the King, by his Letters patents under the great seale, had deligated his power to the Proprietor and his heirs, to exercise the same in this Province.

The Govr also observed to them, that the Charter of Privileges granted by the Proprietor to the people, was limited and qualified by this expression in the preamble thereof, vizt: (so farr as in him lyeth,) and [according to the powers of the Patent.] And that by a law past in this Province, Intituled an Act of Settlement, This clause

is conteyned, vitz: Be it inacted by the authority aforesd, That the Govr & Provinciaall Councill shall have power of preparing & proposing to the Genll. Asssmbly, All such bills which they shall joyntly assent to & think fit to have past into Laws, in the sayd Province & territoryes therof, that are not inconsistent with, but according to the powers granted by the Kings Letters Patents to the Proprietary & Governor, So that he conceived It was not in the Proprietor's Power to subject or Expose the King's Province to the hazard of being delivered up or lost to any invaders what so ever: And that therefore the sayd 7th Article of the Charter of Privileges ought not to be so construed as that the Governor without the Councill, could not use Armes for its Defence. And that the King being sensible of danger approaching by the french, had Ordered in his Letter aforesayd, that the Proprietor, and in his absence The Govr or Comander in chief of this Province, should have notice of his intended warr with France, That they might with all possible diligence take effectuell care for the opposing and resisting any attempt of the French upon this, his Ma'ties Province of Pensilvania, &c.

That this could not be done by the Proprietor's or Govrs owne hands, but needed the advice & assistance of the Council, & people inhabiting here. That the Constituting of the Proprietor & his heirs by his Ma'ties Captain Genll, with powers, by themselves or their Captains, or other their officers, To Levy, muster and trayne all sorts of men, of what condition or where so ever born, in the sayd Province, for the time being, and to make warr & pursue his enimyes, &c., And to do all and every other thing wch unto the charge & office of a Capt. Genll of an Army belongeth, or hath accustomed to belong, as fully & freely as any Capt. Genll. of an Army hath ever had the same, (wch are the Expresse words of the King's Grant and were read unto them,) implyeth a great confidence his Maty Reposed in the Proprietor; and also, a Condition of y^e Grant of the Province; and a faylor herin might prove a forfeiture. Especially, for that the King hath been pleased to give notice of the danger to the Proprietor, Which though perhaps we could not see, we were to believe, and give his Maty thanks that he is pleased to be so mindfull of our security, and to notify to us our danger, in order to our providing against it.

The Govr also recited to them a further clause in his late Matys sayd Lrs. Pattents, to this purpose, vitz: And for as much as in Governmt of so great a Contrey, suddain accidents do often happen, whereunto it will be necessary to apply remedy before the freeholders of the sayd Province, or their deligates or deputyes, can be assembled to the making of Laws: Neither will it be convenient That instantly upon every such imergent occasion, so great a multitude should be called together: Therefore, ffor the better Governmt of the sayd Contrey, We will and Ordayne, And by these presents, for us, our heirs and Successors, do Grant unto the said William Penn and his heirs, by themselves or by their magistrates & officers in that behalf, duly to be ordayned as aforesaid; To make and Constitute fit and wholesome ordinances from time to time within y^e sayd Contrey,

to be kept and observed, as well for the preservation of the peace as for the better Governmt of the people there inhabiting, and publicly to notify the same to all persons whom the same doth or may any wayes concerne, which Ordinances our will & pleasure is, shall be observed inviolably within the sayd Province, under paynes therin to be Expressed, So as the sayd Ordinances be consonant to reason, and not repugnant nor contrary, but so far as conveniently may be, agreeable with the Laws of Our Kingdom of England: And so as the said Ordinances be not extended in any sort to binde, change, or take away the Right or interest of any person or persons, for or in their life members, freehold, goods or chattels.

The Governor also Proposed to them the Consideration of the care taken in all other his Maties Territoryes & dominions about the settling & ordering their Militias, and particularly the Laws past for that purpose in this Province & whilst it was united to New York and the Jarseys, under the Governmt of his late Royall Highness the Duke of York, before his Matyes Grant of this Province to the Proprietor, and that he could not tell how to answer the neglect of making due & necessary preparations for defence of the Province & people committed to his Governmt; And upon the whole, prayed them They would be very serious & solemne in the debate & consideration of these matters: for that he must returne an answer of the letter & signify his proceedings by the first opportunity of Conveyance. And for as much as at the last meeting of the Councill, It had been by some of them moved, (That since divers of them could not by their principles consent to or be active in the directing or ordering any thing of this nature,) That they would cast it off from themselves and leave it to the Govrs discretion to give such answer to the said Letter, and to act therupon as was requisit, He Proposed this Question to be debated, vizt:

Whether it should be left to the Govrs discretion to pursue & put in Execution the King's directions signified in the sayd Letter, according to the clauses of powers given to the Proprietor in the Letters Patents from his late Maty. King Charles the second, of the Grant of this Province to the Proprietor, in order to the defence of this Province against the french or any other invader of this Province & Countyes annexed, in all things as neare as may be according to the Laws of England and of this Province whilst under the Governmt of his late Royall Highness the Duke of York, &c.

John Simcook sayd, We can neither offensively nor defensively take Armes. We would not be understood to tye others' hands; they may do every One what they please. We do not take upon us to hinder any. I do not think The Govr need to call us together in this matter. We can not at all Question the power of the Governor. It is a thing too hard for us to meddle with; and so we leave it.

Griffith Jones sayd, The case is hard. I desire to be passive & not to concern my self in it, either to give a negative or affirmative. God has preserved his people in times past, and as I would not hinder, but pay all respect to the King & Governor, So I desire to

be excused from the question, One way or other. I do it not to refrayne charges, but cannot give advice what to do in it. I believe, were there other Quakers here, they would all say They had no advice to give : And therefore, As we leave the Govr to his own discretion, & others to do as they see cause wth safety to themselves, So we desire the Gover will let this Question fall.

John Hill sayd : my desire is, That no compulsion be upon those that are of tender consciences ; but that it be left to the Govr to do as he pleases, and to take the care of it himself.

John Bristow sayd : I believe the power is in the King & by him derived to the Governor ; but there must be reason & cause for it. I do not see but we are in peace, and so are like to be.

John D'Haes sayd : I think it needfull that every man do get his Armes ready, and furnish himselfe with powder & bullet, to be used if there be occasion.

Peter Alrichs sayd : I am for it, That the Govr do what he pleases. Some Regard must be had to the King's Letter.

Luke Watson sayd : I suppose the whole power is in the King & you as Governor, and I desire That you will Act & do according to the Law of England and other places, for I do not think ourselves safe.

The Govr proposed the Question might be put as is before Exprest, reading the same to them : But that being spoken against by severall, He proposed then That the Question should be put, Whether that Question should be put or no.

John Simcock desired That him self & some others might be permitted to withdraw for a while to consult by themselves ; Which (though un-usual) for their satisfaction, The Govr admitted it.

Wherupon He, the sayd John Simcock, John Bristow, Barth. Coppock, Griffith Jones, and Samll Carpenter withdrew, and after a while came in againe, And The sayd John Simcock, in behalf of himself and the Rest, sayd as followeth, vitz :

We would not tye others' hands, But We cannot Act. We would not take upon us to hinder any, And do not think the Govr need to call us together in this matter.

Sam. Carpenter sayd : We can not vote One way or other to either of the Questions, We say nothing against it, in regard it is a matter of conscience to us. I had rather be ruined than violate my conscience in this case. We do not take upon us to hinder any. I do not think the Govr need to call us together in this matter : And therefore we desire we may be no farther prest in this matter.

Griffith Jones added : I hope the Govr will not impose that which he would not have imposed upon himself if his Conscience were against the thing. We leave it to the Govrs discretion, who knows better than we how to answer the King's Comands by his Letter ; and doubt not but he will make a fayre Representation of us to the King as to this matter.

The Govr Replied : He looked upon it as a civill thing belonging to the Civill magistrate's power ; and declared, That if he should take up any opinion in civill matters against the Laws, peace & safety

of the Country, If he could not act, he should hould himself bound to be passive : and in case a Comon charge were required, he should not scruple to pay his share thereof for the safety of the Countrey where he should dwell, and preserving it against all invaders : But,

In as much as they declyned any advice or assistance, and had declared so generall a voyce to leave the matter to his discretion, He would consider what was his duty in the case, and Act after the best manner he could accordingly, for the preservation of the whole, without further pressing them on this occasion. And That By the first opportunity, he would give account of his Actions to the Secretary of state, and the Honble Proprietor of this Province, his Master.

A petition was presented to this board from Tho. Harris, praying an Appeale might be granted from the County Court of New Castle, after Judgmt & Execution, both in law and equity : But for as much as the sayd Court saw no cause to allow any, nor was any sufficient cause alleged, Upon the Question put, Whether it should be admitted, & the matter Reheard at this board, It was carried in the negative.

A Petition was likewise exhibited to this board from Walto Rawson, setting forth That he was distreyned upon by Cornelius Empson, for Contrey Rates, in the County of New Castle, Wheras his Lands lay in the County of Chester, where he had allwayes till then been Rated and payd, &c.

It was Ordered, That he continue to pay in the County of Chester untill the Two Countyes shall have the Moors of the sayd Countyes otherwise determined And that the Justices of New Castle do order the Restoring of the distresse taken by Empson.

A like petition was Exhibited from Wm. Clowd, upon like cause of distresse, And it was Ordered in his behalf as in Walto Rawson's.

The Govr proposed That either the members of the Councill would give their constant attendance, according to the Provision made by the Law, viz : one out of each County ; or at least that they would agree & order, (and it was accordingly agreed and ordered, nemine Contradicente,) That in case the Govr should see cause at any time or times hereafter, to Sumon a Councill, the charges of conveying all Sumon's should be borne & payd to the Secretary by an equall apportioning the sayd whole charge upon each County ; And That the members of the Councell that should appeare, should disburse the same to the Secretary, at their meeting therupon, and should afterwards Levy the same by a County Rate, for their Reimbursement.

Wherupon, The Govr dismiss the Councill from their further attendance for the present, and untill new Sumons.

December y^e 13, 1689.

Vpon a pacquits arivall this Day from y^e Proprietary Directed to y^e Governr, he ordered a Councill should be Summonsed to meet in Philadelphia y^e 31 Inst.

After y^e Govern had Apologized for haveing his Speech in writing and had read y^e same, wch ffolows verbatim, viz :

Gent. I had not called you together at this unseasonable time of y^e year, had not the Extraordinary occasion which I shall acquaint you with all, Required it, wch is indeed such wherein as well my owne interes, peace and Comfort, as your Contentment, are Concerned. I shall not Spend more time in Digressing or withholding the mutuall Satisfaction this meeting will afford vs, Then I Judg necessary, (as introductive to y^e Communicating of what I have vpon me to Say vnto you.)

My manner of Entrance and being received amongst you in this place is Knowne to Divers of you, and by what authority and Commission I was Constituted Govern of this Province, &c., vnder y^e Absolute Proprietary & his heirs. I Tould you formerly, (at what time I began to be Sensible of some of your ill resentments of me,) that I sought not to be your Govern : But it arose ffrome y^e mere good will and Pleasure of y^e Proprietor to propose and require that Service of me, by his Comission sent me to new England, (with Instructions bearing date y^e 12th day of y^e 5th Mo., Called July, 1688,) which I have heard some of you have sayd 'twas but probationary. As I never looked vpon it as an Inheritance, so I am Sure I Came on no other terms of my makeing or accepting then to doo you service at his Request, wch I have Diligently and faithfully (according to y^e best of my vnderstanding,) indeavored to manifest, my Conscience not vpbayding me, wch I shall willingly doe in any Capacity rather than this Highest.

I Came (indeed) with full purpose of Returning before y^e advance

* This should be the tenth month.

of y^e Last Summer's Season, but such has been y^e state of Publick affayres as Ingenuity would not permitt me to leave y^e trust Committed to me whilst my master was vnder any Evill Circumstances, (by y^e Late revolutions,) without his free Consent and Directions about your future Settlement, wch I have now Received.

How vneasy my Continuance has been to some of you has been Represented to me by their writing; How burthensome to my selfe, my Spiritt has frequently dictated; my tongue has (perhaps) over Concernedly Expressed to others of your selves, and my Severall Letters of Complaint of y^e Insupportableness of it, and my repeated Requesting of y^e Hoble Proprietor to be Released therefrom are Witnessses; So I have testimonies not only within my selfe, but in some of your brésts, also in y^e Proprietor's hands, and some of my near relations imployed therein, to whome I perticularized y^e promoting grounds and Reasons thereof, wch will sufficiently evince y^e Sincerity of my Heart in desiring to be acquitted therefrom, and which I hope I shall Confirme to you Ere I have done.

The Proprietor has been pleased very kindly to Resent wt I have written of yt nature, (as his Letters to me of Severall dates, but Coming altogether in one paquit by this Last Conveyance, doe Satisfie me,) ffor wch I shall returne him my Sutable thanks. But withall, he has given me a touch of Some representations that have Come to him hence concerning me, and what a Spiritt has been raysed in frinds to his Disquietmt there vpon yt accot under his present afflictive circumstances, wch I am very Sory ffor, but shall not Trouble you with y^e Particulars, or my Sence of y^e Procuring Cause thereof at present. 'Tis enough ffor me to hint those things to you, who must needs know of Them, at least Some of you, so I shall not in y^e Least Disturb y^e Serenity of my owne minde, or Discompose you (ffrom a joy full reception of y^e message I have to Deliver you) by any remarks therevpon, or give you further occasion of Representing me a grievance to him in any sort.

'Tis a good day. I have given & I doe unfeignedly give God thanks for it, (wch are not vayne words,) for to Say no worse I was very vnequally Yoaked: and it being y^e Day of my Redemption from that Groaning, (I say,) I shall not grieve any of you, Neither Shall I Deteyne you longer in this porch.

Gent., I have Severall things to Communicate to you, by Command of y^e Proprietor, whereof these at present, vizt.

first, the Declaration of his selves to you and y^e people in Generell, with his ffervent resolutions to be with you by God's hand and help, by y^e very first Door yt his Providence opens, and his Sincere prayers to God for all your prosperity, wishing peace and happyness to abound among you every way.

Nextly, that y^e Consideration of my repeated desires to leave a Station yt is So vneasie to Keep and Execute, has at Last brought him to resolve, tho' with reluctancy, (as he is pleased to his Express himselfe,) to answer my Request, and Ease me of that burthen. But upon y^e terms of takeing me to himselfe, &c., wherein he has made very kinde proposalls to me, and Sent me over Severall Commissions

& Instructions, wch, when I Judg Seasonable to Ingage in, I shall Communicate vnto you. And lastly, to lett you know that I quit y^e place of Governr as a man that sought to be discharged from it.

In p^rsvuance whereof, this being y^e place where, (after some debate amongst your selves,) you Declared your acquiesceing wth my Governmt, I doe here with all heartiness, declare my Rejoycing in y^e Opportunity and leave I have of Resigning and Surrendering it vp. And I doe accordingly very ffreely and fully resigne and Surrender all y^e powers and authorities in my Commission and Instructions ffrom y^e Honble Proprietor, given me as Governr, into your hands and acceptance, viz: to y^e Provinciaall Councill.

And ffor yt you are fallen into times of difficulties and Danger, (perhaps greater than some of you are aware of,) I Doe and Shall pray y^e Lord y^e God of all wisdome, that he would gratically Enlighten your minds, and over rule your debates and Counsels, in and vnto Such wayes of truth, wisdome, quietness and agreement with his will, and one with another, as may Conduce with his glory, the Honr of Their Majts our Most Gracious King & Queen, the Security of Their Province and territoryes, the Interest and Rejoyceing of the Proprietor's heart and worthy ffamily, and y^e Generall good, happiness and prosperity of y^e people of all perswasions now Committed to your Charge; and that he will alsoe Indow you wth Courage and resolution proportionable to y^e Trust and Station you are Sett in; that Impartiall Justice may run with a mighty Streame ffrom your administration amongst them, to y^e terrour of Evil doers, and prayse of all others.

Gent., I begg your pardon of my Ignorances & weaknesses; (I call my doings so, for yt I bless God I am not vnder any Conviction of haveing wickedly Departed ffrom y^e Rule of my Duty therein;) I mean your Charter and Laws, so ffarr as they have ffoundaion in y^e King's Patent, and are not contrary to y^e Laws of England. I begg also yor acceptance of my vnfeigned thanks ffor what Respects you have shewed me in y^e advices and assistances you have Supplied vnto me, as I doe alsoe fforgive y^e Disrespects & neglects of any persons in this Government; and Lastly, I assure you that though I have not been acceptable to you as yor Governr, ffrom y^e very first day you saw me, (wherof I was Early made Sensible,) I will indeavour to improve these faylors to the approveing myselfe a Pattern and instance of personate humble deference, Submission and Obedience to those who Succeed me in y^e Governmt whilst I Remaine amongst you, which y^e vnfitness of y^e Season & Danger of my age and Constitution, to travell so long a jorney as to y^e place whence I Came, will probably Constrayn me vnto Some months.

Gent. I now both voluntarily and ffreely quitt this Seat, to be fild vp as by these two Commissions; (which I here deliver to you ffrom y^e Proprietor,) In order to your Consideration whereof I think it my duty to give you his owne words Concerning them, which are these, vizt:

[I have sent two Commissions about Settling y^e Governmt there in a condition that may please y^e Generallity. Let them be y^e Choosers.

Either of them shall satisfie me.] By which you See how much his heart is Sett vpon your agreeing one with an other, not offering violence by Imposing vpon y^e Lesser number. He proposes that y^e Generallity be y^e Choosers, not y^e bare majority, and give me leave to tell you ffrom my own Experience, 'twere yet better if you could gaine the universality ffor what you shall pitch upon as things now stand, for 'tis Harmony must be your strength and Continuance, and a Small complaint added to this change of y^e Hands, will argue you to have little regard to y^e Proprietor's present ill circumstances, and shake your whole foundation.

Here is also a Letter directed to you, wch I received in my paquet ffrom y^e Proprietor, and when I vnderstand you have so made your Election, and settled y^e Deputation according to these Commissions, I shall further address to you in what I shall conceive proper ffor your respective Cognizance relating to y^e Proprietor's services agreeable to what further Instructions I have from him. And if I may be any way serviceable to him or you whilst I remain in these parts, be pleased to honor me wth your Commands. In y^e meantime I take my leave of you, and pray y^e Lord be with you.

The Govr then withdrew, and then was Read by y^e Secretary two Commissions ffrom Wm. Penn, absolute Proprietary of y^e Province of Pennsylvania & Countys annexed, to y^e Provinciaall Council, wch are as followeth verbatim, viz :

WILLIAM PENN, Absolute Proprietary of The Province of Pennsylvania & Countys annexed, To his Trusty beloved ffrinds, The Provinciaall Council ffor y^e Province of Pennsylvania, &c., Greeting :

Since the Providence of God hath disappoynted my reall Intentions and Ernest Inclinations of Comeing to you for some time longer, and to y^e End y^e Inhabitants thereof may be assured I have & Seek noe other Interest then what is agreeable with theirs, I doe Consent that you please yourselves, & therefore doe hereby Impower you to Chuse Three persons within y^e said Province or Countys annexed, to present to me by y^e very ffirst opportunity, out of wch I shall Chuse one for my Deputy or Lieftenant Goverr ; and till my mind therein is knowne, I doe hereby order that he that has y^e most votes, or is ffirst Chosen by you, shall ffrom y^e time of yor Choice, Act as my Deputy or Lieftenant Governor, over y^e said Province & Territorys, according to y^e Power and Limitation of former Commissions, you takeing Care to Support him in yt Capacity, Revokeing all former Commissions to any else granted, & requireing all persons concerned to give him that respect due to his high Station. Given at London, y^e 25th day of y^e 7th Mo., 1689.

WM. PENN.

WILLIAM PENN, absolute Proprietary of The Province of Pennsylvania and Counties annexed, to his Trusty and Beloved ffrinds, the Provinciaall Council ffor the Province of Pennsylvania, &c., Greeting.

and Earnest inclinations of Comeing to you for some time longer, & to the end the Inhabitants thereof may be assured I have and Seek no other Interest then what is agreeable to theirs, I have thought fitt to appoynt you my Deputy & Lieftenant in Government, and do accordingly hereby constitute you my Deputy, to act & doe in all things in my name and Stead, according to y^e power and Limitation of former Commissions. Given at London, this 25th of y^e 7th month, 1689.

WM. PENN.

Then was read a Letter ffrom y^e Proprietary, bearing date y^e 12th of y^e 6th Mo., 1689, wch follows verbatim :

ffriends, I heartily wish you all well, and beseech God to guide you in y^e ways of Righteousness & peace. I have thought fitt vpon my further stopp in these parts, to throw all into your hands, that you may all see the Confidence I have in you, and the desire I have to give you all possible Contentment. I doe earnestly press your Constant attendance vpon y^e Government, and y^e Diligent persuit of peace & vertue, and God Almighty strengthen your hands in so good a work.

I also recommend to you the perticular Discipline of That Towne you meet in, that Sobriety and Gravitie be maintained, & Authority kept in respect. As it comes in your way, Countenance my Officers in Collecting my Small Revenue.

Lett y^e Laws you pass hold so long only as I shall not Declare my Dissent, that so my Share may not be excludet, or I finally Concluded, without my notice: in fine, lett them be Confirmable by me, as you will See by y^e Commission I Left when I Left the Province.

And if you Desire a Depty Goveern rather, name Three, or five, and I shall name one of them, so as you Consider of a Comfortable substance, that y^e Governmt may not go a begging. I do not this to be binding President; but to give you and y^e people you represent the fullest pledges I an able at this Distance, of my regard to them. What Ever you do, I desire, beseech & charge you all to avoyd ffactions and parties, Whisperings & reportings, and all animosities, that putting yor Common Shoulder to y^e Publick work, you may have the Reward of Good men & Patriots, and so I bid you heartily ffairewell. Given at London, this 12th of y^e 6th Mo., 1689.

To my Trusty and well beloved ffriends, y^e Provinciaall

By ED. BLACKFAN.

The members of Councill present being unwilling to Enter Immediately vpon debate wch of The two foregoing Commissions is most

requisite should be put in Execution, did unanimously agree at this time to Depart, and to meet againe to morrow, at nine in y^e forenoon.

At a Meeting of y^e Members of Councill in y^e Councill Roome, y^e 2d 11 Mo., 1689-90.

PRESENT:

Tho. Lloyd.	Barth. Coppock,-	Wm. Stockdale,
Jon Symcock,	Jon Bristow,	Sam. Carpenter,
Jon. Eckly,	Grif. Jones,	Jon Hill,
Sam. Richards,	Wm. Clark,	Wm. Markham, Sc.

It was Debated wch of y^e Two Commissions that was Read yesterday should be put in Execution, and Resolved unanimously, that y^e Commission wch Impowred y^e Councill to be Deputy Goverr or Leivetenant, to be accepted: accordingly, y^e Councill Elected Thomas Lloyd President. It was put to y^e vote whether the other Commission should be Canciled or not: Carried in the affirmative, N. C. D., and was accordingly Canciled at y^e board.

Then was Read this following Clause in a Letter from the Proprietary to his Commissioners of The same, viz:

Whereas, there is 600lb, due to me wch has been neglected or refused to be paid, if y^e Province will build me a house in the City for my reception, vpon my Lott, Leaving me to make additions hereafter, if there be occasion, I hope to be there as soon as that is finished. I have sent Capt Wm. Markham my model Or stock, y^e Three Plantations of my Three Children, wth Each two Hundred pounds, wch Comes to y^e sum, I shall take it well, and this may be sooner and safer done yn returning me yt sum, tho' here it would have done me most good.

The Petition of Thomas fairman was Read, setting forth his grievance from y^e County Court of Philadelphia, in the Case between him & Mary Jeffs, wherevpon it was ordered yt y^e County Record be brought to y^e Councill, to Exammine y^e proceedings in that Case.

Adjourned to Nathll Ibel's house y^e season being very Cold.

The Secretary was Orded to acquaint Jon Blackwell, Esqr., y^e Late Govrr, in writeing, of the Board's Readiness to Receive any thing from him Communicative to them, and to wayt vpon him with it himselfe, wch was accordingly done, and it is as ffolloweth, viz:

Sir: The Councill has this morning vnanimously accepted of y^e Commission Impowring y^e Provinciaill Councill to be Deputy Goverr or Leint, and have accordingly made Choyce of Thomas Lloyd to be president, and vnder the forme, y^e Provinciaill Councill is Ready to Receive what you have to Communicate to them.

I am, Sr, your Humble servt,

WM. MARKHAM.

Wherevpon y^e Said Blackwell, late Goverr, attended wth y^e Secretary, Came to y^e Councill, and after Congratulation, presented them with Instructions from y^e Proprietary, and an abstract of Severall Instructions from y^e Proprietary to himselfe in private Letters; both wch are here at large sett done, verbatim:

Instructions ffor Lt Governor Blackwell, or whome else it may Con-
cerne.

First : that things be transacted in my Name, viz : Absolute Proprietary of Pennsilvania, (provided it agrees with our Charter and Laws, as I think it dos,) &c.

2. That all Commissions signed by me and sealed here with y^e Lesser Seal, be taken for Sufficient warrts & Directions for passing them vnder y^e broad seal, without any other Instrument of Authority.

3. Thirdly : to Collect y^e Laws that are in Being, and sent them over to me in a sticht book, by y^e very first opportunity, which I have so often, and so much in vaine, desired.

4. To be carefull that Speedy, as well as through and Impartiall Justice, be done ; Virtue in all Cherished, & vice in all punisht.

5. That fines be in proportion both of y^e fault and ability of y^e party, yt so they may be paid.

6. That ffewds between perswasions or Nations, or Counties, be Suppressed & Extinguished, if any be, & if none, that by a good Conduct they may be prevented.

7. That y^e Widdows, Orphans, and Absent, may be particularly Regarded in their Right, ffor their Cry will be Loudest in all Eares ; but by Absent I mean Such as are so by Necessity.

8. To Countenance y^e Cōmmrs of Propriety, where land is vnseated, or people are vnruely in their settlements, or Comply not wth reasonable Obligations about bounds, banks, Timber, &c. ffor tho' wee Came to a wilderness, it was not that we should Continue it so.

9. That y^e Sheriffs of y^e Respective Counties be Charged wth The Receipt of my rents, fines, &c.. as they doe in England, & give Security to y^e Receiver Generall ffor y^e same.

10. To have a Speciall Care that Sheriffs & Clarks of y^e peace Impose not vpon y^e people, and that y^e magistrates live peaceably & soberly, ffor I would not Endure one loose or litigious person in Authority ; Let them be men having some feare of God, and hateing coveteousness, whatever be their persuations : to Employ others is to prophane an Ordinance of God.

11. That Care be taken of y^e Roads and Highways in y^e Country, that they may be streight & Commodious ffor Travellers ; ffor I vnderstand they are turned about by y^e planters, wch is a mischief yt must not be endured.

12. Rule y^e meek meekly, and those that will not be so Ruled rule wth Authority ; And God Almighty prosper all honest and prudent Endeavours.

Lastly : Consider by what means or methods y^e Good and prosperity of y^e Plantation may be promoted, and what Laws in being are vnecessary or Defective, and what are wanting, and in Each particular hereoff, Lett me have advice as Distinctly and as speedily as may be.

An Abstract of Severall Instructions Recomendend to me by y^e

Proprietor, Directed with Relation to y^e Governmt whilst I was Govern, Lt. Govern & Deputy Govern of this Province of Pennsylvania.

[In his Lettr 11 2 m., 1689.]

There is a Cause of y^e widdow Jeffs, in which I have been prest : I Doe desire yt shee may have justice Showne her, and as much mercy & Kindness as can be with justice to those Concerned with her.

Also that y^e Concerns of Henry Patrick may not be lost, Richd Noble was Intrusted.

[in his Lett. 11 6 mo. 1689.]

Countenance y^e Interest of Widdow Whitpain and her husband's Creditors, all that is possible in justice ; the Honor of y^e Province is Concerned in it.

[in his Lett. 25 7 mo., 1689.]

I must Recommend to y^e Governmt y^e Care of y^e widdo Jeffs & Whitpain, in which, believe me, y^e Honour of y^e Province is Deeply Concerned, Especially y^e Latter, because of her Husband's Creditors, whose Expectations are much ffor you there.

Samll Hersent left a Child there that was at my Charge, but I think ought to be maintayned by y^e Community. It is y^e Grand-mother's desire he should be sent over by the first Opportunity yt is safe, as if There Come a fleet with a Convooy ffrom Virginia or New York.

I would be as Little Rigorous as possible ; And doe desire thee, by all y^e Obligation I and my present Circumstances can have vpon thee, to Desist y^e prosecution of T. L. I intirely Know y^e person both in his Weakness and Accomplishment, and would thee End y^e Dispute between you two, vpon my Single Request & Command, and that former inconveniences be Rather mended then punished.

P. S. Salute me to y^e people in Genll : pray send for J. Simcock, A. Cook, Jno Eckle & Samll Carpenter, and Lett them Dispose T. L. & Sa. Richardson to that Complying temper that may tend to that loeving & serious accord yt become such a Govermt ; vale.

Exr. p. me,

JOHN BLACKWELL.

Pray represent to y^e Deputy Govern & Provinciall Council, the Invasion and oppression of those that Except against any man being Chosen a member of Council or Assembly that is in my service, though it appear yt they are otherwise good and Honest men : is there not y^e same Reason to refuse them their votes that Choose their Landlords, Customers, masters or Relations, ffor y^e Reason is rather Stronger : is my Interest already rendered so opposite to y^e Country's, and I and those Employed by me become such ill men yt

it is impossible they Can serve y^e Country and me together? I Could say much against y^e Impolicy & Impiety of Such Suggestions; only make a stand & protest against all Such things.

The Records of y^e County Court of Philadelphia being brought to this board, and y^e Case between Mary Jeffs and Thomas ffairman being thorowly Examined by y^e Provll Councill Did Resolve and Order:

The Secretary's memoriall was Read, which ffollows, verbatim :

PHILADELPHIA, y^e 7th of The second Mo., 1690.

To the Provinciaall Councill now sitting :

The memoriall of Wm. Markham, Secry, Humbly offered to your Considerations :

1th. That the Proprietary hath often times sett forth vnto you y^e great and almost incredible Expences he hath been at in Support of y^e Governmt, whereby he hath much Impaired his Estate, and thereby wronged his family, by maintaining y^e publick wth what belongs vnto them.

2ly. Whereas, there hath been severall acts made and Impositions laid upon goods Exported and Imported under a pretence to Raise money for y^e Proprietary, towards the Support of his Governmt; whereby many who are very willing to Support y^e necessary Charge thereof are possessed that the Proprietary hath great sums of money given him for y^e Defraying y^e Same; which mistake hath, and I feare will be more prejudiciall, not only to y^e Proprietary, but to his whole Government, for I humbly Conceive this board is sensible that it hath not only not brought in one farthing, but Incouraged him still further to Launch out his Estate in Expectation of it, to y^e vse of The Publick; and not only that, but in y^e opinion of your humble Remembrancer, like to Drive the trade from this Province vnto our neighboring Colloney, wch if once don, will be difficult to Recover.

3ly. The Proprietary hath often Recommended to this board that some Course be taken for y^e payment of the Subscriptions, wch was in Lieu of an act or Imposition on Rum, &c.; but nothing hath been Effected therein.

4ly. I Humbly offer to yor Considerations the Proprietary's words in his Lettr to his Commissioners, bearing date y^e 14th of y^e 2d Mo., 1689, (viz:) Whereas there is 600lb, due to me, which has been Neglected or Refused to be paid, If the Province will build me a house in the City for my Reception, vpon my Lott, leaveing me to make additions hereafter, if there be occasion, I hope to be there as Soon as that is finished: I have sent Capt. Markham my modell; Or stock the three plantations of my Three Children, Each 200l. Comes to the Summ, I shall take it well, and this may be sooner and safer don than Returning me that sum, tho' here it would have done me more good.

5. I further humbly offer to yor Considerations what y^e Proprietary was pleased to write to me, in his Letter bearing date y^e 18th 2d Mo., 1689, (viz:) I send to seat my Children's Plantation that I gave them near Pennsberry, by Edwd Blackfan. Either Lett them settle me 3 Plantations for my Three Children, 200lb. Each, which make vp y^e 600l.; or Lay it out in a City house for me, yt I may be Encouraged to live among them, tho' it would now doe me more good here.

Lastly. The Sum Expected aforesaid as a Debt due to y^e Proprietary, and ought Immediately to be paid, is a Certaine Sum, viz: 600l. which Cannot be Raized but a Tax, or some other Course, as may be Certaine in some Short Time to amount vnto y^e full Sum, Clear of all Charges, and not by Importations or on Navigation, wch are vncertaine.

WM. MARKHAM, Seety.

14 bill, About Two Credible Evidences, was Read, and past in y^e affirmative.

To Our fellow members of The Provinciall Councill, and to our ffrriends the Justices ffor the Towne and County of New Castle :

Some Indians from the upper part of the River being come to towne to pay their respects to his Excell., His Excell. sent for them & gave them audience.

Lawrence Cock, Esqr., their Interpreter.

Their Speaker laid a belt of Wampum att his Excell. feet, Saying : this Belt of wampum Came to us from the Indians of Virginia and Maryland, for a token of peace between them and us, and now wee lay it before your Excell., in token that wee desire peace with all the Indians that belong to anie English plantations in America : and desire your Excell. to persuade the Senecas from doing them any harme in their hunting, (as was done to some of them last Summer,) that they may hunt in safety.

His Excell. did answer : That he was shortlie to return to Newyorke ; That their majesties have made him Governor of Pennsilvania and New Castle, & putt all the forces of East & West Jersey under his command, and hee was come here to publish it, But so soone as hee shall returne to Newyorke, will go to Albany & there meet the five nations, and have conference with them ; And that he wold Enjoine the Senecas, & all the other Indians, to peace and friendship with them, & all other Indians belonging to the English provinces in America. Therefore, they should not doubt his protection whilst they are of good behaviour.

The Indian Speaker laid some dressed deer skins att his Excell. feet, & wished his Excell. joy of this government.

His Excell. told them that he was to returne to Newyorke himselfe, and Had appointed Lievt Governor Markham in his stead, and if any of them be aggrieved in his absence, they must make application unto him for redress, which they will always have.

The Speaker says : We are verie thankfull to your Excell. for appointing one over us in yor absence who hath done good to us formerlie, and whom wee have known a Long time ; and in token thereof, Laid down some Bever at his Excell. feet.

The Speaker again says : Wee are now glad to know our Governor : when the Quakers governed sometimes one man & some

times another pretended to be Governor, & when wee were in feare of the French and their Indians, and inclined to make warr with them, they would not encourage us, nor make anie preparations themselves, nor give us assistance; although wee are a small number of Indians, yet wee are men & know fighting. Wee hope yor Excell. will encourage us in it; & gave some raccoons.

His Excell. told them, That in February Last the French and Indians did invade the Mohoggs Countrey, and in three days hee was got to Schenactady with force sufficient to have destroyed them all; That they stole away in a stormie night: But were sufficiently beat the day before, and the most of their officers killed. Also, that he was a man of armes and not of the Quakers principle: That he had served their majesties in their army before he came hither, and wold now goe as farr as any man to protect them, and all that do owne their majesties authoritie, as well Indians as Christains.

His Excell. told them He hoped they will give him a prooffe of their Manhood and valor by sending some of their best men up to Albany, to assist our people agt the enemy. That here they were in safety, for the French and their Indians cannot come neer to hurt them, Unless they come over him, which they should never doe.

The Speaker said that some of them had been drunk; His Excell. must pardon it and not putt them in the stocks, for they knew no better, and the Christians did sell them the Liquor; and gave two deer skins.

His Excell. Replyed That their Brethren at Albany were not of their mind: in February last some of them being drunck one killed another, and they came to me and prayed that I should discharge the selling of Rum to the Indians during the warr, or that I wold punish such as were drunk.

The Speaker. Wee profess wee will be one Heart and true to the English and to one another: We submitt ourselves to your Excell. and if ever you find us false, you shall cutt us all to pieces, making signs all over his body; & gave some deer skins.

His Excell. Replyed he was glad to see them so dutifull, and wold give them protection accordingle. That he wold order something for them in testimony of his satisfaction with their friendship and submission.

His Excell. Benjn Fletcher's Lettr to the Lt. Gor. & Councill having been read, it was Resolved that a particular ansr should be given to each part yrof & a minute made of the same.

The 1st claus yrof begins thus: "After my Heartie Salutaon, I do recommend that you diligentlie intend the keeping of the peace in yt province & Countrie Committed to yor charge. I hope you will alwayes behave yorselves wt that prudence, moderatn and justice in yor Severall stations during my absence, that will justifie yor Character & my choice."

The Lt. Gor & Councill did Resolve, That they wold, according to the outtmost of their power, skill & ability, perform their reuxe duties yrin, and hope that no Imprudency, Immoderation or Injustice should be found amongst them, or exercised by any of them, towards the people or one another, soe as to Impeach their Character of Condemn his Excellencies choice.

To the 2d, viz: "If there be any urgent necessitie for my presence

“to assert their maties interest, and confirme the peace & quiet of
 “the subject, I shall be readie to come amongst you att all times
 “when their maties other affairs in the frontiers of this province will
 “give me Leave. I confide much in your care.”

The Lt. Gor & Councill are of opinion that att present their is none,
 for the people doe submitt to their maties government under his Ex-
 celly & the Ll. Gor, and are generallie Quiet under the same; And
 their care that it may so Continue will not be wanting.

To the 3d, viz: “I wold have you send me a Copie of the pro-
 ceedings of that speciall Court of Oyer and Terminer, with all the
 “severall evidences that were given upon triall agt the murderer who
 “is putt to death.”

 “pound to be duly collected, and if any of the Representatives of

The Laying of the same, Appointing assessors, Collectors, and the

 expeditn as may be in all the six Counties, and if any person con-
 cerned shall be found backwards or negligent to assist in making the
 same, ordered that their names & residence be transmitted to his
 Excellly, and that all possible care be taken to supplie that defect by
 all lawfull means.

To the 5th, viz: “It is my earnest desire that you take care to
 “suppress all faction, heats and animosities, and that by such prudent
 “methods and wayes as may most Contribute to the compassing the
 “end.”

Resolved, that as it hath been, so it shall be the Lt. Gors and
 Councill's care to suppress the same, and the discontents seem rather
 to decrease than Increase.

To the sixth, viz: “I wold have you from time to time to give me
 “a particular accot of all publick occurrences in the government,
 “who, or what, doth obstruct its peace & quiet, and what will most
 “advance the benefit yrof.”

Resolved that his Excellies desire therein be dulia answered.

To the 7th, viz: “You know there is no Revenue fixed for sup-
 port of yr maties government; How my time & patience was wast-
 ed the Last assembly to no purpose. I do now desire yor advice in
 “the calling of an assembly, if it may be Convenient, this fall, & that
 “you doe use yor Interests to procure such Representatives as may
 “be best affected to their maties government.”

This having been thorowlie debated, It is the Lt. Gor & Councill's
 opinion, That in regard that it's now the high time of rating the tax
 Land by the Last assembly, It was not convenient to make anie
 Conclusion. But Resolved, that when the rates are Laid and
 brought in, That this debate be Reassumed; Unless his Excellly
 will be pleased to give the Lt. Govr & Councill his reasons for
 having an assembly this fall, which then shall be debated and re-
 solved upon.

Therafter the whole Councill present Unanimously requested that the Lt. Gor wold be pleased to write in his owne & their names a Letter of thanks to his Excell. for his sd Letter & care of ym & the province, & yrin to assure him of their loyaltie to their maties, of their obedience to their governmt, of their good affections to his Excellcy, and their heartie inclinaons to maintain, promote & advance all their just interests, & of yr care & diligence to discharge the trust reposed in ym, though not after the strict rules & methods required of persons of better education, experience & Learning ; yet after the generall rules of Comon Justice, which they earnestlie beseech his Excellcy to except of.

Charles Butler's petition agt David Lloyd (from the preceeding Councill referred to this) was read, setting forth : that when the sd David Lloyd was Clark of ye provinciall Court Held the 24th 7ber 1691, The petitionr ws indicted for uttering & paying away severall peices of false monie, of false mixt mettall, to the Likenes of spanish Coyn, called peices of eight, wch hee sometime before made or Coynd in the Countie aforesaid, Intending craftilie, falslie, deceitfullie, & tratourouslie, to defraud the king & his people, (wtout anie authority or Licence from the King & Queen to him given,) Contrary to the Laws in such case made & provided : And also, setting forth that the sd David Lloyd did add to the pettie Juries veredict agt the petitioner, (&c.) which the Jurie apprehending & reproving, demanded up their veredict again, (with consent of the bench,) and went forth again, & agreed on & wrote down their veredict again in the former words, as before they had done, viz : Philadelphia the 26th of y^e 7th mo., 1691. "Wee of the Jurie doe find Charles Butler guiltie of dispersing bad monie." Unto which the sd David Lloyd after that added, (&c.) whereby yor petitioner had sentence of misprision of Treason pronounced agt him, viz : That he shall forfeit his goods and chattells forever, and the profits of his Land during his Life, and be Imprisoned during his Life. And therefore, Requesting Reliefe.

The said David Lloyd appearing, made ansr. That hee added nothing to the verdict, and that the Records wch yrin has the, (&c.) added to their veredict, was made up after sentence past on the petitioner, & that the (&c.) in the record to the veredict, was for forms sake, and yrfore could not be the caus of the sentence.

Upon full debate hereof, the sd Complaint was found to have matter of Law in it agt David Lloyd, not cognizable by the Lt. Gor & Councill ; yet though the sentence of misprision of Treason verie severe agt y^e petitionr, for being only found guilty of dispersing bad money.

The Councill therefore desired his Excellencie, or in his absence the Livet Governor, on the petitioner's application to grant him a pardon.

Upon the Complaint of Magister Jacobus Fabricus, the sweeds minister, That being blind, he was reduced to that povertie that hee had not wherupon to Live.

Ordered, That the Church-wardens of their Church, have notice

to appear att Councill the fifteenth instant, to make ansr to the said complaint.

In answer to the petion of the inhabitants of Cheltenham-Townshipp, to the Lt. Gor & Councill, y^e 27th June, 1693; And of the Inhabitants of second Dublin townshipp, the 1st August instant, both requesting the Confirmation of their roads from the sd respective townshipp to Philadelphia.

Resolved, that the Comon road from Cheltenham townshipp to German townshipp, & from Cheltenham Townshipp to philadelphia, and from 2d dublin townshipp to philadelphia, (commonlie called Walter King's road) be & are hereby confimed to be the high and Comon roads, provided they have been such for foure years Last past; And that the said Cheltenham road extend up into the Countrey to peter Chamber-Lains; And that the overseers of the Highwayes clear the said roads according to the methods prescribed by Law.

Benjn Fletcher, &c., confirming the same, on the condions yrin exprest, and that he hath a grant from the Comrs of the proprietor's propertie of a Leass for the sd ferrie for ten years, or untill the proprietor should otherwise order, with 12 acres of Land on the west side of the sd ferrie, and ten acres on the east side yrof, as Land to the sd ferrie belonging, att 7l. p annum, to comence from the first of March next. And yrfor, Requesting the Lt. Gor. & Councill to grant to y^e petr the sd Leass, under their hands & seals, on the terms above mentioned, & ansrable to the sd grant from the Comrs to yor petr, & yrin to ordr to whom the sd rent should be yearlie payable for the proprietor's use; yor per behaving himself as hee ought to doe in the capacitie of a keeper of the ferrie in that place.

Resolved, That the Lt. Six of them took the oaths appointed by act of parliament to be taken instead of the oaths of allegiance & Supremacie, & subscribed the test; the other fourteen did subscribe the declaracon of fidelitie, profession of the Christian faith, and Test.

After which his Excell. did speak to them as followeth, viz :

Gentlemen : Before you goe to the Choice of your Speaker, I think it Convenient to let you see by what authoritie you are Convened : my reason is, becaus I observed some commissioned by your proprietor did withdraw themselves att the publishing of their Maties' Comission; Others have refused to act under that power, and manie of you wer absent att that time.

Then the Clark, by his Excell. order, did read the Commissions, Upon which his Excell. continued to say :

Gentlemen : You see by the Clauses of these two patents relating to Assemblies, that you are all obliged, befor you can be qualified to Sitt, to take these Oaths prescribed by Law. It has ever been my endeavour & desire to act soe as that all people under my care might be in Love with their maties' Government and Laws, and am therefor willing to allow such to sitt in this house of representatives, as are chosen by the freeholders of the rexive Counties, who not being free to take an Oath, are willing to perform the other obligations: Provided this be entered in the Journalls of your house as an act of grace from their majesties, and not taken as a president.

Gentlemen : I must add, if there be anie amongst you who doe not take an oath, whom you cannot own as members of yor Comunion, but may, under that pretence, shelter themselves from what the Law requires, pray Let me know them, otherwise you will bring a blemish upon yorselves by Countenancing Hypocrites. And in this matter I

expect you will be plain, and answer for such men, if anie there be, who for private ends put on a false dress.

And I desire you to provide a Clark to keep the Journalls of your votes and other proceedings; That you cause him particularlie to enter in his book, That your being admitted to sitt upon Subscriptions without an oath, is an act of grace, and not to be insisted on as a right, and for the future taken in president.

Your Clark must also take care to give me a Copie of everie day's votes and minutes the night following.

Then bid them withdraw to some Convenient place & choose their Speaker, whom he would be readie to see morrow morning.

Adjourned till Nine a Clock morrow morning.

Att a Councill Held att philadelphia on Tuesday the 16th of May, 1693.

PRESENT.

His Excell. BENJAMIN FLETCHER, &c.

WM. MARKHAM, Esqr, Livet. Governor.

Andrew Robeson,	} Esqrs.	Lawrence Cock,	} Esqrs.
Robert Turner,		John Cann,	
Pat. Robinson,		Wm. Clarke,	
Wm. Salway,			

The Governor & Council being mett, Joseph Growdon, accompanied by the whole number of Representatives for the province of pennsylvania, &c. presented himself to his Excell. Acquainting his Excell. that the Representatives here present had made Choice of him for their Speaker; That it was a great Charge & trust, & more then he Could Conceive himself capable of; Therfor moved that his Excell. wold Command the representatives to return to their house and choose some fitter person.

His Excell. made ansr: Sir, the Latter part of yor speech proceeds from yor modestie. You are their Speaker, and gentl. I doe approve of yor Choice. I have had a good character of you, Sir, and if I had been to choose a Speaker from amongst y^e representatives returned for this occasion, I had pitched upon you as best qualified.

Then his Excell. addressing to the speaker & Representatives, Said: I have sundrie things to offerr to yor Consideraon, But shall only insist upon two att present.

1°. You know that governmt, if it be not supported, becomes precarious, void, & ends in nothing.

2°. Gentl., Here is a Lettr directed to me as Gor of this province, from her Matie, qrof you shall have a Copie. The province of New york has been a long time burdened with a troublesome warr, (if it may be called a warr, for Indeed the French and Indians in Canada are a pittiefull enemie, if they could be brought to fight fairlie, but the wood, swamps and bushes gives them the opportunity of vexing

us.) You will see by this Letter their maties' Comands, and what is expected from you towards the assistance of that province.

Gentl., If ther be anie amongst you that Scruple the giving of money to support waar, ther are a great many other charges in that govermt, for the support yrof, as officers Sallaries & other Charges, that amount to a considerable sum : Your money shall be converted to these uses, & shall not be dipt in blood. The monie raised there for the support of the govermt shall be imployed for the defence of the fronteers which doe give you protection.

I wold have you Consider the walls about yor gardens & orchards ; yor doors & Locks of yor houses ; Mastiff doggs and such other things as you make use of to defend yor goods & propertie agt theeves & robbers are the same Courses that their maties take for their forts, garrisons & Souldiers, &c. to secure their kingdoms and provinces, & you as well as the rest of their subjects. I speake the more to this matter becaus I have their maties' Command, which Lyes now here before you.

And gentl., If you will propose anie thing for yorselves, whether the Confirmation of former Laws or other new Laws, for the advantage and benefit of the people whom you represent, provided they doe not derogate from, or doe not appear in opposition to the Laws of England, you shall find my readie Concurrence.

I hope you will Consider to satisfie their Maties' just demands and expectations. Time is of great value to me. Their maties' affairs call me to the fronteers ; therefore desire you speedie dispatch of what is before you. You may return into your house and Consider therof.

Mr Speaker said : I have something to offer to thee, Governor, on behalf of the representatives.

His Excell. asked : how could that be, befor you are a house, You being just now presented to me for Speaker ; How could you have anie time for debates, unless you had had some private Consults before you wer a House.

Mr Speaker ansred, That what hee had to offer was an omission of what hee proposed to say formerlie, and introductory to their bussiness, in ordr to their dispatch.

His Excell. bid him say on.

Then Mr Speaker desired that they might have free access to his Excell. person, a favourable construction putt upon their words, & be free from arrests, with the other priviledges of an Assembly.

His Excell. made ansr: You have all the priviledges of a house, But I must again mind you to provide a Clark to keep a Journall of yor votes and proceedings, & I doe expect Hee shall everie night, during your sessions, Let me have a Copie of the votes of yor house the preceding day. I wish you to Consider their maties' service, your owne safetie, & the prosperitie of the province ; which on my part shall be allways vigorously endeavoured.

Mr Speaker Replyed, They had provided a Clark. Then returned his Excell. thanks, and withdrew with the Representatives to their House.

His Excell. sent to Inquire of the Speaker, if hee believed their house wold have any thing to offer to his Excell. and Council this forenoon.

The Speaker sent in ansr, that hee did not know, & desired by the same messenger to have a Copie of his Excell. Comission, so farr as concerneth the power of assemblies; Which his Excell. Caused to be copied outt of the Originall by the Secrie, and sent unto them.

The messenger returning, told his Excell. that the Speaker told him hee believed they wold want a Copie of the whole, and that some of the representatives desired to see the originall.

His Excell. sent the same person to tell ym that they should have a Copie of the whole to-morrow morning; And if Mr Speaker wanted to peruse the originall in the meantime, It will be granted: provided, the person his Excell. sends it by be admitted to be present att his reading yrof, and bring the same back to his Excell.

Ordered, yt Patrick Robinson, Esqr., doe forthwith prepare a Copie of their maties' letters patent to his Excell. Benjn fletcher, for the perusal of the Assembly.

Adjourned till morrow morning.

[17th May, 1693.

Att an Assembly held att philadelphia On Wednesday the 17th of May, 1693.

PRESENT :

His Excell. BENJAMIN FLETCHER, &c.

WM. MARKHAM, Esqr., Livet. Gor.

Andrew Robeson, }
Robt Turner, } Esqrs.
Lawrence Cock, }

William Clarke, }
George Forman, } Esqrs.

His Excell. did acquaint the board, that ther wer two gentl. of the Council of Newyork in town, To witt: Chidley Brooke, Esqr., and Wm. Nicholls, Esqr.: That the Council of New york, by their Maties' Letters patents for the governmt. of this province & Countrey, have an interest in the governmt of this province and Countrey, upon his death or absence, & of the Comandr in Cheif Commissionated for Newyork; Therfor his Excell. is desirous that they be present in Council here, which was approved.

And his Excell. did send for them accordingly.

The Assembly sent some of their house to know if his Excell. wer at Leisure to receive them, Having something to offerr. His Excell. told ym that he waited for y^e Assembly.

The doorkeeper did acquaint his Excell. that Mr Speaker and the representatives did desire access, which was granted. Mr Speaker addressed himself to his Excell. & said :

May it please the Gor, The house having something to offer to the Gor, for the help of my memorie, have putt it in writing: may it please the Governor to Let me read it. Which was granted. Then the Speaker read :

To BENJN FLETCHER, Esqr., Capt. Generall and Governor in Cheife in and over the province of pennsilvania & Countrey of Newcastle, &c.

The humble address of the freemen of the said province and Countrey of New Castle, &c., in Assembly mett, sheweth :

That since it Hath pleased the king & queen that the absence of the proprietarie's personall attendance in this governmt should be supplied by thee, or by thy Livet., Wee, the Representatives of the freemen of this province and territories, with due respect to the power of thy Comission, and heartie acknowledgement of thy good will, care & tenderness to us, doe readily acquiesce with the king's pleasure therein, Earnestlie beseeching that our proceEDURE in Legislation may be according to the usuall method and Laws of this government, founded upon the Late king's Letters patents, Which we humblie Conceive to be yet in force ; And therefore, wee desire the same may be confirmed unto us as our rights and Liberties. And wee, with all faithfulness and sinceritie, doe give what assurance wee are capable of, in the present circumstances we are under, to answer the Queen's Lettr and thy request, according to our ability.

His Excell. made answer, That this address Hath been drawn up with much deliberation, and by the most Learned in their Countrey, and it cannot be expected that I can give you an Imediate ansr. I shall give you my answer in writting, But att present I must tell you, Gentl., You are verie much mistaken in alledging yor Laws to be in force, and at the same time, in yor present station, to desire a Confirmaon of ym. If in force, what need's my Confirmaon ? Consider by what power you are convened here : You are either a Law'll Assembly & Legally calld, or an Unlaw'll meeting att the best, & we are doing nothing. If the Laws made by virtue of Mr penn's charter be of force to you, and can be brought in Competition with the great Seal of England that comanded me hither, I have no bussiness here. There is therfor nothing Left for you but to own the king's authority, or disown it. There cannot be two establishments of government, in opposition to one another. I wold have you satisfied in that point. I have an abstract of yor Laws by me, & manie of ym are repugnant to the Laws of England. By yor Constitution formerlie, the people wer to Choose the provincially Council : The king hath allwayes the power of Choosing his own privie Council, which is reasonable, for he is the best judge who are Capable to serve him. By your former Constitution the people wer to Choose representatives, who were to have a negative voice in passing of laws, which is allwayes Lodged in the king, and for the present time granted unto me by their maties Lres. patents. By your former Constitution the people did present to the Gor a double number of Sheriffs, Justices of the peace, & I have the power of Commissionating & appointing officers, & manie other things in yor former constitutions and Laws, repugnant to the Laws of England, too tedious to enumerate ; which are altogether Contradicted by their maties' Letters patents. I doe understand that it is the opinion of the Learned in the Law, That the Revenue of the Crown ; The making of Laws ; The power of

Life & death; arming of the subject, & waging of warr; which wer granted to Mr penn, are the Reglia of the Crown & cannot be demised; as in case of an entailment, they are entailed upon the successor: you have heard of an entailed estate: the father is only tenant for life, & cannot demise it from the son; if he grant it for Longer than Life, it is void, & the son shall recover his estate. If there be anie Lawyers among you, they can informe you king Charles' grant of these things might be good to you during his life, becaus he might maintain his own act; But since his death they are become utterlie void. I wold have you advised of this point. These Laws and that model of governmt is dissolved & att an end: you must not halt between two opinions. The king's power and Mr penn's must not come in the scales together.

But gentl., As I said before, when you did present yor Speaker, If you doe propose anie Laws for yor owne Conveniencie and safetie, I shall readily Concurr with them, If they be not repugnant to the Laws of England.

Mr. Speaker Replyed. That he was a servant to the representatives, & and had not yet received their minds; but this one thing he durst venture to say for ym, That they had a good affection for the king & Queen, & wer sensible of the great duty that Lay upon ym, & as they wold not be wanting yrin, soe they wer willing to know that their former charter is in a Lawfull way att an end: king Charles the 2d granted the power by which the Charter was founded, which grant being undr the great seal, perhapps they may think that in Justice it ought to be maintained, being the king's grant.

His Excell. in answer said. I hope your affections to their maties are good. My Custome is to speak the thoughts of my breast, & wold believe so of everie man untill I find the contrary. I wold have you have a tender regard to yor dutie. The Question is short, either you must stand by their maties Comission for the govermt, or Mr. penn's Charter; for you see they are in opposition to one another. Consider what I have already said, and be resolved in this point. As for the propertie and the estate of the proprietor, you shall find me allwayes readie to advance his interest during my administraction. Gentl., I never sought to come here. I have enough to doe in the neighbouring province, wher I have a fronteer garrison & an enemy to Look after. I am come by their maties comands, and their government I will maintain, pursuant to their Letters patents. Therefore, pray Consider and dispatch an ansr. I am in haist to be gone upon their Majesties affairs.

Whereupon they withdrew. Two of the Representatives did signifie to his Excell. that their house wold have nothing to offerr this forenoon; That they wer desired by their house to ask a Copie of the Governor's Comission & his answer to their address, in writing.

The answer given in writing, by advice of the Councill, is as followeth: philadelphia, the 17th of May, 1693. Gentl., I have, with the Councill, considred yor address, and am sorry to find yor desires groundd upon so great mistakes. The absence of the proprietor is

the Least cause mentned in their Maties Lres. patents for their Maties asserting their undoubted right of governing of their subjects in this province; there are reasons of greater moment, as the neglects and miscarriages in the late administration: The want of Necessarie defence agt the enemy & danger of being Lost from the Crown.

The Constituton of their Maties govermt & that of Mr. penn's are in a direct opposition the one to the other. If you be tenacious in sticking for this, it's a plain demonstration (use what words you please) that indeed you declaine the other. I shall readily concur with you in doing anie thing may conduce to yor safetie, prosperitie and satisfaction: provided yor requests are Consistent with the Laws of England, their Maties Lres patents, and the trust and Confidence their Majesties Have reposed in me. Time is verie precious to me. I hope you will desist from all unnecessarie debates, and fall in earnest upon those matters I have already mentioned, & still have to recommend to you, and for which you are principallie Convened together. Signed by his Excell. Order.

DAVID JAMISON, Ck. Concily.

His Excell. did deliver this ansr in writting, with the Copie of his Comission, to Mr Jamison, and ordered him to deliver it to the speaker, and to tell the Speaker from his Excell., that hee had sent them an attested Copie of his Comission for their satisfaction: That his Excell. had made many steps of Condescention to them which he had not done in another govermt, & was not presidentiall, that they might have no hindrance nor obstruction in their maties' service. The Question is short, whether they wold owne their Maties' Lres patents, or Mr penn's Charter. That his Comission was recorded with the Secretarie, where they may have recourse to it, and that hee expected they wold return that Copie when they had perused it. Which was accordingly performed by Mr Jamison, and the Councill adjourned till foure a Clock afternoon.

POST MERID.

Att a Councill Held att philadelphia the 17th of May, 1693, 4 a Clock afternoon.

PRESENT:

His Excell. BENJAMIN FLETCHER, &c.

WM. MARKHAM, Esqr. Livet. Gor.

Andrew Robeson,

Robt Turner,

Lawrence Cock,

Wm. Salway,

} Esqrs.

John Cann,

Wm. Clarke,

Geo. Forman,

} Esqrs.

His Excell. ordered Mr Jamison to wait upon the house of representatives & Signifie the Gor. and Councill wer mett, and no other thing before them than to receive what they had to offer, & desires to know if anie thing might be expected from ym this evening; Which was done.

Mr Speaker's ansr. was, that they had agreed upon something, to his Excell. shortlie to be offered.

An Houre after his Excell. ordered Mr Jamison to goe again to the house of representatives, & to tell Mr Speaker that his Excell. had tarryed a Long while, & desires to know if hee might expect anie thing from them this evening; Which was done.

Mr Speaker's answer was : something hath happened of difficultie before them, which occasioned some debate & hath taken up some time, but now is over; wee are come to a conclusion: If the Governor will tarry one half houre, He beleived they wold be readie to wait upon the Governor: perhapps within a Quarter of an houre.

The doorkeeper did inform his Excell. yt Mr. Speaker and the representatives did desire access; which was granted. Mr. Speaker said :

May it please the Governor, there happened some difficultie which occasioned some debate amongst us; Wee are now come to a Conclusion: Wee ask that the Gor will excuse us for making soe Long stay. Wee hope that this matter being over, wee shall proceed to give satisfaction to the king & Queen's demands & thy desire. Wee have agreed to two votes, which are in writting, for the help of my memorie. I cannot much Commend our Clarke; please, Gor, to excuse that it is not writt fair over.

His Excell. Mr. Speaker, if you Leave it with me, I will cause writt it fair over.

Mr. Speaker. May it please the Governor to Let me first read.

His Excell. You may.

Mr. Speaker read: philad. y^e 17th of y^e 3d Mo., 1693. It was putt to the Question, whether it be the opinion of this house, that wee may saffie act in Legislaon in Conjunction with the present Gor, according to the king's Letters patents. Carried in the affirmative, Nemine Contradicente.

It was also putt to the Question, Whether the following clause be added to the Last vote, provided, that the aforesaid Resolve may not be Construed, deemed or taken to our prejudice, but that wee may have the benefit of being governed by the Laws & constitution of this government, so farr as is consistent to the tenor of the king's Lres patents to our present Gor Fletcher, and that our proceedings therein is in Conformitie to the king's pleasure, and not the Least apprehension of anie forfeiture of our rights.

Resolved in the affirmative, Nemine Contradicente.

His Excell. Mr. Speaker, & you gentle., To yor first vote you have been a Long time in answering a plain Question, but have come to a Conclusion att Last. I am glad that you have agreed to submit to their maties govermt with a nemine Contradicente.

To the second part I must take some time to consider before I can give you an ansr; please Sir, to Leave the paper with me. Gentl. you shall find me alwayes stedfast to what I promise you; That is, when you have Considered to draw up what Laws may be for your Conveniencie and safetie, provided they be not repugnant to the Laws of England and their maties Lres. patents, I shall be readie to give them that sanction which their Maties have Impowred me to give. But in yor former Law book I find sundrie Laws that are altogether

repugnant to the Laws of England, and seem to supersede them, viz : the 9th Law, Sodomy & Bestiality; 10th Rape; 16th burning of houses; 96th stealing of hogs & other Cattell; 109th estates of persons deceased; 117th manslaughter; 116 marriages; 171 Mr. penn's person. I am informed there is a person amongst you brought up in the Law in England, who can inform you. Therefore, you must not expect that I will pass those Laws into acts.

Mr. Speaker. May it please the Governor to give us a list of these Laws the Governor is pleased to think repugnant to the Law of England.

His Excell. you may have it. Gentl. Besides what I have already offered unto you, There is an Act agt pyrats and privateers, with Limitaon of time for their coming into the province, & entring into bonds for their future good behavoeur, which was drawn in England & sent with me to be enacted in Newyork : pirates and privateers may become good men att Last, and the design of that Law is to draw them from their evil courses, and they may become good subjects & inhabit amongst us, to help our governmt : It is enacted in Newyork : there needs no other alteraon than the alteraon of time for their coming in, & in the name of the province ; you may Lengthen the time as you find most for yor good. I hope it will meet with no opposition.

There is also another thing which I recommend to you, which no person I believe will object agt, & that is the settling of a post office, which is intended to continue by Land from Virginia to Boston in Newengland ; It will be a great Convenience to all trading men, & a satisfaction to everie one. It was recommended to me by the Queen's Letter to be promoted in Newyork, and is settled there, and in New England, by act of Assembly. Here is a Copie of the Queen's Letter & manner of its settlement, for yor perusall.

Mr Speaker. May it please the Gor. to Let us have the perusall of those things that relate to our priviledges & Liberties, that we may have them under our consideration along with these things.

His Excell : you shall have ym. & I will readilie concur to anie thing that may not be repugnant to the Laws of England & the trust committed to me by their maties Lres. patents.

Mr Speaker. May it please the Governor, Wee hope ther will be a good agreement, and we will endeavour to give satisfaction to the king and queen's demands, and the Governor's desire. Wee are readie to show our good affection.

His Excell. I am glad to hear that you are so well inclined, and that you have gott over that rubb that was in the way ; you shall allwayes find me according to my word, and I wold have everie man soe. Therefore, putt away all jealousies, that wee may go on cheerfullie and Unanimouslie in those affairs for which you are Cheiflie Concerned, without loss of time.

John White. May it please the Gor to give me leave to speak one word : There is one thing more which may have escaped the Speaker's memorie, and that is, To ask thee to grant that when there doth arise anie doubt or question amongst us, The Gor will grant us

that some of the Councillors may be appointed to Confer upon such doubts and questions as may arise.

His Excell. Mr. White, Its not a man of words, noise and contention, that I affect, but a man of sense, gravitie and discretion, that knows how to propose things in due time and manner: When there is occasion to resolve anie doubt or question, or to explain anie misunderstanding, When I shall be made acquainted yrof by the Speaker, I shall be allwayes readie to appoint a Committe of the Council for that purpose.

Mr. Speaker. May it please the Gor to excuse this man, for it was discoursed of some time this day in our house, though if I remember right, it was not given me in charge with the other things when I came out.

His Excell. It is well, Mr. Speaker. Gentl., I wold have you to make what dispatch you can of what I have given you in charge. I hope ther will be a good understanding betwixt us. I wish you well.

The Speaker & representatives withdrew.

To Benjamin Fletcher, Capt. Generall and Governor in Chief in and over the Province of Pennsylvania and Countrey of New Castle, &c.

Wee, the freemen of the sd Province & Countrey in generall assembly mett, humbly Shew :

That Whereas, the Late King Charles the 2d, in the 33d year of his reign, by his letters patents under the great Seal of England, did for the consideraon therein mentned, grant unto Wm. Penn & his assigns, this Colonie or tract of Land, thereby erecting the same into a province, calling it pennsylvania, and Constituting the sd Wm. penn absolute proprietarie of sd province; (saving amongst other things the sovereignty thereof;) Thereby also granting unto the sd Wm. penn, his deputies or Livets, by virtue of the said Royall Charter, full, free, & absolute power, by and with the assent of the freemen of the sd province, to make, enact, and publish any Laws whatsoever, for anie end, appertaining either to the publick state, peace, or Safetie of the sd Countrey, or unto the private utilitie of particular persons, according to their best discretion; Which Laws, so as aforesaid made and published, the sd Late King did by the same enjoyn, require & command, should be most absolute and available in Law, and that all the Leige people and subjects of the said Late king, his Heirs & successors, should observe and keep the same inviolable in these parts; But that the Laws for regulating & governing propertie within this province, and Likewise as to felonies, might be & continue the same as they should be for the time being, by the generall course of the Law of England, Untill the said Laws should be altered by the sd Wm. Penn, and by the freemen of the said province, their delegates or deputies, or the greater part of them: And to the end the sd Wm. Penn or the inhabitants of this province, might not att anie time thereafter, by misconstruction or colour of the powers aforesaid, or by pretence of the said Laws thereafter to be made, should thro inadvertencie or design, depart from that faith or allegiance which by the Laws of England they and the king's Subjects in his dominions allwayes owe to him, his heirs & successors, Hee the said Late king, did by his sd Lrs patents, declare it to be his will & pleasure, that a duplicate of all the Laws so as aforesaid made & published, should, within five years after the making thereof, be transmitted and delivered to the king's privie Councill for the time being; and if anie of the sd Laws within the space of six Mo's. after (by the said king, his heirs or Successors, or his or their privie Councill,) inconsistent with the Sovereignty or Laull prerogative of the sd king, his Heirs & Successors, or contrarie to the faith and allegiance due to the legall government of England from the said Wm. penn, or the planters and Inhabitants of the said province, and that therupon any of the sd Laws wer adjudged and declared to be void by the said

king, his heirs & successors, under his or their privie seal, That then, and from thenceforth, such Laws concerning which the said Judgment and declaracion wer made, should become void, otherwise the Law so transmitted should remain and stand in full force, according to the true intent & meaning thereof; By virtue of which Letters patent, and pursuant to the powers, provisoes, and Restrictions therein specified, divers reasonable and wholesome Laws wer made, transmitted and presented to the said King and privie Councill: And wheras, the King and Queen that now are over England, &c., by their Lres patents, under their great Seal, dated the 21st of Octobr, in the 4th year of their reign, having for the reasons therin mentioned, taken the government of this province and Countrie into their owne hands, & under their immediate care & protection, did think fitt to constitute and appoint thee, the sd Benjamin Fletcher, to be their Capt. Generall & Governor in Chiefe in & over the same, Thereby requiring thee among other things, to doe & execute all things in due manner that shall belong to thy command & the trust reposed in thee by the sd King & Queen, according to such reasonable Laws & Statutes as then wer in force, or thereafter should be made and agreed upon by thee, with the advice and consent of the Councill & Assemblie of this Countrie.

Now, forasmuch as the Laws of this govermt soe made & transmitted as aforesaid, Have not been hitherto adjudged or declared, (either by the Lato king & Councill, or by his Successors, the sd king & Queen, and their Councill, under his or their privie Seal,) to be void, soe that such of the sd Laws as wer not discontinued or repealed by the Legislative authoritie of this govermt are still in force. And seeing it hath pleased the king & Queen so tenderlie to regard the happy govermt and comfort, as well as protection of this province & Countrie, as to Conserve these our Laws and Constitutions, so fittlie accommodated to our circumstances, with respect to tender Consciences, as well as Commerce and Cultivation, Wee can doe no Less than with gratitude & sinceritie acknowledge their Royall bountie and peculiar favour therin, Earnestlie desiring that thou wold be pleased, according to the Tenor and most favourable direction of thy commission, to govern us & cause the administraction of Justice within this govermt to be agreeable with these following Laws, which are now in force, as aforesaid, Viz :

Signed in behalf of the House.

JOS. GROWDON, Speaker.

His Excell. Mr Speaker, Leave it with me. This is a tedious bussines and all to no purpose: where are the rolls of this Laws? You have brought me no Bill; And I am informed that these Laws wer never transmitted to the king, nor confirmed by him. This is now the tenth day of your sessions, and all you bring me is a List of titles.

Mr Speaker. I doe conceive Some of our Laws wer enrolled & presented to the king, & the king and Queen doe allow that wee have reasonable Laws, in the Govrs Comission.

His Excell. You have the Queen's Letter with you for a supply towards your defence, and I doe not see that you have done anie thing in Compliance therewith. I must begone and Leave you, Since I

find you have no regard to their Maties' interest. I must give their Maties an accompt of the truth as I find it.

Mr. Speaker. May it please the Gor not to be offended with me. There might be a mistake of the Clarke in writting a word in the votes the night befor Last, wher the house had under consideraon to give some monie to the Late deputy Governor Lloyd & to Gor Markham, and the remainder to the Governor. It was no disrespect to the Gor. that the Governor was Last named.

His Excell. Mr Speaker, I never took notice of anie personall abuse of that nature; you mistake me, if you think me of the opinion and humor of some that have been Latelie in authoritie here, to use the power and dignity their Maties have conferred upon me, above other men in a personall abuse. I did not take anie notice of it, some others that see them were pleased to doe. I come here to serve their Maties by their Command; am Concerned to see the time goe away and nothing done.

Mr Speaker. May it please the Governor, John the Baptist came before Jesus Christ, and yet hee said hee was not worthie to Untye the shose of him that cometh after; wee doe not think that either the Late deputy Gor or Livet. Gor Markham is near so great as the Governor. Thou must not therfore take it amiss of us, for wee truelie honor thee, & will take care to ansr the king & Queen's demands. Governor, ther was a Remonstrance which wee did offer formerlie to the Governor, and the Governor did reject the same; wee have made some alteraon & doe now offerr it.

His Excell. You are mistaken that I did reject it. I did onlie advise you as yor friend, to withdraw it, having used some scurrilous terms, as false suggestions, &c., which might no wayes tend to yor interest, but hurt when seen at Whitehall; you may read that.

To BENJN FLETCHER, Esqur., Captain Generall & Governor in Cheif in and over the province of pennsylvania and Countrie of Newcastle, &c.

The Remonstrance of the freemen of the said province and Countrey, in Assembly mett, Humbly Sheweth:

That having with all dutieful respect read and Considered the Governor's answer to our address this morning, Wee in ansr. thereunto, with submission say: Wee conceive that our desires wer not grounded on mistakes in relation to the proprietor's absence; But as to the other clause mentioned by the Governor of their maties asserting their Undoubted right of Governing their subjects in this province, &c., Wee with all readines and Cheerfullnes own accordinglie to be the right of the king & Queen, whois prosperitie and happie reign we heartlie desire.

And as to other reasons rendred for the superseding our proprietor's governancie; Wee apprehend they are founded upon Misinformations; for the Courts of Justice wer open in all the Counties of this governmt and Justice duely executed, from the highest crimes of Treason & murder to the determining the Lowest difference about propertie, befor the date or arrivall of the Gors Comission. Neither doe wee apprehend that the province was in danger of being lost

from the crown, although the government was in the hands of some whois principles are not for warrs. And wee Conceive that the present governancie hath no opposition, (with respect to the king's government here in generall,) to our proprietarie Wm. penn's, tho' the exercise of thy authoritie att present supersedes that of our said proprietaries. Nevertheless, wee readily own thee for our Lawfull Governor, saving to our selves and those whom wee represent, our and their just rights & priviledges. Signed on behalf of the house.

JOS. GROWDON, Speaker.

17th of 3d Mo. 1693.

His Excell. Gentl., The word (misinformation) is verie Unmanly: their Maties are not misinformed. I could now wish you had offered no such thing: notwithstanding your possitive assertion of misinformation in relaon to the govenmt of this place, I doe affirm that many and most of yor Laws are not consonant to the Laws of England, nor have they been duly executed: some Criminalls have Lain years in prison for want of execution, & manie Instances can be given. I find the province in no Securitie. It is obvious to anie discerning man, that Less than 500 Souldiers may reduce it in as Little time as they can march through it. If it should please God that their Maties' forces (as I hope) have taken Martinicoe, Wee must expect that such a great prince as the king of France will endeavour a Reprisall, unless wee can beat him outt of paris. It will goe hard with him before he putt up such an affront, and he will allways make his first impression where there is Least defence. Nevertheless I will doe anie thing in my power for the renovation or Confirmaon of anie Laws that are consonant to the Laws of England. I will consider and advise with the Councill concerning this paper of titles. In the meantime, I will desire you to go on with the other affairs: I would have you to dispatch the settling the post office; It is a Comon good to everie one, and will save us the charges of sending expresses to our neighbouring provinces: also, the act agt privateers which none can object against.

Mr. Speaker and the Representatives did withdraw.

His Excell. with the advice and consent of the Councill, ordered Mr. Jamison to tell the Speaker in the House of representatives, that they have considered what they did offerr this day in Councill Concerning Laws. That his Excell. was readie to pass anie Laws not repugnant to the Laws of England; That this is the tenth day of their sessions, and what is offered is onlie a list of titles. It cannot be expected that his Excell. can goe blindfold to order the exucion of Laws that doe not appear to him; Therefore, desires they will send him the rolls of these Laws they have mentioned, and whether they doe proceed upon the post-office and bill agt privateers, or when they doe intend to proceed.

Mr. Jamison returned in ansr.: That the house was adjourned for an houre, and were gone to inquire of the Mr of the rolls for the Laws.

Adjourned till 3 a Clock afternoon.

POST MERID.

8 a Clock afternoon, the 24th of May, 1693.

PRESENT:

His Excellency BENJAMIN FLETCHER.

WM. MARKHAM, Esqr., Leivt. Governor.

Andrew Robeson,	} Esqrs.	Wm. Salway,	} Esqrs.
Robt Turner,		Wm. Clarke,	
Pat. Robinson,		Geo. forman.	

Ordered, that Mr. Jamison doe deliver his former Last message, and doe ask Mr. Speaker to return his Excell. Copie of his Comission and bring it with him.

Mr. Speaker made ansr, That they have examined and find but some rolls, That Livet. Governor Markham was Secretarie, and he hath a book of Laws which they have much regard to, and also, that they did believe they might find with him the original bills; they have now sent some of their House to Inquire for ym, whom they expect. It were hard to suppose that these Laws they have acted by should be void, for the officers neglect in not enrolling them.

Mr. Jamison replied: That his Excell. did not blame this House for the want of them rolls, nor mean to charge any person with the neglect att present; but that his Excell. conceives that these Laws might have by this time been got readie in new bills, to be offered for his sanction, that they may be enrolled for their use.

Mr. Speaker said: He believed their Laws wer good, notwithstanding the officers neglect.

Mr. Jamison said: His Excell. did order him to enquire if they did proceed upon the post office and Bill agt privateers, or when they intended to proceed.

Mr. Speaker ansred: That the Bill for the post office was once read in their house, and hee found no objection agt it amongst the members.

Mr. Jamison said: His Excell. does expect that Mr. Speaker will send back the Copie of his Commission.

Mr. Speaker answered, that the Govr had asked one of the members of the house for it formerlie, but that att the time hee had forgot to mention it in the house: it should be returned.

Mr. Jamison said: His Excell. doth expect that I bring it along with mee.

Mr. Speaker: it shall be returned by those who shall bring up the Laws.

Edward Bleake, Samll. Carpenter, david LLoyd and John White, from the house of representatives, came with a book of Laws to his Excell. and Councill, and did offer it as a true Copie; That they did believe Livet. Governor Markham and some others of the Councill could inform the Governor that of their certain knowledge these wer the Laws they had proceeded by in the governmt, and desired that a Committee may be appointed to Confer with a Committee of the representatives concerning those Laws that wer returned in the List of titles given in this day.

His Excell. told them, Hee could take no notice of that book unless it wer attested for a true Copie by the Gor, secretarie, or Mr of the Rolls: these scripts of paper are handed about from one to another, and everie one may alter them att pleasure.

Mr Lloyd. May it please the Gor, I did see some of those Laws, & doe know that they wer delivered in to the privie Councill by Mr penn: & being no wayes disallowed, they must needs be of force.

His Excell. This is the first time I have heard of that, nor doe I conceive it to be true. By the king's Lres pattents, yor Laws are to be made, ordained & published under Mr penn's seal, & these condions are not performed: you cannot produce me one Law soe enacted.

John White. May it please the Governor, wee are but poor men & of inferiour degree, and represent the people, and wee cannot have the boldness to say to the Gor freeilie, becaus thou art soe farr above us, & putts an awe upon us. Wee wold willinglie be resolved of this point, that we may be ready to doe the other part which perhaps may be ended in hours & not take up dayes; But it's hard that all our proceedings in Courts of Judicature, &c. are grounded upon no foundation, having no Law, then consequentlie void, & all for want of forme.

His Excell. That may be easilie Salved with two lines of an act, which I will readily pass.

Mr White. May it please the Governor to heare me speak the truth of the matter. This is our difficultie: We durst not begin to pass one bill to be enacted of our former Laws, Least by soe doing wee declare the rest void, & of no force nor validitie, which will be of dangerous consequence; and therefore, wee desire to be at some Certaintie in this matter: If we can get over it, I hope wee shall quicklie come to a period, and therefore desire a Committee may be appointed to Conferr with us upon our doubts and objections.

Ordered, Wm. Markham, Esqr., Livet. Governor, Andrew Robeson, patrick Robinson, Wm. Salway and Wm. Clark, Esqrs., be, and they are hereby appointed a committee of this board, to join a Committee of the house of representatives, to Concerte of the paper containing the List of titles of Laws delivered his Excell. by the Speaker this day, and to advise what may be proper to remedie the former neglects & remove the doubts that have arisen amongst the representatives upon his Excell. ansr to sd paper.

Ordered, that George Forman, esqr. doe carrie a Copie of this order to the house of Representatives, and desire that the Speaker will appoint a Committee of that house to join the Committee of the Councill att the house of Coll. Markham, at 8 a Clock morrow morning accordinglie.

[25th May, 1693.

Att a Meeting of the Comittee of both houses att the hous of Livet. Governor Markham, on Thursday the 25th of May, 1693.

PRESENT.

OF THE COUNCILL.

REPRESENTATIVES.

Joseph Growdon,
John White,
Edward Blake,David Lloyd,
Samll Carpenter,
Cornelius Empson,James Fox,
John Brinkloe,
John Swift.

Livet. Governor Markam. Gentl., You have desired a Committee should be appointed to concerte with you upon some objections and doubts arisen upon the paper Containing the List of titles of Laws, & his Excell. answer therunto, for which reason wee are now mett.

Mr Speaker. Wee have manie reasons to believe that our Laws are of force, but shall only mention this; That these manie years wee have exercised the government by these Laws, & are in the enjoyment of them; Wee know them to be our Laws, and wee know & can prove that Wm. penn caried the greatest bodie of them to England, & conceive they were delivered to the king, and never declared void: and as to the rest of our Laws, the time Limited in the Letters patents for transmitting of them is five yeàrs, which is not yet expired; and as to yor objection that they are not enrolled and undr the Seal of the proprietarie or his deputie, wee say that is not necessarie to the making of Laws, but they are onlie Ceremonies, and you have been active as well as wee in executing these Laws, tho without the Seal, and therfore, wee pray they may be allowed to be of force as our right.

Mr White: all the Laws that wee pretend to are 203, wherof 174 were made while the proprietarie, Wm. penn, was here in person. Wm. penn had sufficient power to make these Laws, and Livet. Governor, You wer present att the making of ym, and if any thing wer amiss you are concerned.

Livet. Governor. I was present att the making of them all.

Mr White. All except about twelve or thirteen.

Livet. Governor. I was not secretarie all that time when the Laws wer made, but att the making of a few of them.

Mr White. Those Laws were caried home to England by Wm. penn, and by him presented to the king, or his privie Councill, which wee are readie to prove, and the king did not within six months declare them to be void: Therfore, they are our Laws, and wee have had the peaceable exercise and enjoyment of them; and some of you that are of the Committee of the Councill have sitt upon the Bench, and given Judgment of death by these Laws; wee are in the possession of ym & say they are good and of force. Wee desire you to prove that they are not good.

Livet. Governor. Wee are not to prove the negative, you are to prove the affirmative, becaus you produce none.

Mr White. Wee have our Laws here; And wee now put it to the Livet. Governor to say whether hee hath not the originall bills.

of these Laws in keeping, as formerlie secretarie of this province. Wee are willing to have them compared with these bills; wee know ym to be true Copies; wee are readie to prove that they wer passed into acts.

Livet. Governor. I owne that I have the Bills by me, and doe believe that book may be a true Copie, and all which you have alledged may be answered in one word, but goe on and say what you have to say.

Mr Loyd. That is all wee desire, if these be the Laws that wer enacted; Wee came not here to dispute the forme and validitie of the Laws by the want of a seal, or their not being Legallie published; But whether these be the Laws or not that wer made and published, which you confess; See the matter is att an end.

Livet. Governor. Have you anie more to offerr.

Mr. Speaker. Doe you call us in question by what authoritie wee doe use these Laws, when you have jointlie along with us executed them?

Mr Lloyd. Who can be Judge whether these Laws be in force or not. None can be Judges but those that made them, since ther is no order from the king and Council declarring them void; wee desire that they may be put in execuon. It wer hard that the want of the affixing a Seal, or some such other Ceremonie, should destroy our Laws. And if wee allow this att present wee must expect it for the future, That everie new Governor, finding fault with some omission or another in the making or publishing of our Laws, will declare them void, which is of evil Consequence, and wee doe not know that ever wee shall have more Laws.

Livet. Governor. Have you anie more to offerr.

Mr. Speaker. Wee have, But this may suffice att present; Saving to our Selves the making farther ansr and defence when wee shall hear what is offered agt our Laws being in force, Which wee desire to hear.

Patrick Robinson, Esqr. Gentl., You have desired his Excell. to Cause the officers to putt in execuon the Laws contained in this List, and have made a Large preamble or Introduction to this desire, wherein you have been Unfair in repeating the words of the Charter. In your paper you say: ["also granting unto the said Wm. penn, his deputie or Livets, by virtue of the said royall charter, full, free & absolute power, by and with the assent of the freemen of the said province, to make, enact and publish any Laws whatsoever, for anie, and appertaining either to the publike state, peace, or saftie of the said Countrie, or unto the private utilitie of particular persons, according to their best discretion."] Whereas, the 4th paragraph of the Letters patents is in these words: ["And for as much as wee have hereby made and ordained the aforesd Wm. penn, his Heirs and Assigns, the true and absolute proprietors of all the Lands and dominions aforesaid; know yee therfore, that wee, reposing speciall trust & confidence in the fidelitie, wisdom, justice and provident circumspection of the said Wm. penn, for us, our heirs and Successors, doe grant free, full and absolute power, by

"virtue of these presents, to him & his heirs, to his and their deputies and Livets, for the good and happie government of the said "Countrie, to ordain, make & enact, & under his and their Sealls to "publish anie Laws whatsoever for the raising of Monie for the publick uses of the said province, or for anie other ends appertaining "either unto the publick state or safety."] Where it is plain that your Laws ought to be published under some seal, either of Wm. penn, or of his deputie or Livet., which is the defect you now lye under, and wold Conceale. None of those Laws (you desire may be putt in execuon) wer ever SOE published, nor are to be anie where seen or found, nor is there anie standard of such Laws to be produced to his Excell. for his approbation. You have books of Laws, & so have I, but they are not attested by any officer for true Copies, and there are not any originall rolls under seal to compare them with, Which is manifest to you all. You doe Likewise alledge that the greatest bodie of Laws wer transmitted & presented to the Councill by Mr penn, which is a doubt. But if they wer, it will signifie nothing; for as they are to be published under seal, so also wer they to be transmitted under seal: paragraph 7th: ["Our further will and pleasure is, that a transcript or duplicate of all Laws "which shall be SOE AS AFORESAID made and published within this "province, shall, within five years after the making therof, be transmitted & deliver'd to the privie Councill for the time being, of us, "our heirs and Successors; and if anie of the sd Laws within the "space of six mo's after that they shall be soe transmitted & delivered, &c."] (Soe transmitted) is under seal Soe as published, and if never published under seal, consequentlie never soe transmitted. You must not think to claim that of right wch is meer grace.

Their Maties are tender of their Honour and interest in forreign plantaons, and take care to prevent their alienaon from the Crown, by appointing such methods of governmt in their Letters pattents as may be most for their preservation, which they expect shall be punctuallie observed. The Seal is the soule and Life of the Laws, as you find by the charter, and was never affixed to them, or anie of them. Wee are readie to hear you offerr anie thing to the contrarie. Also, by your own confession, manie of your Laws are not transmitted, and manie or most of them dissonant to the Laws of England; wheras, his Excell. is commanded to pass such Laws as are as neer as can be, agreeable to the Laws of England.

Mr Speaker. It is not an injunction to affix the seal, but a Leave of a thing given to Gor penn, as a mark of favour, which hee may use if he please, but there is no obligaon to use the seal. It is onlie a Ceremonie; and so sayes over again what hee said before.

Leivt. Governor. Mr Speaker, neither does the king enjoin the making of Laws when hee gives the power of making them, But when this power is exerted by you, It ought to be done in the manner the king directs, becaus you have not power to make ym otherwise.

Mr Lloyd and Mr White repeat their former arguments, and al-

ledge that the sealing is not materiall to the making of a Law, but the consent of the Governor, Councill & assembly.

Mr Andrew Robinson. The agreement of the Governor, Councill, and people, to the passing of a Law, is but like a deed drawn by articles of agreemt, which is no deed untill it be sealed and delivered, tho attested by the parties' hand.

Mr White acknowledged there may be defect in the officers, one or other, but we cannot tell but they may be enrolled and sealed somewhere or other ; perhapps they may. Wee know these are our Laws, and wee have executed them, and it will runn us all into confusion, & all our acts of govermt and proceedings in Courts of Judicature must be condemned, if wee allow the Laws are not of force and in being.

Mr pat. Robinson. *de non apparentibus et non existentibus eadem est ratu.*

Samll Carpenter. If now they are our Laws I will stand by them. I had rather Loose all I have in the world than part with our Laws.

Mr White. It does not appear that the Laws were to be made under the seal, onlie to be published under the seal ; therfore, they were made by a good authoritie, and if any thing be wanting it is not our fault who made them, & we ought not to sufferr by the neglect. The fault may be remedied.

Mr Lloyd. I am surprized the members of Councill, who have a joint interest with us in the province, and have acted by these Laws and satt in Courts of Judicature, should speak agt their validitie. Our priviledges are yours.

Andrew Robinson, Esqr., Chiefe Justice. Gentl., wee are well satisfied it is so, & heartilie wish the prosperitie of the province in everie respect; But it is all our duties to know the strength and Validitie of our Laws, that the ministers of Justice may be satisfied of the validitie of their Laws, and that they proceed upon good grounds; and also, that the people may be satisfied of the Justice executed, and what they must expect if they transgress.

Mr pat. Robinson. Gentl. His Excell the Governor has a tender regard to this province & the peace of the people therin ; But you must Likewise consider that hee must be tender of the prerogative of the Crown. Hee hath come hither by their maties' comands, not of his owne seeking. I am verie well assured that notwithstanding all this wee have heard in this meeting, His Excell. will goe as farr as may be to serve the province in bringing all to rights. His Excell. cannot agree to the execuon of any Law that is repugnant to the Law of England, therefore I wold advise you to Look over again that List of Laws, and consider with yourselves what may be for your owne peace and benefit ; I am pretty well satisfied you may order the List so as that his Excell. will agree that the Laws therin contained shall be executed by the officers in the government, untill his excell. shall receive orders from their maties concerning the same. But this I must tell you, that you must not think to offerr that Law concerning wrecks, for his excell. has a particular Comission for

Vice admirall, which reaches this province and the three Lower Counties.

Mr Speaker. We are well satisfied to doe this; wee matter not the Law of wrecks; Believe that will make no rubb. Wee desire you will be pleased to request this of the Governor.

The Committee having drawn up their answer to the remonstrance, do sign it, and afterwards present it to his Excell.

The Council's answer to the representatives' remonstrance, philad. the 26th of May, 1693.

Whereas, the Governor hath been pleased to appoint us a Committee of the Council to give our opinion of the remonstrance delivered to him by the assemblee, Wee having mett & considered the same, do with submission deliver our sense, That whereas the assemblee do say: That they "conceive that their desires wer not grounded on mistakes in relation to the proprietor's absence. Wee conceive it was Because they do earnestlie beseech that their proceedings in Legislation may be according to the usuall methods and Laws of this governmt, founded upon the Late king's Lres patents, desiring the same may be confirmed unto them as their rights and Liberties;" The which themselves have overthrown & declined, by their choosing representatives to serve in assemblee according to the Governor's writts, founded on their Maties' Letters patents, before they did ever assert or insist on their former methods or frame of government. And whereas, they say that they "doe wt all readiness and cheerfullnes owne accordingly to be the right of the king and Queen." But they do not mention king Wm. & Queen Mary, which wee conceive to be a great Omission, if not a slight putt upon ym. And whereas, they say that they "apprehend the reasons for the Superseding the proprietor's governancie are founded on misinformations, for that the Courts of Justice wer open in all the Counties of this governmt, & Justice duly executed." Wee do say that wee can instance in severall particulars where justice was delayed, if not denied, & therfor not duly executed. And whereas, they say, that they "doe not apprehend that the province was in danger of being lost from the Crown." To which we ansr, That wee do not know of anie care that was taken for the defence therof.

John White and Edward Blake, from the representatives, brought up the former 13 bills, signed by the Speaker.

His Excell. told them that their house had not treated him well: That they had not sent the votes of their House these two nights by

past : That he hath not found in anie of their votes the Least mention of these bills they have surprised him withall, and desired their dispatch of their Maties affairs.

John White repeated the former excuses for their delay, and told his Excell. that there were revolutions in government of Late, and tho' they were conscious of no guilt, yet it wold be Convenient to pass an act of oblivion.

His Excell. replied, That he was sensible of a great manie neglects and abuses that wanted reformaon, particularlie their Laws not published under Seal nor enrolled : That hee had offered to sett them to rights, and to grant ym anie thing which might be consistent with the laws of England and their Maties Letters patents, but they have slighted his offerr, and had the boldnes to justifie ymselves in everie thing.

Ordered the reading of the thirteen bills. The 13 bills being three times read, Ordered that pat. Robinson, Esqr., doe acquaint the House of representatives that these bills are read over, & his Excell. expects what they further intend to offerr.

James Fox & Cornelius Empsom, from the hous of representatives, brought up 18 bills Signed by the Speaker, amongst which a bill for erecting a post office and a bill against privateers.

POST MERID.

Att a Councill held att philadelphia the 31st of May, 1693, post meridiem.

PRESENT :

His Excell. BENJAMIN FLETCHER, &c.

Robert Turner,		William Clarke,	
Pat. Robinson,		George Forman.	
Lawrence Cook,			

John White, david Loyd, Samll. Carpenter and Edward Blake, from the house of representatives bring in and offerr the Bill of supplie for the government, which they say is read two times in their house, but not passed, and desires to know what is become of the other bills they have sent up; whether they are passed or not, or what amendments are made, &c.

His Excell., Gentl., This is no bill. I will not look upon it untill it be passed y^e house & signed by the Speaker. I have sent you word formerlie that the Speaker was to cause be wrote under each bill : "This bill being three times read, is assented unto by the "House of representatives and ordered to be transmitted to the "Governor and Councill for their assent thereunto; and then signed "by order of the house : his name." But this you will not follow becaus bid to doe it.

Mr. White. May it please the Governor not to take it amiss that the representatives are desirous to know what is become of the other bills, ere they proceed to the passing of it: They Judge it the practice of the Comons of England and their right, therefore pray Governor excuse it and peruse the bill.

His Excell. Gentl., If you did design to Compliment me with the sight of this Bill before it was passed yor house, you might have followed other measures. I can take no notice of it here untill it come signed by the Speaker & past the house. I will not Looke upon it.

Mr. Lloyd. To be plain with the Governor, here is the Monie bill, and the house will not pass it untill they know what is become of the other bills that are sent up.

Mr. White. May it please the Governor, The house doe not know but those bills the Governor may see Cause to Lay aside may be the bills they putt the greatest value upon, therefore pray thee to excuse it, and Condescend to them in that thing.

His Excell. Gentl., You have not dealt fairlie by me; you have no candor; you have sitt these fifteen dayes & nothing done: no vote mentioning those Laws ever came to my hand untill you surprize me with 13 bills; & again more, some of which are directlie opposite to their Maties Lres patents. I came not here to make bargains nor expose the king's honour. I will never grant anie such for all the monie in your Countrie. You have had her Maties Letter before you, and Let the house Consider what they are doing: I must be accomptable at whitehall for everie thing that is transacted here in this assembly. I shall be sorrie if I can be able to give you no better character; and in short, you must expect to be annexed to New yorke or Maryland. I will not Look upon the Bill untill it will be three times read & signed by the Speaker.

The Representatives did throw down another bill upon the table and withdrew.

The Bill last delivered is concerning the estate of persons deceased, and not signed by the Speaker.

His Excell. Ordered Mr. Robinson to carie the same back to the house, and tell them that his Excell. hath passed a bill against abusing Magistrates this day in Councill; that they sufficientlie abuse his Excell. in sending up such scripts of paper without being signed, & that they must not expect that hee will take anie notice of such.

His Excell. sent Mr. Robinson and Mr. forman to inquire if the house of representatives had anie more Bills to offerr; Who in ansr. said, the house wer in debate whether they should send anie more bills for assent Untill they heard that the other former bills were passed.

His Excell. after Long expectation, did desire the advice of the board whether hee should not dissolve the assemblie, having had no regard to their Majesties demands for assisting New yorke.

His Excell. Ordered Pat. Robinson & Geo. Forman, Esqrs. to wait upon the house of Representatives and demand of them

whether they have complied with their Majesties demand for assisting New York; whether they had considered of a Quota of men or money, or both, and that they return an answer in writing, Signed by the speaker.

His Excell. gave them the Queen's Letter, of which the Representatives had formerly a copie, that they might see it.

They brought in answer that shortly they would bring an answer in writing.

His Excell. did demand of the Council If they have observed him to take wrong measures to disoblige the representatives and make the inhabitants uneasy since hee came amongst them, and prayed them to use their freedom of speech.

The Members of the Council did Return, That they were admirers of his Excell. patience, and were witnesses that hee hath taken all the steps of Condescension Imaginable to gain them, and that they were afraid the Country will be at Last Sufferers through their means.

His Excell. gave the board to understand that he hath sent several messages to the Representatives they have done nothing to answer the Queen's Letter. They have adjourned ymselves twice this day, and it is now three Hours since the Last message was sent to them; Therefore, asks the advice of the board to send for them and dissolve them.

Andrew Robeson, Esqr. made answer, That he was ashamed of their behaviour to his Excell. after all that Condescension and patience his Excell. hath shown to them: being putt to the vote, It is the opinion of the Council (onlie Mr. Salway excepted) that His Excell. have patience till morrow morning and that if they give not satisfactorie answer to the Queen's Letter by 8 a Clock to-morrow morning, then to dissolve the present assembly.

Adjourned till 5 a Clock morrow morning.

[1st June, 1693.

Att an Assembly Held att philadelphia the first day of June, 1693, 5 a clock morning.

PRESENT :

His Excell. BENJAMIN FLETCHER, &c.

Andrew Robeson,	} Esqrs.	Wm. Salway,
Robert Turner,		Wm. Clark,
Pat. Robinson,		Geo. Forman,
Lawrence Cock,		

The Council Having sett two hours, Ordered that Pat. Robinson, Esqr. doe wait upon the House of Representatives, and demand of them an answer to that message concerning the Queen's Letter, according to promise Last night, in writing, & whether they have any further Bills to offer.

John White and Edward Blake from the Representatives brought a Roll of Laws, annexed to a petition of right, which Laws the assem-

blie doe petition may be ordered to be putt in execuon by the officers in the government, & a bill giving one pennie in the pound to yr Maties.

His Excell. did say : Gentl., you have not dealt kindlie by mee. I suppose becaus you doe not know mee. However, I shall cause this Bill to be read, & then send to the speaker and the whole house. I suppose I shall give them satisfaction. This might have been done five dayes agoe.

Mr. White. May it please the Governor not to take it amiss from anie particular member of the house, for as wee differ in face, so also in mind ; It was not delayed through any disrespect to the Governor, but that it doth take up some time to bring men's thoughts and tempers to agree. I hope the Governor will part with us in Love.

His Excell. You may tell the house that I shall send for them so soon as I have perused the bill.

The Bill of the pennie in the pound read three times. Ordered pat. Robinson, Esq. doe call the speaker and Assembly.

The Speaker and assembly present.

His Excell. said : Mr. Speaker and you gentl., The representatives of y^e province, There is one bill that you have passed giving the pennie in the pound to their Maties, for which I am obliged to thank you. It wold require severall amendmets, but I am in haist. I could wish you had given that monie, as you call it, for support of the government of the province, by another name ; It wold a been more suteable & pleasing if you had taken some notice in the bill of the Queen's Letter ; But I shall not insist, and as for that part yrof which you design for mee, I shall putt it to that use which their Maties shall require mee.

Gentl., There are Bills which are passed in Councill without amendment and approved : there are some five or six more that will want amendmets, as that of marriages. The Councill are of opinion, with some of yor house, that it is hard to oblige persons of religious societies different from the Quakers, should be tyed up to their measures.

BRIDGES. There is a word Left out, perhaps by the Clark's mistake, which is the penaltie for not working. The Councill have putt in twentie Shillings for a dayes neglect : I believe you will agree to it. I believe it were not amiss it wer 40 shillings.

CRIMINALL OFFENCES. There is wanting in this Bill the Crime of Burglarie, which you may have easilie added.

CASK. In the assize of Cask, it were proper to take Notice of the oil Cask ; fishing with the people of New york is much improved & oil makes a good return. I hope you will consider the improvement of it amongst you ; also I understand there is something done towards the trade of oil ; therefore, it cannot hurt to regulate the oil Cask.

RECORDING OF DEEDS. I wold have the preamble Left out ; It's no part of the Law nor adds nothing to it.

There are severall other Laws which I could wish there wer time to consider of ym, but I doubt they will occasion so much debate as will make expence of time. There is that agt debaucherie in officers ;

I am willing to pass anie Law agt debaucherie you can propose ; but there are Laws alreadie agt those Crimes, and if they be putt in execution will not serve.

Mr. Speaker. May it please the Governor, Wee know there are penalties upon such offences; But we wold willinglie see that the highest places in government should be supplied with officers of most virtuous & exemplarie Life.

His Excell. And I also; But it is hard for a false step, in drinking a cup perhaps too much, a man should be deprived of his birthright, which is that hee be incapable to elect or be elected; this is too severe. It is the free Holders birthright as much as his name. I will give you Leave to banish mee outt of the governmt when you shall find me drunk. But Mr Speaker there are manie other crimes, as fornication, which a man may happen to be guiltie of as well as drunkenness; why is not that in amongst the rest. I cannot take away the Subjects birthright. But if you will pass a Law for either Mulet or Corporall punishment upon such offences in Officers, I shall be readie to pass it. I believe if this bill You have proposed wer applied to this present assemblie in the strictness of it, Wee should have but a thin House. There are but few men in the world but one time or other may be convicted of Some of these Crimes.

YEARLIE DELEGATES. This is directlie oppositt to their Maties Lres patents. I will engage that while I am in the governmt I will call an assemblie together once a year; But the king's affairs will not suffer me to be allwayes here att a certain time. Beside it is their Maties prerogative to call assemblies as often as they see meet, and this they have given unto me; I cannot part with it; beside, where is the hurt, if a good assemblie should be continued by adjournment from one year to another. I Love to have Honest men upon my side, and for the rest I doe not care where they be.

SALLARIES TO THE ASSEMBLIE. Gent., It is well, but you must also have under consideraon the Livet. Governor and the Councill. If it wer once come so farr as to have a Revenue established within this province upon their Maties to defray the necessarie charge of the governmt, I would show you which way it should be made use of for Support of the officers.

Therefore, att present I would have you take the Livet. Governor and Councill under your Consideraon, as well as the representatives.

FERRYS, If I am well informed, are a Royaltie, and are granted to the Proprietor. It seems strange to me that you should incline to take away anie thing from the Proprietor, who is your friend. It is but his Right, and I cannot take it from him. I cannot pass this bill.

PIRATES AND PRIVATEERS. The Bill which I sent you was originally drawn up att Whitehall. I cannot pass it as you have altered it. There is other Laws to punish privateers, & I am Vice admirall as well as Governor here. Since you did not pass it in form I shall not insist. I remember some of you said it was too Sanguinarie; It can do you but little good or harme.

And for Choosing of officers, It is a thing the king hath lodged in me to appoint officers; therefore you must not expect it. To this & the other Concerning delegates, I must give you a positive answer. I cannot pass them.

Mr. Speaker desired the amendments, and was told they wer endorsed on the bills, then withdrew.

His Excell. did Signe the other Bills that wer passed the Councill, and an order under the List of Laws and Petition that all Justices, Sheriffs, Constables and other officers in the province of Pennsylvania and Countrie of New Castle, should execute, or cause the same to be executed, untill their Maties pleasure should be further known.

Ordered, Pat. Robinson, Esq., do carie downe the signed roll, and show his Excell. Signature thereunto, and desire them to return the Monie bill; which was done accordingly.

His Excell. ordered Wm. Salway, Esqr., to enquire of the representatives if they were desirous to be adjourned, prorogued, or dissolved.

Who returned that they would consider of answer.

Adjourned till 2 a clock afternoone.

POST MERID.

Post Meridiam, præsentibus ysdem qui ante.

Edward Blake brought up Nine bills amended as the Governor & Councill did propose, which his Excell. did pass; and that the assemblee could not consent to the amendment of the Bill for allowance to representatives, nor that of appeals, since they cannot allow Burglarie to be a Capitall crime.

Edward Blake brought the bill of appeals, with the crime of Burglarie, allowed by the representatives, Which being three times read was assented unto by the Governor and Councill.

His Excell. bid him tell the representatives that hee was readie to pass the bill for allowance to the representatives, but the Councill declare their opinion agt it, unless provision be made for the members of Councill, which is best done by establishing a revenue for support of the government.

His Excell. desires that the speaker and representatives doe attend him forthwith, being readie to goe on board.

Mr. Speaker and the assemble wer admitted. Then His Excell. said: Mr. Speaker and you gentl., you may be perhaps mistaken or not well acquainted with the nature of passing bills in generall assemble; You have had the Copie of my Commission, & you will find it there, that they are to be enacted by mee, by and with the advice and consent of the Councill and assemblee, or representatives, Soe that it is not in my power to pass anie bills that come from your House, if I wer never so willing, wtout the advice and consent of the Councill, tho' as they say in England, I have in myself the power to damn them, which is the Negative voice. I am verie willing to pass this bill for an allowance of Six shillings per diem to each representative, and Nine shillings to the Spoker; But I find a nemine Con-

tradicante in the Council for laying it aside. They doe alledge that your preamble to that bill is verie fair and plausible, (to witt, the support of the governmt,) but then you must not seem thereby to take the government whollie into your owne hands, as if the Livet. Governor and the members of Council had no share yrin. They are satisfied that there is something due to you for yor service, but it is also true that the members of Council have a share in the government, and are in the nature of the upper house, and there is no provision for them; you must not then take it ill att my hand, for I doe declare to you, Gentl., that if the members of Council will consent to it now, I will this moment pass it as it is.

Mr. Speaker. May it please the Governor, I knew not what thou wouldst say to mee, therefore am not prepared to ansr. But this I will venture to say of my self, and beleive it is the opinion of the house, That wee may give the Council the character of great injustice to us. I doe not blame thee.

His Excell. It is not my fault; I am readie to signe it, & think it a verie reasonable allowance.

Mr. Speaker. Governor, wee have just now paid twelve pounds odd monie out of our owne poeketts for house rent, Clark's fees, and doore keeper, & for my owne part, I have served the Countrie these severall years, and never had one farthing; But since it is soe, wee will not insist upon it. I wish that upon the Like occasion for the future, the Governor may be assisted with Councillors of more justice, and an assembly of more witt.

His Excell. I am a stranger; I have put no stranger over you. I have had those gentl. recommended to me, and have found ym all wise, Carefull, & diligent to forward their Maties' Service during my abode. It is my rule to beleive well and everie man Untill I find the Contrary; your jealousies have been a great hinderance to their Maties' affairs in this assemblie. This bussines might have been done 8 dayes agoe: But I attribute it to this, That you doe not know me. I could wish you had made provision for all the officers of the governmt; If you had, I was allwayes readie to pass it. I see one vote of the house to that purpose, but heard no more of it.

Mr Speaker. Governor, True wee did in the beginning. We had severall debates upon it, but it could not pass the house; It was ever much opposed.

His Excell. What harme wer it, or who could sufferr by it, if something wer laid upon wine, brandie, beer and Syder. No person is obliged to drink, & they yt will dipp a Little more than ordinarie, will never feell the paymt of it, nor drink the Less. It wer a better way than to Levie monie by distres, which takes a sum out of poor sober people's hands att once. I doubt not but an excise upon strong Liquors, with the addition of some things else, wold raise a Considerable sum of monie yearlie for the support of the Livet. Governor and Council, & other officers.

Gentl., These Councillors will not allwayes be in place. It may be probablie yor owne turns to Serve verie shortlie. If once you wold establish a revenue upon their Maties for the support of the

governmt as it is in all places, I should quicklie give you an accompt how it should be distributed. It hath cost mee neer 200lb. the time I have been amongst you ; there is my servants, horses & my table, which I have kept for these gentl. yt came along wt me : and for you Mr Speaker, & the gentl. of the assembly, if att all times three or foure of you could have come, my door was never shutt, and I told you allwayes soe ; but there was such jealousies and fears amongst some of you in this place, that it was avoided as if it wer treason for the speaker or anie other representative to be seen in my Companie during yor Sessions. My temper has been allwayes otherwise. I ever Loved freedom, and it is no argument of Love and affection where jealousie doth so predominate ; It is not my fault ; I hope wee shall be better acquainted in time. Gentl., I did desire to know of you whether you desire to be adjourned, prorogued or dissolved.

Mr Speaker. Governor, wee desire to be dissolved ; wee doe thank thee for they care and kindness to us.

His Excell. Gentl., I will order the secrie to enroll those Laws that I have passed upon parchment, and affix a Seal to ym, and they shall remain in his office, to be a standard of yor Laws, to which you may recurr upon all occasions. I have Likewise ordered that the monie bill shall be first enrolled, Which I doe for yor sakes ; And trulie, I could wish you had taken notice of the Queen's Lettr yrin ; It wold have been better received by their Maties. The Informaon of Thomas Jenner and polycarpus Rose, exhibited to this board the 19th of Decembr, 2693, agt Ann Le Tort, &c. was again read, and by peter Reverdie interpreted to her & her husband from the English into French.

Shakhuppo, an Indian king, being examined by Capt Cock, interpreter, saith That hee knows nothing of anie Letters sent to strange Indians by Ann Le Tort, nor by anie others, but that hee hath seen some strange Indians come to trade with her, but that hee neither knew ym, nor understood their Language.

Kayantarras' wife, by the sd Capt. Cock, interpreter, being examined, saith that shee has sometimes seen strange Indians come to Le Tort's plantaon to buy goods.

The said Ann Le Tort, by peter Reverdie, Interpreter, saith, that what those Informants by mistake call a packett of Letters, was onlie a book of accot of what the Indians owed them, wrapt up in a blue Linnen Cloath to preserve it from the weather.

To the 5th article, about Le Tort's whipping polycarpus Rose, & calling the English and Sweeds rogues, Shee saith, That the Indians are much indebted to her & Little to peter yokum, and that hee came befor her hous with Rum, & therwith enticed the Indians from her; wherupon shee in her anger, might call him & the sd polycarpus Rose names.

To the 1st article, The said Ann Le Tort saith, That shee never had anie such discourse wiith Hicquoquean, nor has shee seen him these three years past.

Benjn Clift being Lame and not able to travell, sent to the Leivt Governor a paper, wherin hee saith, That two of or Indian kings told him that ther have been Severall Lettrs & powders sent to Canada by peter Bisalion, & that Lewis, the french Canada prisoner that lives at Le Tort's told our Indians that they should see in a short time that all our English wold be cutt off by the French, and that if the English wer from amongst us you & wee should Live bravelie.

Capt. Cock saith, that hee believes our Indians are onlie afraid that the strange Indians will come and Surprize them.

Wherupon the Leivt. Governor ask't and desired the Councill's opinion, Whether from the abovesaid examinations & proffs, ther wer sufficient grounds wherupon to bring the sd Ann Le Tort to a tryall.

They wer Unanimouslie of Opinion that there wer not.

The petion of some of the Inhabitants of philadelphia & of some other parts of the province, was read, setting forth their Jealousies relating to the French in generll amongst them, and more speciallie referring to those trading in remote & obscure places with the natives, without securitie or approbaon: And therefore, Requesting that the French. may be called from those places, where they still Continou their Commerce with the Native, and that if they be permitted to retail trade, that it be in places of this or other towns in the province, and that neither they, nor anie others, be permitted to freedom of trade with the natives, but such as are approved of, and upon securitie of acquainting the government with all the matters they can hear or observe concerning the natives and the enemies of the Countrie.

It was hereupon Resolved, That Capt. Jaques Le Tort give to the Leivt. Governor sureties that hee shall acquaint the governmt with all matters hee can hear of or observe concerning the Natives & the enemies of the countrie, and that he take the oaths appointed by act of parliamt to be taken in stead of the oaths of allegiance and supremacie.

Ordered, That Capt Le Tort, or his wife, bring before the Leivt. Governor and Councill Lewis, the Frenchman that Lives att his house, the 13th instant.

Ordered that Robert turner, treasurer, give to Shakhuppo and kyantarra's wife two match coats, and two shillings sixpence in monie.

His Excellies Letter to the Leivt. Governor and Councill, dated "the 25th of January, 1693-4, was read, Wherin Hee sayes: "I find it needfull for their Maties' service to call a generall Assemblie in the spring; doe therfor ask your advice of the time & place of meeting, Which I will order accordinglie. I shall be readie to meet you the Later end of March, or beginning of Aprill, Unless I be called to the fronteers. You are sensible of the weaknes of

"government without support. I hope you will use yor endeavors to
"gett such to assist me who are best qualified for that service."

After some debate, it was the unanimous opinion of the Leivt. Governor & Councill, That the most Convenient time for the sitting of the next generall assemblie wold be about the tenth day of Aprill next, and the most Convenient place the town of philadelphia, But Humble submitted both time and place to his excellies pleasure; And desired the Leivt. Governor to return their heartie thanks to his excellie for his care of them, assuring his excellie that they should not be wanting in anie degree of their dutie to, and assistance of his excellie, according to their power and abilitie.

John Cann,		pat. Robinson, Secry.

The petition of Thomas Lacey agt John Swift, having been read, Ordered that the Secrie write to Jno Swift to be here the 13th instant, to make ansr to the sd petition.

The petition of philip England having been read, setting forth that hee hath been Lawfullie Impowred and authorized to keep an Ordinarie and ferrie att Skuillkill, first by an order from the proprietor, dated the 16th of 8ber. 1683, under his hand and Seal, therin strictlie Charging that no person presume to transport anie passengers for monie or reward, over the said river, neer the sd ferrie: secondlie, by an order from Governor Fletcher, dated the 29th of Aprill Last, fullie Confirming the proprietor's grant to the petitioner for the sd ferrie and ordinarie: And thirdlie, by a Leass from the Leivt. Governor, in behalf of the proprietor for the sd ferrie, for a certain term of years, att the yearlie rent of seven pounds; And that the sd petitionr seatled himself and familie thereon, the acct of keeping the said ferrie, and has been att great charges to fitt & accommodate the same with boats & Canoes, and in making a convenient Landing place on both sides of the river, both for horses and passangers, And is obliged to attend the publick service of the government. Notwithstanding of all which, one Wm. powell, in Contempt of the authoritie aforesaid, hath a Long time ferried over people and horses, & has for six mo. past erected a boat, as ferrieman, and ferried over severall horses and passengers, to the petitionr's great detriment, and since his being called to acct for his contempt of the authoritie aforesaid, before the Leivt Governor & Councill, which was the 18th of July, 1693, has pretended to sell the sd boat to certain people, who doe employ one Nathaniell Mullinax to ferrie them over, in Contempt of the power and authoritie aforesaid; And yrfore, Requesting the Lievt Governor and Councill to cause the sd Wm. powell and Nathaniell Mullinax to appear

befor ym to ansr the contempt aforesaid, as also for the wrong the petitionr has sustained yrby, that so yor petitionr may receive such Justice herein as you shall Judge meet. Nathaniell Mullinax having appeared, the minuts of Councill of the 27th of June & 18th of July & 19th 7br. relating hereto wer read, Wherin Wm. powell promised that hee wold desist from and Leave off ferrying over people att that place, & that none else undr him should ferrie anie people over from his Land for anie reward, and which the Lievt Governor and Councill charged him strictlie to observe att his perrill.

The sd Nathaniell Mullinax being interrogated who they were that first employed & hyred him to ferrie people over, Hee ansred, That most of the people of Harford & Marion, & some of darbie, imployed and hyred him to ferrie ym over, and that they were to pay him his wages, & that he knew no reason why he might not work for his Living as well as others: And after sometime hee brought in a List of the names of some that imployed him, viz: Evan prothero, Wm. Howell, Thomas Smith, Wm. Smith, Morris Luellon, David Meredeth, Jno Rhodes, Wm. Warner, Humphrie Ellis, Ellis Ellis, Hugh Roberts, Robert Owen, Jno Apowen, Richard Haye, Adam Rhodes, Christopher Spray, Davis Lues, Lues David, David Ewer, John german, Hugh Shone, Evan Hendrie, Wm. garrett, John Blunstone, Samll Lewes.

It was ordered that the sd Nathaniell Mullinax be committed to the Comon goale of his County, till hee give good and Sufficent securitie to the Leivt. Governor, that hee shall ferrie no more persons, horses or cattle over Skuikill, att Wm. powell's, for gift, hyre or reward, directlie, nor indirectlie; And that the said boat be forthwith Seazed and secured by the Sheriff, till the owners thereof appear before the Leivt Governor and give the like securitie.

Upon reading the petition of Jno Bristow, setting forth that when hee was Ranger for Chester Countie one Richard Thompson, in 1692, brought to him an unmark't horse as a stray, which the petitionr received from him, and thereafter the grand Jurie for sd Countie presented the petitionr for receiving a markt horse for a stray; Att which Court of Quarter Sessions the petitionr was discharged from the sd presentment, upon evidence that the sd horse did not appear to be arteficiellie markt when hee came to the petitioners hands; Whereupon the petitionr was ordered by the then Court to sett up a paper on the Courthouse door, to notifie that in Case anie person should come and prove the said horse to be theirs, they should have him returned; which the petitionr accordingly did, As by a Certificate undr the hands of the then Justices for the sd Countie, and undr the hands of the grand Jurie therof, has appeared; Notwithsanding wherof, the Late grand Jurie for the sd Countie have of new presented the petitionr for y same thing, wherof he was formerlie cleared, tho' no person hath yet appeared to owne the sd horae, which the petitionr believes is done of purpose to stopp him from prosecuting his intended voyage for England, and to damnifie him in his good name & reputation; And therefore requesting such relief in the pre-

misses as the nature & circumstances of his case requirs, and that the rather, that the petitionr is still willing for peace sake to deliver up the sd horse to anie person that can make proof that ever hee was theirs, tho' he has paid half of his value to the propriator's receiver, &c.

It was the opinion of the Leivt Governor & Council, That (the new presentment seeming rather Litigious than just,) the Court of Cester Countie be advised to moderation, and to be carefull not to countenance anie thing that caries with it the face of anie former grudge, animositie or rovenge, agt anie person whatsoever.

Ely Lush, Wm. Rawlings, Charles kemarr, Robt Lindsay, peter Goss, mariners having made prooffe before the Leivt. Governor and Council that they were ordered by——petit, Mr of the ketch James, (wherof Capt James Risbie was owner,) to putt on shore Nathaniell Lukins, who piloted the said ketch down the bay of delaware, which they did, and that by reason of the bad weather att Cape Henlopen, they could not get on board the sd ketch again, and that they were readie to deliver the ketch's boat to John More, attornie to said Risbie, and therfore, requested they might have a Certificate from the Leivt Governor accordinglie, which was granted them.

PRESENT :

WM. MARKHAM, Esqr., Leivt. Governor.

Robert Turner,	} Esqurs.	Pat. Robinson, Secrie.
William Clark,		

The Leivt Governor represented to the Council, that the propriator's Comrs of propertie, had made applicaon to him by way of complaint, that Wm. darvall of kent Countie, stood Lawfullie indebted to the propriator in certain considerable sums of monie upon obligacon and for arrears of Quit rent, and that one John Barnes, who has lived on sd Wm darvall's plantaon in the sd Countie, does without anie due Course of Law, imbezill, wast and Consume the goods, household stuff, cattle, and stock of the sd Wm darvall, and sells and squanders away the same, and Converts the monie to his owne use, Intending to Leave this province and to Carie with him what hee can of the sd Wm darvall's estate, to the utter ruine of the sd Wm. darvall, and to the totall defeating the propriator of his just debts So owing to him, and therfor, Requesting the assistance of the governmt for prevention therof.

Ordered that a warrt be issued from the Leivt Governor, directed to the Sheriff of kent Countie, to secure the person of the sd Jno Barnes, untill hee show good and Sufficent reason for his doing as above, And in the meantime, to attach, att the propriator's suit, and take into his Custodie all such goods, household stoff, stock and Cattle that shall appear to belong to sd Wm. darvall, in whois hands

soever they be; As also to secure all such monies as are in the hands of anie person whatsoever, as the produce of apie of the goods of the sd Wm. darvall, sold to them by the said John Barnes.

Robt Wade's petition having been read, setting forth that hee is Lawfullie seized in fee simple, in an estate of inheritance to him & his heirs forever, in a piece of Land in Chestertowne, oppositt to & ranging with the front of the Court house of the sd Countie, Beginning on the south west side of the sd street of the sd town, and so to Low water mark in the Creek in depth, and fiftie-three foot in breath, fronting sd street, with all its appurtenances, under the yearlie rents due to the Lord of the soil therof, As by his deeds for the same, duly perfected, to the Leivt Governor & Councill produced, hath appeared; and that notwithstanding therof, on the 5th day of the 4th mo. 1689, the grand Inquest for the sd Countie of Chester did, without the petitioner's knowledge, Leave or consent, and without offering or paying to the petitionr the Least consideraon, Lay outt the petitioner's said whole piece of Land for a public Landing place and open street, for the pretended Service of the said Countie, and the then Justices of the sd Countie declared to the petitionr, that they Seazed it for the king; and that the petitionr being a freeman, cannot by Law be disseized of his freehold but by the Judgment of his 12 equalls, by a Legall tryall, and which act of the Court has been to the petitioner's great Loss & damage, who is daylie threatened to have what hee shall build on sd his Land pulled downe and thrown into the sd creek, and therfor, requesting such remedie & redress in the premisses as is agreeable to Justice & equitie.

Wherupon, the Leivt Governor ask't the advice of the Councill, who after further hearing of the said Robert Wade, ordered that the said Court or Clark therof, (on the petitioner's request of payment for it,) send to the Leivt Governor & Councill by whois and what warrant the then Court and grand Jurie So Laid outt the petitioner's Land aforesaid, and that he send a Copie of the same warrant, & of the whole presentments, orders and minutes of Court from time to time, relating to this affair.

punishment as the severitie of the Law might inflict on him by reason of the false accusaon of the sd Rowles.

John Swift appeared and answered, that it was true that said Rowles Laid the sd child to the petitioner, but that hee was not bound over by his procurement, being done under the Late govermt; that hee was never bound in 40lb, but in 10lb, and his securitie in 5lb, & that hee never appeared att anie Court, and that ther's no execuon outt agt him nor his suretie; that he has yet given no securitie for maintaining the sd child, and that the mother will not part with it.

Ordered, that the petionr produce to the Leivt Governor and Council a copie of the records of the sd Court relating to the whole affair, wherby it may appear whether the sd bonds wer forfeited or not; and the Leivt Governor told sd Swift that no Countie should be a place of refuge for persons that had broken the Laws in another Countie, and that if he wold take out a warrt from ym to carie him into their County for his Legall tryall & punishment, hee might have it, and if he desired that the petitionr should give securitie here for maintaining the child, they wold force him so to doe. To which sd Swift answered, that it was not his business to be att anie Charge about such a fellow.

His Excellie did acquaint the board that hee did receive informaon Saturday night, that after the dissolution of the Assemblie, David Loyd, with the Representatives, returned to the place of their sessions, and David Loyd assumed the Chair, and said they wer not dissolved until they had dissolved themselves also, and caused some minute to be entred upon record.

His Excellie desired the opinion of the Councill to send for the Clark of the late Assemblie, together with the minutes of their Journall, which the Councill do approve of.

Ordered Jno Claypoole, Esqr., Sheriff of Philadelphia, doe forthwith bring the Clark of the assemblie, with the minutes or Journall of their House, befor his Excellie in Councill.

His Excellie did give to understand that the assemblie did insinuate in their Remonstrance, that something in the former Assembly was done in ansr to the Queen's Letter, produced the act to the Councill, and demanded the opinion of the Councill whether it doth appear that they have given anie thing to ansr the Queen's Letter.

It is the opinion of the Councill that ther was nothing granted in the first Assembly to enable His Excellie to ansr the Queen's Letter, nor anie thing proposed in the last Assemblie that could be construed that way.

It is the opinion of the Councill, nemine Contradicente, that his Excellie, the Governor, hath proceeded in all matters in this Late Assemblie with great prudence and moderation, and with their Consent and advice, and not otherwise.

The Clark of the Assemblie Having brought the minutes or Journall of the Assemblie, It found entered that upon the Governor's Request they did Adjourn to the Councill Chamber, after his Excellie the Governor, had dissolved the Assembly In hæc verba is entred. Upon their Return, the Speaker Reports that the Governor was pleased to dissolve this House, and it is accordingly dissolved.

The Comrs of the propertie of Mr. penn gave in their report concerning the ferrie at Skuillkill, that it is the undoubted right of the proprietor. His Excellie gave his opinion that they ought to maintain and support the proprietor's right in his ferrie, as they had done formerlie, And ordered a warrant Issue to the keeper of the said ferrie, requiring him to pursue the rules yrof, and a prohibition to all others from offending agt the said rules, or using anie other

COLL. WM. MARKHAM Esqr., Leivt Governor.

Andr Robeson, }
Robt Turner, } Esqrs.

Lawr Cock, }
pat. Robinson, } Esqrs.

The Leivt. Governor acquainted the Councill That the occasion of his calling them together was, that yesterday Lacey Cock, Esqr. informed him that the Delaware Indians were come down to discourse him.

Hithquoquean, kyanharro, Shakhuppo, Oriteo, Menanzas, Mohocksey, Tamanee, Alemeon, with severall others of the Delaware Indians, were admitted.

Hithquoquean (in name of the rest of the delaware Indians) took outt and laid down a Belt of Wampum, which he said was sent to ym by the Onondages & Senekaes, who say, you delaware Indians doe nothing but stay att home & boill yor potts, and are like women, while wee Onondages & Senekaes goe abroad & fight agt the enemy. The Senekaes wold have us delaware Indians to be ptners wt ym to fight agt y^e french, But we having allwayes been a peaceable people, & resolving to live so, & being but week and verie few in number, cannot assist ym ; & having resolved among ourselves not to goe, doe intend to send back this their belt of Wampum. Mohocksey said : The former belt sent by the Onondages & Senekaes, is sent to us all, & wee have acquainted one another wt it, & tho' wee live on the other side of the river, yet we reckon orselves all one, becaus wee drink one water. Wee have had a continued friendship with all the Christians & old Inhabitants of this river, since I was a young man, & are desirous to Continou the same soe long as wee live : And gives a belt of Wampum.

Tamanee said : Wee and the Christians of this river Have allwayes had a free rode way to one another, & tho' sometimes a tree has fallen across the rode yet wee have still removed it again, & kept the path clean, and wee design to Continou the old friendship that has been between us and you ; and gives a Belt of wampum.

The Leivt Governor said, That by three of the Clock in the afternoon hee wold consider & give ym an answer.

8 a clock afternoon, præsentibus ysdem ; except Andrew Robeson. Lawr Cock, Esqr. acquainted the Lt. Governor that kyanharro & Oriteo, two Susquehanna Indians present, had something to say, and in respect they could not be understood, desired Menanzas to speak for ym.

Menanzas sayes, That a certain Indian king (being kyanharro's old acquaintance) having Come from the Cayogues to kyanharro's house to see him, and on his way the sd king and his kyannisse Indians had some mischance befallen ym, for the Titwa's, the naked Indians, fell upon ym ; But the sd King & his kyannisse Indians fought their way through ym & gott to kyanharro's house, where they desired to remain & be entertain'd in a peaceable Countoie. Menanzas in their name gives six deer skins. To whom kyanharro replied : You are of my blood ; I cannot denie you, but must receive you ; and the sd kyannisse Indians desired that kyanharro wold speak with the Christians that they wold receive ym with the same kindness as hee did, and yt as they are here protected by the Christians, the sd kyannisse Indians hope to meet with the same protection. Gives six doe skins.

The Leivt Governor acquainted those Indians that on the 4th instant, Jno Budd informed him that an Indian king of West Jersey, with other Indians of the place, told him that from a meeting they Latelie had within 25 miles of this governmt, they brought two belts of wumpum & delivred ym to Capt. Cock, to present ym to his Excellency in ordr to a treatie for confirming their former League with the English ; that they complained that they had severall dayes delivred in their belts & could have no hearing, but wer putt off by promises that they should be heard one day after another. They tarryed in town eight or nine dayes, & that about thirteen dayes since Mohoksey's son came here & acquainted him, the sd Budd, that hee was sent to see if the philadelphians could give him a good word back ; And that about tenn dayes since the sd Informant being att peter Stallcup's house, in Newcastle County, said Stallcup told him that an Indian called Nescacatho, then informed an Indian king named Awahelah, saying Verie ill news, (repeating it again,) & said you know that from such a meeting wee sent two belts of wumpum in ordr to a treatie, But the Gor of newyorke wold not treat with us, & they have had in philadelphia a great number of men, with drums & guns, &c ; & the same att New Castle while the Gor was there, & yt hee went thence to Maryland, wt such speed yt they killed two horses in the way, which things Look wt a verie ill design ; wee believe yt there is no good meant by the English ; there is some speedie matter in hand. The sd Budd further saith yt Last Moonday hee acquainted Joseph Wilcox wt the substance of the abov writin.

Lt. Gor askt the Indians if the sd informaon was true : they ansred it was all false, ther was no such meeting, nor no such design to treat wt Gor Fletcher, nor no Hearing ask't, And if Mohocksey's son or their young men when drunk, told Jno Budd anie such thing, hee should not make a storie of it unless hee had had it from their Sachims. Lawr Cock also said, that the two belts wer given

him by Tamane & Hithquoquean, to be kept for ym till they should call for them.

The Leivt. Gor told Mr Budd, that he was much to blame for giving his Informaon first to the Justices, (who never acquainted him of it, nor of his Informaon,) especiallie since it concerned the peace of the province in Generall, & for yt hee came not to him till hee was sent for, and that if hee Comitted the Like again hee should not goe unpunisht, & soe dismiss him.

Then the Lt. Gor (by Lawr Cock, esqr. interpreter,) answered the Indians: You did verie prudentlie to Consider well how you entred in a warr wtout advice & consent of their Maties of great Britain's Chief Gor here, who is Governor of New York. I heare there are sober & wise men among you, & ther's an old man who cannot come down, who can give you good Councill, & you must be Considerate in what you doe, for wee have enemies round about us.

It's but of Late that wee took up armes, & I assure it's not or design yrby to make warr upon you, nor upon any others; but thereby to be in a Capacitie and readiness to defend orselves and you from or & yor Comonemie the French, if they should happen to assault us or you.

His Excellie the Gor of Newyork is also Chief Governor, & came hither to see what men and monie he could raise for the defence of Albanie the frontiers from the French & Indians; Hee caried some monie with him but suffered or men to stay att home to defend ym-selves & their Countrie agt the french. While here He enquired how or Indians and wee Christians agreed; We answered that for manie years wee had Lived as brethren. He desired wee might Continou our friendship, for said hee, The enemy of one is the enemy of both. The Leivt Governor also said: If the Senekaes send again to you doe you send to me, and Ile send an express to Newyork, and His Excellie will take care that the Senekaes shall doe you no injury. Soe they all departed, verie well satisfied with the Lt. Governor's answer.

Some time after David LLoyd, accompanied by the above Named Representatives, presented himself to the Leivt Governor, acquainting him that the representatives there present had made choice of him for their Speaker, that it was a trust much above his Capacitie, and for discharge wherof hee wast most Unfitt & unable, And therefore beseeched the Leivt Governor wold Command the Representatives to return and Choose a more qualified person.

The Leivt Governor answered, that if they had Chosen anie one of their Number for their Speaker, Hee saw no reason to Object agt him ; But you all know some are more capable to perform that dutie than others, and I cannot but well approve of yor Choice, and doubt not Mr Speaker, but you will perform yor dutie with all sinceritie, and keep a good decorum in the house, and that you'll urge and putt them in mind to a Consideraon & dispatch of what shall be before you of their Maties affairs and Service, and their duties therto.

"The Remonstrance of the Representatives of the freemen of the "sd province & Countrie in Generall Assemblie mett, Humblie "Sheweth: That whereas, wee being att this time Conveened by "Virtue of the Leivt.  “ wer declared by the petition of Right in the Assemblie Last year
 “ to be in force, that Justice may be administred according to the sd
 “ Laws in the Severall Courts of Justice in this province & Countrie.

“ 2d. That the Late Law for appealls, which gives Libertie to ap-
 “ peall both in Law & equitie, Wherby the Judges and Justices of
 “ y^e peace have too great Libertie to destroy or make void the Ver-
 “ dict of Juries, without due care be taken ; Wherfore, wee desire
 “ that the Judges and Justices of y^e peace may receive instructions
 “ & Caution from you not to decree anie thing in equitie that may
 “ make void the Verdicts of Juries, or Judgments before given in
 “ Law, in the same Cause.

“ 3d. That the power given by the Late Law for raising money
 “ by the Justices of the peace in their rexive Counties, may not be
 “ made use of to the dissatisfaction of the Countrie, But that the

 “ publick charge of the Countrie, may be done by the approbaon of
 “ the grand Jurie, or other Sufficient Inhabitants of the severall
 “ Counties, to assist in and approve the severall taxes to be raised,
 “ and to have the Hearing & examinaon of the accompts of the
 “ severall receipts & disbursments.

Which having been read, The Leivt Governor desired Mr. Speaker
 to take it again, & att the next sitting of Assemblie they might offerr
 that, or anie thing else, to his Excellencie’s consideraon.

Mr Speaker answered, that hee had orders from their house to

His Excellie Ordered Secrie Robinson to Call the Speaker and Assembly. The Speaker and Assembly being present, His Excellie spoke to ym as follows :

"Mr Speaker, and you Gentl. the Representatives of this province, I had designed to have mett you here the tenth of the Last mo, according to the writts which I directed to Issue for calling this assembly, But their Maties service required my hastie repair to Albany, upon Intimation that the five Indian nations (who have hitherto been faithfull to the Crown of England,) wer now debauch-
ed to the french interest, and entring into League with the Governor of Canada.

"This Defection appeared to mee with so ill an aspect when I considered the Consequences of it, not onlie to New yorke, but to this province & all the nighboring Colonies, that I thought myself obliged to Lay all other business aside, & apply the outmost of my endeavors to prevent so great a mischief. I could willinglie have spared my self this journie, if my dutie to their Maties & my affections to you, their subjects of this province, had not Compelled me to it.

"I am therefore Come with a true & Unfeigned Zeal for your saftie & prosperitie, to Lay this matter before you; and to order to your full satisfaction, I have brought with me the papers relating to the Conference I had Latelie with these Indians, by which you may see what they alledge. I must also assure you that yor Indians here will be compelled to join in this fatal Confederacie.

"I have Latelie seen with a heavie hart, fourescore fine farmes all deserted about Albany, after the great expence of the owners in building and Improving, which has been occasioned rather by the unkindness of our Nighbours, who refused us their assistance, than by the force of theemie. Could we have found men to secure our advance posts, Conestiguna and the Half Moon, these farms wold have flourished still. I pray God this Leprosie may spread no farther; but I much doubt those who have shutt their eyes at a distant danger, will find it come to their owne doors.

"I am bound as well in Justice as gratitude, to acknowledge our Nighbours of the Jerseys have done more in the Comon defence than all the other adjacent provinces: they sent us foure Hundred pound in Silver, Sixty odd proper men, well armed, who passed upon dutie on the fronteers one year. They have now sent up thirty men att their owne Charge, and Considered of a way for their maintenance during the warr.

"Gentl., I consider yor principles that you will not Carie arms nor Levie monie to make warr, though for your own defence, Yet

"I hope you will not refuse to feed the Hungrie and Cloath the Naked.
 "My meaning is to supply those Indian nations which such necessities as may influence them to a Continuance of their friendship
 "to those provinces. And now, Gentl., if you will consider, wherein
 "I may be usefull to you, according to the Tenor of my Comission,
 "in redressing yor greivances, (if anie you have,) you shall find me
 "readie to act by the rules of Loyaltie, with a true regard to Libertie
 "& propertie."

Major donaldson with foure others of the Assemblie, in behalf of the house, did give his Excellie thanks for his favorable speech, & desired they may have a Copie of it, which his Excellie ordered to be delivred so soon as Copied.

His Excellie ordered Mr Jamison to desire the speaker & the whole house to atted his Excellie in Councill forthwith, which was done.

The Speaker and Representatives being present, His Excellencie said: "Mr Speaker & you gentl. of the Representatives of this province, you may Remember that I did desire you to doe something which I thought needfull for their Majesties service and your own preservation in a way agreeable to yor owne principles, which is to feed the Hungrie and Cloath the naked. The Indians of the five nations are a Barrier and Defence to you & all the English Colonies on this main; your saftie and interest is Concerned; they are poor and naked; and in this time of warr have Lost the Libertie of hunting which is their onlie support. They are objects of yor charitie. I judged it so reasonable a demand as could not admitt of delay. I sent you the minuts of my Last Conference with them for yor satisfacon, wherby you may see that although they are brought verie Low and discouraged, yet not so farr gone as to be past retreive; I know but two methods to be used with these heathen; they are to be held by Love and fear. I have been plain with them, and given one Hundred dayes to Consider of their answer from the time of my Last Conference, then I intend to meet them with the sword in one hand and presents in the other.

"Gentl. It were verie Convenient you did supplie mee with some Considerable present of cloathing and food to be given in the name of the province of Pennsilvania & Countrie of Newcastle: you shall have a particular accompt of the disposition thereof. I doe think of other methods to gett forces to appear with mee, not to trouble or molest anie of yor people; This I take to be the onlie way left att present to prevent the Indians falling off, and all the Calamities that will attend it in this province, as well as the rest; you have not as yet regarded it, for ought I can learn.

"Gentl. You have the Queen's Letter Comanding assistance to New york, which ought to have greater force than my arguments: I expected her Maties Comands would have so far prevailed. The originall was shown to the last Assemblie, which I suppose may be entred in yor books, or a Copie therof upon the file with yor Clark. I had no positive ansr from them, & expect one from you.

"Gent. You are witnesses that I am readie to serve you, to doe

"anie thing in my power you can think of for yor ease & Satisfaction. I sett up for no arbitrarie Comand, have putt no stranger over you, treated no man rudely, & am as readie to grant what is in my power to serve you as you to ask. I have as great a regard to the interests of yor proprietor as anie man in the government, and would not go about to hurt it; But I find you slow in business which makes mee think that we shall have no sessions this time. Gentl. Some of you may Remember I proposed to the last Assemblie to Consider of some fund for the support of the government, which is verie needfull, butt they did not think fitt to Consider it further than that they franklie & generouslie gave a pennie in the pound to their Maties, and designed one half therof as a mark of their respects to mee, for which I thank ym. I doe resolve you shall see how the other part of it is disposed & what the whole amounts to befor I leave you; I have Issued Orders for the speedie Collecting of it, and if there is nothing else for you to doe, I will adjourn for some time untill it come in; Therefore, gentl. I shall expect yor ansr If you'll give anie thing to feed and Cloath our Indians; Consider of it, and of what I have now said. Gentl. you may withdraw to yor House.

Geo. forman,

} Esqrs.

His Excellie ordered the reading of a bill giving one pennie in the pound, wherof 200lb. to Coll. Markham, 200lb. to Mr. Lloyd, and the remainder towards presents to the Indians.

His Excellie desired the opinion of the Councill Concerning the sd bill.

The Councill are of opinion that the sd bill Cannot pass, and that it is no answer to the Queen's Letter, nor does anie thing towards the support of the government.

His Excellie sent for the Speaker and the whole house, and then said :

"Mr. Speaker, &c. You have mistaken the form of the bill. I
"can pass no bill to Leavie monie on their Maties Subjects for my-
"self, or for the use of anie other person whatsoever. Their Maties,
"or their particular service, must be first regarded in all Leavies,
"and if you design a favour for Coll. Markham or Mr. Lloyd, your
"method is to raise a fund answerable to the Queen's Letter and
"their Maties expectations for the securitie of the fronteers and as-
"sistance of Newyork, and then to pray their Maties would be
"pleased to allow out of that sum what you intend for these gentl.
"I find you goe about to appoint your owne Collector : As you
"Cannot raise monie or give it to anie other but their Maties, So
"you Cannot appoint such an Officer ; Indeed it appears an Unman-
"nerlie distrust of the person in that office already Commission-
"ated, and it Looks Like putting it outt of their Maties power,
"(if you could,) to disallow of your act. I shall suspend my deter-
"mination as to the other bill till you Consider better of this, and
"doe again putt you in mind of a possitive answer to their Majes-
"ties Letter."

The memorial of Andr Hamilton, esqr. given to his Excellie & Councill, was read and recommended to the Consideraon of the Assembly, and was ordered to be caried to them by Wm. Clark, Esqr.

The House of Representatives having Considered the said paper, doe find no Cause att present to add to the Sallerie belonging to the post office as established by the law made here Last Assemblie.

Mr Bleake, Major Donaldson, Samll Carpenter and Wm. Biles, brought up a Remonstrance in ansr to the Queen's Letter, which was read, viz:

 "delivered us the 23d of the 3d mo., 1694, as also having Con-
 "sidered the message sent us from thee and the Councill on the first

 "perusall of the minuts of Assembly held here about 12 Mo. agoe,
 "that the rate, or tax, then granted to the king and Queen, was in
 "Compliance to the aforesaid Letter, so farr as the religious persua-
 "sion of the most part of that Assemblie could admitt, and although
 "the said tax amounted to seven hundred and sixtie pounds, and
 "the greatest part therof paid in by the Countrie to the revixe Col-

“lectors, and (as it seems) in great readiness to be received by the
 “Treasurer, which we looke upon to be a verie Considerable demon-
 “stracion of our realitie and affection towards the king and Queen, Con-
 “sidering the Circumstances and infancie of this place, and what our
 “neighboring provinces (who are of much more abilitie, but under
 “no Less obligacon than wee are in that respect) have Contributed
 “upon the Like occasion; Yet notwithstanding all wee have done,
 “wee find that wee are not suitablie represented to the Indians in
 “the Late treaties thou had with them att Albany; and not onlie
 “soe but wee perceive by thy speech that the five Indian nations
 “(who till of Late have been faithfull to the Crown of England) are
 “now drawn over to the french interest, and our Indians here Like to
 “be Compelled to join in that fatall Confederacie, unless prevented
 “through thy prudent management in returning the said five Nations
 “to their former friendshipp with the English; for the accomplish-

 “lowing a Competent Consideracon to the Leivt Gor for his Last year’s

 “Supplying of the Indians with necessaries for food and rayment, shall
 “receive that Candor as to be accounted for assistance, In order to in-
 “fluence and gain them to a Continouance of ther former amitie with
 “these provinces, wee shall with all readiness acquiesce that a Sute-
 “able proportion of the monie raised, or intended to be raised & appro-

POST MERIDIEM.

PRESENT :

His Excellie BENJAMIN FLETCHER.

WM. MARKHAM, Esqr., Leivt Governor.

Andr Robeson,

Robt Turner,

pat. Robinson,

} Esqrs.

Wm. Salway,

Wm. Clarke,

Geo. forman,

} Esqr.

It is the opinion of the Councill that his Excellie dissolve the As-
 semblie.

Ordered, Mr foreman call the whole house of representatives.

Mr Speaker and the whole house being present, his Excellie said :

“Mr Speaker, you have now satt nineteen dayes without the Least
 Consideracon of their Maties Service in the Securitie of the province;
 you have applied the first part of yor time in the searching for grie-
 vances, which will all appear to be the effects of yor owne weaknes in

not redressing ym by the due course of the Laws, there not being one of the foure you took such pains to hunt for but must reflect upon yor proprietor or yorselves."

You have Laid some bills before me. First you desire me to give Sanction to two bills agt Robbing and Stealing, which tho' (as you word ym) they are not Consonant to the Laws of England, yett att yor instance and request I doe allow of them, till their Maties pleasure be further known. And so for the rest, viz: 2d, that for regulating weights and measures. 3d, That for Regulating Tobacco Casks. 4th, That agt Importing Tobacco by Land from Maryland. 5th, that for Limiting the Interest of money to eight per cent. 6th, That to make land and freehold liable to execuon for debt. 7th That for Impowering the widow and exers. to sell Land for paymt of debts.

These other bills I cannot pass. First, the bill for Countie Levies, which appears most unreasonable and Contrary to the Laws of England and the Comon practice in anie of their Maties dominions, for particular persons to Levie money upon the subject without their owne Consent. A grand Jurie att the Quarter session doe represent the Countie, and are Judges of the necessary charges of the Countie, and may present such sums of money as are Convenient for the repairing highwayes, bridges, &c. and the Justices take care to order it accordinglie; But in this Bill the Justices and Representatives of each Countie are empowred wtout a grand Jurie, and agt their Consents, to Levie money att pleasure, under a pretence of paying old debts of twelve years standing. The Second is a Bill for Regulating fees. This power is by their Maties Letterrs patent invested in the Governor & Councill, & care shall be taken thereof, as in the province of Newyork, to yor generall satisfaction.

The third is for a Sallarie for Assemblie men of Six shillings a day, I recomended to yor Care a support for the Leivt. Governor, the Judges & other officers who act by their Maties Commission in this province, To which you have allwayes Lent a deaf ear; And I find yor members of Assemblie have a way to gett their old allowance of three shills. a day by a bill for defraying Countie charges. 'This I think, is sufficient wages.

The fourth is the money Bill, Wherein you have no regard to what I propose to you for their Maties service, In enabling mee to ansr her Maities Letter for assistance to Newyork, tho' proposed in such a way as is agreeable to the most tender Consciencs among you. You wold raise monie upon the subject & dispose of it at yor pleasure to the two Late deputies in such a manner as I cannot consent to, being Limited by my instructions. You wold also putt itt out of their Maties power to approve or disallow of yo' gift; you will not trust the Receiver generall appointed by authoritie of the Crown, but name one of yo' owne, who shall not be accomptable for the sd sum, but to the two Late deputies: And you wold by this bill give a certain sum of 400lb. to those two gentl, who never acted by Imediate Commission from the Crown, and Leave the uncertain fragment for the support of governm't, which, according to the measure of yo' Late

allottment, will not amount to 100lb. st; I am apt to believe to nothing.

Now Gentl. finding no prospect of yor Inclinaons for their Maties service or your owne saftie, I think fitt to dissolve this present assemblie, and you are hereby dissolved.

The end of the Second Sessions of Councill and Assembly.

Then the Leivt Governor said: Gentl. Att a Councill Held att philadelphia Die Veneris, 29th June, 1695.

PRESENT :

WM. MARKHAM, Esqr.,	Gor under Wm. penn, &c.
David Lloyd,	Richd Hallywell,
Jno donaldson,	Griffith Jones,
	Wm. Clarke,
	Tho. pemberton.

The Gor Spake to this effect: "Gentl, Seeing it will require a Long time to gett a full Councill, by reason of the remoteness of manie of y^e members, I Let you know That having Latelie received another Lre from His Excellly Governor Fletcher, I thought it necessarie to call a Councill as soon as I could; I hop't indeed to have had a Larger number present than I find come." However, his Excellly Governor Fletche's Lre being read, wherein hee applied himself to Gov Markham that a Quota of Eighty men, with their proper officers, viz: One Captain, Two Levits., Three Sergeants, Three Corporalls & two drummers, or the value of the charges for maintaining the same, be provided & sent to Newyork by the first of August next, in obedience to the Comand of her Late Matie & for his Maties Service, in order to the Generall defence of this part of his Maties empyre.

After the reading whereof, The Gor said: "Gentl. When his Excelly Governor Fletcher, by his Lre to mee of the 15th of Aprill Last past, made his first demand of y^e sd Quota of men, or the value of the charges for maintaining the same, Requiring that they should be provided & sent to New york by the first of May Last past, You know the ansr you gave to it, viz: That you were not in a capacitie to give a full & Satisfactorie ansr to soe weightie a matter wtout a generall Assemblie, And that most of the members Living soe remote from this place, & harvest drawing on so near that they could not meet till about the 9th of 7ber next, & yrfore, you yn advised mee to Comand the Assemblie to meet the sd day to advise & Consult yrupon.

"Gentl., You know that I thought that time too long, & yrfore yn desired you to Consider further before you resolved; yet you then replied that you had deliberatlie Considered of it, & that it wold be to the ruine of manie families to be from home in harvest. Therefore I now desire you seriouslie to Consider what ansr I shall give His Excellie Gor Fletcher, to his 2d demand.

"Gentl., I'm here in the roome of or proprietor, & since he has not restricted nor Limited mee, the blame shall not Lye att his doore. If you will doe anie thing that may effectualle ansr her Late Maties Royall will & pleasure, and his Excellie Governor

"Fletcher's demands formed yrupon, I'll give such sanction to it as becomes me to doe; and tho' the proprietor has given their Maties good assurance that he will take care of the governmt & provide for the saftie & securitie therof all that in him Lyes, And is by her Late Maties Royall Lre Comanded to give directions that due provision be forthwith made att the publick charge of y^e province, for the furnishing the said assistance, as the same shall be soe demanded from time to time by his Excellie the Governor of Newyork, yet the proprietor, if he were here himself, nor I that represent him, Cannot raise monie wtout you & an Assemblie, who are the people's representatives; And if you will doe anie thing, I am ready in the proprietaries behalfe to give it Sanction. And yrfore, I desire your advice whether to shorten the time of the Assemblies meeting from the 9th of 7br. to a nearer day will be of any service."

It was the unanimous opinion of all the members present, that it wold be of no service to call ym sooner. The Governor having askt the reason of their opinion, one of the members ansred, Because by the great mortalitie of the Cattle & stock of the inhabitants Last year, the people have been, & still are under great straits for Corn & provisions, and the substance of the province & Territories Consisting all together in stock, provisions & Corne; If the inhabitants should be called off from getting in their Harvest & Cropts to attend the assemblie, whoise number wt the Councill are 54 persons, It wold tend to their utter ruine. And tho' a Law were alredie past for raising monie to defray the charge of the assistance demanded, it could be no sooner collected then it wold be if not made till the 9th of 7ber. next, Because the paymts must be made outt of the Cropt yt is now upon the ground, & upon which the sole dependence of the province for their support relies, & the proper time of paymt therof is in the winter. To which the rest of the members Unanimouslie assented.

Then the Governor said: "Gentl., I ordered all the minutes of

* His name was George.

"Councils that have been held since the proprietor's restoration to
 "his government to be read, to remind you how we have fallen out of
 "the method of government formerly settled by the proprietor & the
 "people's representatives, In which the provincial Council used to
 "promulgate bills that were to be past into Laws twenty days before
 "the sitting of the assembly, at the end of which time the assembly
 "used to meet to Confirm or reject those bills.

"Gentl., You are sensible how much I was against altering any thing

 "was & is plain to you, Viz: to answer the Late Queen's Commands

"Gentl., I endeavored to bring the government to the method that

 "I did my duty & laid before you the Late Queen's Letter & his
 "Excellent the Governor of New York's application to me for the
 "Quota allotted to this government, expecting you would have promul-
 "gated bills for the raising money for it, but instead of that your
 "Resolves were that you were not in a capacity to give a full and Satis-
 "factory answer to so weighty a matter without a General Assembly,
 "& most of you living so remote from this place, & Harvest draw-
 "ing on so near, that you could not meet until about the ninth day

"And now Gentl., you are to advise what course to steer to attain
 "to the Chief end of our meeting, viz: to answer the Late Queen's

"Gentl., the Assembly is come according to appointment: The
 "first thing we are to Consider of is the method of preparing and
 "passing Bills. Gentl., Both you of the Council as well as of Assem-
 "bly, are Representatives of the people, both being chosen by them;
 "I have not the choice of one member of either, therefore, when I
 "speak to you I speak to the people's Representatives, as much as
 "when I speak to the Assembly, And without your & their Consent, I
 "cannot raise money, & without money I cannot answer the Queen's

of preparing & proposing bills to be past into Laws may be in the

choice.) They did also agree that the Gor be requested to appoint

1695.

PRESENT :

WM. MARKHAM, esqr Governor undr Wm. penn, esqr, & all y^e
members except Jno Williams & Jno Brinkloe.

The Committee to whom the Consideration of an answer to the
Queen's Letter, & his excellie Gor Fletcher's demands therupon, &
of an act of Settlement, was Comitted, Gave in yr report in answer
to the Gors speech in writing, Which was read, viz : The report of

the Committee of certain members of Councill & assemblie in answer to the Govrs Speech :

"May it please the Governor. Wee Having duly Considered thy speech delivered us att the opening of this Assemblie the ninth instant, As also the Late Queen's Letter, dated the 21st of Augt; 1694, together wt Coll. Fletcher's applications for the Quota appointed by the sd Queen to be sent from this governmt for the defence of New York, and also having perused the minutes & proceedings of the Councill & assemblie for the two Last years, Wee find that the Generall Assemblie in the year 1693, in Compliance with the Queen's former Letter, soe farr as the religious persuasion of the major part of them could admitt, did Humble psent king Wm. & Queen Marie with an assessment of monie upon all estates wthin the sd province & territories for support of this governmt, which sd assessmt amounting to about 760lb. this Countrie monie, The nett produce wherof being Computed upon the then Councill book to be about 500lb. st. The greatest part of which wee understand, is gathered & sent to newyork by ordr of Coll. Fletcher, Who having soe much regard to the tender Consciencs of such as might scruple the giving of monie to support warr, did declare before anie assessment was agreed on, that what monie should be raised here for support of governmt, should not be dipt in blood, (as hee was pleased to phrase it) which hee afterwards explained upon severall occasions, & pticularlie in his speech to the assemblie in the yeare 1694, wherein he expressed in these words, viz: Gentl. I consider yor principles that you will not Carie armes nor Levie monie to make warr, tho' for yor owne defence, yet I hope you will not refuse to feed the hungrie & cloath the naked; my meaning is to supplie those Indian nations wt such necessaries as may Influence ym to a Continuance of yr friendship to these provinces. Therefore, It is the Opinion of this Committee, that all the monie alreadie raised, or att this time intended to be raised for support of governmt, & not expresslie appointed for anie other pticular use, ought to be deemed & taken in stead of the assistance required from this governmt, the same being in ansr to the Queen's Letters, soe farr as in Conscience & abilitie wee can Complie therewith, And that the same may be appropriated accordinglie, as the Gor, or his deputie for the time being, shall see meet."

The Governor then told ym, "that if that narrative of what they had done in 1693, relating to the Late Queen's first Letter, might be serviceable to ym, hee should be satisfied yrwt, and yrfor desired as they had begun, soe they wold proceed to give an effectuall answer yrto, & to his Excellie Gor Fletcher's demands yron, by raising of monie."

Then all the members Unanimouslie declared, that it was their design to raise monie for the king, To be made use of as hee pleased.

The sd Committee also gave in yr Report relating to an act of settlement in writting, which was also read.

Then the Governor told them, "that what they had heard read was but Reports of a Committee, both members of Councill &

"assemblie, & yrforo, It was necessarie, yt y^e whole members of "Councill should signifie their acquiescence yrwith. Wherupon the "Gor putt this Vote: all you Gentl. that acquiesce with the two reports now read, stand up & say YEA, all you that doe not acquiesce "therwith stand up & say NAY." Caried in the affirmative.

Therafter the Gor ordered Joseph Growdon, Samll Richardson, david Lloyd, Richd Halliwell, Griffith Jones, & Wm. Clarke, to present the said two Reports to the assemblie for their acquiescence, and after they had done the same Hee, the Gor, wold make such observations thereon as hee should think fitt.

Adjourned to the 20th instant.

PRESENT:

WM. MARKHAM, Esqr., Governor undr Wm. Penn, Esqr., &c., & all the members except Anthony Morris, John Williams, & John Brinkloe.

The members who wer ordered to present the sd two Reports to the Assemblie for their acquiescence, made report that they had delivrd the sd two reports to the assemblie, who ansred they wold Consider the same.

Ordered, that Samll Richardson & Wm. Clarke goe to the assemblie & acquaint them That the Governor & Councill do waite for them.

John Blunston, James Fox, Wm. Rodeney & Edwd Gibbs brought from the assemblie y^e sd two Reports, & told the Gor & Councill that they acquiesced yrwith, With some few amendments.

Therafter the Gor. Caused the sd two Reports, The one relating to the Queen's Letter, & the other relating to the act of settlement, to be read, agt which act of settlement The Gor made objections to severall paragraphs therof.

Ordered that the whole members of Councill doe Resolve into a grand Committee of y^e whole house, to join a Grand Committee of the whole members of assemblie, to Consider further of proceeding effectually to ansr the Late Queen's Letter, By drawing up a bill for raising of monie to answer y^e same, & his Excellie Governor Fletcher's demands therupon. And by drawing up another Bill for the act of settlement.

[27th Septembr, 1695.

Att a Councill Held att philadelphia die Veneris, 27th of Septembr, 1695.

PRESENT:

WM. MARKHAM, Esqr., Governor undr Wm. Penn, esqr., John Goodson assistant, & all y^e members of Councill, And all y^e members of Assemblie except Nicholas Wallne & John Betts, sick, and daniell Brown, dead.

"The Committee to whom the Consideraon of the Late Queen's Letter, by drawing a bill for raising of monie to ans the same, and his Excellie Governor Fletcher's demands yrupon, and the act of Settlement, made Report, That they had drawn up the said Bills which had been y^e day before sent to the Governor by foure members of Councill for his perusall.

Then the Governor said: "Gentl, I yesterday received from you two bills; The one entitled an act for raising One pennie p. pound & Six Shillings p. head on such as are not otherwise rated yrby, towards the support of governmt, wherein you propose to give 250lb. for support of governmt & 300lb. to mee towards my services, and the Surplusage for defraying the debts of the governmt. The other an act of settlement.

"If you Gentl, the members of Councill and Assemblie, are satisfied with those bills as they are, They need not be read over again. But if you, or any of you, are not, Ile order the reading of them." Wherupon the members of both Councill and Assemblie did declare themselves Satisfied wt ym, and they needed not be Read over again.

Then the Governor said: "Gentl, you have delivered mee these two bills together, as if you meant to tack ym soe the one one to the other, as that I must pass both or neither. Gentl, you know I allwise Recommended to you the effectual Consideraon of, & ansr to her late maties Letter, & his Excellie Gorr Fletcher's demands yrupon; This was the prime & principall (if not the onlie) occasion of my calling and of yor coming together att this time, (for wee formerlie had Laws enough, and men enough to execute them.) You have indeed in some manner Considered it. But as you have brought these two bills together, it would seem you would have ym past together. But Gentl, To be plain and above board with you, If you'll first pass the monie bill, designed (as you say) to ansr the Queen's Letter, in what manner & under what title you please, Ile give sanction to it, Leaving the bill about the act of settlement to a further debate. Gentl, In the monie Bill you have Considered mee, and I as much thank you as if I had received yor offer; But I desire to be totallie left outt of it, rather than the late Queen's Letter should remain unanswered. And I assure you, Gentl, I shall not assent to the passing of anie bill or bills whatsoever till that be past first.

Then a member of Councill spake to this effect: that in the parliament of England the people had allwise their privileges granted to them befor they gave anie monie, & yt the monie bill used to be the last; & tho' wee can pretend to no equalitie with them, being a poor province, yet we are to proceed in some sense in a parliamentarie way in our degree.

Then the Governor said: "Gentl, You Have now satt well nigh three weeks & have done next to nothing; The onlie thing I called you for was to answer the Queen's letter, & his Excellie Governor Fletcher's demands yrupon. I have oft prest you to it, & do now again."

Wherupon severall members, one after another, urged the passing the act of settlement, alledging there was not more required by ym in yt bill than what the propriator had granted them befor.

The Governor said : " Gentl, I cannot in Honour nor Justice to the propriator, pass this bill or act of settlement, nor will I. I have sufficient reasons for it, wch I am not obliged to give here. Gentl., As oft as I press you to ansr the Late Queen's Letter for the supplie of Newyork, your ansr to mee is that yor priviledges ought to be confirmed to you. I never did, nor ever shall endeavour to diminish them.

But Gentl., Since there's no Likliehood of obtaining from you anie ansr to the Late Queen's Letter, nor to his Excellie Govr. Fletcher's Demands thereupon, Unless Ile enter upon and grant you a Charter of privileges, I dissolve you, and you are hereby dissolved.

 “I think it necessary to take the same my selfe, which I desire you
 “to administer to me, & tho’ I have taken ym before, yet I think it
 “requisite to take ym again, because there is some alteraon in the
 “frame of or government since I Last took ym.” To which some
 of the members answered, that since they could not take an oath
 ymselves, they could not administer one to others. Wherupon the
 Governor desired the Secrie to administer the same to him, which
 he did, and accordinglye the Gor took the oathes appointed by act of
 parliamt to be taken in sted of the oathes of allegiance & Supremacie,

The Governor said: "I have therefore, being well satisfied in yor Loyaltie and allegiance to his matie King Wm. and of yor fidelity to the proprietor, made choice of you for his Council, the number of which is not to exceed Twelve and no less than five to be a Quorum. I know you are all men that are fastned to the Country by visible estates, I mean such as the Law calls Real estates, of which each of you have a plentiful portion, and thats a great securitie that you will study the interest of the Country, and will advise me in what you believe to be for the saftie and preservaon of it; and let me tell you, that nothing can be more for yor preservaon and securitie, nor recommend you more to his matie, than yor diligent observaon and execuon of his Laws and orders. In this I doe not speak to you only as a Council, but also as you are magistrats, and such that you will have a special care in yor respective countie, that nothing be done to the Contrarie, or in violation of them, but that you be diligent to see ym due execution; and this is not only a dutie to yor Sovereign, but a Justice incumbent upon all Honest men and lovers of their Country.

"The proprietor advises mee that hee has written to some friends about his Excellency Governor fletcher's objection about men or money. If anie of you know the Contents of that Lettr, and that it be convenient, I desire you will acquaint the board with it; perhaps it may his Excellency Gor fletcher satisfaction. I have Sea'll Lres from him since the Last assembly, demanding our Quota; but you all know I could make no Satisfactorie answer w^out money. To answer all these things to purpose, and to putt this governmt in a better posture of defence & securitie than it is att present, I find it absolutelie necessarie that there be an assembly called with all convenient speed, Wherein I desire yor advice."

The members of Councill did Unanimouslie advise the Governor to call an assembly.

The second thing I Recomend to yor Consideraon is the Securitie & defense of this province & territories, & that the rather, because when his matie was pleased to restore Mr penn to his governmt, Hee gave his Matie good assurance that he wold take care of the governmt of the same, & would provide for the saftie & securitie therof all that in him Lay; To Inforce both which, the Gor desired the Secrie to read his matjes Lres patents under the great seal of England, restoring Mr penn to his governmt & her Late matjes Letter: which hee did, & delivred Copies of both to the assembly for their greater ease & satisfaction.

Since which, I have received the sd Gor " fletcher's speech to the assembly of newyork, dated the 16th in- " stant, which had some relation to that matter, which I give you, " that thereby you may see the pressures of that province, & the great " occasion they Have of men & monie, & of food & rayment, to be " given to those nations of Indians that have Latelie suffered ex- " treamlie by the French, which is a fair opportunitie for you (yt for " Conscience cannot Contribute to warr) to raise monie for that oc- " casion, be it undr the Colour of support of governmt, or of reliefe " of those Indians, or what else you may call it. Att a Council Held att philadelphia die Veneris, 30th Octobr, 1696.

PRESENT :

WM. MARKHAM, Esqr., Governor, &c.

Edward Shippen,

Jno Brinckloe,

John Hill, &

Antho. Morris,

Wm. Clark,

pat. Robinson.

David Lloyd,

The Gor acquainted the Council that yesterday Hee had received

a Lettr from his Excellency Governor Fletcher of Newyork, demanding the Quota assigned for this province & Newcastle ; which hee caused the Secerie to read, and then ask the advice of the Council, whether to send for the assembly & communicate the same to them. The Council advised him so to do.

Ordered, that John Hill & Jno Brinckloe acquaint the assembly to attend y^e Governor forthwith, Who reported that the Assembly wold wait upon him speedilie.

Then the assembly desired admittance, and wer accordingly admitted.

Then the Governor said : " Mr Speaker & you Gentl. of the assembly, you are a verie silent & close Assembly, which I believe proceeds from some jealousies you may have that I intend to take away yor Charter. Mr Goodson relinquished his assistantship to me, that Arthur Cook might take it up, by presenting to mee a Comission from the proprietor to me, which hee had kept hid from mee these 18 mo's past, & wch authorized me to act according to Law & Charter, & by another to Samll Jennings & Arthur Cook, to be my assistants, which they also kept hid from mee the Like time. Gentl, After the proprietor had his Governmt restored to him, I was of opinion that his Charter to you was in force, and I then called you together according to it, (except in the day,) & endeavored to putt the governmt in that frame it was in before it was taken from him, & no man more asserted the powers of the Charter than I did, and am still readie to doe ; But the then Representatives wer of opinion that it Could not be Reassumed but by a Legislative authoritie, which was a thing of too great moment for mee to have done wtout advice from the proprietor, who gave the Charter ; and since at that time you owned not yorselves to a provincial Charterall Council, It was then in my power to dissolve you, which I did. Gentl. no man ever heard mee say that the Charter was void, & no man stood more for the defence of it than myself. And had that Comission which Mr Cook now presents to mee from the proprietor, which authorizes mee to act by Law & Charter, been the first presented to mee, I could not even by it have acted more Charterallie than I did by that by which I then & now act, which authorizes mee to act according to the Laws & Usages. And since you say that the Charter cannot be putt into act & motion without a Legislative authoritie, If I had power or Instructions from the proprietor to doe it I wold most willinglie ; But yet for all that, care must be taken ffor the governmt, and if by Charter I can doe nothing by the king's Letters patents, I must, seeing the emergencie of affairs, call for it with all dispatch. Gentl, If there be any thing you wold have me do that may secure anie right or claime you have in Law or equitie to that Charter, or anie part of it, (besids putting it in force wtout the proprietor,) I'll offerr that nothing you doe this sessions shall be any manner of way prejudicial to yor claime or right to the same.

" Gentl, Its above 12 mo's since I called an Assembly, & indeed " I was backward to call one, knowing how fond you wer of the

"Charter, Hoping to Have Heard from the proprietor ; but now the "emergencies being such that I could no Longer delay the calling "you, I have now called you according to the king's Lres patents to "Mr penn, & as neer as I can according to the Customs of the nigh- "bouring provinces. Gentl, yesterday I received a Lettr from his "Excelle Gor fletcher, demanding or Quota, &c." Which the Gor ordered the Secrie to read, which was done, & delivred to the assem- blie for their Consideraon.

Then the Speaker of the Assemblie presented to the Governor a paper of this tenor, viz :

"To the Governor & Councill. Whereas, the Gor has been pleased "to convey us by his writts, tho' not in the form of Charter, as wee "could desire, Wee have obeyed the same & considered what he has "laid before us, Viz : an ansr to the Late Queen's Letter, & or pro- prietor's promise upon his restoration to his governt, And wee are "heartilie & Unanimouslie willing & ready to perform or duties "therein so farr as in us Lyes, If the Gor wold be pleased to settle "us in or former Constituon enjoyed by us before this governt was "committed to Gor fletcher's trust. Signed by order of the assem- blie.

JOHN SIMCOCKE, Speaker."

Then the Gor said : "Gentl., What I have said to you but now "Contains a sufficient ansr to this message, Soe I need not repeat it "again. And Gentl, you may make what Salvo you please to se- "cure your Charter, so that nothing that shall now be done shall "prejudice your right & claime to it, and He consent to it, but I "cannot give it you for want of power."

The Governor exhibited to the Council a Lettr from the proprietor, directed for him, to be opened only and read in a full Council; Which being thought to be as full a Council as could be got in such a season of y^e year, It was yrfor Resolved that the sd Lettr should be opened and read which was done. The contents qrof wer as follows, verbatim, viz: "London 5th 7 m., 1697. Friends, The accusations of one sort, & the reports of another that are come for England agt yor governmnt, not only tend to or ruin, but disgrace. "That you wink at Scotch trade and a Dutch one too, Receiving European goods from the latter, as well as suffering yors, agt the "Law & English interest, to goe to the other; Also, that you doe "not onlj wink att but Imbrace pirats, Shippes and men. These "are yor accusaons, and one Fra. Jones of philadelphia has Com- "plained of them to Gor Nicholson, becaus it was not redrest in the "governmt. The Reports are, and a nameless Lettr is come to me "besides from Philadelphia, to y^e same purpose, that there is no "place more overrun with wickednes, Sins so very Scandalous, open- "ly Comitted in defiance of Law and Virtue: facts so foul, I am "forbid by Comon modesty to relate ym. I do yrfore desire and "charge you, the Gor & Council for the time being, to issue forth "some act or acts of state forthwith to suppress forbidden trade and "piracy, and also the growth of vice and Loosness, till some severer "Laws be made agt them: And I do hereby charge that no Licence "be granted to any to keep publick houses, that do not give great "securitie to keep Civil houses, and are not known to be of a sober "Conversaon, and that the Courts of Justice in each County have "the approbaon, if not Licensing of ym, In order to prevent such "acts of the Lewdness and Idleness as are too often seen in such "places; And that you take Care that Justice be Impartially done "upon transgressors, that the wrath and vengeance of God fall not "upon you to blast your so very flourishing beginning. I hasten "to you as fast as y^e Complaints here agt you will give me leave, "that make my presence now but too necessary. Att a Council Held at philad die Jovis, 10th February, 1697-8.
 WM. MARKHAM, Esqr., Governor et ysdem ut antea.

Joseph Growdon, Chairman of the Committee appointed further to peruse the sd Letter, & strietlie to inquire into y^e Complaints y^rin mentioned, & to report the same to the Gor & Council by way of ansr to the said Letter, this day Exhibited to the Gor & Council their report in writing, viz: The Committee having perused & thoroughly Considered the proprietor's Letter, Charging the Governor & Council to suppress forbidden trade & piracie; & also the growth of vice & Loosness, &c. within this governmt, doe Humblie make this Report unto the Governor and Council.

First. As to the Scotch & dutch trade, wee are not privie y^rto nor any of us Concerned therein, but if any such trade has been & escap't unpuneshet, It may rather be attributed to the Cognivance or neglect of those officers appointed by Edward Randolph to inspect those things, or others particularly appointed in that behalf; for wee can say, that the magistrats & Courts of Justice have been ready & diligent upon all occasions to punish, suppress, & discourage all illegal trade that came to their knowledge.

Secondly. As to Imbracing of pirats, &c. Wee know of none that has been entertained here, unless Chinton & Lassell, with some others of Avery's Crew, that happened for a smal time to sojourn in this place, as they did in some of the neighbouring governments; but as soon as the magistrats in Philadelphia had received but a Copie of the Lords Justice's proclamation, gott all that were here apprehended, & would have taken the Care & Charge of securing ym, untill a Legall Court had been erected for their trial, or an opportunity had presented to send ym to England; but before that Could be effected, they broke goale & made their escape to New york, where Hues & Crys wer sent after ym, And as to pirats' shippes, wee know of none Harboured or ever came in here, much Less encouraged by the Gor or people, who as it is well known, are generally sober & industrious, & never advanced y^r estates by forbidden trade, piracie, or other ill ways, notwithstanding what is suggested by or enemies to the contrary.

As to the growth of vice, Wee cannot but owne as this place hath growne more populous, & the people increased, Loosnes & vice Hath also Creep't in, which wee lament, altho' endeavours have been used to suppress it by the care & industry of the magistrats from time to time, offenders Having received deserved & exemplary punishments, according to Law.

As to Ordinaries, Wee are of opinion that there are too many in this governmt, especiaillie in philadelphia, wch is one great cause of the growth of vice, & makes the same more difficult to be suppress & kept under.

On the whole, Wee being at all times Heartily inclined to show or Loyalty to the King, & readie obedience unto His Laws, do think it necessarie, & do y^rfore make or request to the Gor & Council, that an Ordinance be made, & a proclamaon do forthwith Issue from the Governor & Council, strictly to suppress forbidden trade & pirats, if any shall Happen; and also the growth of vice & Loosnes within this governmt, until some wholesome & severer Laws be made for a

more effectuall remedy, and the ordinaries or Houses of entertainment be reduced to a Less number, & and that all such as have not alreadie given good securitie for keeping good orders, and discharging the place according to Law, be speedilie required so to do or otherwise to be suppressed, & for the future that the Justices in the Quarter Sessions in each Countie may have the approbaon, if not the Licensing Ordinarie keepers throughout the government.

The which report being read in Councill, It was put to the vote by the Gor, Whether they approved yrof, & whether they esteemed it to be a proper ansr to the sd Lettr. It was Caried in the affirmative, N. C.

Then the Gor did Resolve the whole members of Council Into a grand Committee, to draw up a proclamaon to suppress forbidden trade & unlawll piracie, the growth of vice & Loosnes, & to regulate & reduce the ordinaries, untill severer Laws can be made agt such enormities, & to bring in their report & a draught of a proclamaon to the Gor & Council the 12th instant.

Adjourned to the 12th February, 1698.

Att a Council Held att philadelphia die Sabbatti, 12th Feby, 1697-8.

PRESENT :

WM. MARKHAM, esqr., Gor., et ysdem ut antea, except Richard Halliwell.

Joseph Growdon, Chairman of the Committee appointed to draw up the sd proclamaon, &c. Exhibited to the Govr and Council a draught yrof; which having been read and some amendments therein made, It was by y^e Gor putt to the vote, whether the members of Council did approve yrof or not. It was carried in the affirmative, N. C., wch was in these words :

By the Governor and Councill of the province of Pennsylvania & Counties annexed : A proclamaon.

Whereas, or proprietary Hath Latelie given us to understand of sundry accusaons or Complaints agt this governmt, for Conniving att illegal trade and Harboursing of Pirates : as also, of the reports that are come for England about the growth of vice and Loosness here : As to the former, its evident that they are the effects of the envy and emulation of those who by such unfair and indirect means wold accomplish their designs agt this governmt, for that wee are satisfied, the generality of the people, merts, and Traders of this province & territories, are innocent and clear of those imputations : and this Countrie being so posited, Philadelphia is become the rode where sailors and others doe frequentlie pass and repass between Virginia and New England, that it cannot be avoided but the bad as well as y^e good will be entertained in such an intercourse ; and since Comon charity obliges us not to presume any person guilty, (especiallie of such great enormities) till by some legal probabilitie they

appear so to be, and tho' wee find that the magistrats and people in general are and have been ready, & perhaps more active and Conscientious, to serve y^e king and his officers agt all unlawl trade and piracy, when any such offences have by any means come to their knowledge, than any of those neighbouring Colonies who have been so Querimonious agt us in that behalf; yet wee can do no less than pursuant to our proprietarie's Comands to put all in mind of their re-xive dutys, that ther may be no just cause for such Complaints. And as concerning vice, Wee also find that the magistrats have been carefull and diligent to suppress it, but their endeavours have proved sometimes Ineffectual yrin, by reason that the Ordinaries or drinking houses, especiallie in Philadelphia, grew too numerous, and the keepers yrof disorderlie and regardless of the tenor and obligaons of yr Licenses, whereby they prove ungrateful to the Governor, and a reproach to the governmt. Therefore, these are strictlie to Charge and comand all magistrats and officers whatsoever wtin this Province and territories, as they regard the honor of God and their allegiance to the king, faithfully to put in execuon all the acts or Laws of trade and navigaon; And also, all the Laws and statutes extant agt piracy, when ever they be any such occasion, and to use their utmost diligence and care in preventing, suppressing, and punishing all vice, disorders & Looss living, whersoever and in whomsoever it shall appear. And that end it is by the Governor and Council ordained, that from and after the first day of March next, the Justices of y^e peace of each countie in this province and territories, at their re-xive General or private sessions, may nominate and pitch upon such, and so many ordinariē keepers or Inn holders within their re-xive Counties, as they shall be well assured will keep good orders and discourage vice; And the Governor is pleased to condescend that hee will Licenoe those so approved of by the Justices, and will permitt no other to keep Taverns, Inns, or Drinking houses within this governmt, but such as shall be so Recommended from time to time. And wee further strictlie Charge and comand all persons within this governmt, as they will answer the contrary att their peril, that they give due assistance to the magistrats and Officers aforesaid, in putting the sd Laws in execuon, and suppressing vice, that the wrath of God & the king's displeasure may not be drawn upon this poor country. Dated at Philadelphia, this 12th day of the 12th mo., 1697-8, in the ——— year of the reign of Wm. the 3d of England, king.

Wherupon, It was ordered By the Governor and Council, that the Secry. should forthwith write six of ym, one for each Countie, & should Subscribe the same as Secry, by Order of the Governor and Council & transmitt one of ym to each Countie, directed to the Justices yrof, and that they should forthwith publish y^e same in their re-xive Counties, & then put ym up in the most Publick place thereof rexivelie, that all persons Concerned might take notice yrof.

Upon reading the petition of Wm. Southbee & other Inhabitants of Philadelphia, to the Governor & Council, requesting ym to

place Officers of good repute & Christian conversation, and to cause tables of all Officers fees to be Hung up in their offices, & that they wold reduce the number of Ordinaries and better regulate ym, and to cause the Laws of the Province to be put in execution, and Cause stock and Cage be provided, & to suppress the noise & drunkenness of Indians, especially in the night, and cause the Cryer go to the extent of each street when hee has any thing to Cry, and to put a check to Horse racing. The said petition was by the Governor & Council referred to the Justices of y^e Peace for y^e Countie of Philadelphia, for a speedie and effectual remedy of y^e abuses yrin Complaind of.

Upon Reading the petition of Edward Shippen, Anthony Morris, Charles Sober, John Farmer, James ffox & Samll Richardson, Justices of y^e peace for the sd Countie, agt Jno Claypoole, who is and is Like to be incapable to serve y^e Countie either as Clark or Sheriff, by reason of his lameness and misbehaviour, &c., and yrfor desiring the Govr to permitt ym to pitch on some others to serve as Clerk & Sheriff for ye Gors approbaon, who may be better able & more reputable to discharge those places.

The Governor bid ym recomend a Clerk & hee would comissionate him, & a person to serve as sheriff during Jno Claypoole's illness, & yt he wold comissionate him; & said Hee would give the justices an ordr to cause Jno Claypoole deliver to ym the books of records and papers relating yrto, The Justices being willing to take the pains to make up the records of Court.

Upon reading the petition of peter Clauson, Cooper, Setting forth, that hee had been Long since apprehended, & his goods seized, upon Suspition of piracy, and that his occasions call him hence for Europe, & that in regard no proceedure is made agt him, Hee prays the Libertie to depart the governmt, & that his goods may be redelivered. Ordered, That the examinaon of John Matties, in relaon to the petitioner's being taken out of a deans vessel by Capt. Avery, be further inspected, & a further Consideraon of y^e petitioner's case referred to the next sitting of Council.

PRESENT:

WM. MARKHAM, Esqr, Leivt. Governour.

Samll Carpenter,	Jno Simcoke,	Wm. Biles,
Edwd Shippen,	Joseph Growdon,	Wm. Clark,
David Loyd,		

The Lt Gor acquainted the Council yt he had received a Lre from y^e Justices of the peace of Sussex County, & desired y^e Secrie to read it, which hee did, viz: may it please yor Honor, This to or Sorrows, but according to our duties, is to inform, That on Friday Last, in the afternoon, a small snug-Ship & a Sloop came too wtin our Cape, not wholly undescried, but little dreaded of being an enemy or french, both which they proved, & yesterday morning Landed about 50 men, well armed & came up y^e town & plundered almost every house yrin, Committing great spoil, breaking open doors & Chests, and taking away all money or plate to be found, as also, all manner of goods & merdize worth any thing, together with ruggs, blanketting, & all other bedd Covering, Leaving scarce any thing in y^e place to Cover or wear. They brought two English prisoners on shore wt ym bound, one of ym known to be Jno Redwood, of Philadelphia, His Boy, with whom they wold Suffer no Converse, but wee suppose y^e sd sloop to be said Redwood's taken Coming out Cinnepuxon Inlett; They all went on board Last night; killed several Sheep and Hogs. They Continue still att anchor in yr birth, as neer in the bay opposite to this towne as they well can find water to ride in, & it's doubted they will be on shore again before night for more Cattle, if not to burn y^e houses; but we shall endeavor to Scare ym. They Ly ready for all

mischiefe inwards or outwards by land or water, and Have pilots any way. They are now in Chasse Inwards of a Briganteen with their sd sloop. The briganteen outsails ym, & wee Hope in God, will escape. They are begarly Rogues, and will pillage for a trifle, and do think they may tarry Long enough untill y^e man of warr att York may have Speedy notice. They took about eleven of y^e Chief of or town prisoners, & when they had made ym help on board their plundr, dismiss all except one man, Capt. Watson's Carpenter. This place is verie open to danger, & verie naked for defence Mr. Clark's House & goods Hath Sufficiently shared in y^e villany. Wee hope wee need not repeat y^e Calamities aforesaid, nor y^e great terror yt must needs here attend all Sexes & Sizes; all which is Submitted to yor Honors most Serious Consideraon, By Sir yor Humble Servants—Luke Watson, John Hill, Tho. Oldman, Jonat Bailly.

Therafter the Lt. Gor sent for Tho. Simpkins, mariner, who appeared, & aged fourty years, made oath yt y^e name of y^e vessel yt took him he knows not, but yt it was a pirate named Canoot, on board Jno Redwood's sloop, & yt y^e sloop that took ym was said to belong to one William, in providence, & that the pirate took her about the Bahama Islands, as his men said, & that Hee took y^e deponent and said Reedwood's Sloop off Cinnapuxon Inlett, 30 miles below y^e Cape, & that they wer taken y^e 3d Augt, & that y^e sd Canoot keptt still on board sd sloop, shee being the best Sailor, & yt y^e sd Capt. shott one of his owne men for some misdemeanor as they said, formerly committed by him. And further saith not.

Edward Gillibrand, aged about 36 years, being sent for, appeared & made oath yt hee was Mr of y^e dunmore of Liverpoole, & came from Rapahannock river, out of y^e Capes of Virginia, y^e 17th Augt. Last & was taken by y^e sd pirate y^e 19th, with the sloop yt now Lyes att philadelphia; yt he was taken about 75 Leagues off y^e Capes of Virginia, about E. N. E. the pirate Lay fair northerlie off y^e Cape & Laid him athwart y^e Hause & boarded him att once, & yt y^e pirate fired but killed none on board him; that hee knows not y^e Sloop's name, yt took him, and yt at Rapahannock hee was told yt many pirats wer on y^e coast, & yt hee heerd y^e pirats say yt y^e sloop qrin they took him belonged to providence, & further saith not.

The which Lre & deposition being read, The Lt. Gor ask't y^e advice of y^e Council yrin, Whoise ansr was: That seeing y^e king's Lres patent impowers y^e proprietarie, His Heirs & assigns, by ymselves or yr Captains, or other their officers, to Levy, muster & train all sorts of men, of what condition or qrssoever born, in y^e province of pennsylvania, for y^e time being & to make warr, & to psue y^e enemies & robbers aforesaid, as well by sea as by land, even wtout y^e Limitts of y^e sd province, & ym, by Gods assistance, to vanquish & take, & being taken to putt to death by y^e Law of war, or to save ym, att yr pleasure; And to do all & everie other thing which to the charge & office of a Capt. general of an army belongeth, or Hath accustomed to belong, as fullie and freelie as any Capt. General of an army ever had y^e same And seeing the Lt. Gor. is vested with the above sd powers of a Capt. General, & is not scrupulous to putt y^e same in

execuon ; Therefore, y^e sd members of Council do referr y^e managmt of y^e whole affair upon this & y^e like emergencie, to his conduct & prudence. And It is y^e Opinion of this board, that what charge shall accrew yrby, ought to be speedily raised by a provincial tax.

The petition of David Evans being read, Setting forth His Long Imprisonment, & yt notwithstanding y^e great charge Hee has been att in procuring evidences of his being cleared in England, by his Country. on a fair trial of the Crimes alledged agt him, yett is still detained Close prisonr, to His ruine ; and therfore requests enlargmt & y^e enjoymt of his Liberty. Resolved yt y^e petitionr make His applicaon to y^e Judge of y^e Court of admirality, for his enlargement Or Speedy trial.

WM. MARKHAM, Esqr., Leivt Governor.

Samll Carpenter,	Rich Halliwell,	Jno Donaldson,
Joseph Growdon,	John Simcooke,	William Clarke.
Wm. Biles,	David Lloyd,	

The Lt. Gor said : Gentl, There Has Hapened here in this town an action that hath verie much troubled me, & I think in it self verie Irregular, viz : There wer some goods & merdizes Seized by y^e king's Collectors for goods imported Contrary to Law, The wch goods Coll. Robt. Quarry, Judge of the Court of admiralitie for this pvnce & territories, by his warrt to Robt. Webb, marshall of y^e sd Court, took from y^e said Collectors, & Comitted ym to y^e custodie of y^e sd marshall, and y^e sd Coll. Quarry being upon going to Maryland, I was petitioned by Jno Adams, y^e owner of y^e said goods, for a replevin, in these words, viz : "To y^e Honble Wm. Markham, esqr, Gor of "the province of pennsylvania. The Humble petition of Jno Adams "most humbly Sheweth, That yor petitioner did, in y^e mo. of June "Last past, ship a Considerable Quantitie of goods on board y^e sloop "Jacob, Francis Basset Mr., bound for this place from New york "wch sd goods, for want of a Certificate, wer seized att New-castle ; "whereupon I, as in duty bound, made my applicaon to yor Honr, "& yor Honr was pleased to promise mee all y^e favour you Could in "such a Case grant mee, And by yor Honor's advice, I went down "to Newcastle to treat with the Collector concerning that, who not "willing to take any advantage to Ruine mee, was verie willing to "observe yor Honor's Comands & directions, so yt I hoped (as I "thought on good ground) to Have my goods returned mee upon an "appraismt, till y^e Court wold be. A smal time after my certificate "Came from Newyork, which I showed to the Judge of the admiral- "tie, & to Esqr Randolph, & requested I might have my goods. The "Judge told me if I had 1000 Certificates I could not have my goods "but in a Legal way, Becaus hee said yt Mr was not Qualified ac-

"cording to Law. I submitted to it, and pray'd I might have my
 "goods prized, & wold give in good securitie to ansr it att Court,
 "which was promis't mee (as soon as y^e provost marshall had his
 "Comission, which yet hath not been granted;) Tho' hee who was
 "the author of all my trouble, & an alien, had his goods & vessel de-
 "livered to Him; & I was still putt off with fair promises that I
 "should have ym; when y^e advocate (yt is to be) had been att New-
 "york & come back again, I should have ym delivered to me instantly.
 "I y^e meantime, understanding I had a Cargo of goods arrived there
 "for mee, I went to Newyork to dispose of y^e same, And meeting
 "wt y^e Advocate on my journey, Hee told mee I might have my
 "goods if I wold give bail according to my prime Invoice, wch I was
 "willing to do, rather than to Consume so much of my precious time
 "waiting for I know not what, and so made all possible Haist to New-
 "york & putt my goods Into a merts. Hands there to sell for mee,
 "allowing Him Usuall Commissions, in regard I was Unwilling to
 "neglect my troublesome bussines here, in hopes of a Speedy dis-
 "patch, according to the manie Reiterated promises made mee. So
 "I made post from Newyork back again, & Have since made my ap-
 "plication to y^e Judge of y^e admiraltie, and delivered him my Invoice
 "to puse, & offered him my oath to it. He told me he wold Con-
 "sider of it, & since tells mee hee can do nothing in it, and gave
 "mee some Hints as though it Stuck wt yor Honr, & am still putt
 "off wt fair words, but no such actions. So yt I have assumed the
 "boldness once more to address to yor Honr, Hoping & Humbly re-
 "questing yt yor Honr will please to Consider the great Charge I
 "have been att in having my goods seized, & paying ten shills p.
 "week storige, almost these 2 mo's., & in having ym detained from
 "mee; my several chargeable and uncomfortable voyages to New-
 "castle (by yor Honors advice) to treat with the Collector; my
 "great charge, pains, & trouble in Coming back from Newyork, to-
 "gether with my great Charge & Inconveniencie in Leaving my
 "goods there on Comissions; my intolerable Charge in y^e Loss of
 "my precious time, & extraordinary expenses I am dayly att; the
 "Loss of my market & damnifying of my goods, wch, for aught I
 "know, may be rotten before y^e Court of Admiralty be Constituted,
 "the Judge being bound to Maryland for y^e advocat's Comission;
 "the great detriment it hath been to my health, being fallen away
 "since I came almost to skin & bones, by Continual Concernedness
 "for my hard, Unheard of Usage; the great destruction of my
 "bussines att home & abroad; the impairing my Credit, the best
 "Jewell I have; the utter, unavoidable Ruine of my dear wife &
 "children; y^e smal, or no advantage that can redound to his matie
 "or yor Honr by with-holding ym from mee; all which tends to the
 "dishonor of his matie in having his subjects wronged in pson & es-
 "tate, by Hard hearted, unreasonable officers, & y^e discouragmt of y^e
 "growing trade of this province. Yor petitionr Humbly prays yor
 "Honr to Consider y^e premises, and grant Hee may Have his goods
 "on an appraismt, by sworn appraisers or anie other ways, as yor
 "Honrs great wisdom may think fitt, being willing to give in Secu-

"ritie to ansr what may be alledged agt my goods, and abide y^e Ord^r of y^e Court. And yor petitionr, as in duty bound, shall ever pray for yor Honrs Happiness & prosperity. JOHN ADAMS, philadelphia, August 19th, 1698."

I made ansr that I wold not medle with any thing that Lay before the Court of admiralty; But the day after, as I take it, the sd Coll. Quarry went out of this Town, The sd Jno Adams, Owner of the goods seized, obtained from Anthony Morris, one of the Justices of y^e peace for this County, a warrt, by y^e name of a warrt of Replevin, which was executed by y^e under Sheriff, and the goods taken from y^e marshall & delivered to the sd Jno Adams, y^e owner yrof.

Upon the Complaint of y^e marshall, I wrote to the Sheriff y 27th Augt, 1698, in these words, viz: "Mr. Claypoole, I wonder such an action of replevyng y^e goods in y^e hands of y^e marshall of y^e admiralty should be done without my knowledge: It was but yesterday that I was petitioned for a Replevin, which I refused; & I think I have as much power as any man in this governmt. What complaints & damages may arise from this Let the actors ansr for; since I cannot undo what's done, I will declare agt y^e proceedings of all who were concerned in it: my advice to you is, & I expect that every thing you have taken by virtue of the warrt of Replevin, be forth coming in its proper specie." To which the sd Sheriff made answer in these wrds, viz: "Sir, I perceive by yors, yt Adams of Boston has been with you to request the grant of a Replevin, & yt hee had yor denial. Hee came to mee about foure in the afternoone yesterday, & desired to have a Replevin of certain goods that was taken from him by Robt. Webb, not naming him to mee by any office, & the writt named him Robt. Webb, gentl; I knew not that it any way interfered with the Court of admiralty, neither did I either hear or know any ways that hee had been with you. Replevins have been always here granted by the Justices, and never questioned by the Sheriff, no more than writts of arrest. I took of him bond wt Securitie in 500lb. for y^e goods to be forth coming, being several sorts of English goods, five bolts of Canvass, & five $\frac{1}{2}$ barrels of East India goods, and that hee shall make restitution of y^e sd goods, if it shall be so ordered by y^e Court. Had I known you had been interceded about it, wold not have any wayes medled in it wtout yor approbaon; So hope my ignorance yrof may plead my excuse, being ever willing to obey yor Comands to y^e best of my power and ability, so subt. JOHN CLAYPOOLE, 7th Augt, 1698." And Seeing the sd Robt. Webb, marshall of the admiralty, came no more near mee, I sent the Sheriff the following warrant, viz: "province of pennsylvania; By the Lt. Gor. Whereas, several goods & merchandizes wer seized by Mr Jno Bewley & Mr Mathew Birch, Collectors of his Maties Customs wtin this governmt; which goods wer delivered by ym Into y^e hands or possession of Mr Robt. Webb, marshall of y^e Court of Admiralty, in ord^r to have ym tryed in y^e same Court, as goods illegallie imported, Which goods wer by the Sheriff of y^e Countie of Philadelphia,

"taken from the said Robt Webb, by virtue of a warrant of Replevin
 "from a justice of the peace of the sd Countie, & the goods delivered
 "to Jno Adams, the pretented owner thereof; I do yrfor hereby will
 "and require you, to take into yor possession y^e same & sd goods, &
 "safely keep ym, untill further order, or that they be brought to
 "trial in such Court y^e Informer shall think fitt, according to Law,
 "for which this shall be yor sufficient warrt. Given att Philadel-
 "phia, this 27th day of Augt, in y^e 10th year of y^e reign of king
 "Wm., & 18th of y^e proprietor's govm't. Annoque domi, 1698,
 "Wm. Markham. To Mr Jno Claypool, High sheriff of philadel-
 "phia Countie." And the sd Sheriff wrote mee in answer this, viz:
 "Augt 30th, 1698. Sir, Jacob May, (the under Sheriff,) Has been
 "yesterday & to-day about the execuon of your warrt for seizing &
 "Securing of y^e goods taken by replevin, & have not as yet any
 "accot yrof: I hope to wait on you to morrow, & receive yor further
 "Comands. To subt, John Claypoole." Therafter the marshall,
 Robt Webb, posted outt of town after Coll. Quarry, & overtook him
 at New castle, and there drew up a narrative & swore to itt, but know
 not as yet what it is; But Coll. Quarry att his return to philadel-
 phia, told mee hee had sent several Copies of it home, wt Coments
 upon it as large as the Circumstances of the thing wold bear, wt
 reflections upon mee in it. I told him I thought hee had been to
 quick in witting home before hee had first inquired in ye matter
 Himself. Then the Lt. Gor said, Gentl, Its now late, yrfor wee'll
 adjourn till Moonday y^e 26th instant, & in y^e meantime I desire you
 will think of what I Have Laid before you, and yt you will be readie
 by yt time to assist mee wt yor advice in this matter.

Adjourned to 26th instant.

Att a Council Held att philadelphia, die Lunæ, y^e 26th of Sep-
 tember, 1698.

PRESENT:

WILLIAM MARKHAM, Esqr., Leivt. Governor, et ysdem ut
 antea.

The Lt. Gor said: Gentl, I Hope you Have by this time Consid-
 ered of what I Laid before you y^e 24th instant, & are ready to give
 me yor advice yrin. I ask your opinion of the action of Anthony
 Morris, the Justice of y^e peace yt granted y^e writt of replevin, becaus
 Coll. Quarry, the Judge of the admiralty, aggravats it as an action
 of y^e govm'ts, and I think no action of any Justice of the peace,
 nor no unjust proceedings of any Court, can be termed an action of
 y^e govm't.

It was resolved, that the granting of y^e sd replevin was no act of
 the government, nor was the Governor any wise Consenting or privie
 therto.

Therafter, three of the Justices of y^e peace for the County of
 philadelphia, viz: Anthony Morris, Samll Richardson & James ffox;

presented to the Gor & Council the paper following, viz: "May it please the Gor & Council, Wee, the Justices of the County Court of philadelphia, understanding that some complaints have been made to you agt or proceedings in a replevin Latelie granted by one of us to John Adams, mert, returnable to or last Court, do humbly offer this following answer for or vindicaon. First, that wee look upon a replevin to be the right of the king's subjects to have, & or duties to grant, where any goods or Cattle ar taken or distrained. 2dly, That such writts have been granted by the Justices, & no other in this governt, the p'ties giving bond with Surties, to the Sheriff, for redeliverie of such goods in case y^e pltf. in the replevin be cast, according as is usual in England in such cases. 3dly, That since wee understood how the goods in Question wer Seized & secured in y^e king's store house, wee might have just grounds to conceive that the Sheriff might be as proper to secure the same to be forth coming in Specie, as by the replevin hee is Comanded, as that they should remain in the hands of Robt. Webb, who is no proper officer as wee know of, to keep the same, nor hath given any Security. or Caution to this goveramt to ansr the king and His people in that respect, as wee can understand. Lastly, That wee att or Last Court, finding this matter to be weighty, tho' wee did not know of any Court of admiralty erected, nor psons Qualified as wee know of to this day, to hold such Court, yet wee forbore the triall of y^e sd replevin, & Continued it untill wee further advised, & so the pties are to come before us again att next Court, where wee should be glad to receive some advice yrin from you; And rest yor Loving friend, Anthony Morris, Samll Richardson, James ffox, philad. y^e 27th of y^e 7th mo., 1698."

The Lt. Gor Sent for the Justices of y^e peace of the said County of Philadelphia, that Satt on the bench the last Countie Court. There appeared Anthony Morris, Samll Richardson & James Fox, (Edward Shippen, one of ym, being gone to New england,) The Lt. Gor told ym yt Coll. Robt Quarry and mr Jno Moor, had been with him, and told him yt in y^e sd Last County Court, there were great reflections made upon Coll. Quarrie's pson, and his Comission; And the Court permitted a pation to be read in Court that had many reflections in it upon said Coll Quarry, wtout any reprimand or notice taken of it. Gentl, I am sorry to Hear and unwilling to believe these things. But yt I may be satisfied in y^e truth yrof, I sent for you to have it examined before this board; But y^e time of y^e provincial Court's circuit being come, wherein some of y^e Council are

Judges, I cannot have a Quorum of y^e Council until y^e sd Court be over, and then I shall call a Council on purpose to examine y^e sd Complaints. WHEREUPON some of y^e members of Council moved that the Lt. Gor would be pleased to Cause Coll. Quarry and Jno Moor to reduce yr Complaints to writing, yt y^e psons Concerned might make their defence thereunto.

Upon reading a Letter from Richard Halliwell, one of the Justices of the peace of y^e Countie of Newcastle, directed to the Leivt. Governor, in these words, viz: Honoured Gor, Sir, This Comes to acquaint yr Honour that this day was several evidences taken before me relating to several words & passages that happened upon y^e water yesterday, betwixt Mr Birch, Collector, & Several other per-

sons in another boat, bound up the river. Mr James Meinzie, being one that was accused for words & act, being this day in Newcastle, was bound in y^e sum of five hundred pounds, with securitie, for his appearance before yor Honr before the first day of Augt next, to ansr to such matters as shall be objected agt him. I have given Mr Meinzie a copie of the whole accusation, & Coll. Quarrie another, keeping the original my selfe, Leaving the prosecution of the matter to yor Honor's discretion. I confess its a thing not practicable; but wee having no king's attornie, the Last provincial Court to prosecute what was there cognizable, Could see no way more Safe & expeditious than to referr y^e matter to yor Honr. Sir, if you think reasonable to have the original affidavits, they shall be sent, when yor Honr Comands them from your most Humble Servant.

RICHARD HALLIWELL, Newcastle,
July y^e 27th, 1699.

Upon reading the petion of James Meinzie of Boston, to y^e Lt. Governor & Council, Setting forth that hee being employed by Mrs John Borland & Jno Maxwell of Boston, merts, to receive severall debts due to ym in these parts of America, & according to their Letter of attornie, hee received in west Jersie about 300£ due to ym, Which Sum yur petitioner Carrying along with him in a boat, from the Lower parts of West Jersie to philadelphia, where hee was to dispose of y^e same for his Constitutents, according to their order, One Mr Birch of Newcastle, with 3 or 4 men more, Came out in a boat from Newcastle upon y^e 26th of July instant, & came up with the boat in which yor petitioner & several others were, and demanded from whence they Came; to whom it was answered from below; & Birch asking what Loading was in y^e boat, Hee was told there was none but Cloathes; and hee desiring to know what was in the Chest that was in the boat, the same being opened, hee saw the monie, which yor petitioner told belonged to Mr Jno Boreland, & tooke up one of the baggs marked with I. B. and the sd Birch desiring ym to go with him to the key att Newcastle, which they could not do, both wind & tide being agt ym; The petitioner told him hee was bound to philadelphia, & if hee pleased to Come on board hee might see what was there; and yor per. being a stranger, & seeing neither the king's Jack on board wt sd Birch, nor anie power nor Commission hee had for stopping y^e boat yor per. was in, Wee turned our boat & come towards philadelphia; and the day after yor petitioner being att Newcastle about his Lawll bussines, Upon informaon by sd Birch to Justice Halliwell, ther wer several affadavits taken, & yor per obliged to enter into recognizance for appearing befor the Honord Lt. Gor before y^e first of Augt next; and ther being as yet no Crime Laid to yr petitioner's charge, nor anie pson appearing to accuse him, & a great part of the affadavits being false, as yor per. can make appear by the testimonies of psons of undoubted fame, who wer in y^e boat with him, and yrfor requesting y^e Gor & Council, upon due Consideraon of y^e premisses, to dismiss y^e per. & discharge his bail, and yor per. shall pray, &c.

Upon full debate on both, It was resolved that (in respect the said Justice Halliwell had not certified y^e Complaint to y^e Gor & Council,) the sd James Meinziez should be bound with sureties, to appear before y^e Gor & Council y^e 8th ensuing, to ansr y^e same, and yt a warrant be issued from y^e Lt. Henry Mallows, messr of y^e Council, to whom y^e abov sd warrant was directed, did return y^e same to the Lieut. Governor & Council, duly executed. The sd Richd Halliwell & Mathew Birch (with Coll. Quarry, who told y^e Lt. Gor & Council yt he was Comanded by y^e sd Birch, Collector, to appear wt him att this board on his maties behalfe) appeared, and sd Justice Halliwell delivered to y^e board y^e original affidavits of Jacob Boditt, James Hunt, & Harman peterson, taken before him, agt Ja. Meinzes, Ja. Howe, Ja. m'Colme, Edward Robinson, Jno Hues Tho. & Rogers, two boatmen, & one——, Boatswaine, of y^e ship——, Which having been read, The Lt. Gor told Mr Birch, Collector, yt if hee had been abused in the execution of his office by all or any of y^e sd psons, the acts of navigaon did prescribe how, where & when, & by whom they should be tried, & yt it was not cognizable before this board. But since it was brought hither by mistake of y^e Justice in his duty, hee should have Libertie to prosecute y^e sd psons att anie Court in this Govermt, & yet hee was readie to bind over so manie of ym as was in his govermnt to answer y^e same.

To which y^e sd Mr Birch, Collector, replied that hee thought it not reasonable yt hee should prosecute ym att his owne charge. The Lieut. Gor advised him to Consider of it, & told him hee wold send y^e attornie general to assist him. The sd Birch went forth with Coll. Quarry to advise, who returning, shewd that all these might be bound over wch are contained in y^e affidavitt, att y next Court of quarter sessions to be held att Newcastle, which was granted.

Accordingly, y^e sd James Meinzes recognized himselfe in 300£, and Charles Sanders, his securitie, in 200£, to his matie, that the sd James Meinzes should appear att y^e sd Court y^e sd day, & there ansr y^e Complaint of y^e sd Collector, & not depart y^e Court wtout Licence.

Then y^e Lt. Gor desired y^e messr of the Councill to Sumons Ed-
VOL. I.—24.

ward Robinson & James McColme, to appear att this board to-morrow morning.

Coll. Quarr said, yt hee had Latelie been in Virginia & Maryland, & there had heard yt y^e Gor there intended to secure y^e psons & effects of all psons suspected of piracie, Untill his maties pleasure be further known, & yt hee had Consulted his Comission of Judge of y^e admiraltie, & found yt notwithstanding y^e Law past here by advice of the Honoble y^e Lords Commissioners of y^e plantacons, ansrable to y^e Jamaica act, yt hee had not power yrby of trying piracy, but had writt to Secrie Vernon yrof, & y^e Lords of y^e admiralty. And then he sd that hee himself was a Considerable trader in this province for himself & several others in England, & yt hee had some vessells now at sea on yt accot, & yt tho' hee expected some dayly, yet was afraid yt y^e first news hee should hear of ym wold be that they wer taken by pirats, & yt they had of Late grown so numerous & insolent, that they spared not even his maties Chambers & ports where shippes of warr are numerous, & that they had Comitted several murthers on board his maties shippes of Warr.

To all which the Lt. Gor replied, that hee had secured all that he could heare of yt wer suspected of piracie, wt yr effects, & had sent advice yrof to England, & yt hee wondered yt Coll. Quarry, by him self or his deputie, Robt. Snead, had apprehended two psons upon suspition of piracy, & had possessed ymselves of yr effects, & not trusting ym to y^e Justice of this governmt, (tho' apprehended in it) nor acquainted y^e governmt with it, Sent ym outt of it to West Jersey, which act of Coll. Quarrie's, or his deputie's, was by y^e Gor & Council resolved not in y^e power of ym to do, & a Contempt of this government.

Upon reading the petion of Robt. Brandingham & Wm. Stanton, prisoners in y^e Countie goal of Philadelphia, upon suspition of piracy, setting forth yt yr estates wer seized & detained from ym, tho' nothing had been proved agt ym, & yrfor requesting they may be discharged, & yr monies & goods restored to ym, or admitted to a speedie trial, & in y^e meantime to be allowed bail for yr psons & estates.

The Lt. Gor & Council being informed yt notwithstanding y^e pers. wer Comitted Close prisoners, yet they went att Large about y^e town. Jno Claypoole, Sheriff, appeared, & y^e Lt Gor acquainted him yt great notice was taken & Complaint made yt Robt Brandingham & Wm. Stanton, who had been Comitted prisoners to y^e Countie goal of Philadelphia upon suspition of piracie, had great Libertie, & went about the streets verie often att Large. To which the sheriff replied, that they never went wtout his Leave, & a keeper, wch hee thought might have been allowed in hott weather.

Whereupon the Lt. Gor strictlie charged him that those persons yt had been Comitted for suspition of piracie & other felonious acts, should be kept Close prisoners, & yt hee be verie watchfull yt they make not yr escape, to y^e scandal of y^e governmt.

Att a Councill Held att philadelphia die Mercury, 9th August, 1699.

PRESENT :

WILLIAM MARKHAM, Esqr. Lieut. Governor.

Samll Carpenter, phineas pemberton, Caleb pussey.
William Biles, David Lloyd,

According to an ordr of Council, y^e 8th instant, appeared Edward Robinson & John McColme. The Leut. Governor told ym yt yr had been affidavitts taken agt ym & some others, before Justice Halliwell, for abusing Mr. Birch, Collector of Newcastle, in the execuon of his office, & yt it was y^e sd Collector's desire yt y^e psons in the sd affidavitts named should be bound over to ansr his Complaint att a Court of Quarter sessions to be held att Newcastle y^e 15th instant.

Accordinglie the said Edward Robinson recognized himself in 300£, & Ja. M'Colme, his securitie, in 200£, to his Matie, yt sd Robinson should appear att sd Court y^e sd day & ansr y^e sd Complaint, & not depart Court wtout Licence.

As also, y^e sd James M'Colme recognized himself in 300£, & Edwd Robinson, his securitie, in 200£, to his Matie, yt y^e sd James M'Colme should appear att sd Court sd day, & ansr y^e sd Complaint, & not depart y^e Court wtout Leave.

Upon reading the petion of David Evans, setting forth that having been imprisoned in y^e Countie goal of philadelphia about 18 mo's. past, upon suspition of piracie, for which hee had been tried & acquitted in England, as by y^e oathes of several psons had been made appear, Which if not thought sufficient, the petitioner could produce others that were att his trial, yt could wittness y^e same ; And yrfor, desiring this board to Consider his Long confinement and relieve him. Itt was the opinion of the Lt. Gor & Council, that y^e per. has had time enough since his confinement to procure Certificats from England of his trial & discharge, and yt in ansr to his petion, when y^e manner, method & time of y^e trial of him & others, suspected of piracie, shall be concerted & agreed on, Hee should then, with others, have such relief as the Law allows.

Upon reading the Complaint of some of the inhabitants of Newcastle town to y^e Gor & Council, in these words : Wee, the inhabitants of y^e Countie of Newcastle, humbly psent, yt whereas, about y^e end of Augt, 1698, a Company of pirats To y^e number of about 80, in a ship, Came wtin the Capes of Delaware, went ashoar & plundered y^e town of Lewis, Carying away what they pleased, & had a design to come up to y^e town of Newcastle to do y^e Like, but accidentalie meeting with a ship in y^e bay which brought passingers from Holland, whom they forced to furnish ym wt provisions & other necessaries, otherwise they wold have seized her ; And Likewise, since the 20th of June Last past, the briganteen Sweep Stakes, belonging to Col. Webb, Late Gor of providence, ryding before y^e town of Newcastle, mounted with six guns, ritchly loaden, ready the next day to sail for England, was in the night time, by y^e vessels Compa. of sailors & others, to y^e number of 13, piratically taken away, foure of which vessels Compa. wold not Consent to y^e said piracie, so wer sett on shore. All which wee are verie sensible of and know, the greatest

encouragements to such attempts hath been & is the incapacitie wee are in to prevent the Like, Having neither fort, castle nor breastworke, to Comand anie ship or vessell; no militia, arms, nor ammunition to make use of on anie occasion; And It is also manifest unto us, that the same Unlawfull & piratical practice may be as well putt in practice any time of y^e day, tho' it be 100d miles up y^e river, as in the dead of the night, here being no provision to prevent y^e same, so yt both our Lives, Liberties and estates, have hitherto Lyen open, & still do remain defenceless & void of protection, & ever exposed to y^e wills o' such mercieless wretches, who are a plague to all honest endeavours & a Continual terror to our peace & tranquillitie, which wee humbly referr to yor Serious Consideraon, & of right desire yt such care may be taken yt or Lives and estates may not remain in such Imminent jeopardy and danger, but yt wee may be defended as his maties Lawfull subjects: subt. by 25 psons of y^e sd town.

The above petion having been read and Considered, It is the opinion of this board that whatever encouragmt pirates may take by or not having forts & castles, &c. Wee find yt bolder attempts than what is in the wtin petition instanced, has been made wtin ports of great fortitude and strength, even in those places (as wee are informed) called the king's chambers, where shippes of warr are numerous; and this board does not understand that the forts of Virginia & Marie Land, which are Colonies of Long standing, and inhabited by psons of great estates, & bring vast revenues to the Crown, are much more formidable than the fort of Newcastle hath been, and if it's now delayed, the Inhabitants of yt place are accountable for it. And if this Countrie wer able to build great Castles & forts of & strenth, yet if y^e people are not also able & capable (as they are not) to maintain such posts, It is y^e opinion of this board, that it may prove more prejudicial to y^e king's interest, & Hazardous to his subjects here, than if there be not such fortresses. And as for a Militia, it is the opinion of this board that its a more proper subject for the Consideraon of a general Assemblie, where the petitioners might have taken yr oportunitie to propose it in May Last, had they & the rest of the Inhabitants of Newcastle Countie, done yr dutie in electing & sending y^e representatives to assist & advise y^e Gor att y^e said Assembly, in things pertaining to the king's service, & good & saftie of y^e governt, which they obstinatly refused.

Upon reading the petion of Samll Hadden to y^e Lt. Gor & Council, setting forth yt hee was encouraged in England by Samll Cart, that if hee Could procure him 17 passingers for pennsylvania, yt then hee should have his owne passage free, & his wives & 4 children's for 15£ st. they taking up but two Cabbins & in one mess; Upon which encourgmt, y^e petitioner having disposed of his effects, brought them, with his familie and 17 passingers, to Bristow, a Journie of 70 miles, & putt his goods on board by sd Cart's order, paid in the 15ll, and that afterwards y^e said Cart wold not suffer y^e pers. wife nor children to go on board unless hee wold first pay 5ll. for his owne passage, and as much for each one of his children; and yt yrupon y^e per. demanded his goods ashore again, wch Cart denied him; and yt y

per. having but three pence Left, was forced to sell his children, one for nine and the other for ten years, or else stay in England, when his whole substance was carried elsewhere; And yrfor Requesting y Gor & Council to Order His Children to be returned him, or else yt they order him satisfacon some other way. Samll Cart appearing and having heard y^e sd petion read, & after a tedious dispute on y^e matter between the per. and the sd Samll Cart, They both submitted y^e difference to y^e Lt. Gor & Council (the per. being poor & not able to go to Law.)

Wherupon, it was ordered yt the sd Samll Cart do return to y^e sd Samll Hadden his son Adam Hadden, & yt the sd Samll Hadden give securitie to Samll Cart to pay him eight pounds, and yt y^e said Samll Cart allow to James peters of Bristow, 10li. 10s. in Bristow, in Consideraon of his Laying down 5li. 10s. in Bristoll for y^e sd Adam Hadden's passage, att y^e sd Samll Hadden's request.

To whom the pror & Gor made ansr, That his signing y^e sd replevin was a verie indeliberate, rash & (in his opinion) unwarrantable act, which hee, sd Anthonie, could not justifie, & yt hee wold be so far from Justifying itt, that tho' hee could not deliver back Into y^e hands of y^e admiraltie y^e sd goods, (they being long since delivered to the supposed ower, on securitie given to the Sheriff) yet hee wold deliver into y^e Judge of y^e admiraltie's hands, & into y^e power of yr Court, the 2 invries & apraismts of sd goods, & y^e obligacon given by sd Adams & his sureties to y^e Sheriff of philad, for 327ll. 8s. 6d. Then sd Anthony was desired to withdraw; which hee did.

Upon notice given yesterday to Coll. Quarrie, hee this day appeared, To whom the pror & Gor having opened his, the Council & govermts most sincere intentions, by all Lawll means, to discourage, discountenance & severely punish piracy & Illegal trade, Hee desired y^e sd Coll. to be assistant in proposing such expedients as might be most Conducive yrto, & yt hee & all others the king's officers & y^e govmts', might go on hand in hand in securing the king's interests in this govmnt. To wch thesd Coll ansred, yt the matter being weightie it required thought, & that after some Consideraon, he wold propose to ym what in his opinion wold be most effectual for these ends.

Then the pror & Gor deliverd to sd Coll. Quarry 4 paps. relating to the sd replevin, telling him yt tho' y^e goods in kind were Long since delivered to y^e ptended owner, & so outt of his power, yet hee delivered to him the Invrie, 2 appraismts, & sd Adams & His sureties obligacon for y^e sd sum, & desired y^e secrie to take Copie of sd 4 paps. wt Coll. That this his action, was no less then to Question whether his Matie or y^e sd Anthonie has most power. The act of parliamt is for us, & hee cannot pretend ignorance, having been so Long a Justice yt hee became verie insolent, & by this his action, he has affronted y^e king, (what in him Lay,) & has broken his Laws & invaded his privileges & Courts, And yrfor, desired the pror. & Gor wold order y^e sd Anthonie to restore y^e said goods into y^e power of the Admiraltie again, & yt securitie had been taken by y^e sherif for y^e value of y^e sd goods, according to apraismt, & yt the Security refuses to pay y^e monie, (& y^e Sherif yt took y^e bond is now Laid aside,) & yt it is unreasonable yt y^e king should be putt to y^e trouble & charge of a sute to recover the appraised value of y^e sd goods, (wch sd Anthonie had illegallie taken away out of y^e king's store.) Then the pror & Gor said : "Friends, Tho' this be a Colonie of
 "19 years standing, & not inferiour to anie of its age, yet wee have
 "much to doe to establish its constituen & Courts of Justice ; there
 "are in it some Laws obsolete, others hurtfull, others imperfect, yt
 "will need improvemt, & it will be requisit to make some new ones ;
 "wee cannot go to slow to make, or too fast to execute them when
 "made, & yt wt diligence & discretion, a few well made & duly exe-
 "cuted, will better ansr y^e ends of governmt yn a greater bulk unexe-
 "cuted. You friends are y^e people's choice & my Council ; you'll
 "see what Laws are fitt to be Left outt & what to be made, & you
 "wt mee, are to prepare & propose ym. I say this the rather becaus
 "of a false notion some have gott yt becaus you are my Council
 "yrfor you are not y^e people's representatives. The ablest men have
 "always been chosen to be of y^e Council to prepare Laws, & y^e As-
 "sembly to consent to ym ; wee are two bodies yet but One power,
 "the one prepares. y^e other consents. Friends, if in the Constitucion
 "by Charter, there be anie thing yt jarrs, alter itt ; if you want a
 "law for this or that, prepare itt ; I advise you not to trifle wt go-
 "vernt. I wish ther wer no need of anie, but since Crimes prevail
 "govemrt is made necessarie by man's degeneraon ; It's not an end
 "but a means ; hee yt thinks itt an end aims att profit to make a
 "trade on't. He who thinks itt to be a means understands y^e true
 "end of governmt. Friends, away wt all pties, & Look on yorselves
 "& what is good for all, as a bodie politick, first as undr y^e king &
 "Crown of England, & next as undr me, by Lres patent from yt
 "Crown. Att y^e Late election att philadelphia, I was grieved to
 "hear some make it a matter of religion ; no its humane & moral re-
 "lating to trade, traffique & publick good consisting in virtue & jus-
 "tice ; where these are maintained there is government indeed.
 "Study peace, & be att unitie ey y^e good of all, & I desire to see
 "mine no otherwise than in y^e publick's prosperitie. The last Ass.
 "wee made 2 Laws, the one agt piracie, y^e other agt forbidden trade.
 "I hear they have not satt easie on y^e backs of some, but I hope,
 "wee haveing yrin been carefull of England, wee shall have thanks
 "for making ym before wee had orders so to do, and after so manie
 "calumnies & complaints wee have been Loaded with, I hope these
 "two Laws will in some degree wash us clean ; what concerns my-

"self I also Leave wt you to Consider. I have now been 19 years
 "yor pror & Governor, & have att my chairage maintained my deputie,
 "qrby I have much worsted my estate, & hope itt will be no wonder
 "to any to hear me make this Lection of itt. Some say I come to
 "gett monie & be gone, phapps they that say so, wish itt so. I
 "hope I or mine shall be wt you, while I or they Live—The disas-
 "ters of my absence have been mine as well as yours, & as I'm used
 "shall make suteable returns. I have latelie two packetts from
 "Whitehall, an original & a duplicate; also one to my Cosen
 "Markham, & two from Secrie Vernön, & am Comanded by y^e Lords
 "Justices to make Laws agt piraoie & illegal trade. I am glad wee
 "have prevented their Commands in doing it before they came."

Therafter, a motion being made by a member of Council, that
 they might have a new Charter: Then y^e pror & Gor ask't whether
 they thought the Charter was Living, dead or asleep; is it vacated
 by y^e act of Settlement, or in what state is itt. A member made
 ansr, that they never Look't on't to be void or dead, becaus att Gor
 Fletcher's coming, wee made a salvo of it in y^e assemblie books, &
 another salvo of it in y^e frame of govrnt, as to its fundamentalls, but
 y^e Circumstantialls of itt as to time, place & number, & rotation,
 wee could not reassume. Our bussines now is to do good, y^e Gor
 being here to confirm itt, & he having in his Charter, power to call
 us as hee pleases, ye manner is but circumstance, the meeting is
 essential; Letts take what's fitt & good both in y^e charter & frame,
 & Lett's make a Constituon yt may be firm & Lasting to us & ours;
 This makes no breach on the old Laws, but will confirm what's
 reasonable, both in ym, y^e charter & frame.

Then the y^e Gor said: The act of Settlmt served till I came; now I'm
 come, It Cannot bind me agt my owne act, the charter it being my
 grant, & the people my wittness by yr acceptaon of it, and tho' some
 violence cannot be resisted, yet when the violence is taken off, y^e
 Charter returns, & how can it return but by writt.

Therafter y^e pror & Gor resolved y^e whole members of Council
 into a grand Committee, to meet hora tertia, p. m., to read y^e Charter
 & frame of govrnmt, & to keep what's good in either, to lay aside
 what's inconvenient & burdensome, & to add to both what may best
 suit y^e Comon good, & if you be under any doubt Ile solve itt &

Penn, esqr, pror & Gor of y^e province of pennsylvania & y^e annexed Counties. The memorial of Coll. Robert Quarry, Judge of His maties Court of admiraltie for y^e provinces of pennsylvania & West Jersey, Represents to this board yt hee is obliged, as well by his dutie owing to his most Sacred matie, & by the directions Latelie received from the Rt honble y^e Lords of y^e plantaons & trade, as y^e trust lodged in him by virtue of his maties Letters patents undr y^e broad seal of y^e High Court of admiraltie of England, to signifie yt having alreadie Laid before y^e board a charge of unparalleled misdemeanors & affronts offered agt his matie in some of y^e Courts of this province, by one David Lloyd, now & att yt time a member of Council, and being required to reduce y^e same to writting wtin y^e space of few Hours, with the witnesses to prove the charge, In weh time the whole series of y^e affair, wt y^e aggravating Circumstances yrof, cannot so fullie be digested as the nature of the crime may require. However, in obedience to y^e said order, Hee Showeth : That sundrie goods & merdizes being seized for Illegal Importaon, & Lodged in the marshall of y^e admiral's Custodie in the king's store, in the year 1698, & properlie triable in the sd Court by virtue of several acts of parliamt, The sd David Lloyd did, in contempt of y^e sd Laws & Jurisdiction of y^e sd Court, influence & advise the justices by force & arms, to force y^e goods outt of the sd store; That the sd David Lloyd did further advise & prosecute an action agt y^e sd marshall for the detainor of y^e sd goods, att the succeeding Countie Court, where y^e marshall being called to defend the sute, hee produced in his owne Justificacon His maties Lres pats, undr y^e broad seal of y^e High Court of Admiraltie, with the Judges warrt for y^e seizure aforesaid, which sd patent having in the frontis piece his most sacred maties effigies stampt, with the sd seal adpendant, the sd David Lloyd, in a most insolent & disloyal manner, taking the sd Comission in his hand & exposing it to y^e people, did utter & publish these scurilous & reflecting words following, viz :—what is this? do you think to scare us wt a great box (meaning y^e seal in a tin box) and a little Babie; (meaning y^e picture or effigies aforesaid;) 'tis true, said hee, fine pictures please children; but wee are not to be frightened att such a rate; & many more gross & reflecting expressions on his matie to y^e like effect. That att another time, att a Court of admiraltie, held in this town of philad, hee, y^e sd David Lloyd, in open Court, with a design to incense & irritate the people & expose y^e king's officers to their furie, did publickly say, that yt Court did not sitt there by anie Comission

And also, setting forth yt y^e sd rexive resolves, votes & sentences past yron agt y^e pers rexivlie, have not only proved much to their scandal, reproach, detriment, publick, shame & disgrace, but may also to that of their posterities, if not now att last remedied, the same being yet standing in one of the most publick (as reputed) records of fame and Credit wtin y^e sd province & territories, and yt by reason yrof, y^e pers. stand Liable (at y^e will & pleasure of ill minded men) undr this or any change of govrnt yt may happen to be drawn into question for & about y^e same. And also setting forth, yt y^e per. Rt Turner, hath made manie modest & Christian petitions & applicaons to the succeeding assemblies, (Copies whereof are hereunto annexed) for a Hearing & trial, & hath Long waited att y^e posts of yr doors; & pticularlie in May, 1690, hee, by a petition to yt ass: then sitting att Newcastle, did sett forth yt being informed of some votes past agt him last ass, & yn standing open upon their books, & yt having inquired of severall of y^e sd number of 20 psons, about y^e same, they could give y^e per no informaon, being whollie Ignorant yrof, & yt David Lloyd, yr clerk, tho' often requested to give y^e per a Copie yrof, yet hee still refused, alledging his ordrs to the contrarie, & yrfor yn requesting to be brought to a trial. And yt notwtstanding y^e sd Robt Turner's petitions & applicaons, hee could never prevail to have a hearing or triall. And yrfor, now att last requesting a fair & open trial and Hearing, & yt if it be made appear yt y^e sd vote & resolve hath proceeded on a groundless & false foundaon in matter of fact agt y^e per. Robt Turner, & yt y^e psons that so past y^e sd votes & resolves wer but 20 instead of 24, the Charteral Quorum, (By which Charter y^e assemblie had power to impeach, & y^e Gor & Council to

And y^e sd Robt.
